MEMORANDUM

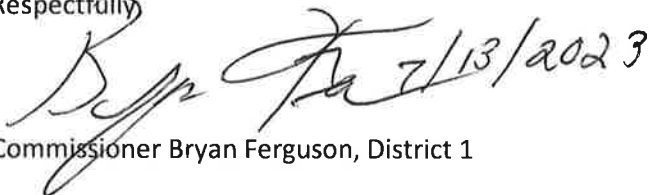

TO: Detroit Board of Police Commissioners
FROM: Commissioner Bryan Ferguson, District 1
DATE: July 13, 2023
RE: Resignation

Dear Honorable Colleagues,

After further consideration of the potential impacts and distractions of recent news, I have decided to resign as District 1 Police Commissioner effective immediately. This is in the best interest of my family and the Board.

It has been an honor and a privilege to serve the residents of Detroit alongside of you. I am confident in your commitment and ability to build upon the recent accomplishments we have made to further police oversight, transparency, and accountability; and you have my continued support.

Respectfully

Commissioner Bryan Ferguson, District 1
