18 CHAIRPERSON PRESSLEY: Thank you. Again, welcome all of
19 our community residents, our representatives, to this
20 community meeting. It is our hope and desire that what is
21 done today will be productive in our work of oversight of
22 police misconduct. With that being said, next on the agenda
23 is the ceremonial installation of officers. We are so happy
24 to have the honorable Justice of the 36th District Court,
25 Chief William McConico, who is here to institute our

1 swearing in. Welcome at this time.

2 MR. MCCONICO: Good evening, everyone. I'm Bill
3 McConico. I have the honor to being the Chief judge of 36th
4 District Court, and it is a great honor to install the
5 Chair and Vice-Chair today. Before I begin, I'd like to
6 bring greetings on behalf of the 29 judges of the 36th
7 District Court. This is a great honor to administer this
8 oath. I'd like to thank the media for coming out to watch
9 this oath. This is a very auspicious occasion. I want to
10 thank them for coming. As a point of personal privilege, I
11 have known these two gentlemen, I've known Reverend Holley
12 my entire life. Goes back with my family as well as my late
13 pastor, Dr. Odell Jones. I've known Chair QuanTez Pressley
14 since his days at Morehouse College, my alma mater.

15 MR. MCCONICO: So it's a very proud moment that I can
16 swear to these gentlemen. At this time, we're going to
17 start with Vice-Chairperson. That would be Reverend Holley.
18 Please, I'm going to say I and state your name, I do
19 solemnly swear or affirm that I will support the
20 Constitution of the United States and the constitution and
21 laws of the state of Michigan and the charter of the City
22 of Detroit. And that I faithfully and impartially form and
23 discharge the duties of the office as Vice-Chairperson of
24 the Detroit Board of Police Commissioners according to the
25 law and the best of my ability. Congratulations, sir. I

1 state your name, solemnly swear, or affirm, that I will
2 support the Constitution of the United States and the
3 Constitution and the laws of the state of Michigan and the
4 charter of the City of Detroit. And that I will faithfully
5 and impartially perform and discharge the duties of the
6 office as Chairperson of the Detroit Board of Police
7 Commissioners according to the law and the best of my
8 ability. Congratulations.

9 CHAIRPERSON PRESSLEY: Well, first, let me express my
10 immense gratitude, justice Bill McConico who has served as
11 mentor and a big brother of mine for over 15 years. It is a
12 special moment for me because this opportunity opens up a
13 window of reflection, that responsibility that we have on
14 this Board is something I believe that Detroit has uniquely
15 prepared me for. When I sit here, I can't help but to
16 reflect my first duty as a civic participant being nearly
17 20 years ago to the year of when I was elected as the
18 President of the Citywide Student Council of the Detroit
19 Public School District. As a result, I was the first
20 student ever appointed to serve on Detroit Board of
21 Education at the age of 17 years old. Knowing what Detroit
22 has given to me, it is an honor to serve in giving back to
23 Detroit.

24 CHAIRPERSON PRESSLEY: Now, I must be honest, there are
25 some leadership opportunities that are sought and others

1 that seek you. I would suggest that this is the latter for
2 me. My colleagues would know that I have accepted this role
3 reluctantly recognizing the challenges that lie ahead. But
4 because of those challenges and the unique skills that this
5 city has provided me, I approach this assignment with great
6 humility, with great soberness and with great focus. So if
7 you will allow me just briefly first to thank my Vice-
8 Chair, the Vice-Chair Holley, who was my Chair when I
9 became a member of this Board just a year ago and set for
10 me a wonderful example on how to lead this august body.
11 Then I must thank my family, which are my parents and my
12 wife Aisha, for their unconditional support for me in every
13 endeavor in life. Then you can see that there's a few more
14 people at this meeting than normal because my church family
15 is here and I'm so grateful for the members of Third New
16 Hope who are here to remind me that I am never alone.

17 CHAIRPERSON PRESSLEY: For that, I'm immensely
18 grateful. To my colleagues, we have a work to do. This
19 community is relying upon us to reestablish a sense of
20 credibility and integrity, and it is my best focus to
21 ensure that we can do just that. Now, in closing, I'll say
22 this, I am a man of faith that I don't consider myself a
23 miracle worker. I'm not here to move mountains or believe
24 that things are going to change overnight. But what it does
25 suggest is that with unrelenting persistence, I would do my

1 very best to serve the citizens. Thank you very much. With
2 that, now moved to—excuse me. If there's anyone who can put
3 some additional chairs for those might need some seats.
4 Thank you. Thank you. At this point we have the Board of
5 Police Commission's officer's report and I'll begin with
6 the report this way. We as the Board are well aware of the
7 reports that has been made regarding Mr. Ferguson and we
8 have also accepted Mr. Ferguson's resignation.

9 CHAIRPERSON PRESSLEY: We do so agree with his
10 sentiments that this Board does not need to be distracted
11 from handling our role, which is overseeing police
12 misconduct. So with that, we hope to demonstrate our focus
13 on the business of this Board by doing just that. So today
14 we have a public hearing to get the community's feedback on
15 the gunshot detection system policy and the officer-
16 involved shooting investigations policy. Members of the
17 public will have two minutes to provide your comments on
18 these policies. We will also have general oral
19 communication during which you'll have two minutes to talk
20 or whatever you like. So just to be clear, there will be a
21 public comment section directly about these items we're
22 talking about with public hearing, the gunshot detection
23 system, as well as the officer involved shooting
24 investigation policy.

25 CHAIRPERSON PRESSLEY: Then there will be another

1 setting of public comment where you can make the general
2 comments that you may have been propelled to come here to
3 say. After that, commissioners, when I come around to you
4 for questions or comments, I'm asking that you do your very
5 best to limit yourself to two minutes as well. For the
6 public in the room, if you want to give public comment on
7 the policies, please fill out a card with your, your name
8 and write which policy you're speaking. Excuse me, write
9 policies from the top of the card. If you want to sign up
10 with general communications, fill out the card and write
11 general at the top. So again, if you want to talk in the
12 public hearing, write policies at the top if you want to
13 speak generally for public comments, write general at the
14 top and give your cards to Mr. Brown right here with his
15 hand up. With that I now turn over to Commissioner Bernard
16 who has a community recognition for the Smith Sisters.

17 COMMISSIONER: Mr. Chairman.

18 CHAIRPERSON PRESSLEY: Yes.

19 COMMISSIONER: I think it's proper to accept
20 resignation.

21 CHAIRPERSON PRESSLEY: The Chair will entertain a
22 motion to accept Ferguson's resignation.

23 COMMISSIONER: Move.

24 CHAIRPERSON PRESSLEY: Is there a second? It's been
25 properly moved and seconded. Is there any discussion?

1 Hearing no discussion, all those in favor of accepting Mr.
2 Ferguson's resignation for the Board of Police
3 Commissioners immediately please signify by saying aye. All
4 those opposed. That motion carries. Now to Commissioner
5 Bernard for the resolution.

6 COMMISSIONER BERNARD: Good evening ladies and
7 gentlemen. This is a unique resolution, one that I frankly
8 have never seen because it honors two sisters jointly. I
9 believe they're twins because of their name. This is a
10 resolution honoring Zyronica Smith and Zymelia Smith. So
11 that is really cool to me anyway, and it reads as follows.
12 Whereas Zyronica Smith and Zymelia Smith, our native
13 Detroiters, with a strong commitment to family, neighbors,
14 and community. Their parents instilled in them and their
15 siblings a sense of both uniqueness through their
16 distinctive names and selflessness through their values for
17 neighborhood pride and community service. Zyronica and
18 Zymelia regularly volunteer together as a dynamic duo and
19 have led or participated in organizations, causes the line
20 with the mission of the Board of Police Commissioners. Is
21 the dedicated members of the Webster Association.

22 COMMISSIONER BERNARD: For decades, these sisters have
23 worked on numerous museum and beautification projects with
24 Block Clubs, Motor City Makeover, Arise Detroit, and other
25 groups. Whereas past and present, these commissioners have

1 known the Smith sisters through their participation in the
2 Detroit Citizens Police Academy and its alumni association,
3 and especially through their contributions in the 10th
4 precinct. The Smith family has lived for over 60 years.
5 Zyronica and Zymelia have been steadfast support the 10th
6 Precinct and its police community religious council
7 donating time, money and other resources to national light
8 out following Truck or Treat, officer recognitions and
9 other special activities. With both retired, this dynamic
10 duo continues to exemplify civic leadership and inspire the
11 next generation of leaders to include carrying on the
12 family tradition for community service now again the
13 Webster Association.

14 COMMISSIONER BERNARD: Now therefore be it resolved
15 that the Detroit Board of Police Commissioners speaking on
16 behalf of the residents of Detroit and the Detroit Police
17 Department, salute and sincerely thanks Zyronica Smith and
18 Zymelia Smith for their participation and contributions to
19 improve the police, community relations, public safety, and
20 the quality of life in the city of Detroit. Signed by the
21 Board of Police Commissioners. Are they here?

22 CHAIRPERSON PRESSLEY: Before they come, can the Chair
23 entertain a motion [Audio Distortion].

24 CHAIRPERSON HOLLEY: So move.

25 CHAIRPERSON PRESSLEY: Properly moved and seconded. Any

1 discussion? No discussion. All those in favor please
2 signify by saying aye. Aye. All those opposed.
3 Congratulations. You may come too so they can see you.
4 You're an honor. Excellent. It is our desire that each of
5 our community meetings that we have once every month, that
6 we will honor those in the community who are doing amazing
7 work for the public, police misconduct and oversight. So we
8 again, thank these two women for the stellar example that
9 they have set for us today. With that, one last thing with
10 the community meeting for Tuesday. One, next week as Chair,
11 I plan to announce the structured committee assignments. So
12 if there are any commissioners who has a particular
13 preference on which committee you would like to serve I ask
14 that you would send me an email prior to next week's
15 meeting. Also, conversations happen before regarding the
16 Board of Police Commissioners securing its independent
17 attorney. So to that conversation if there are any
18 commissioners who has any insight on particular
19 recommendations that they might make of those who might
20 approve that position, I also ask that you would share that
21 [Audio Distortion]. Thank you.

22 COMMISSIONER BANKS: Mr. Chairman.

23 CHAIRPERSON PRESSLEY: Yes.

24 COMMISSIONER BANKS: Can I ask a question?

25 CHAIRPERSON PRESSLEY: Yes, you can.

1 COMMISSIONER BANKS: What if you want to stay on your
2 same committee?

3 CHAIRPERSON PRESSLEY: You communicate that as well.
4 You can communicate that as well. If you'd like to stay on
5 your committee, you can email me saying that you would like
6 to stay on-

7 COMMISSIONER BANKS: Okay. Got you.

8 CHAIRPERSON PRESSLEY: Thank you. Any further
9 questions? Hearing none, we can now move on to our
10 community impact report again given to us by Secretary
11 Shah.

12 MS. SHAH: Thank you, Mr. Chair. You're welcome
13 commissioners and public guests. Our community impact
14 report today, we will have a public hearing on directive
15 308.6 gunshot detection system and directive 205.11
16 officer-involved shooting investigations. Our presentation
17 today is from the Board staff, and I'll be presenting this
18 information.

19 CHAIRPERSON PRESSLEY: 10 minutes for your
20 presentation.

21 MS. SHAH: Thank you, Mr. Chair. Just as background,
22 for background on these policies for gunshot detection
23 system, this is a technology that detects outdoor audible
24 gunfire within a particular coverage area using acoustic
25 sensors capable of pinpointing the accurate location of a

1 gunfire event. DPD transmitted this revised directive to
2 the BOPC on October 25th last year and DPD is currently
3 operating under the revised policy as transmitted in
4 October. For the officer-involved shooting investigations
5 policy. This policy is intended to establish
6 responsibilities and duties concerning the investigation of
7 officer involved shootings and other types of deadly force
8 incidents, as well as other critical incidents based on the
9 totality of the circumstances. DPD transmitted this new
10 directive to BOPC on October 6th of last year.

11 MS. SHAH: DPD is currently operating under special
12 order. For both of these policies, the staff did conduct
13 research, obtain public feedback, and updated the Policy
14 Committee meeting through throughout October and November
15 of last year. Due to leadership changes late last year and
16 early 2023, progress to obtain BOPC's approval on both of
17 these policies were halted. So now we are here today to
18 solicit public and commissioner feedback and proposing
19 edits. Next slide. What I'll do is review the key points of
20 recommended edits from BOPC staff's analysis and allow for
21 feedback from the public and the commissioners. For the
22 first policy gunshot detection system. One recommendation
23 is to replace ShotSpotter throughout the policy with either
24 gunshot detection system or sound thinking, which is the
25 new brand name of that system as appropriate.

1 MS. SHAH: Under the civil Liberty protection section,
2 we have a recommendation to require that the gunshot
3 detection technology be used in a manner consistent with
4 applicable federal, state, and city laws, prohibit the use
5 of the technology as an unlawful pretext for stopping
6 individuals based on their personal characteristics or mere
7 presence in the area, prohibit use for immigration
8 enforcement as well as for covertly listening to any sound
9 that is not gunfire. In addition, there's recommendation
10 for language to prohibit the procurement of any gunshot
11 detection system that uses biometric technologies. Under
12 procedure, there's a recommendation to exclude private
13 residents, private buildings and constitutional curtilage
14 surrounding those properties when officers are canvassing
15 in response to gunshot detection.

16 MS. SHAH: Then under the training section, there's a
17 recommendation to add some language around training
18 requirements around the data security policies and
19 procedure, authorized and prohibited use of the technology
20 as well as consequences for egregious conduct. In addition,
21 there's recommendations to adjust the language around
22 reporting. So currently commissioners, you receive a weekly
23 report, which is not particularly insightful at this time.
24 You have a copy of that in your front pocket of your
25 packets as well, just as an example. So the recommendation

1 is to not have that report coming weekly, but to go to
2 quarterly, which is actually in the policy right now. But
3 then also adding that we would look for data elements that
4 that allow BOPC staff to analyze the data for frequency,
5 hotspots for gunshot detection, effectiveness of the
6 technology and potential despair outcomes.

7 MS. SHAH: In addition, we recommend language that
8 indicates DPD will conduct an internal audit mechanism to
9 mitigate risk, harm, or bias, and also that DPD will make
10 gunshot detection system data available to the public at
11 the request of the Board. These are the recommendations for
12 the gunshot protection system coming out of the BOPC staff
13 review. Moving on to the next slide. Officer involved
14 shooting investigations. The first recommendation is under
15 the administrative procedures, where right now officers are
16 required to report to police medical if they're involved in
17 an officer-involved shooting incident and they're required
18 to report there the next day. Right now, the policy
19 indicates that a direct supervisor can advise an officer
20 that they don't need to go to police medical, and our
21 recommendation is that that direction would need to come
22 from a Deputy Chief or higher-ranking member rather than a
23 direct supervisor just to ensure that that's appropriately
24 advised.

25 MS. SHAH: The most significant recommendation for this

1 particular policy is around the reporting. At this time,
2 the policy does not have a section addressing reporting to
3 the Board of police Commissioners. So this is the reporting
4 that the staff is recommending to add for critical
5 incidents. The first is to require notification and control
6 to notify BOPC within four hours of a critical incident,
7 which is consistent with the current practice. The Board
8 generally does not wait more than four hours to get a
9 notification of a critical incident. In addition, the
10 recommendation is to require that the Chief police holds a
11 critical incident debrief with the Board, which happens
12 today as well as designated staff. But putting a timeframe
13 around this within three days of the incident so that the
14 Board has information upfront and can address any questions
15 that's coming to the Board from the community.

16 MS. SHAH: In addition, an agreement that the Chief
17 would host updated debriefs at the request of the Board
18 throughout the investigation, as we know that additional
19 information becomes available throughout an investigation.
20 The next recommendation is to require the release of all
21 video and audio footage within five days of a critical
22 incident unless the release of that footage is prohibited
23 by city, state, or federal law. If it is prohibited that
24 the department provide a memorandum to the Board indicating
25 which footage is being withheld and citing the applicable

1 law. The last recommendation here is to require a quarterly
2 reporting to the Board of all critical incidents for a
3 rolling three-year period, including data elements that
4 will allow BOPC staff to track resolution and analyze for
5 trends. Those are the recommendations from the BOPC staff
6 regarding the officer-involved shooting investigation
7 policy.

8 MS. SHAH: For next steps, what'll happen today is that
9 we'll hear feedback from the public as well as
10 commissioners and BOPC staff will document that and we'll
11 make adjustments to the recommended edits in consideration
12 of the feedback that's received today. In addition to the
13 feedback today, you can also call the board office at (313)
14 596-1830 and provide your feedback. You can also email BOPC
15 detroitmi.gov With any feedback regarding the policies.
16 BOPC staff will meet with DPD policy division to negotiate
17 language, and then once complete BOPC staff will present
18 the following to the Policy Committee and or the full Board
19 within the next two to three weeks, analysis of the
20 commissioner and public feedback, analysis of requested
21 edits, including any that remain as outstanding concerns
22 and the revised policy drafts for vote by the Board. Mr.
23 Chair, that concludes the presentation on the policies for
24 today.

25 CHAIRPERSON PRESSLEY: Thank you. I want to express my

1 personal gratitude to the staff for the labor they put into
2 assembling the presentation. With that, we'll now move to
3 public comment. Again, this public comment is directly
4 associated to these two policies. So again I ask that you
5 would keep your comments to these policies. If you have
6 general comments, there'll be another section in the agenda
7 for you to speak. With that, Mr. Brown, we can start with
8 our public comment.

9 MR. BROWN: Mr. Chair, currently there are two speakers
10 for policy comments. Minister. Eric Blount, followed by
11 Lieutenant Mark Young.

12 CHAIRPERSON PRESSLEY: Thank you. You have two minutes.

13 MINISTER BLOUNT: Thank you. Good afternoon, Board. I
14 am Minister. Eric Blount From Sacred Heart Catholic Church
15 here in Detroit. Any surveillance that this city,
16 especially this police department decides to have, would be
17 met with great criticism. Over and over again, we've seen
18 this police department stumble and fumble with
19 surveillance. ShotSpotter, in particular, Assistant Chief
20 Fitzgerald nearly a year ago, admitted in one of these
21 meetings that ShotSpotter can hear voices in between shots.
22 That is a detail of this system that no one has ever really
23 talked about. For officer involved shooting, why not let
24 the facts speak for themselves? Just release the video. It
25 would go a long way in creating some type of trust within

1 the police department.

2 MINISTER BLOUNT: I only have to remind you of the
3 great tragedy of the killing of Porter Burks. The police
4 department stopped that video before shots were fired. Then
5 the narrative that we got from the police department is
6 totally unbelievable. He was 40 to 50 feet away. He may or
7 may not still have the knife in his hand, but all we know
8 is that he was shot at 38 times. Bullets pierced his body
9 18 times. Why? The coroner's report said that none of the
10 shots were fired close range. We just want to know the
11 facts. Just stop hiding.

12 CHAIRPERSON PRESSLEY: Thank you Minister. Blount. Your
13 time has expense.

14 MINISTER BLOUNT: Wait a minute. What clock are you
15 looking at? I'm looking at this one here.

16 CHAIRPERSON PRESSLEY: I'm looking at this one here.
17 This stated two minutes and 16 seconds.

18 MINISTER BLOUNT: Okay. Well, again-

19 CHAIRPERSON PRESSLEY: Don't start-

20 MINISTER BLOUNT: Phone, but get it right. I'll try.

21 CHAIRPERSON PRESSLEY: Thank you. I failed to
22 acknowledge those who are on Zoom. If you would like to
23 speak in this section, all you have to do is press star
24 nine. Excuse me. All you have to do is raise your hand in
25 the zone, and if you are dial in, all you have to do is

1 press star 9 to be able to speak according to this public
2 comment with the policies. You may begin.

3 MR. YOUNG: Good evening. The union, nor its members
4 have been able to chime in on this policy. This is
5 important because the members are the ones that suffer the
6 risk. So policy, it should be so rigid that it does not
7 view the totality of the circumstances. I support the
8 gunshot residence. I think that most of my members do,
9 supporting efforts and technology that have un afforded
10 victims' justice and victim safety and lifesaving is
11 important to me. It has great evidentiary and great
12 lifesaving value. It takes special people to rush towards
13 this gunshot detection technology. They work to make this
14 place a better place to work, play, socialize, and those
15 efforts should not be in a rigid policy. As far as officer
16 involved shootings, I haven't had the chance to view the
17 policy in this totality. That's unfair to me and my
18 members.

19 MR. YOUNG: But here's what I would say to you on this
20 note, no policy was needed for the members that go out here
21 to keep this community safe, to render lifesaving measures
22 for people that tried to take their lives. Thank you.

23 CHAIRPERSON PRESSLEY: Well, thank you. If you have the
24 opportunity to review the policy, you can still make your
25 suggestions or criticisms to email at bopc@detroit.mi.gov.

1 MR. BROWN: Mr. Chair, online we currently have Former
2 Commissioner William Davis, caller with the last three
3 numbers 124 and Professor Ray Baker.

4 CHAIRPERSON PRESSLEY: Okay. Commissioner Davis. We'll
5 begin with you.

6 MR. DAVIS: Okay. Good evening. I think it's important
7 that there be a greater transparency on this Board and also
8 a greater transparency as relates to officer involved
9 shooting. I know this is a very thankless job sometimes
10 being a police officer. In fact, my degrees are in law
11 enforcement and criminal justice. But we need to make sure
12 that the public is keenly aware of what's going on and that
13 there is true transparency right now. Frequently people
14 question whether or not the information we hear is true, be
15 it from the Board or be it from the police department or be
16 it from the mayor's office. So we need to make sure that
17 everything is as transparent as possible. Thank you.

18 CHAIRPERSON PRESSLEY: Thank you.

19 MR. BROWN: Caller with the last three numbers 124

20 CHAIRPERSON PRESSLEY: Caller, you may begin.

21 CALLER 124: Yes. Hello? Can you hear?

22 CHAIRPERSON PRESSLEY: Yes, we can hear you. Go right
23 ahead. We can hear you. Still there, Mr. Brown?

24 MR. BROWN: Still there, sir. I'll go to Professor
25 Baker.

1 CHAIRPERSON PRESSLEY: Professor Baker, are you there?

2 MS. BAKER: Thank you. I'm here. My name is Professor
3 Baker. I'm an assistant professor at the University of
4 Cincinnati in the School of Education and Criminal Justice.
5 I'm also a resident of District 6 in Detroit and a member
6 of the Stop ShotSpotter Coalition in Detroit. I have some
7 research to present to you today. One of my close
8 colleagues at the University of Michigan Dearborn has
9 closely reviewed ShotSpotter trial run data from years 2015
10 and 2016, as well as the early full initiation of the
11 ShotSpotter program in Detroit in 2020 now called Sound
12 Thinking. A review of this data showed that approximately
13 15% of ShotSpotter auto initiated calls produced the
14 finding of evidence only 15%. Less than half, 7% led to any
15 person being found. Less than 2% of calls resulted in any
16 arrests. So preliminary analysis of this data shows us that
17 ShotSpotter as an algorithm, as a tool for assessing the
18 safety of people in Detroit and specifically the way that
19 it's presented to residents in Detroit is a violence
20 prevention strategy. It's ineffective in doing what it has
21 set out to accomplish.

22 MS. BAKER: In the Detroit Police Department gunshot
23 detection system policy, I want to bring your attention to
24 sections 307.8-6, as well as 307.8-3 that specifically
25 describes how the use of the technology does not

1 specifically lead to the investigation of any potential
2 conduct using a firearm. In order for any investigation to
3 follow the use of a firearm that's detected by ShotSpotter
4 technology, a separate investigation is initiated. Pointing
5 out specifically that in this policy what is stated that
6 the CIU is responsible on a now potentially quarterly
7 instead of weekly basis reporting gunshot arrest.

8 CHAIRPERSON PRESSLEY: Ms. Baker, your time has
9 expense. Is the caller that was not present last time, are
10 they still there, Mr. Brown?

11 MR. BROWN: Yes.

12 CHAIRPERSON PRESSLEY: Can we try them again?

13 MR. BROWN: Caller 124.

14 CHAIRPERSON PRESSLEY: After this public comment.

15 CALLER 124: Can you hear me?

16 CHAIRPERSON PRESSLEY: Yes, we can hear you.

17 CALLER 124: Thank you. I was unmuted before and then I
18 heard you are muted.

19 CHAIRPERSON PRESSLEY: Yeah, no problem. Go right
20 ahead.

21 CALLER 124: Okay, well that is a problem because it
22 happens too much with the city government, but I agree with
23 Minister Blount. There's not enough transparency. I have
24 not heard whether there's been any kind of cost benefit
25 analysis. Perhaps I missed something, but I think that

1 definitely needs to be done. I also think that there is
2 just a lack of focus on our young people and the untreated
3 trauma walking around this city that I don't think
4 ShotSpotter is going to address. So trying to take the tech
5 high road out is not going to solve the problems that we
6 have. I was a former schoolteacher in a K through five
7 school that didn't even have a playground. So I think the
8 city has miserably failed our youth and I just don't see, I
9 mean, hopefully ShotSpotter will help save some police
10 officers. I give them credit for putting their life on the
11 line, but yet some of them are not very responsive and I
12 really wish you would clean the house.

13 CALLER 124: We know there are bad cops out there and
14 they make it dangerous for not only the good cops but the
15 rest of us. So I disagreed with the ShotSpotter. I don't
16 think that's going to really solve the problems. Mr. Blount
17 brought up very important issues. I hope you will address
18 them. Has there been any cost benefit analysis? I think we
19 would be better spending our money tutoring the children
20 who are way behind due to the Covid shutdown and otherwise.
21 If we continue to neglect our youth, we will continue to
22 have problems. So I hope you take that seriously. It's a
23 bigger picture than just having some technology about
24 listening to where the gunshot came from. Thank you for
25 listening.

1 CHAIRPERSON PRESSLEY: Thank you. The public comment
2 for the policies At this time, I'll open the floor for
3 Commissioners. Commissioner Bernard.

4 COMMISSIONER BERNARD: The professor has to be able to
5 submit her comment please. It's difficult to understand.
6 That was what I [Audio DISTortion].

7 CHAIRPERSON PRESSLEY: Great. Thank you. Professor
8 Baker, if you are still there you've been requested to send
9 your comments in writing and again, you can send that to
10 bopc@detroit.mi.gov. Again, that's bopc@detroit.mi.gov. We
11 would appreciate that. Again, each commissioner is given
12 two minutes to respond to these policies if you have any
13 feedback. Yes. Vice-Chair Holley.

14 CHAIRPERSON HOLLEY: Regards to video, Mr. Blount, I
15 think it's important that you know that we met with the law
16 department. The law department indicated that much of what
17 has not been viewed is done because of investigation and
18 because there is lawsuit. But therefore, much of what we
19 have not been able to assist in terms of giving the public
20 any [Audio Distortion] given now is because of that. You
21 and I met with Mark. This is basically when we came back,
22 that's what they indicated as patient in Dearborn. No, not
23 Powell [Audio Distortion].

24 CHAIRPERSON PRESSLEY: Thank you for that Vice-Chair.
25 Commissioner Hernandez, did you have something? Anyone

1 else?

2 CHAIRPERSON PRESSLEY: Thank you. Commissioner Bell.

3 Commissioner Burton.

4 COMMISSIONER BURTON: On September 8th we're at [Audio
5 Distortion] the downtown Detroit. We had a lot of
6 membership community came out and gave their concerns about
7 techno racism better known as ShotSpotter technology and
8 that our community doesn't want it. You heard from the ACLU
9 ShotSpotter Coalition. You also heard from former deputy
10 mayor Anthony Adams. You also heard from ACLU attorney,
11 Bill Mayor, and so many prominent leaders in the city along
12 with community activists, neighborhoods associations
13 plugged in to the [Audio Distortion) September the eighth
14 and they all said that did they not want this technology.
15 So as the chair of the Policy subcommittee, we also had
16 invited ShotSpotter coalition along with ACLU to give a
17 presentation.

18 COMMISSIONER BURTON: We still have heard a lot of
19 members even coming to the Board of Police Commissions and
20 they don't want this, as far as span throughout our city. I
21 do have concerns about civil liberties, how people
22 constitutional rights can file potentially violated with,
23 therefore, we must shut it down.

24 CHAIRPERSON PRESSLEY: Thank you very much for your
25 remarks, Commissioner Burton. Commissioner Bell.

1 COMMISSIONER BELL: Yes, sir. I think that we ask him
2 to only of dialogue [Audio Distortion] in reference to
3 policy. They are not in the formal process, but we need to
4 have that type of dialogue in terms of action [Audio
5 Distortion].

6 CHAIRPERSON PRESSLEY: Duly noted. Commissioner
7 Bernard.

8 COMMISSIONER BERNARD: My comment concerning the
9 technology would be that number one, I agree with what the
10 caller said. There should have been a cost benefit
11 analysis. I don't think that \$7.5 million for microphones
12 that you put in trees is it appropriate for use for the
13 resources that we have in the city in terms of actually
14 combating crime. The Chief has said, at times, Chief White,
15 that you cannot police your way out of crime. If that's the
16 case, then why is there this emphasis and is a tremendous
17 investment in this technology? You don't have crime in
18 Detroit. The crime in Detroit doesn't exist at Bloomfield
19 Hills or Farmington Southfield in other places and that's
20 because there are more resources for the community. You
21 can't police yourself out of crime, but you can raise, as
22 Reverend Jackson says, raise every boat. If all boats rise,
23 then you don't have crime. As long as some boats are way at
24 the bottom, some are way at the top, they're continuing to
25 address those at the bottom, you're going to have crime. So

1 I agree with what the caller said.

2 CHAIRPERSON PRESSLEY: Thank you for that, Commissioner
3 Bernard. Commissioner Banks.

4 COMMISSIONER BANKS: Yes, through the Chair. I just
5 want to send my condolences to Brenda Hill's family on the loss
6 of their loved one. Brenda Hill, I think we lost her on
7 yesterday. She was a faithful community leader to this
8 Board. I just send the condolence and my condolences to her
9 family.

10 CHAIRPERSON PRESSLEY: Thank you for that. Signal
11 further comments relative to these policies. We will now
12 move on to the Chief report. So DC Bliss. Again, in this
13 new oriented agenda, you can put the chief reports together
14 with the 10th Precinct report. So we ask that you all do
15 that combined.

16 DEPUTY CHIEF BLISS: Good afternoon. So tonight we're
17 going to do the 10th Precinct report out. So I'd like to
18 introduce Commander Aric Tosqui and Captain Brandon Lewis.

19 CHAIRPERSON PRESSLEY: Thank you so very much. Go
20 ahead.

21 COMMANDER TOSQUI: Good evening, Board. Good evening,
22 Chair. My name is Aric Tosqui of the 10th Precinct. With me
23 is the Captain Lewis. Some of our NPOs are here. Back up,
24 NPO Parker and Sumter are congratulated for passing the
25 mountain bike training that they went to this week. So we

1 have a few officers from the 10th Precinct are mountain
2 bike training, seeing them biking through the parks in the
3 10th Precinct very soon. But two of them are [Audio
4 Distortion]. Also with us is NPO Perry. I'm sorry, NPO
5 Barbara, NPO Barry Explorers and NPO Rogers our newest NPO
6 10th Precinct. Grateful to have them with us today. Thank
7 you all for being at 10th Precinct. For those unaware, the
8 10th Precinct is about 10 square miles, and it is
9 encompassed in the center of the city. We are surrounded by
10 multiple police precincts, the 12th Precinct, the Second
11 Precinct, and the Fourth Precinct. All surround the 10th
12 Precinct as well as Holland Park adjacent to that.

13 COMMANDER TOSQUI: We're adjacent to the Third
14 Precinct. The 10th Precinct is one of two police precincts
15 that have four council districts. So that means that we are
16 responsible for police commissioners as well. That's in the
17 second district, the Sixth, Fifth and Seventh Districts. We
18 have up to the north, it's pretty much Fenkell. Over to the
19 west is pretty much Wyoming. Down to the South is pretty
20 much Warren or to East is pretty much Woodward. So that's
21 basically the gist of the 10th Precinct. A couple of the
22 initiatives that I think are important to highlight. One,
23 is that we were recipient of the Burn Criminal Justice
24 Innovation grant. We were awarded it pretty much about a
25 year and a half ago and started getting into the process.

1 So about a year ago, we adopted a project manager, Melvin
2 Chuney, our police officer, who's also the president of the
3 Russell Woods in the organization.

4 COMMANDER TOSQUI: So we've identified with this grant,
5 five different hotspots in the 10th Precinct that gets
6 assistance of life remodeled. They're one of the sub-
7 recipients of the award, as well as research from Michigan
8 State University, who's also another sub-recipient of the
9 award. We've had two different community events related to
10 the grant where we've invited the community to come in and
11 say, you tell us where you think issues are as related to
12 community. Certainly, we can look at our data, we look at
13 the data every day, and that will tell us one story. But
14 the community story is very important to us. I know that I
15 don't know everything, but I can fill a room when people
16 do. That is the community at life. So we are looking to
17 have our third community meeting, and this is at life
18 remodeled at the old Durphy, and that's going to probably
19 be at the end of August.

20 COMMANDER TOSQUI: With that Michigan State will come
21 forth again and give us another report out. What they did
22 was they did look at the last 13 years of crime and last 13
23 years of data, and the hotspots we identified at the
24 beginning of the grant still remained in some of those
25 hotspots that we're targeting. Those are intersections, but

1 what we're doing is that we're focusing on neighborhoods
2 around the intersections, blocks around there, trying to
3 build up those areas and more than just approaching it with
4 a crime fighting. So that's one of the things that's
5 important to highlight. Another thing that is important to
6 highlight is we have two different coffees with a cop.
7 These are community events where they're agenda list. The
8 first one is on the first Tuesday of the month from nine to
9 10 at the congregation is on 12th Street.

10 COMMANDER TOSQUI: The second one is just started up
11 not that long ago on the third Tuesday of the month, from
12 10 to 11 in Harmony Cafe in suites on Dexter. This is, I
13 think, a great opportunity to bring people together, have
14 them meet the command staff, have them meet the
15 neighborhood police officers, talk about whatever's on
16 their mind. One opportunity was prior to the council's vote
17 on ShotSpotter. I spoke with everybody and then answered
18 every question that they had about that. The last time that
19 we were meeting in Harmony Cafe Suites was a conversation
20 about something going on at one of the streets and pretty
21 much the entire block, I think, showed up for that, which
22 was great. Because more involvement the more information
23 that we can have, the better. I bring it up to the Board
24 because I'd like to see more people there, especially, we'd
25 like to see more young.

1 COMMANDER TOSQUI: A lot of times we get the same thing
2 we get at our Board meetings, right? Our community
3 relations council, meeting president's here. You can attest
4 that on the first Thursday of the month at 6:30, even
5 though it's on Zoom, our participation is often with the
6 same group of folks. I would like to see a young group of
7 folks show up that have ideas that we haven't even thought
8 of yet. Then we can work those ideas, especially with the
9 fact that we have a very diverse cadre of police officers,
10 our new recruits, and the generations, right? So we have
11 one officer who's brand new in his forties, other officers
12 brand new in their twenties. So this type of rainbow of
13 officers that we have, I think mixed in with this wonderful
14 community in the Tent Precinct, certainly come up with some
15 great ideas of ways that we can transform this event. With
16 that, I'll pause. I know we have 10 minutes and I'll see if
17 there's any questions.

18 CHAIRPERSON PRESSLEY: Thank you so much for that.
19 Commissioners, any questions? Commissioner Moore.

20 COMMISSIONER MOORE: Not a question, just a comment. I
21 just want to say thank you [Audio Distortion] no was last
22 folder at the second priest. I said the same thing about
23 Chambers. Very responsive. I think you are very responsive
24 to the citizens of District Seven, and they know it. I
25 attended Block Club meeting. I remember when we were at Ms.

1 Varder's meeting. Chair, you remember that Ms. Varder came
2 out of that venue? That's what we're talking about,
3 responsiveness in the community. I just want to say thank
4 you. You too, Brad.

5 CHAIRPERSON PRESSLEY: Commissioner Hernandez.

6 COMMISSIONER HERNANDEZ: Thank you through the Chair.
7 I'll just put an exclamation mark to that. No notes, no
8 PowerPoint, you know the work, you know the community,
9 you're acting on that work, and so appreciate everything
10 that you're doing for 10th Precinct.

11 COMMANDER TOSQUI: Thank you.

12 CHAIRPERSON PRESSLEY: Any other questions for
13 commissioners? No, I have one. As we're trying to refocus--
14 sorry. Commissioner Banks.

15 COMMISSIONER BANKS: Go ahead, Mr. Chair.

16 CHAIRPERSON PRESSLEY: I'm going to conclude the
17 matter. Commissioner, thank you. Commissioner Banks. You're
18 here to speak now. I'm asking it's your turn to ask
19 questions. Thank you.

20 COMMISSIONER BANKS: Commander, we know ShotSpotter has
21 a 97% accuracy of locating shots where the shots are
22 coming. Right around 97. Okay. What type of conviction in
23 court, what type of indictment does ShotSpotter bring as
24 far as being indicted?

25 COMMANDER TOSQUI: I'm not a subject matter expert in

1 the indictments. I can tell you about the daily work we do
2 with ShotSpotter. The calls that we get, the follow-up that
3 we do, the importance that I think it does for our
4 investigators. The connections that happen with
5 comprehensive collection, to me, comprehensive collection
6 is the most important part of ShotSpotter because in my
7 experience 27 plus years, people have become desensitized
8 to shots in Detroit. So a lot of times shots aren't called
9 in, and if they are called in, it's not exactly pinpoint in
10 the area. So what we do in the 10th Precinct, throughout
11 the city, but I can specifically speak to the 10th Precinct
12 as we will follow up the next day. We'll go out the day,
13 canvas the area and what we're looking for is evidence the
14 shot occurred. If it's the next day using data that's
15 collected from our Detective Unit, we'll go out with metal
16 detectors and we'll look for shell casings. Our hope is
17 that we collect this comprehensive collection then we can
18 match that weapon that was used at Dexter, Elmhurst, the
19 same weapon that was used in number nine in a homicide.

20 COMMANDER TOSQUI: Then you can start putting this
21 together. So it's almost like in movies where you have the
22 bathroom, you have the string connected with him, you can
23 do a computer. So the comprehensive collection to me is the
24 number one thing that I look forward with that. The second
25 thing is the ability to get to a location fast when 911 has

1 not been called. So sometimes shot goes off, ShotSpotter
2 alerts us because it's in the covered area and we're able
3 to get there before somebody calls 911. That could be
4 homicide that has just occurred and allows our
5 investigators to get the step up on being able to get the
6 investigation rolling. Or somebody who has been shot who
7 requires medical attention. That allows us to get EMS there
8 or have the officers take that individual, put them into
9 the car and they transport them to Henry Ford Hospital.
10 Those two things to me are the things that I look for as
11 one of the reasons that I support ShotSpotter as much as I
12 do and as much as I've pushed it throughout the years. I
13 don't have the data that you're asking for to say how much
14 are we using ShotSpotter in convictions, but I'm looking
15 for it next [Audio Distortion]

16 COMMISSIONER BANKS: Okay, I've got one more, Mr.
17 Chair. Now when shots are being fired, when shots been
18 released in the atmosphere, how long do DPD, how long do it
19 take? How many minutes would it take for them to pick up
20 the shots and be at the scene at a location?

21 COMMANDER TOSQUI: I couldn't give you an average.
22 Everyone is very different. If there's a crew that's down
23 the block, it'd be a matter of seconds. If it's a crew
24 that's farther away, it could be a matter of minutes. If
25 it's a shot that goes out and the officers get to the

1 scene, there's nobody there and it's dark and the grass is
2 overgrown it may be very difficult to find the casings,
3 which is why we go back the next day to recanvas and why we
4 have metal detectors to recanvas areas like that. So each
5 one is going to be different. The only way that I would be
6 able to respond is by looking at each individual instance
7 and saying, what was our response to this?

8 COMMISSIONER BANKS: I'm all set. Mr. Chair.

9 CHAIRPERSON PRESSLEY: Thank you, Commissioner Banks. I
10 appreciate you. My question again as the Board attempts to
11 be sensitive to the communities, a request that we focus on
12 oversight and police misconduct. I want to ask relative to
13 other precincts, what would you say the 10th Precinct is to
14 the amount of officers who have community complaints or are
15 either on suspension?

16 COMMANDER TOSQUI: I don't have the data compared to
17 the rest of the precincts. I know that we have a couple
18 officers that are under fast suspension for department,
19 non-department related issues. I know that the captain and
20 I have, I mean, zero tolerance is kind of an overused term,
21 but it is, we conduct routine inspections of body worn
22 cameras. I mean, I wear one every day. I expect my officers
23 to do it. I expect the officers to have it turned on. I
24 expect the supervisors to review the body worn cameras
25 randomly. I expect that we are looking at the car cameras

1 regularly. We don't get all the citizen complaint
2 information that the Board gets or the OCI gets at the
3 conclusion once the investigation is done. If somebody
4 comes in the station policy is that any supervisor will
5 take the complaint. If the person doesn't want to give a
6 complaint to the supervisor, then we can give them the
7 number to the Board. We can tell them the email due, we get
8 them the address to go to make the complaint. So there's
9 all these areas where in the past DPD is in the consent
10 decree time is. Not give citizens the avenue to make
11 complaints. We don't have that at all and the officers know
12 that the expectation is that they treat every individual
13 that they encounter with constitutional fairness that they
14 would've their own mother. That's the way I see it.

15 CHAIRPERSON PRESSLEY: Thank you for that. Is there
16 anything else that you would like to add DC?

17 DEPUTY CHIEF BLISS: That concludes our report, sir.

18 CHAIRPERSON PRESSLEY: Thank you so very much, and
19 before I [Audio Distortion] Captain Lewis for amazing work
20 that he does as well. At this time we'll now move on to
21 oral communication and public comment. Again, for those who
22 have filled out comment cards with general on the top this
23 is your opportunity to speak. So at this time, Mr. Brown,
24 who do we have for public comment?

25 MR. BROWN: Good afternoon, Mr. Chair. Currently, we

1 have 11 speakers and I'll call them by threes. Ms. Bernice
2 Smith, followed by Lieutenant Mark Young, LSA president,
3 and followed by Ms. Lynette Turner.

4 MS. SMITH: Congratulations to my new Chairperson, to
5 the neighborhood, [Audio Distortion] neighborhood. I don't
6 know where [Audio Distortion] here at our meeting. I really
7 appreciate all of you. Now, first of all, I would like for
8 you—I spoke with my former Chairperson today. Did give a
9 little mother advice to him. Very sorry about what happened
10 to him. That's Ferguson and had almost an hour discussion.
11 I let him know that God writes all wrong. All he has to do
12 is just pray and apologize and be good to his wife. He has
13 a wonderful wife. They came to my birthday party, so I got
14 a chance to meet her. She's a wonderful woman. She's a
15 beautiful woman. So I want all of you to know that he's
16 very remorseful what happened to her and believe me, he
17 knows that God is looking at. Now, for the rest of you, I
18 want you to know that you don't have to worry about job
19 that you're doing. Some things are not developing the way
20 you want. But I want you to know that being a former police
21 commissioner and on the first advisement under Coleman
22 Young, I know just about what you're going through.

23 MS. SMITH: But the police, you're doing a hell of a
24 job when you put that uniform on each day, you're risking
25 your lives for all of us here in the city of Detroit. Now,

1 right quick, I want to tell you what happened a week ago.
2 My son went to Chicago. I know most of you heard on the
3 radio, on the TV what happened over there at the police and
4 what—

5 CHAIRPERSON PRESSLEY: 10 seconds now.

6 MS. SMITH: Oh my gosh. Anyway, he noticed, went to a
7 funeral over there and he noticed where the funeral was the
8 police station was right across the street on Madison.
9 There was migrants that were there outside of the police
10 station. What we saw and heard on TV was completely true
11 because he spoke with some of the immigrants over there. So
12 I want all of you to know—

13 CHAIRPERSON PRESSLEY: Thank you.

14 MS. SMITH: We're very proud of our police department
15 and I just want you to know—

16 CHAIRPERSON PRESSLEY: Thank you very much.

17 MS. SMITH: I'm proud of. Thank you so much dear. I
18 appreciate it.

19 MR. BROWN: Mark Young.

20 MS. SMITH: Yes.

21 CHAIRPERSON PRESSLEY: Thank you.

22 MARK YOUNG: I have some concerns, but I'm not going to
23 address my total concerns at this meeting to show you how
24 professional and how dedicated I am. But no matter what
25 situation appears, what it is I fight for due process. I

1 ask the Board to remember that same due process for my
2 members come before you when I fight for my colleagues.
3 What's needed now is not to bash accountability,
4 responsibility, and guest prayer. I want to say a couple
5 things. Shout out to my colleagues. You did a great job for
6 the fireworks. You're doing a great job. Don't hear it
7 enough. We appreciate it. I want to thank the Chief of
8 Police for reporting out on the not mental and violent
9 runs, because you know what? It showed the community what
10 we face every day, it brought into perspective with recent
11 events. If a criminal wants to be a criminal, no amount of
12 funding shifting would change them. Not going to happen.
13 But here's what I'm going to ask the Board and I'm going to
14 ask you calmly and respectfully, and I'm going to ask for
15 your response because the members that are represented, the
16 members on this department, deserve this.

17 MARK YOUNG: We work hard to earn public trust. We do.
18 We have changed the narrative of what you know. I'm asking
19 the board when you report out on CCRs to report out
20 accurately, truthfully and I want to see non sustained,
21 false justified, exonerated complaints. That is accurate,
22 that is transparent, and that is holding us accountable.
23 See, we want to fix the problem too. We really do because
24 guess what, when we get to the core of it, what we find out
25 is it might not be as big a problem as we think. It's we

1 want know who, what, when, where, and is it justified?
2 Because sometimes, and this society today is justified my
3 demeanor. It is my demeanor to not have to use force. Some
4 people don't understand.

5 CHAIRPERSON PRESSLEY: Thank you.

6 MR. BROWN: Ms. Lynette Turner. Mr. Chair. Your next
7 three speakers would be Mr. Ronald Foster, followed by
8 Minister Eric Blount, followed by Ms. Charnita Williams.
9 Mr. Foster, Mr. Blount.

10 MINISTER BLOUNT: Good evening. For everyone who heard
11 Reverend Holley's explanation, I asked them not to accept
12 it, please. I go with the facts. We look at George Floyd's
13 murder. The police report said he died of medical
14 situations. It was a 16-year-old that recorded it by
15 herself as the only reason we know what actually happened
16 to George Floyd. The same with Tyree Nichols. It was a
17 camera mounted on a pole that revealed what really
18 happened. They really didn't say anything. Even in this
19 great state of Michigan, in the city of Warren, two weeks
20 ago, when a citizen was brutally beat down, they released
21 that video within two days. Now maybe the most glaring
22 example of what DPD can do, Hakim Littleton. When he was
23 shot and killed, that same day that video was released.
24 What did it take? It took people marching on the 12th
25 Precinct.

1 MINISTER BLOUNT: So what do we have to do? Act a fool
2 before we get any type of transparency. When it comes to
3 crime, there's always a suspect before there's an
4 investigation, but the names and pictures are released, and
5 the police have a part in it because you released the
6 criminal records of people that are suspects. They haven't
7 had due process yet. For ShotSpotter, again, gun recovery.
8 The last report, which was months ago, only showed 42 guns
9 recovered out of 18 alarms. Is it really worth it for
10 facial recognition when you released that, what happened?
11 Misidentification of people happened, and you knew it was
12 going to happen because everyone understood the technology
13 as misidentifying people of color.

14 CHAIRPERSON PRESSLEY: Thank you.

15 MS. SMITH: Ms. Williams.

16 MS. WILLIAMS: Hi, my name is Charnita Williams. Last
17 week at the headquarters someone broke into my car. This is
18 the second week in a row. I asked myself, who will have
19 nerves to break into my car at the headquarters of the
20 Detroit Police Department? So I made a report. This is my
21 second report. Went to the Third Precinct to file to make
22 the report. At the Third Precinct, somebody broke back into
23 my car. So the issue is like I complained before police
24 officers are following me in their civilian cars. I made
25 that report two weeks ago. So I cannot say every officer is

1 up in there. A lot of officers do respect their badges, but
2 at this point in time, I have the issue. Take an oath and
3 disrespect that badge. Thank you very much.

4 CHAIRPERSON PRESSLEY: Thank you.

5 MR. BROWN: Mr. Chair, your next set of speaking would
6 be Black Jesus, followed by Mr. Carl Roberts, followed by
7 Mr. Gregory Love. Black Jesus.

8 CHAIRPERSON PRESSLEY: Two minutes [Audio Distortion)

9 BLACK JESUS: [Audio Distortion) three seconds.
10 Commissioner Willie Bell. Listen to him. You all listen to
11 this. [Audio Distortion) you went away, why is he still
12 here for a commissioner who [Audio Distortion) like this.
13 He was disrespecting that little girl [Audio Distortion)
14 standing in your way. Now your bravery [Audio Distortion)
15 and he resigned. The truth. [Audio Distortion). I sent you
16 emails, sat in front of this whole commission.
17 Commissioners, you never said anything about none of these,
18 Melanie White never gave you the emails and I know [Audio
19 Distortion) everything. Lawrence Akbar [Audio Distortion).
20 I told her to check credit card payments over at the OCI
21 and [Audio Distortion).

22 CHAIRPERSON PRESSLEY: I please ask that the community
23 and the commenters speak through the Chair. Thank you very
24 much.

25 BLACK JESUS: Now I've got 12 more seconds.

1 CHAIRPERSON PRESSLEY: I'll give you 15 more seconds,
2 sir. Please address the Chair. Please address the Chair.
3 Brother Bernice, help me. Help me, Brother Bernice. Thank
4 you. Please. You have 10 more seconds.

5 BLACK JESUS: Can I get those whole 13 seconds when you
6 started talking.

7 CHAIRPERSON PRESSLEY: You have seven more seconds.

8 BLACK JESUS: I got seven more seconds.

9 CHAIRPERSON PRESSLEY: Yes sir.

10 BLACK JESUS: QuanTez Pressley [Audio Distortion]
11 that's your job. What's your question [Audio Distortion].

12 CHAIRPERSON PRESSLEY: I'm telling you that your time
13 is expended. Thank you.

14 MR. BROWN: Mr. Chair, your next speaker would be
15 Gregory Love.

16 CHAIRPERSON PRESSLEY: Mother Bernice. I'm asking you.
17 But unfortunately, you are placing yourself in that very
18 same room. Thank you. Thank you. Next commenter, please.

19 MR. BROWN: Caller with the last three numbers 124.
20 Caller with the last three numbers 124.

21 CALLER 124: Yes. Hello. Can you hear me?

22 CHAIRPERSON PRESSLEY: Yes, we can hear you. Go ahead.

23 CALLER 124: Yeah. Mr. Gregory Love, I've been writing
24 to you. I haven't heard back from you. Would you please
25 respond. I'm a D five resident. Now regarding body cam

1 videos. I was bully, slammed to the ground by a police
2 officer. I kept asking, you got your video on, you got your
3 video on. He is like, oh yeah, we want the video. Believe
4 me, we want the video. Then guess what? There was no video.
5 Then the prosecutor didn't produce the report that was
6 required to have been made about why the officer did not
7 have his video. So again, I know there's some officers who
8 want to do the right thing, but unfortunately, we have some
9 very funny business going on here. It's also regarding
10 cameras, what's going on at the Detroit Detention Center.
11 It was only member Linda Carter, who expressed concern
12 about the abuse I suffered when I was put in a solitary
13 cell with a camera in it, forcibly stripped when I had a
14 bloody ankle.

15 CALLER 124: I have good reason to believe that strip
16 video is being passed around. I've mentioned this before,
17 but it appears there's been no investigation, no concern. I
18 spoke with somebody else who's helped people escape sex
19 trafficking, and she said she's heard similar stories. Now,
20 if anybody knows the history of the Michigan Department of
21 Corrections, who's helping run the Detroit Detention
22 Center, they got sued in a class action lawsuit because
23 guards were systematically raping, groping, and buoying
24 female inmates. So in terms of cameras, you need to take
25 those cameras at the detention center seriously too and

1 figure out what is going on, who has access, and whether
2 they're being handed around. Because I had an officer say
3 to me in a real creepy voice after he was giving me a hard
4 time downtown, he goes, I saw the video. Then nobody, not
5 even my-

6 MR. BROWN: Mr. Love.

7 CHAIRPERSON PRESSLEY: For the last caller, I do want
8 to note that OCI did take note of your comments. I'm sure
9 they'll be following up. Thank you.

10 MR. BROWN: Mr. Love.

11 CHAIRPERSON PRESSLEY: Mr. Love are you there? Mr.
12 Love, going once, going twice. Mr. Brown, our next speaker.

13 MR. BROWN: Former Commissioner William Davis, followed
14 by Antoinette,

15 CHAIRPERSON PRESSLEY: Former Commissioner Davis. Go
16 right ahead.

17 MR. DAVIS: Hello again. I'd like to reemphasize the
18 need for greater transparency. I am hoping that perhaps
19 things get better because I've been disappointed with the
20 last few Chair people. I think it is very, very wrong on a
21 number of levels to have the Chair and the Vice-Chair both
22 be appointees. There's no such thing as At-Large. We have
23 appointees and it looks like the mayor is going to end up
24 getting another appointee. So that's problematic to the
25 community. That's problematic to me. Actually, I think it's

1 probably at least two other people on this Board that
2 should resign also. But we need to. I'm hoping that things
3 improve. I'm hoping that there's greater transparency, and
4 I'm hoping that the community could learn to respect you if
5 you start doing your job a little bit better than what's
6 been going on the last few years. I think it has been, and
7 it was problematic about having employees work out of class
8 for an extended period of time when they weren't supposed
9 to. I think it's been problematic about people looking out
10 for their friends. This is supposed to be civilian
11 oversight for the police department. But if you all doing
12 wrong there, if you have people doing wrong, then something
13 needs to be done about that too. Thank you.

14 CHAIRPERSON PRESSLEY: Thank you.

15 MR. BROWN: Ms. Jeanette.

16 CHAIRPERSON PRESSLEY: Ms. Jeanette.

17 MS. JEANETTE: Yes. Can you hear me?

18 CHAIRPERSON PRESSLEY: Yes, we can hear you.

19 MS. JEANETTE: Okay. I've learned a lot about the
20 police department since dealing with the death of my
21 daughter, Kaniesha Coleman, case number 201112. What I've
22 learned is that you guys have the same code that we have
23 out in the streets. No snitching. There are some good cops.
24 I'm not going to doubt that. But at the same time,
25 everybody job on the line. So if one cop messes up and the

1 other cop cover for him, how are we supposed to get
2 anything done? How are we supposed to solve cases if one
3 cop is copied for the other cop? We got to stop this mess.
4 I would like for the Michigan State Police to come in
5 immediately. Immediately. I have met with the Chief of
6 police. He said that he was put in a call, but at this
7 point, I'm so distrustful of the police. I don't believe
8 even the Chief has done his job.

9 MS. JEANETTE: Okay. My daughter deserves justice. She
10 did not commit suicide. You guys never showed me any proof
11 that she did. The only thing that you showed me is that
12 you're plan on her mental illness. Mental illness does not
13 equal suicide. There was a murder at 15545 Fielding Street,
14 Detroit, Michigan. Why was that home never searched? Why?
15 I've seen cameras get search warrants on their property.
16 You mean someone died, was shot here, and left a victim
17 statement and you guys choose to ignore the victim
18 statement and form your own suicide narrative and run with
19 it just to protect your officers and you're supposed to be
20 oversight? No, we're going to keep fighting for her and
21 we're going to keep exposing you all for doing what you're
22 doing because it's wrong. Say her name, Kaniesha Coleman,
23 case number 201112. Say her name. Get justice for Kaniesha
24 Coleman today. Not tomorrow. Today. Thank you.

25 CHAIRPERSON PRESSLEY: Thank you.

1 MR. BROWN: Mr. Chair, that was your last speaker.

2 CHAIRPERSON PRESSLEY: Thank you. At this time that
3 commences public comment, we'll now move on to our
4 presentation from our community relations President Alvin
5 Stokes from the 10th Precinct. Welcome, Alvin Stokes. You
6 have 10 minutes.

7 MR. STOKES: My name is Alvin Stokes. I'm the President
8 of the 10th Precinct Community Relations Organization. It's
9 an honor to be here in front of you and welcome again to
10 the 10th Precinct. Seems like the 10th precinct is the
11 start of all your new projects. Now you want the presidents
12 to give a presentation too. We're chosen as the starters,
13 but just for instance the 10th Precinct started off, and if
14 you notice back in 67, we were involved in the disturbance,
15 I like to call it in the City of Detroit. Came straight
16 through the 10th Precinct. In 68, we started what we call
17 the Citywide Citizens Police Community Relations, which was
18 at that time the oversight committee for DPD. Back then in
19 the seventies we started where every precinct had their own
20 community relations organization and Citywide was the
21 oversee of that. But the 10th Precinct has come a long way.
22 We've only had two presidents of the 10th Precinct, Manila
23 Harris, rest her soul, and myself.

24 MR. STOKES: I've been the president now close to 20
25 years, if not more. It's been an honor and a privilege to

1 serve the citizens of the 10th Precinct. We're looking to
2 engage all of our citizens. I reach out to a lot of them
3 that they don't even know about us half the time. But with
4 the help of our NPOs, they go to a lot of community
5 relations meetings. They informed them about us. We meet
6 the first Thursday of every month. Right now, we're on
7 Zoom. We meet September 1st, Thursday of September, which
8 will be the seventh. We go back to the police station and
9 have our meeting where we can engage with the officers
10 again. That's our second time in as far as feeding the
11 officers.

12 MR. STOKES: I tell everybody, it's important to know
13 your officers at your precinct, because when you call 911
14 those are the officers in front taking the call or the
15 response to it themselves. So we have a few businesses that
16 have opened in the 10th Precinct, Linwood Fresh Market,
17 which is on Linwood and Glendale. We have VP Dale Salon,
18 which opened in the Virginia Park Shopping Center. We have
19 the Carpenter Millwrights Union, which is over there off of
20 American Drive, and then this union here, which I just went
21 from this organization that came and did a presentation at
22 our meeting about three months ago. It's very interesting
23 because they have a lot of opportunities for people. Sit
24 around and people say, we have no job. Local 1191 happened
25 and all they need is bodies. I appreciate them for allowing

1 us to entertain this building and have it there.

2 MR. STOKES: I was going to have a PowerPoint, but I
3 see I've gone way beyond. But in the 10th Precinct, we're
4 looking to focus on younger folks. I tell everybody
5 everywhere I go, I'm not going to be here forever. I would
6 rather pass the baton rather than take it out of my hand
7 and have to start all over. It is hard for everybody to be
8 on the same page, but follow our bylaws, then everything
9 will work out. We work closely with our officers here at
10 number 10. Back before we became district, we played
11 musical chairs with our command. Don has left. He was one
12 of them. Now we've had some movement in our commander
13 office and in our captain's office, but that has not
14 stopped us, nor deterred us from working with our officers
15 hand in hand. Our NPOs are one of the five of the greatest
16 officers when it comes to community relations.

17 MR. STOKES: They're hands on. You have a meeting in
18 your organization, one or all of them are going to the
19 meeting. It shows the support that we have. We have a few
20 organizations that are looking to organize block clubs
21 within the 10th Precinct. We have one on Montgomery between
22 Dexter and LAwton. We have one near new Bethel that's
23 looking to organize over there. I tell everybody wherever I
24 go, if you are looking to organize a block club or an
25 association, I will more than happy to assist you. They've

1 taken me up on that and I'm on the move but we need help.
2 If you're not involved in your community relations
3 precinct, get involved. We can only do so much. One person
4 can only do so much, but a group of us, we can make some
5 noise. Back in the day when folks were ready to be elected,
6 they came to number 10 because they knew number 10 was the
7 place to be.

8 MR. STOKES: They come to us for everything that they
9 need. But now, hey, say why we're looking to organize, but
10 we're looking to organize. Somehow, we have to cross that
11 communication bridge, reach out to the younger ones. We
12 have to get them involved in what we are doing here. My
13 philosophy is not part of the solution, part of the
14 problem. We have to engage our young folks. When I grew up,
15 adults told us, they talked to us, told us what to do. Now
16 instead of talking at our youth, we need to talk with our
17 youth because they're the ones who's going to be our
18 future. They're the ones who's going to come up and take
19 our place. So our community organizations continue to
20 strive. I commend the Board for what you do as far as the
21 oversight. Nothing is perfect, but with the help of the
22 Lord and with the help of everybody working together on the
23 same thing, nothing is impossible. Thank you for that time.
24 If there's any questions I would be happy to respond.

25 CHAIRPERSON PRESSLEY: Well, thank you for setting the

1 standard for these future presentations at our next
2 meeting. You have demonstrated why this is so important
3 because so often our voices can be muted out because of the
4 titles that we hold. But to hear it from somebody who's on
5 the ground doing the work, has a way of really changing the
6 hearts and minds of people involved in their community. So
7 we really thank you for that.

8 MR. STOKES: For our brothers here, I like to talk
9 about.

10 CHAIRPERSON PRESSLEY: Yes.

11 MR. STOKES: [Audio Distortion) stand up. It's because
12 of them I'm in this seat. I'm nothing without them. They're
13 my [[Audio Distortion).

14 CHAIRPERSON PRESSLEY: Are there any questions from the
15 commissioners?

16 COMMISSIONER MOORE: Comment Mr. Chair.

17 CHAIRPERSON PRESSLEY: Yes.

18 COMMISSIONER MOORE: Always teams President Stokes.
19 Because a lot of times he does it wrong. He wants to handle
20 the complaints. When he does, he takes a lot of weight off
21 of my shoulders. Those commissioners have time to [Audio
22 Distortion). So I just appreciate you. I remember when you
23 switched your meetings from the second Thursday to the
24 first Thursday so you can accommodate commissions coming
25 out. So I'll never forget to stop [Audio Distortion).

1 CHAIRPERSON PRESSLEY: Thank you, Mr. Powell, can you
2 assist this gentleman here in orange? I don't know what he
3 needs, but can you assist him for me? Thank you. Any other
4 commissioners? Now, once again, thank you for the
5 presentation. Great work. We'll now move on to our report
6 from our board secretary, Secretary Shah.

7 MS. SHAH: Thank you, Mr. Chair. In an effort to keep
8 the meeting focused on the public hearing content, I'll
9 keep my secretary report brief. Your incoming
10 correspondence are outlined in the agenda. I'd like to
11 bring the Board's attention to the document in the front
12 pocket of your packets that the 14 outstanding requests for
13 data reports, some other information from DP. Keep in mind
14 that these requests have been driven by questions and
15 concerns raised by commissioners and the public, and they
16 are intended to increase transparency and accountability.
17 So the Board staff will continue to follow these and follow
18 up with the department to continue to request this
19 information in order to keep the commissioners and the
20 public informed. Mr. Chair, that concludes my report.

21 CHAIRPERSON PRESSLEY: Thank you. At this time, any
22 announcements. Go Head Secretary Shah, and then I'll come
23 to you. Commissioner.

24 MS. SHAH: Through the Chair, for announcements, our
25 next meeting is Thursday, July 20th at 3:00 PM at Detroit

1 Public Safety Headquarters. Then the next community meeting
2 is Thursday, August 10th at 6:30 PM. The Fifth Precinct
3 will be hosting this community meeting at Wayne County
4 Community College Eastern Campus in the Cooper Room. The
5 address is 5901 Conner in Detroit.

6 CHAIRPERSON PRESSLEY: Thank you and excuse my lack of
7 manners but let me express my gratitude and appreciate the
8 laborers local 1191 for hosting us today. We truly
9 appreciate your hospitality. I'm not for sure who's
10 responsible for the snacks over there, but I'm sure that
11 our audience would really enjoy your hospitality here
12 today. That let us, commissioner Banks.

13 COMMISSIONER BANKS: [Audio Distortion).

14 CHAIRPERSON PRESSLEY: We'll have to prepare for our
15 meeting next week and we'll be able to have time to discuss
16 it then. With that, the Chair entertains a motion to
17 adjourn.

18 CHAIRPERSON HOLLEY: Motion.

19 CHAIRPERSON PRESSLEY: You all want to stay here? Is
20 there a second?

21 CHAIRPERSON HOLLEY: Second.

22 CHAIRPERSON PRESSLEY: Properly moved and seconded.
23 We're in the motion here.

24 MS. SHAH: Mr. Chairman, did you ask for no business?

25 CHAIRPERSON PRESSLEY: No, I did not ask for new

1 business. But as has been stated, there's been no point of
2 order until we're in the middle of a motion. So is there
3 any debate on the motion to adjourn? Hearing none. All in
4 favor, please signify say aye.

5 COMMISSIONER: Aye.

6 CHAIRPERSON PRESSLEY: All those opposed. This meeting
7 is adjourned.
