to consider the request of Perfecting Church to replace the existing PD (Planned Development) zoning classification at 19150 Woodward Avenue, the authorization for which has lapsed, with a new PD and site plan. The lapsed PD was created by Ordinance #40-04 of 2004; the proposed PD would amend Article XVII, Section 50-17-64, District Map No. 62, Chapter 50 of the 2019 Detroit City Code, *Zoning*. The approximately 12-acre subject property is generally bounded by Bryson Avenue on the north, Bauman Avenue on the east, Larchwood Avenue on the south, and Woodward Avenue on the west as indicated on the accompanying map.

The proposed PD would establish the “Perfecting Church Woodward Campus,” reflecting a reduced scope from the 2004 PD. The 168,000 square foot structure includes a 4,200 seat church with fellowship hall, chapel, administrative, and ancillary facilities. Surface parking would be provided for 720 vehicles.

The existing and proposed zoning district is generally defined by the Zoning Ordinance as follows:

PD – PLANNED DEVELOPMENT DISTRICT

This district will permit planned developments throughout the City and will be particularly useful in urban renewal areas. Such planned developments shall be substantially in accord with the goals and objectives of the Master Plan, by having a major land use that corresponds to the most general category of land use, which are Residential, Public/Civic/Institutional, Retail/Service/Commercial, Manufacturing and Industrial, and Other, proposed in the Master Plan for the area involved. Such planned developments shall provide a desirable environment for the uses proposed and shall not be out of harmony with their general surroundings. The regulations of the district are designed to accomplish this by permitting flexibility in overall development while ensuring adequate safeguards and standards for public health, safety, convenience, and general welfare and, where applicable, encouraging historic preservation.

The proposed PD is being considered by the City Planning Commission in accordance with the provisions of Article III, Divisions 3 and 4 of the Detroit Zoning Ordinance and requires the approval of the City Council after a public hearing and after receipt of a report and recommendation of the City Planning Commission.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via e-mail at cpc@detroitmi.gov.
