Dear State Bar of Michigan,

On behalf of the Board of Police Commissioners, I am asking for clarification on the difference between a "P" license and a "PL" license under the Michigan Bar Association. In particular, what is the scope of practice for the individual with the license PL1103? Is this person a licensed attorney? And why was this individual issued a "PL" license rather than a "P" license?

We sincerely appreciate the clarification and education for the Board's benefit. Feel free to respond by email at bopc@detroitmi.gov, or by mail at the address in the letterhead.

Respectfully,

Bryan Ferguson, Chairman Board of Police Commissioners
