2 CHAIRPERSON PRESSLEY: Good afternoon. It is now 3:00
3 PM and so we'll call this session of the Detroit Board of
4 Police Commissioner's meeting to order. As we can see, we
5 are yet short of quorum. But that doesn't prevent us from
6 starting this meeting with a word of invocation. And so
7 at this time, we invite Chaplain Mohammed Ali. Who will
8 come by Zoom and provide us with our invocation for
9 today's meeting. Chaplain Ali.

10 CHAPLIN ALI: [Foreign phrase] Peace and blessings be
11 upon you all. Good afternoon, let us pray. [Foreign
12 phrase]. In the name of God, the most compassionate, the
13 most merciful, who holds you and me, and all peoples, all
14 worlds, in an eternal single embrace? Lord, we are
15 gathered here today with humble hearts, committed to do
16 your work. We praise and glorify you, and thank you for
17 all that you have provided and blessed us with. We pray
18 that we all know the infinite love and mercy of God who
19 appreciates our struggles and gets us gently, yet
20 securely back upon our feet. As we gather here today, we
21 remind ourselves of the sanctity of every human life,
22 regardless of race, religion, or status. We pray for
23 peace, love, and justice amongst us all, all around the
24 world. We ask to perfect our worship of you and to teach
25 us how to be grateful to you, oh Lord, that you bless

1 honor and keep safe the City of Detroit, its citizens,
2 its officials, residents, officers, employees,
3 volunteers, and all involved in its services and care.
4 Finally, we ask you, Lord, to bless this meeting and
5 those present here today with guidance, wisdom, clarity,
6 and good judgment in our words and actions, and to allow
7 us all to return home safely in peace for all praise and
8 glory is due to you. [Foreign phrase], amen.

9 CHAIRPERSON PRESSLEY: Amen. Thank you so very much
10 for your words of implication. Again being short of a
11 quorum, we'll now move to our amended agenda. I'll ask
12 Mr. Brown to provide us with our announcements as he's
13 joining us by Zoom as well.

14 MR. BROWN: Good afternoon, Mr. Chair, and this
15 honorable Board, the announcements. The next BOPC meeting
16 is February the 22nd at 3:00 PM here at Detroit Public
17 Safety Headquarters in the Skylar Herbert Room. The next
18 BOPC community meeting will be March 14th, 2024 at 6:30
19 with the 10th Precinct hosting at Dexter Avenue Baptist
20 Community Center. That address is 353350 West Davidson
21 4238. And Mr. Chair, the committee meetings for the month
22 of February, 2024. The Policy Committee meeting will meet
23 next Tuesday, February 20th, 2024 at 5 o'clock. Citizen
24 Complaints Committee meeting will meet Tuesday, February
25 27th, 2024 at 5:00 PM as well. And Mr. Chair, all those

1 meetings take place here at Police Headquarters and they
2 can also be viewed on Zoom. Those are the announcements.

3 CHAIRPERSON PRESSLEY: Thank you. And so again still
4 waiting on a quorum to be amassed, if it is my correct
5 interpretation can receive staff reports, correct?

6 DR. JACKSON: Yes.

7 CHAIRPERSON PRESSLEY: And so we'll go ahead and
8 receive the staff report from our Emergency Manager of
9 Fiscal for the BOPC budget actuals. I thought I saw him.

10 DR. JACKSON: But you can't make any motions.

11 CHAIRPERSON PRESSLEY: No, there will be no motions
12 just to receive the report.

13 DC STEWART: He'll be right back, Chair.

14 CHAIRPERSON PRESSLEY: Okay. Well, as we wait for him
15 to return, see, what else might we be able to do in this
16 amended agenda time.

17 DR. JACKSON: Public comment.

18 CHAIRPERSON PRESSLEY: Yeah, we will go ahead and
19 take one public comment. Hopefully that will provide some
20 time. And we are aware that there was a citizen who was
21 unable to speak at last week's meeting because of our
22 technical difficulties, and we promised to give an extra
23 two minutes. And so we'll begin. Oh, I see, okay, that's
24 a quorum. So we'll hold off on public comment as we now
25 have established a quorum with Commissioner Woods who has

1 joined us. So with that, we'll move forward with the
2 introduction of commissioners by Mr. Brown

3 MR. BROWN: Chairperson Pressley. Here.

4 MR. BROWN: Vice Chairperson Bell asked for an excuse
5 absent.

6 MR. BROWN: Commissioner Smith - Present.

7 MR. BROWN: Commissioner Bernard - Attorney Linda
8 Bernard, District 2, present. My glasses, because of my
9 eyes, as you know.

10 MR. BROWN: Commissioner Cedric Banks asked for an
11 excuse absent. Commissioner Willie Burton, asked for an
12 excuse absent.

13 MR. BROWN: Commissioner Lisa Carter -

14 MR. BROWN: Commissioner Ricardo Moore -

15 MR. BROWN: Commissioner Jesus Hernandez - Present.

16 MR. BROWN: Commissioner Roy Gamble - Present.

17 MR. BROWN: Commissioner Darryl Woods - Present.

18 CHAIRPERSON PRESSLEY: Alright, with that, we do
19 indeed have a quorum. And now we'll move on to the
20 approval of the February 15th, 2024 agenda. Is there any
21 objection to the agenda? Hearing no objection, that
22 agenda is approved. We'll now move on to the approval of
23 the minutes for Thursday, February 8th, 2024. Is there
24 any objection to the approval of these minutes? Hearing
25 no objection, those minutes are also approved. And now

1 we'll move to the introduction of BOPC Staff, Chief of
2 Police, Elected Officials, Representatives, and Community
3 Leaders by Mr. Brown.

4 MR. BROWN: Yeah. Good afternoon, Mr. Chair. For the
5 staff, we have Parliamentary Dr. Francis Jackson,
6 Attorney Stephanie LaBelle, Chief Investigator Jerome
7 Warfield, Ms. Teresa Blossom, Ms. Jonya Underwood, Ms.
8 Jasmine Taylor, Ms. Candace Hayes. DPD HR Director
9 Katrina Patillo. Mr. Don Handyside is doing the
10 reporting, Cy is doing the video, and I believe the
11 American Sign language are Dr. Stephanie Beatty and Ms.
12 Yakata.

13 CHAIRPERSON PRESSLEY: Thank you, and again, we're
14 grateful for everyone's attendance at today's meeting,
15 and we hope that it is indeed a productive one. With
16 that, we'll now move on to the Board of Police
17 Commissioner's Officers Report, however, we'll first
18 begin with a need for a motion to approve a position
19 amendment to remove the Task Analyst position and to add
20 the civilian oversight analyst position. As you all may
21 or may not recall, there was an individual who we brought
22 on under Task but now she will be Civilian Oversight
23 Analyst, and that requires a motion from this body in
24 order to do so. And so the chair entertains a motion to
25 approve the position amendment, to remove the Task

1 Analyst position, and to add the Civilian Oversight

2 Analyst position.

3 COMMISSIONER GAMBLE: So moved.

4 CHAIRPERSON PRESSLEY: Is there a second?

5 COMMISSIONER BERNARD: Second.

6 CHAIRPERSON PRESSLEY: It's been properly moved and
7 second, is there any discussion? Hearing no discussion,
8 all those in favor signify by saying, Aye.

9 COMMISSIONERS: Aye.

10 CHAIRPERSON PRESSLEY: All those opposed, no? The
11 Ayes have it, That motion passes. Secondly, we have a
12 resolution honoring Ruth Barton, and I don't know who is
13 assigned to read that resolution, and so I'm going to ask
14 that Commissioner Smith would do that for us. You'll find
15 it in your packet.

16 COMMISSIONER SMITH: Okay.

17 CHAIRPERSON PRESSLEY: Ruth Barton is our City-Wide
18 12th Precinct Community Relations Leader, and we are so
19 honored to honor her.

20 COMMISSIONER SMITH: Where is it in the packet?

21 CHAIRPERSON PRESSLEY: It would be right after your
22 minutes, right before the laminated slides. Thank you.

23 COMMISSIONER SMITH: Okay. Resolution for City-Wide
24 12th Precinct Police Community Relations Leader, Ruth
25 Barton.

1 WHEREAS Ruth and Richard Barton always loved calling
2 Detroit home and became active in the community to
3 improve the quality of life for everyone. They were among
4 the millions of city residents and stakeholders who
5 sought lasting reforms to the Police Department,
6 following the 1967 civil rebellion against police, racism
7 and brutality. Ruth Barton grew even more determined for
8 positive change after a Michigan Chronicle article
9 stated, the bridge between the police and the black
10 community is a gap that threatens the city's peace. She
11 committed her time and energy to building a better bridge
12 to close the gap; and

13 WHEREAS Mrs. Barton joined others in advocating for
14 civilian oversight, police, many stations in neighborhood
15 centers, and a process for residents to meet regularly
16 with commanders at local Precincts. Her work helped
17 establish the organization, known today as the City-Wide
18 Police Community Relations Council.

19 She also helped launch the local council in her
20 community and area served today by the 12th Precinct.
21 Along with other activists and advocates, she's helped
22 ensure the City-Wide and Precinct Council's established
23 meetings, and activities for open dialogue and engagement
24 between police officers and the communities they served;
25 and.

1 WHEREAS Police Commissioners, since 1974 often
2 worked with or heard from Mrs. Barton about police
3 actions or community safety. A librarian by profession,
4 she always made herself available as a resource for
5 accurate and important information. Both she and her
6 husband enjoyed long careers at the Detroit Public
7 Library while raising their son Edward. After retiring in
8 1991, Mrs. Barton continued to contribute to the library
9 and won awards for her dedicated volunteer service.
10 However, she spent even more tirelessly supporting police
11 community relations and mentoring new community leaders
12 during her decade's long retirement. Her numerous civic
13 contributions, including her leadership in the 12th
14 Precinct and in community, I'm sorry, in police community
15 relations, will be celebrated Saturday, February 17th,
16 2024, in honor of her 98th birthday.

17 NOW THEREFORE BE IT RESOLVED

18 That the Board of Police Commissioners, speaking on
19 behalf of the residents of the great City of Detroit,
20 salutes Ruth Barton for her pioneering contributions in
21 bridging the gap between Detroit police and residents.
22 Our city is forever indebted to her for helping to
23 organize the City-Wide Police Community Relations Council
24 and the Precinct Councils that still serve as vital
25 groups for the police officers and the community to work

1 together for positive changes in community policing,
2 neighborhoods safety, and the Detroit Police Department.

3 CHAIRPERSON PRESSLEY: Thank you. The Chair now
4 entertains a motion to adopt this Resolution into our
5 archives.

6 COMMISSIONER GAMBLE: So move.

7 COMMISSIONER WOODS: Second.

8 CHAIRPERSON PRESSLEY: It's been properly moved and
9 second. Is there any discussion? Hearing no discussion,
10 all those in favor, please signify by saying, Aye.

11 COMMISSIONERS: Aye.

12 CHAIRPERSON PRESSLEY: All those opposed, no? The
13 Ayes have it. And that Resolution is adopted. Happy
14 birthday to Ruth Barton, 98 years. Congratulations. We
15 definitely congratulate you for your service. She's not
16 here today, but she will be honored this Saturday. All
17 right. And so with that, we will now move on to our
18 community... Well, before we move on to Community Impact
19 Report, and I'm sorry to put you on the spot here
20 Commissioner Woods, but under the BOPC's Officer's
21 Report, I know there was a recommendation through email
22 around some legislation that we want to make sure the
23 community is aware of, that is now enacted, particularly
24 around gun laws. Are you prepared to share some updates
25 or awareness, rather?

1 COMMISSIONER WOODS: Absolutely. I think that this
2 community should be on high alert and I've communicated
3 with the assistant chief to make sure that we are
4 spreading this word out to all of the community groups
5 that our law enforcement entity connects with. But the
6 safe storage laws are now in effect. And it's going to
7 behoove us as a community to be able to spread that word
8 to members in our community. And these safe storage laws
9 were put in place on the state level to make sure that we
10 help protect children and innocent people from being
11 killed by picking up guns and playing with them or using
12 them. The City of Detroit has had a number of children
13 who died and lives were taken because of people not
14 properly handling their guns. But now there's a stronger
15 law and effect, and we need to continue to educate the
16 community. And I think that we need to continue to get
17 this word out as much as we possibly can to the
18 community. And hopefully something on our website is
19 there about this new law, and on DPD's website and
20 everybody's website, in the churches and the community
21 centers, we need to spread the word so that we can
22 protect the lives of innocent children dying.

23 CHAIRPERSON PRESSLEY: Thank you so very much for
24 that, Commissioner Woods. And so now we'll move on to the
25 Community Impact Report. I believe that's chief

1 Investigator Warfield.

2 CI WARFIELD: Good afternoon to everyone, and through
3 the Chair, we want to give you an update as it relates to
4 our effort to move forward the back law cases. And we're
5 going to need the public's input on this. So in an effort
6 to increase the timely conclusion of investigations
7 currently open at the Office of the Chief Investigator,
8 we are in the process of developing an internal project
9 called the Timeliness Initiative. Through this
10 comprehensive initiative and process OCI will review
11 investigations 12 months and older to determine if an
12 alternate approach that will be described below, is
13 warranted in order to expedite the closure of certain
14 investigations. At the conclusion of this initiative, OCI
15 expects the timely resolution of investigations related
16 to newer complaints, as well as improved outcomes from
17 aged complaints, which are adversely impacted by the
18 length of the investigation. By conducting timely
19 investigations, OCI will fulfill the quotient of
20 accountability and timeliness, both internally and
21 externally. In an effort to comprehensively review aging
22 pending investigations, OCI will identify a group of
23 dedicated staff to conduct a review of all current
24 investigations, 12 months or older OCI seeks permission
25 to implement a strategy to close the backlog cases, which

1 will mirror the timeliness of the backlog OCI cases
2 during the consent decree. The specific allegation of
3 these backlog cases will be thoroughly investigated, and
4 if any misconduct is identified, officers will be called
5 for Garrity Interviews and the case will be forwarded
6 through the disciplinary process. Please note, cases that
7 are beyond 366 days will not generate any disciplinary
8 actions on behalf of the department according to union
9 contracts. However, egregious violations will be
10 forwarded to the command for informal counseling. On
11 February 27th, 2024, at 5:00 PM during the Citizen
12 Complaint Committee hearing right, here at Public Safety
13 Headquarters, The leadership team at OCI, we'll explain
14 in great detail to the public the rationale for the
15 backlog, the need to implement this new strategy, and to
16 present our beta test findings. The office of the Chief
17 investigator invites the public to attend this meeting
18 in-person or through zoom to weigh in and give their
19 input. Here's what we know at OCI. At this current day,
20 we're still understaffed and we cannot resolve the
21 backlog case doing the exact same thing that we have been
22 doing. So this opportunity affords us the ability to move
23 these cases forward in an aggressive, but appropriate way
24 so that citizens' complaints are addressed in a thorough
25 manner.

1 CHAIRPERSON PRESSLEY: Thank you. And again, to
2 remind you all that meeting is on Tuesday, February the
3 27th at 5:00 PM here at the Detroit Public Safety
4 Headquarters. Are there any questions or comments for
5 Chief Investigator Warfield? Hearing none, thank you for
6 that report, and we look forward to hearing the feedback
7 and resolution that comes as a result. Alright, now we
8 will move on to our Chief of Police Report. And we're so
9 grateful today, go right ahead.

10 DC STEWART: Hi, I'm Deputy Chief Tiffany Stewart,
11 sitting in for chief White today. We'll start with our
12 update on injured officers. There's currently one
13 department member who was disabled and recovering at home
14 due to an on-duty injury.

15 CHAIRPERSON PRESSLEY: Would you lower your mic down
16 just a bit.

17 DC STEWART: Is that better?

18 CHAIRPERSON PRESSLEY: Yes. Thank you.

19 DC STEWART: Due to an on-duty injury, the officer is
20 from the 6th Precinct. Moving on to our crime data, as of
21 yesterday, we're actually down a total of 9% in all in
22 all part one crime, 11% in violent crime. We have a 27%
23 reduction in homicide over last year, a 35% reduction in
24 non-fatal shootings, 36 reduction in robberies, and a 50%
25 reduction in carjacking. So even though it's still early

1 in the year, we still want to celebrate those wins
2 because at this point, clearly we're getting off on the
3 right foot, and hopefully we stay on the right foot. With
4 that being said, mental health related calls for service,
5 we do have an overall reduction in those categories as
6 well, for the last 7 days of any cause with a mental
7 nexus, whether it's not violent or violent armed. There
8 was roughly 229 of those, and roughly 87 calls related to
9 some form of suicide, either threat or in progress. And
10 as noted from this time last year, we have an overall
11 reduction in calls for service as well as actual service
12 calls in which officers actually respond and speak to
13 someone and take some form of action. Moving on to
14 overdose related calls, we have had approximately 119
15 overdose related calls in the last 7 days, in comparison
16 to 2023, the service calls were 542 and 200, I'm sorry,
17 2023 and 520 this year. And those are overdose related
18 calls. Moving on to our significant events for the week,
19 one of the incidents we're going to speak about is the
20 missing person's investigation. In the 5th Precinct on
21 Tuesday, February 13th, 2024, Chief White received a
22 briefing from the police authority of the Detroit Public
23 Schools regarding the disappearance of 13-year-old
24 Na'Ziyah Harris, and the investigative steps that have
25 been taken to date.

1 Based on the circumstances, the Detroit Police
2 Department has assumed the lead in this investigation.
3 The department has committed resources toward locating
4 Na'Ziyah. She was last seen in the area of Cornwall and 3
5 Mile Drive on January 9th, 2024, and we are asking for
6 the community's assistance to help find Na'Ziyah. Anyone
7 with information regarding this matter is asked to
8 contact the Detroit Police Department Major Crimes
9 Division at 313-596-2260. We did some recanvassing
10 yesterday, and certainly a special thanks to Commissioner
11 Smith and Commissioner Woods for their assistance and
12 support in the search endeavors. Moving on to our second
13 incident. There was a non-fatal shooting of a 16-year-old
14 victim in the 5th Precinct. On Saturday, February 10th at
15 1105, officers were dispatched to the 12,000 block of
16 Metzger Court to investigate a non-fatal shooting of a
17 16-year-old. Officers arrived at the scene and spoke to
18 the victim, a young male who stated he was just shot in
19 the stomach. Medics arrived and transported him to St.
20 John's Hospital where he was listed in critical
21 condition. Officers did arrive at the scene and were able
22 to conduct some sort of an investigation and determine
23 that a black male wearing a green hooded sweatshirt shot
24 the victim and then escaped on foot east on West Warren
25 after the shooting. Detectives are asking for the

1 community's help with regard to this shooting. Anyone
2 with additional information regarding this incident,
3 please contact Crime Stoppers at 1800 SpeakUp, or you
4 also can contact Detroit Rewards TV.

5 There was a homicide on Monday, February 12th of
6 this year at approximately 1:30 AM. Officers were
7 dispatched to the 19,000 block of Irvington in the 11th
8 Precinct to investigate a ShotSpotter alert that was
9 upgraded to a homicide. Officers received a 16 round
10 ShotSpotter alert at 1:29 AM, then a single shot alert at
11 1:30 AM They arrived on the scene at 1:34 AM, and
12 observed an unoccupied white Volkswagen in the driveway
13 with the engine running and lights on. They checked the
14 residence and discovered the victim in the front room of
15 the location, suffering from multiple gunshot wounds.
16 Medics arrived and declared the victim deceased,
17 unfortunately. Officers from the 11th Precinct contained
18 the scene while detectives from the Homicide Unit
19 responded. Detectives were able to determine that before
20 the officer's arrival 2 vehicles were seen driving away
21 from the scene at a high rate of speed.

22 The make and model of the vehicles were unknown.
23 Again, this is another case that we're asking for the
24 community's assistance by contacting Crime Stoppers,
25 again at 1800 SpeakUp or Detroit Rewards TV, if you have

1 any additional information with regard to this case that
2 can help us and assist us in, bring closure to the
3 family. And lastly, there was a triple shooting on
4 Wednesday, February 13th, which resulted in one fatal
5 shooting and two non-fatal shooting victims. The shooting
6 occurred at 11:23 PM. Officers were dispatched to
7 Providence Hospital in Southfield, Michigan on a call for
8 service for two victims at the hospital with gunshot
9 wounds. They observed the victims to be in critical
10 conditions with multiple gunshot wounds to the body, both
11 victims actually. Officers were able to interview family
12 members and discovered that the incident may have
13 occurred in a 21,000 block of West 7 mile. Officers
14 responded to the location and actually observed a third
15 victim suffering from a gunshot wound to the head.

16 That victim was declared deceased by medics.
17 Officers from the 8th Precinct responded to the scene and
18 notified the Homicide Section. This incident is also
19 still under investigation, and again, we ask for the
20 community's help in seeking to solve this location,
21 provide any information that will assist the
22 investigators in bringing closure to this case as well.
23 Moving on to some of the positives that we have this
24 month. I don't know if you all are aware, we've been
25 doing Black History Month posts. We've been partnering

1 with our Police Explorers on our social media. That's
2 Facebook, Instagram, TikTok, and X, formerly known as
3 Twitter. And what they've been doing the Explorers are
4 telling the story. They're acting out and telling the
5 story as if they were the famous black historian and a
6 video of it.

7 So this week we did one with a young explorer who's
8 telling the story of Thurgood Marshall. We've done
9 Phillis Wheatley, the poet, and we've also done another
10 explorer as Louis Armstrong. So if you haven't had an
11 opportunity to see it, and you do follow us on any of
12 those social media sites, we implore you to take a look.
13 And it's just us partnering with our law enforcement
14 explorers and them doing something positive and spreading
15 some of the knowledge that they've recently gained to the
16 community. We had Valentine's Day events yesterday at
17 some of the Precincts.

18 The 11th Precinct actually had their senior lunch at
19 Farwell Rec Center. I don't know if anyone was able to
20 make it but that was a pretty nice event yesterday. And
21 tomorrow we are actually having a graduation for new
22 recruits. That's tomorrow Recruit Class 2024 B will
23 graduate from the academy. It will take place at 10:30 AM
24 at Greater Grace Temple. That is a class of 18 students
25 that will be graduating and certainly, Commissioner

1 Pressley, we look forward to your words of wisdom. You
2 have certainly made that moment yours I know, I always
3 look forward to it. So we thank you for that. DPD's GREAT
4 Readiness Program will take place tomorrow. That
5 recruiting will host another event from 3:00 PM to 7:00
6 PM tomorrow here in the Skylar Room. And it's for people
7 interested in joining the DPD Detroit Police Department,
8 who may have questions about the application process, and
9 it's not just for police officers. If I'm not mistaken,
10 there will be civilian positions as well. But the purpose
11 of the program is to provide tools and resources along
12 the way for those interested in becoming members.

13 For those who may not be aware, GREAT stands for
14 Guidance, Resources, Expectation Application and
15 Training. And each of those acronym stands for a specific
16 process in the application period, whether it's resources
17 providing information for tickets with 36 District Court,
18 how to clear tickets information regarding DPD Fit, the
19 expectations, you know with regard to NACOLE's support
20 for reading and writing on the test, and information on
21 how to pass the test. The application, you'll see the
22 full application, and they'll give you pointers on
23 getting the application process, getting through the
24 application process successfully, and just training.
25 They'll have an opportunity to take a look at what the

1 training looks like in the academy. So with all that
2 being said, that is my report. If there are any questions
3 that anyone has?

4 CHAIRPERSON PRESSLEY: Thank you. Are there any
5 questions? Commissioner Hernandez.

6 COMMISSIONER HERNANDEZ: Thank you. Through the
7 Chair. Great report. I have a question specifically to
8 the 13-year-old girl that you mentioned, Na'Ziyah Harris.
9 It seems that there might be, especially on social media
10 and just in the public, a perception that there was a
11 delay in initiating that search. And I think it may be
12 more procedural in the sense of who initiated. I think it
13 was the Public School Authority, and then it transferred
14 over to DPD. So could you just clarify maybe how that
15 process went about? Again, I just want to be able to
16 create a space to inform the public correctly in terms of
17 when the investigation actually began because I know it
18 dates back to January 9th.

19 DC STEWART: Yes. So it does date back to January
20 9th. The mother reported her missing on the 10th. So
21 Detroit Public Schools police actually have been
22 investigating the case the entire month. The case has not
23 gone without investigation. Certainly sometime last week,
24 they reached out for our assistance at the Cyber Crimes
25 Unit, and they also reached out to the Chief and he was

1 briefed regarding the case, and at that point in time, we
2 took lead on the investigation. So we are certainly
3 looking for any additional leads where we're tracking
4 some of the things that Detroit Public School officers,
5 I'm sorry, have also completed, but there was no lag in
6 investigation with regard to the case. Detroit Public
7 School officers are actual police officers. They're just
8 a different law enforcement authority, and they were
9 handling the case, and last week reached out to us for
10 additional help, and we decided to take the lead on the
11 investigation.

12 CHAIRPERSON PRESSLEY: Are there any further
13 questions? Commissioner Gamble.

14 COMMISSIONER GAMBLE: I have a question. This came
15 out of last week's BOPC meeting. I received some
16 inquiries from the community. There was a mention of a
17 device called a "Switch." Okay. Is that better?

18 CHAIRPERSON PRESSLEY: Yes.

19 COMMISSIONER GAMBLE: Okay. In the meeting, the
20 officer gave a report and he talked about a device called
21 a "Switch." I was contacted by some members of the
22 community who didn't understand what that was. I was
23 wondering if you could elaborate, and kind of explain it
24 a little broader.

25 DC STEWART: You're talking about a Glock switch that

1 goes on a firearm. Yeah, it's a little device that allows
2 a semi-automatic handgun to convert into a fully
3 automatic handgun. It's an illegal device. It has federal
4 oversight, so anyone caught with a "Switch" on their
5 Glock in the course of an investigation will be charged
6 federally.

7 CHAIRPERSON PRESSLEY: All right. Any further
8 questions or comments? Commissioner Bernard.

9 COMMISSIONER BERNARD: I just want to follow up on
10 your answer to that. If it's legally sold and a person is
11 a legal gun owner, is it still a federal offense, what is
12 your understanding?

13 DC STEWART: So the "Switch" is actually what's
14 illegal, not the actual handgun. They alter the handgun
15 and put the switch on there, and you are not allowed to
16 do that.

17 COMMISSIONER BERNARD: Thank you.

18 CHAIRPERSON PRESSLEY: You're welcome. Yes,
19 Commissioner Gamble.

20 COMMISSIONER GAMBLE: I just want to elaborate just
21 how serious this is because they're very prevalent in
22 Chicago. They allow a weapon to discharge a large amount
23 of rounds in a very short time, and it turns a handgun
24 basically into a machine gun, which presents a
25 considerable threat to the community. And the simplicity

1 of it is, you can actually make them at home with a
2 computer and a 3D printer. So, I mean, this is something
3 that we should probably be more aware of and do whatever
4 we can to mitigate the rise of these devices in our
5 community. And I can't stress enough just how dangerous
6 these things are.

7 The Glock handgun, any handgun itself is extremely
8 dangerous. But when you have the real simplistic ability
9 to change it into an automatic weapon that danger goes
10 tenfold. So I was just wondering, as a Board, maybe we
11 could take a look at... My knowledge of it is that the
12 weapon is so easily convertible to this full automatic
13 version that maybe the manufacturer should be looking at
14 changing their firearms to make them less convertible.
15 Right now, I mean, you can do it in 10 minutes. So I was
16 just wondering, maybe we could do some fact finding, some
17 checking and try to get ahead of the curb on this thing
18 before they come really prevalent in the Detroit
19 community.

20 CHAIRPERSON PRESSLEY: Thank you. Commissioner
21 Hernandez.

22 COMMISSIONER HERNANDEZ: Through the Chair, another
23 quick one. I think we're keeping in theme with equipment,
24 I guess. Recently, there was some funding that was
25 approved for around 20 of the BolaWrap devices. Just for

1 the public's sake, again, could you just let us know
2 where those are going to be deployed? I know there was a,
3 I think it's called an emergency amendment to a policy,
4 or there hasn't been a full policy around it, but do you
5 know how those are going to be deployed? I asked because
6 I was used to demonstrate it. They wrapped me around it,
7 and it was actually really effective. But just anything
8 that you want to elaborate on.

9 DC STEWART: Oh, yes. So the funding was for an
10 additional 20. For those who may not be aware, BolaWrap
11 is like a cord, a Kevlar cord. The device that fits in
12 your hand roughly like this, it almost looks like a, you
13 know, old school Texas instrument calculator. They push
14 the button, the cord comes out, wraps around the person
15 who is experiencing mental health crisis or suicidal
16 ideations or anything along that, those lines. It's a
17 remote restraint device, and it does not harm them, nor
18 does it harm the officers. So what we did was we deployed
19 them to our crisis intervention team members. So we asked
20 for an additional 20 to deploy to one at every Precinct,
21 if you will, and some of your ancillary units maybe like
22 your metro unit, your downtown services unit, as well as
23 to our SRT metropolitan officers. So that's what the
24 deployment would be for.

25 CHAIRPERSON PRESSLEY: Alright, thank you.

1 Commissioner Woods.

2 COMMISSIONER WOODS: Yes. Through the Chair. Thank
3 you for your report. To my fellow commissioner's
4 concerns, Commissioner Gamble can you tell us how
5 prevalent the "Switch" is here in the City of Detroit?
6 From my understanding, this is already prevalent, right?

7 DC STEWART: So it's prevalent. I would not say,
8 based on the number of CCW arrests that we come in
9 contact with, I would say the percentage is still small,
10 in which we come across people who have switches on their
11 handguns. I don't have any exact data for you right now.
12 I do know the percentage is small, but with that being
13 said, there has been an uptick in seeing them where
14 something you may have seen as recently as a year or two
15 ago, maybe you saw one or two a year. Now there's an
16 uptake where you're seeing quite a few more than that.

17 COMMISSIONER WOODS: So how many people are getting
18 caught with it?

19 DC STEWART: I don't have the stats.

20 COMMISSIONER WOODS: I'm saying you just know how
21 many people get caught.

22 DC STEWART: Exactly.

23 COMMISSIONER WOODS: That's thick in this community,
24 thick, you know, I deal with the streets and the suites,
25 so you can hear that noise very, very thick, you know?

1 And so it's absolutely clear that it's prevalent. And
2 also I would like to know like you to continue to convey
3 to the Chief and to the Assistant Chief to make sure that
4 we do get that information out as it relates to the safe
5 storage law. I think it should be a major campaign around
6 that because it's also an opportunity, again, as I said
7 in my statement earlier, through the Chair to save some
8 lives and for the public to be absolutely made aware. I
9 believe that we need to do a big campaign in educating
10 the public especially with the change of the law, but
11 also to be able to make sure that we encourage mothers
12 and grandmothers and aunties and grandfathers on safely
13 storing their weapons because, you know, so far so good.
14 I don't know how many children may have gotten hold of a
15 weapon. We know just in Southfield, a young man was
16 killed because of a gun, and they don't necessarily say
17 that was a safe storage issue necessarily, but I want to
18 see us really do something robust in that area.

19 DC STEWART: So I certainly think that's a good idea,
20 Commissioner Woods, and I think that's the least we can
21 do as an agency. We do have a media team, so we'll pass
22 that information along for them to develop something to
23 put out to the community.

24 COMMISSIONER BERNARD: Thank you. Commissioner
25 Bernard.

1 COMMISSIONER BERNARD: Just quickly. You mentioned
2 the coil. I think it's for what Commissioner Hernandez
3 asked you about.

4 CHAIRPERSON PRESSLEY: BolaWrap.

5 COMMISSIONER BERNARD: The who?

6 DC STEWART: BolaWrap.

7 COMMISSIONER BERNARD: Okay. BolaWrap. There's no
8 policy in the department about that currently. If you're
9 going to use this as a weapon or as a deterrent, then we
10 need in the policy committee to get at least a draft of
11 how you perceive that you're going to be using this and
12 under what circumstances so that the Board can prepare a
13 policy on it.

14 DC STEWART: Yes. They're actually working on that
15 now, and you should probably have that before long.
16 There's also a training mechanism to that as well.

17 COMMISSIONER BERNARD: Yeah, I saw Chief Ha come in,
18 so I know he's probably working on it. Thank you.

19 DC STEWART: You're welcome.

20 CHAIRPERSON PRESSLEY: Alright, any further
21 questions? Commissioner Smith.

22 COMMISSIONER SMITH: Excuse me. Through the Chair. I
23 was wondering with the 13-year-old, are we doing any more
24 search parties because I know the information is just new
25 to DPD and not much information was given, but as far as

1 coming forward, like any plans of any search parties or
2 canvassing a different area?

3 DC STEWART: I don't have that information right now.
4 We do have Commander Severy in the room. He can tell you
5 if there's any oncoming new searches coming up.

6 COMMANDER SEVERY: Good afternoon. Ian Severy,
7 Commander, Major Crimes. Almost said my last command...

8 COMMISSIONER BERNARD: Microphone.

9 COMMANDER SEVERY: Through the Chair, to answer your
10 question, we are taking a very deep dive into the
11 investigation that's already happened, following up on
12 information and looking for new sources of information.
13 It's very much ongoing. Our people are upstairs working
14 on it at this moment. And once those additional areas are
15 identified we will definitely be back out searching
16 again.

17 COMMISSIONER SMITH: Thank you.

18 CHAIRPERSON PRESSLEY: Thank you. Commissioner Woods.

19 COMMISSIONER WOODS: Yeah, through the Chair. As I
20 spoke yesterday, I said I was going to encourage a lot of
21 my clergy friends to get involved in some of these
22 searches in terms of with their congregations. So I know
23 of at least two reverends in the house today, so let's
24 make sure that we spread among the clergy throughout this
25 entire city. When we have a 13-year-old that is missing,

1 it's all of our problems. And even my fellow
2 Commissioners, if you can, whenever you can, I know that
3 time may not permit certain things, but I think as a
4 community, we need to make sure we wrap our arms around
5 these families and be a part of those searches and
6 spreading the word to be able to possibly get information
7 to the people.

8 CHAIRPERSON PRESSLEY: Duly noted. Any further
9 questions or comments? Alright, I do have a few that
10 relate to the crime report and the sexual assaults. Is
11 there a breakdown of crimes that fall under sexual
12 assaults, or is it just a general category?

13 DC STEWART: It's a general category, but it
14 encompasses several specific charges.

15 CHAIRPERSON PRESSLEY: Okay. And then for the sake of
16 the public, obviously when you talk about things like
17 homicides, you know, that's evident upon the scene. But
18 when you talk about things like aggravated assault, are
19 these calls for service that are captured in the data or
20 these arrests that have been made around those incidents?

21 DC STEWART: Those are all actual incidents.

22 CHAIRPERSON PRESSLEY: Okay. And then my final
23 question in this line of questioning has to do with
24 domestic violence. And so there have been several
25 conversations about its rise. And again, just for the

1 sake of the public domestic violence incidents, they're
2 captured under aggravated assaults?

3 DC STEWART: They could be captured under aggravated
4 assaults, or it could be even a non-fatal shooting. But
5 typically speaking, they're captured under aggravated or
6 a regular assault, which is a misdemeanor.

7 CHAIRPERSON PRESSLEY: Okay. Thank you. And then to
8 the reports of the incidents, there was one about the
9 triple shooting, and it was stated that two of the
10 victims were non-fatal, but do we know their current
11 status?

12 DC STEWART: They were in critical condition.

13 CHAIRPERSON PRESSLEY: They are still in critical
14 condition. And then lastly, thank you for your kind words
15 relative to the graduation. You know, again I take it as
16 an immense honor to represent this body to new officers
17 coming into the Police Department. And for those citizens
18 who've never experienced a DPD graduation, I encourage
19 you to do so. It does increase your level of confidence
20 in the officers that are on the streets because we have
21 one of the best training programs in the city. You get
22 that sense at graduation. So I'm looking forward to
23 attending tomorrow as well. With that, thank you for your
24 thorough report and for your profound questions. With
25 that, we'll now move on to oral communications where

1 again we'll start with Mr. Eric Williams who again was
2 scheduled to speak last week, but because of our
3 technical difficulties, was unable to. And so we are
4 allotting four minutes for his public comment.

5 MR. WILLIAMS: Thank you very much. Is there a timer
6 somewhere I can see, or should I set my own?

7 CHAIRPERSON PRESSLEY: It should be on the screen in
8 just a moment, but I got you.

9 MR. WILLIAMS: Alright, I appreciate that. One minute
10 welcome. Something like that. So my name is Eric
11 Williams. I'm an attorney with a nonprofit law firm
12 called the Detroit Justice Center. I'm also the son of a
13 retired Detroit police lieutenant and the father of a
14 police officer in South Orange, New Jersey. I'm here
15 because I have concerns about this Board's ability to do
16 its oversight job. While I understand that collaboration
17 with the police is necessary, I have concerns that the
18 deference to the police department is getting in the way
19 of you doing your job. For example, the deployment of a
20 new technology without any policies in place whatsoever
21 is a little disturbing. I would also say that there are a
22 number of instances when the statements of the Police
23 Department should actually be challenged. For example, in
24 the January 25th meeting, a representative of the Detroit
25 Police Department said, City of Detroit, and the Detroit

1 Police Department does not pay for Project Green Light.

2 That is categorically false. Between 2016 and 2020
3 more than \$20 million worth of public funds were expended
4 on Project Green Light. I don't know how you don't count
5 the Real Time Crime Centers, how you don't count the
6 software the DataWorks LLC contract. I don't know how you
7 don't count the personnel that actually are responsible
8 for monitoring the cameras. So it's a bit problematic
9 that they would say this, and it's categorically false
10 and nobody here said anything. My second problem, relates
11 to Project Green Light, again. When it was deployed in
12 2016, then Chief of Police, James Craig said that there
13 would be a study done to assess its effectiveness.

14 In 2020, Michigan State University Department of, I
15 believe, its Criminal Justice, released an evaluation
16 that said that there was actually no impact from Project
17 Light. Just last year, the US Department of Justice,
18 National Institute of Justice, released a report saying
19 that there was no effect from Project Green Light. All we
20 have, as one of your members noted at the last meeting,
21 is anecdotal evidence of its performance. In addition, I
22 would say that we don't even know how we would evaluate
23 it, what we're actually looking for to determine whether
24 it works or not. So we don't know how much it costs. Oh,
25 by the way, project Green Light is not a line item in the

1 publicly available budget. So there is actually no way to
2 determine how much has been spent on Project Green Light.
3 The estimates I gave you are simply from public reports,
4 but there are undoubtedly other things hidden in the
5 budget that are allocated to Project Green Light we have
6 not seen. So to date, all we have is a project that we
7 don't know how much it will cost. We don't know what's
8 effective or not. There's no evidence to prove it's
9 effective. In fact, the only evidence we have proven that
10 it is not effective, which creates in my mind kind of a
11 problem.

12 My last concern is that I have been dealing with and
13 addressing Project Green Light since its implementation.
14 And there have been repeated instances where the Detroit
15 Police Department has been allowed to present its side of
16 the story. You have not had a single civil rights
17 organization be able to present for the same amount of
18 time that the Detroit Police Department has been allowed
19 to present to this Board and to the public. What I would
20 ask formally is that you allow myself, the Detroit
21 Justice Center, the American Civil Liberties Union, any
22 of the other number of community organizations that are
23 concerned about Project Green Light to actually present
24 to you what our concerns are. In the absence of that, all
25 you are doing is taking the Detroit Police Department's

1 word. And like I said, I don't have anything against DPD.
2 My father was a cop. I was raised with, you know, the
3 kids of other cops. But until you do that, all you're
4 doing is selling us the illusion of safety and not even
5 telling us how much it's costing.

6 CHAIRPERSON PRESSLEY: Thank you.

7 COMMISSIONER BERNARD: What was your name again, sir?

8 CHAIRPERSON PRESSLEY: Eric Williams.

9 MR. WILLIAMS: Eric Williams.

10 CHAIRPERSON PRESSLEY: Attorney Eric Williams.

11 COMMISSIONER BERNARD: Thank you.

12 CHAIRPERSON PRESSLEY: Alright.

13 COMMISSIONER BERNARD: I'll contact you.

14 CHAIRPERSON PRESSLEY: Our next speaker.

15 MS. UNDERWOOD: Mr. Chair, our next speaker will be
16 Minister Eric Blount. Ms. Smith and Ms. Freda Butler.

17 MINISTER BLOUNT: Good afternoon Board.

18 CHAIRPERSON PRESSLEY: Good afternoon.

19 MINISTER BLOUNT: For the record, Eric Williams is
20 from the Detroit Justice Center. Thank you. Just for the
21 record. This month, Length started the same month as
22 Black History Month and it hit me hard because I'm
23 quickly becoming twice as old as Medgar Evers, Malcolm X,
24 Martin Luther King, Cheney Goodman, and Schwerner. So I
25 realized my time on this earth is limited, if not today,

1 real soon. And so when I use strong language, it is
2 because this Board needs to correct itself in the utmost
3 urgent way. These people and so many more died for the
4 privilege of you all sitting here. But yet you do not
5 address police officer misconduct as your major focus. I
6 had the privilege, or I have the privilege of seeing my
7 children grow up to be strong, dedicated members of
8 society.

9 I have this privilege, but others do not. The
10 parents of Denise McNair, Cynthia Wellesley, Annie Mae
11 Collins, and Kyra Robinson did not have that same
12 privilege and opportunity. So again, if some of us speak
13 with strong language, it is because there is an urgent
14 need to do a lot more than what this Board is doing. The
15 HR report you'll receive today will undoubtedly exclude
16 many of the tragic things we need to know about. It needs
17 to have a deep dive on every report of the 120 risk
18 management officers that are in the risk management
19 system for misconduct.

20 CHAIRPERSON PRESSLEY: Thank you.

21 MS. SMITH: Good afternoon to my colleagues here.

22 CHAIRPERSON PRESSLEY: Good afternoon.

23 MS. SMITH: I had a sad occasion to go to a funeral
24 this morning, and there were some people there that knew
25 me and my reputation with the commissioners. They asked

1 me several questions. One in particular that I was very
2 interested in was the fact that they feel as though that
3 the police is doing an injustice as far as the publicity
4 is concerned that they're giving them a bad name; though,
5 you know, naturally I'm going to tell the truth about
6 what my police is doing and I'm going to defend them to
7 the end. So until they do worse than what they're doing
8 now. because I feel as though they're risking their lives
9 every day when they put their uniform on for you and me
10 and everybody else, and for us to think that they're not
11 doing the job, maybe some are not, I'm not saying all of
12 them are doing wrong, but the ones that I know and I talk
13 to, and tell them every day when I see them, be careful
14 out here. I want you to take care of yourself. I tell
15 them this, but the fact that we do have people that will
16 complain, which they have a right to complain, I have no
17 doubt about that. But I want to let you know my
18 experience. We have police that's out here and they're
19 running down these crooks, and they're getting shot at,
20 and we don't think about none of that. How many police
21 have been shot within the last month or so? Have you
22 thought about that, or shot at because they're doing
23 their duty. Look what happened in Kansas City and I hope
24 we'll never, never endure that when this new sports
25 activity comes here because I'm sure Brother White or

1 Chief White, I can't say that to him, is going to do a
2 darn good job in my Police Department. I have faith in
3 him, all the way. I wouldn't be here this long preaching
4 about the Police Department if the good Lord didn't say
5 I'm doing a good job. I am 91 years old and I wish that I
6 can see two more years because I want to deal with
7 politics, because you have a former chief that's out of
8 sight because he's doing things that you wouldn't even
9 think anybody with a good sense would do. How in the
10 world do you think you are going to get off the Police
11 Department and run for this position, and run for that
12 position?

13 CHAIRPERSON PRESSLEY: Thank you.

14 MS. SMITH: Anyway, watch for further news of my
15 comments.

16 MS. UNDERWOOD: Ms. Freda Butler, after her will be
17 Ms. Pearl Martin, Lieutenant Mark Young, and Ms. Ruby
18 Ward.

19 MS. BUTLER: Good afternoon.

20 CHAIRPERSON PRESSLEY: Good afternoon.

21 MS. BUTLER: As fulfilling some of my
22 responsibilities as president and a community activist, I
23 have attended many of your meetings to learn and share
24 information for my community and give my opinions. I am
25 having a concern that has been created by Mr. Alvin

1 Stokes, President of City-Wide. Mr. Stokes has stated to
2 me many times that I'm too political and has told me that
3 he would remove me from my position as President of the
4 Second Precinct Community Relations Council. I have
5 learned that he has even solicited help from Captain
6 Marcus Thirkill, and Deputy Chief Hope. You are aware of
7 my work in my community and the City of Detroit. The
8 latest for our Council at the 2nd Precinct was to
9 establish goals and objectives. These written goals and
10 objectives were given to all attendees, and now we are
11 implementing them. Mr. and others, I believe, are
12 interfering with our meetings.

13 Neither Mr. Stokes nor anyone has a right to
14 interfere in our communities and our meetings. I was
15 chosen by the people and not by Mr. Stokes. We had an
16 election and no one wanted to lead. So I am continuing as
17 president. I will continue to speak and write without
18 fear, favor or affection, and do work in my community and
19 the City of Detroit with robocalls. I know that your
20 work, I believe, to be an oversight for the Police
21 Department, but because Mr. Stokes has chosen to involve
22 officers, I decided to inform you of my concerns. Thank
23 you.

24 CHAIRPERSON PRESSLEY: Thank you. And again, it is
25 not the practice of this Board to receive public comment

1 utilizing the name of those who are not elected
2 officials, but because of his capacity as the president
3 of the Police Council is why I allowed it.

4 MS. MARTIN: Good afternoon. Good afternoon. My name
5 is Pearl Martin, and I'm hoping that this is the place
6 I'm supposed to be to let you know my experiences as
7 citizen A. I am a senior citizen native Detroiter.

8 COMMISSIONER BERNARD: Speak up please.

9 MS. MARTIN: Senior Citizen, native Detroiter for 75
10 years of my life. I have currently moved out of the City
11 of Detroit, and I live on the borders of Redford,
12 Michigan, which is still Wayne County. I have had an
13 experience over the last, well, since just before
14 Christmas with the 8th Precinct. And not only have I been
15 harassed, humiliated, sexually harassed, talked down to,
16 and not allowed to even enter the Precinct because I
17 supported my son in his efforts to get some attention to
18 what was going on to him. And if he wants to speak, he
19 will. I'm just speaking for me. There have been reports
20 that I have not been able to get my hands on. I went into
21 that particular Precinct and I attempted to make a
22 report, but I was denied access to the Precinct because
23 they have a bone to pick with my son, I believe. I am not
24 happy, and I'm sorry, I don't mean no disrespect to you,
25 yes.

1 CHAIRPERSON PRESSLEY: Please speak through the
2 Chair.

3 MS. MARTIN: They do put their lives on the line, but
4 also my son does, who is in right now in Iraq in the
5 United States Army, fighting for us, as many people put
6 their lives on the line. But when it comes to not only
7 protecting us, there is a place that should be respected,
8 upheld also, along with disposition, their badge
9 represents, I thought, honor.

10 CHAIRPERSON PRESSLEY: Thank you.

11 MS. MARTIN: You are welcome.

12 CHAIRPERSON PRESSLEY: Now investigator Sloan is
13 here. She's sitting right behind you. I believe that's
14 where your seat is. She can take your citizen complaint
15 report now, right there. Yes, she can. Our next speaker.
16 I don't know if your son is speaking, if you wanted to
17 wait until after he got done, but that's fine.

18 MR. MARTIN: Hello everybody. Can you hear me?

19 CHAIRPERSON PRESSLEY: Yep, go right ahead.

20 MR. MARTIN: Okay. I'm a public figure. My name is
21 Duvell Martin. Just briefly, I never knew it was going to
22 be like this where I was able to speak more because we
23 just got through running from downtown to the Coleman
24 Young building upstairs. But I'm not getting any help in
25 the Pacific (sic) area. I am also a content creator. I've

1 worked with Chad Pitt before Latrice Cash. I've been on
2 the side of Barack Obama.

3 It's kind of emotional, so I am not going to be able
4 to get it out. So I'm kind of new, and I didn't know it
5 was going to be like this. But yeah, my mom has been
6 mistreated a certain way and I have too, to the point
7 where it's intimidating, but I didn't back down about
8 nothing. For my sake, I'm pursuing different types of
9 action and I'm here to try to get help. I don't know
10 who's in here, but I know God works in mysterious ways
11 and that's what I'm here for. And I'm just going to leave
12 it at that. But I do commend police officers. And I want
13 to also say that it's not every police officer, because
14 I'll be wrong to say that. I'm just saying that people
15 are in different positions where they abuse their power
16 and I know my rights and I know where I stand.

17 And if you look me up, I'm that type of person that
18 has always stood with Detroit. I have given to the
19 community and I have been on Channels 2, 4, and 7. Right
20 now I do have the news involved and I'm also seeking a
21 lawyer right now. But my mom has been mistreated, and so
22 have I have videos, I have everything, but like I said, I
23 commend the police officers that are actually doing
24 something. But it's a lot, that's not either. And I just
25 think that certain people need to be addressed. So I just

1 want to just put that on the table. And it's no
2 disrespect to anybody in this entire place, but it's very
3 frustrating when you can't go and get no help when you
4 know that the help is there considering when you are in
5 the right position and the right place and you have
6 everything that you need. So that's all I have to say.

7 CHAIRPERSON PRESSLEY: Thank you. Well, you two can
8 share with investigator Sloan, and then with that
9 information hopefully we can point you in the right
10 direction.

11 MS. UNDERWOOD: Next will be Ms. Ruby Ward, Mr.
12 Ronald Foster, and Ms. Michelle George. Then we'll go
13 into Zoom.

14 MS. WARD: Good afternoon.

15 CHAIRPERSON PRESSLEY: Good afternoon.

16 MS. WARD: This is my first time here. I am a 73 year
17 resident in this City of Detroit. Of course, I'm a senior
18 now, but I am here because I live right across from the
19 LCA. I did contact the police on 2/19. They had a concert
20 called the 42 Guy, which I don't even know what it was
21 all about, but I heard it was a rap concert. So I went
22 outside because I heard a lot of noise. I saw a big ram
23 truck coming down, turning around in my driveway, which
24 was okay. He could turn around because he was going back
25 out. He had entered the area. And then about 20 minutes

1 later, I looked out, he parked at my garage and
2 apparently went across the street to that concert, which
3 left me blocked in my garage for over 2 hours.

4 Okay. I called the towing truck company that's
5 associated with that Brush Park, then I called the
6 Detroit Police. I made a 911 call to let them know that
7 the tow truck was busy. Somebody has to move it. My
8 granddaughter came home, she couldn't get behind the
9 garage. We have nowhere to park. So then I asked my
10 granddaughter to take me around to the police. I saw him
11 on the next street, which was Alfred. And he said, oh,
12 you're the one that called? I got your call. We're coming
13 over to you know, check everything out. I got your call
14 because I called 911, and I know there is a record of
15 that call. So he did come around the office. I had
16 pictures. When he was running the truck, he said this
17 truck looks familiar.

18 And I guess it was familiar, you know, after
19 everything was said and done. And that man stayed there
20 for about two hours. So when I see the police tow truck
21 or whichever tow truck it was at Adelaide coming, no one
22 let him in. The police wouldn't let him come in there.
23 And all of a sudden the guy runs from across the street
24 and jumps in his car. I ran downstairs, and I said,
25 what's up? The police officers were there. He says, well,

1 he just happened to come back, and I wrote him a ticket.
2 I said, how much is the ticket? He says, a \$50 ticket. I
3 said, he was on private property entering, and that's
4 all.

5 CHAIRPERSON PRESSLEY: Sorry, you passed your time. I
6 was trying to get to maybe what you might have needed
7 from us. But again when Investigator Sloan comes back in,
8 if there's any complaint or anything you want us to take
9 an action item on.

10 MS. WARD: Thanks. I made a complaint to this Board,
11 and I haven't heard anything back so far.

12 CHAIRPERSON PRESSLEY: Okay. So it will be
13 investigated. Chief Warfield has just made a note that we
14 do have your complaint and they're moving forward with
15 the process.

16 MS. WARD: Okay, so he's going to get with me today
17 or what, or do I come back?

18 CHAIRPERSON PRESSLEY: Well, it takes some time for
19 them to investigate. I don't know when they received it,
20 but maybe there's a conversation that can be had offline
21 so that you can get some clarity on what to expect.

22 MS. WARD: Okay. I appreciate that.

23 CHAIRPERSON PRESSLEY: Thank you. Our next speaker.

24 MR. FOSTER: Good evening.

25 CHAIRPERSON PRESSLEY: Good evening.

1 MR. FOSTER: Through the Chair. First thing, a couple
2 weeks ago I was here. I misspoke. So I want to first,
3 stand up as a man and correct that I appreciate this
4 Board for handling their internal issues before they
5 become grievances. And so I am grateful for that. I was
6 corrected. Secondly I appreciate Mr. Bell. I won't talk
7 about him. I really don't agree with much of it, but I
8 did want to take time to acknowledge his stance against
9 the judge's decision there. I think that's admirable. It
10 shows a little sense of democracy within here. And it's
11 not just one sided. So that's going in the right
12 direction. I appreciate the Commissioners, Miss Liberty
13 and the Commissioner here that's advocating for the young
14 lady. I think that it's admirable to get out here and
15 really be active in the community and really show actions
16 behind your words.

17 And so I do want to acknowledge that. And after
18 saying that, I had a little quote that I said maybe go
19 forward, but I was encouraged by the unity for the
20 community. And so it wasn't just police commissioners,
21 but they were able to get other community resources. Any
22 and everybody out there for one child, and that shows how
23 much each and every child means within our community. And
24 so you guys keep that up. I'm very grateful for that.
25 Personally, yesterday I had some car issues downtown and

1 I mean, in route to get AAA and everything, had a police
2 encounter. And I'm grateful to say that the police
3 encountered me today. He was there to help out and give
4 service to my family and I. I got a few citations, but I
5 was happy to make it home, man, get the services that he
6 was willing to help out with and bring. That's with
7 Downtown services and so I'm very grateful for that. And
8 then lastly, the young fellow that came in here. I would
9 like to encourage all our community to speak up, get over
10 the fear of shame, get over the fear of anything changes
11 cannot come about without speaking up and utilize your
12 voice. I thank you all for listening.

13 CHAIRPERSON PRESSLEY: Thank you.

14 MS. GEORGE: Good afternoon.

15 CHAIRPERSON PRESSLEY: Good afternoon.

16 MS. GEORGE: Yeah. To the Board honorable Board and
17 to the Deputy Chief, in place of Chief White. I do want
18 to comment briefly on the lady that spoke up that I hope
19 you all do investigate that. When I interviewed Charles
20 Williams, when he got stopped by the Bloomfield Police, I
21 think a lot of times the black skin is a trigger for how
22 we're treated. It is no disrespect to the police because
23 I do respect the police. I work closely with the 2nd
24 Police Precinct, but that's a lot of times I think about
25 what's going on. But I'm glad the officer that was

1 allegedly choking his wife, I don't know what's going on
2 with him. I don't know if he's off a suspension or it's
3 being investigated. That was horrible, and I know you all
4 had complaints that he had before, but he could have
5 killed her.

6 So I hope he doesn't come back on the force. I'm
7 sorry to say that. I just want to make that comment.
8 Another comment I want to make about in the last few
9 years, \$32 million have been spent in police conduct. So
10 I'm just hoping this Board will be on board to
11 investigate these issues because It is a concern for the
12 community. One has nothing to do with the other. I do
13 respect the Detroit DPD all across the country, but it
14 just seemed like in Detroit, there's an evil sentiment
15 dealing with situations like that. Also, there have been
16 a lot of missing persons lately. There's a 13-year-old
17 missing. And I know before there was a two police team
18 that was investigating missing persons. I would like the
19 city to deal with that situation. Because there have been
20 stories where people have been found, but we have a lot
21 of missing people. And I would like to know the Caucasian
22 woman that had those four black children in the car. I
23 would like to know what happened in that case. I don't
24 hear anything about it. And I remember last time Chief
25 White was sitting when I spoke on a few months ago, what

1 had happened with that situation and where was she taking
2 those children? So that's something that we want to be on
3 with the missing children before a national news story
4 gets a hold of the story. Thank you.

5 CHAIRPERSON PRESSLEY: Thank you.

6 MS. UNDERWOOD: Mr. Chair, we're going to go into
7 Zoom. We have 6 speakers on Zoom. Our first speaker is
8 Marguerite Maddox-Scarlet.

9 CHAIRPERSON PRESSLEY: Ms. Maddox, are you there?

10 MS. MADDOX Okay, thank you. I wish I was able to be
11 there last week because I needed to find out more about
12 the BolaWrap, because, as you know, it has been approved
13 by the city, but my fellow community we were against it.
14 And I would like say something about the issue with the
15 Transit Police that is going to be let go. Why? My
16 question is, why is the Transit Police going to be let
17 go? I'm done. Thank you.

18 CHAIRPERSON PRESSLEY: Thank you. And so, as has been
19 mentioned earlier, we are anticipating the policy around
20 the BolaWrap to be coming forth soon, and that will be in
21 our Policy Committee. I'm going to encourage our staff as
22 well as our Policy Chair, Commissioner Bernard to ensure
23 that you are aware of that meeting. Ms. Maddox. Again, it
24 is already scheduled for February 20th at 5:00 PM so that
25 you might be able to, again, give us some of that

1 feedback that the differently abled disability community
2 might be having around the BolaWraps so that we can
3 ensure that it's included in the policy that comes out.
4 And Commissioner Hernandez wanted to add.

5 COMMISSIONER HERNANDEZ: Thank you. Through the
6 Chair. I just want to add and somewhat clarify the
7 comment that I made before around the BolaWrap in the
8 policy. There is a tentative emergency policy that's in
9 place. So it's not as if this device or any device is
10 just being used in a way that is going to put anyone at
11 risk. So there is a policy in place and that's standard
12 practice with how equipment is handled, and how the
13 process works between DPD and the BOPC. So again, I just
14 want to clarify that there is a policy in place that's
15 tentative that will come our way for draft approval and
16 so forth to strengthen it.

17 CHAIRPERSON PRESSLEY: Thank you for that
18 clarification. And then I don't know the decision around
19 the Transit police being removed, if that was a city's
20 decision, a department's decision. Do you have any words
21 for that?

22 COMMISSIONER BERNARD: We have transit.

23 DC STEWART: So the Detroit Police Department did
24 adopt Transit Police in QLine. We deployed some officers
25 from the 3rd Precinct as QLine officers a couple weeks

1 ago. So as an FYI, DPD will be taking over the Transit
2 Police Department.

3 CHAIRPERSON PRESSLEY: And it's my understanding that
4 those Transit officers still have some opportunity to
5 work in DPD. What happens to the individuals working in
6 Transit?

7 DC STEWART: So, I do believe they're working through
8 some of that now with regard to labor.

9 CHAIRPERSON PRESSLEY: Okay, thank you. Next speaker.

10 MS. UNDERWOOD: Yes, sir. The next speaker is Sharon
11 Solomon. After Sharon will be Victoria, Vicky. And after
12 that former commissioner, William Davis.

13 CHAIRPERSON PRESSLEY: Thank you. Hello.

14 MS. UNDERWOOD: Ms. Solomon.

15 CHAIRPERSON PRESSLEY: Ms. Solomon, are you there?

16 MS. UNDERWOOD: I'll go to the next speaker, sir.

17 CHAIRPERSON PRESSLEY: Okay.

18 MS. UNDERWOOD: Vicky.

19 VICTORIA: Good afternoon commissioners. Can you hear
20 me?

21 CHAIRPERSON PRESSLEY: Yes, go right ahead.

22 VICTORIA: This is Victoria from District 7. First I
23 just want to congratulate the Board on getting approval
24 from the City Council to create the new civilian
25 oversight analyst position. Creating a new position in

1 the city is a long process. It takes a lot of steps and
2 this position was very important, so it was a very nice
3 job there. I'm also glad that OCI is looking for
4 solutions to resolve the backlog and I appreciate the
5 Citizen Complaint Committee Chair Banks, as well as Chief
6 Investigator Warfield for understanding how important it
7 is to communicate and get feedback from the community
8 about their proposed approach. I would like to know, will
9 there be a focused effort to invite the citizens who
10 actually have outstanding complaints to that committee
11 meeting for their feedback specifically, since they will
12 be the ones impacted by whatever decision the Board
13 makes. Thank you.

14 CHAIRPERSON PRESSLEY: Thank you.

15 MS. UNDERWOOD: Commissioner Davis.

16 MR. DAVIS: Good afternoon. Can I be heard?

17 CHAIRPERSON PRESSLEY: Good afternoon. Before you
18 speak, former Commissioner Davis. I do want to again,
19 make the public aware that you also are one of the
20 individuals who were unable to speak last week because of
21 our technical difficulties. And so we'll provide you with
22 4 minutes as well. Go right ahead.

23 MR. DAVIS: Okay, thank you. Also I'd like to start
24 off by saying I would like to see the Board more actively
25 involved and promoting legislation in Lansing about what

1 could be more beneficial for our citizens. You know, in
2 my capacity as President of the Detroit Chapter, National
3 Action Network, and as a member of the Detroit Metro
4 Oversight, you know, we propose legislation and we look at
5 ideas. Also, I think the Board should be more proactive,
6 as I mentioned, a number of times should be doing public
7 service announcements that help inform the people even
8 more. Also the Board needs to be advocating at least for
9 the 3 o'clock meetings that all meetings could be
10 broadcast live.

11 I mean, you all need to have a higher profile and
12 you all need to let people know what you are all doing,
13 the good, bad, and the indifference. I think that's a
14 tremendous opportunity that you're all missing, not being
15 a little bit more forceful and doing public service
16 announcements and actually challenging some of the laws
17 on the books and trying to advocate for new laws. Also
18 I'm somewhat dismayed about the fact that you all elected
19 Bell as Vice Chair. I wanted the new people to know that
20 the Inspector General had had a recommendation that Bell
21 should be cited and there be some type of punishment
22 level out for him, for the things he's done in the past.
23 I would recommend you all look at the Inspector General's
24 reports. Also, I think it would look a whole lot better
25 if some new people were able to be elected to chair and

1 vice chair and not keep recycling people. So before
2 somebody gets to be chair or vice chair, if they
3 previously held that within recent history, other people
4 should have the opportunity to.

5 CHAIRPERSON PRESSLEY: I apologize for that. The
6 restarting of the clock may have knocked him off. Is he
7 still there?

8 MR. DAVIS: Hello, can you hear me?

9 CHAIRPERSON PRESSLEY: Yeah, we can hear you now. Go
10 right ahead.

11 MR. DAVIS: Okay, so you're going to start it back at
12 2 minutes?

13 CHAIRPERSON PRESSLEY: Yep, go right ahead.

14 MR. DAVIS: Okay. There's an opportunity to do a
15 better job. Also, I was saying the fact that Commissioner
16 Bell was cited for doing some questionable things. And of
17 course he did some questionable things while I was on the
18 Board. So I think before you all recycle like Bell and
19 Lisa again in leadership positions, every other person on
20 that Board should get an opportunity to be chair or vice
21 chair before, you all recycle some people that caused
22 harm to the reputation of the Board. You know some people
23 didn't like the fact that I appealed to some of my NACOLE
24 friends about not electing Bell or not reelecting Bell to
25 a position on the Board and not electing Melanie White.

1 Because, you know, sometimes people nationwide might
2 listen to my voice more than some of the people in that
3 room. But we need to be working towards improving things
4 for everybody.

5 Also I think like the law strengthened the fact that
6 we need to be more, people who have guns need to take
7 greater care of them and store them properly. And also I
8 would advocate for more commissioners to do ride-alongs.
9 I did a couple while I was a commissioner and also, you
10 know, there's a whole lot more we could be doing because
11 I did community searches for people, but there are too
12 many, especially black, and brown people, especially
13 young girls and stuff that goes missing. And it seems
14 like in this city, the priority isn't as high as it
15 should be. And far too often you get an Amber alert for a
16 white child or an Asian child, but you don't get the same
17 type of alerts or the same type of effort in my opinion.
18 Hopefully you all can help to change that. Thank you.

19 CHAIRPERSON PRESSLEY: Thank you. Did Ms. Solomon
20 return?

21 MS. UNDERWOOD: I was going to go to the next two and
22 then go...

23 CHAIRPERSON PRESSLEY: Oh yeah, go right ahead, I
24 thought that was our last speaker. Go right ahead.

25 MS. UNDERWOOD: Next will be Scotty Bowman, and after

1 Scotty Bowman will be Alvin Stokes. And then we'll go
2 back and try Ms. Solomon.

3 CHAIRPERSON PRESSLEY: Thank you.

4 MR. BOWMAN: Hello, greetings. First of all, I would
5 like to apologize for perhaps crossing a line, well
6 crossing a line at one of the previous meetings where I
7 was commenting and I kind of was rambling on and said a
8 few things regarding the personal lives of a couple of
9 the people involved in the Board of Police Commissioners.
10 Sorry, that really was out of place and it just wasn't
11 really appropriate. That being said, I wanted to move on
12 to another topic now. I understand the budget doesn't
13 have any money for chaplains or reservists, and these
14 people do make a significant contribution to the city. I
15 think perhaps at least some kind of stipend, maybe it's
16 not a full-time job or anything obvious, but some kind of
17 stipend for their efforts I think would be appropriate
18 and they probably should be in the budget.

19 There are other things I think that now surveillance
20 technology, I think is invasive and that's already in the
21 budget and a lot more expensive. Another matter I wish to
22 address is that and I already heard some mention of
23 missing persons. A friend of mine Ashley Smith, her
24 missing Sister Shelby is missing, a missing person. And
25 she tried to get a report. She lives in Texas. She first

1 tried to do it by phone and so forth, it was
2 unsuccessful. She recently visited Detroit and tried to
3 file the missing person's report in person and was
4 denied. And I believe it was the 6th Precinct. I mean, I
5 hope I didn't get that wrong, but she went to a police
6 precinct, tried to file a missing person's report and was
7 turned away. And this is unacceptable, you know, when you
8 have someone who's been missing for months, there needs
9 to be a proper investigation. People do need to take a
10 report. Just really, it's a matter of just the people at
11 that Precinct doing their jobs. I assume it would be
12 automatic to accept a report if somebody comes in and
13 wishes to file one. Thank you.

14 CHAIRPERSON PRESSLEY: Thank you. And again, it
15 sounds like that person might have two reports. And so
16 again, even the distance doesn't prevent him or her from
17 making that report. Again, they can reach out through
18 email or phone call. So again, we might follow up on
19 whatever complaint might be there. Next speaker.

20 MS. SOLOMON: Hello?

21 CHAIRPERSON PRESSLEY: Hello.

22 MS. SOLOMON: Yes, this is Ms. Solomon. Am I being
23 heard?

24 CHAIRPERSON PRESSLEY: Yes, you are. Go right ahead.

25 MS. SOLOMON: Okay. Good evening. I live in a

1 building with a Green Light flashing. Our Green Light was
2 placed on the building after a press conference by some
3 elected officials and a couple of people in our building.
4 To me, this Green Light flashing just says this is a bad
5 place, this is a bad place. Since we've had the Green
6 Light, we have constant cars stolen, vandalized catalytic
7 converters torn off. So I've heard the officer speak
8 about the deterrent factor. I don't see it, we don't see
9 it here. And it's so much of a problem that our
10 management has now stepped up and put in a fence. So
11 we've had good people leave because their cars have been
12 vandalized and stolen. They didn't move across town or
13 down the street. They moved out of the city. And so
14 that's a big problem.

15 And I think that there's an issue around, even with
16 buildings without the Green Light that they considered
17 good places to live. These problems still exist. I live
18 in District 5, where there's a market that's been placed
19 there and it's a great market. We've needed that market
20 here, but they have a police officer stationed there near
21 darn near 24/7. They don't have a Green Light flashing.
22 So I've heard the officers say that Green Lights are
23 priority one. I want to know what the priority of that
24 establishment is. Atwater was on the news constantly with
25 issues of drag racing, you know, littering problems

1 around their building. I did not hear the police on the
2 news say, get a Green Light. They told them we're going
3 to increase police patrol. So I want to know if we are
4 priority one with a Green Light, how do you get that
5 status of those who get police patrols, police protection
6 24 hours and there's no Green Light flashing it used to
7 be...

8 CHAIRPERSON PRESSLEY: Thank you.

9 MR. STOKES: Good evening. Hello?

10 CHAIRPERSON PRESSLEY: Yes, go right ahead.

11 MR. STOKES: Good evening to the Board. My name is
12 Alvin Stokes. I am the President of City-Wide Citizens
13 Police Community Relations. As some of you may know,
14 every precinct falls under the umbrella of City-Wide.
15 City-Wide holds all precincts accountable for their
16 actions and what they do. This is the second time that we
17 had to involve ourselves in something that was done out
18 of protocol over at number 2. Now it was mentioned that
19 the captain was brought on. I didn't bring the captain
20 here. There was something done by the president that no
21 one on the Board nor myself or City-Wide knew about. And
22 it was brought to the Chief, and the Chief passed it
23 down. And I got involved, along with Second Deputy Chief
24 Hope. And it's still an issue because the things that are
25 happening over at number 2 have to be held accountable.

1 They feel, or should I say the president feels, that
2 she doesn't have to be accountable to anyone. And that's
3 far from the truth. She has to be accountable to City-
4 Wide. This is the second time she went outside of
5 protocol. So as far as involving the Police Department,
6 she did that when she did what she did. And I'm not going
7 to go into detail because the Chief knows about it and
8 they brought it to my attention. So that's an issue we're
9 going to have to deal with. And we have the right as
10 City-Wide, I don't make decisions on my own. We make it
11 as a group. We have the right to remove a president if
12 they continue to go outside of protocol. And we work
13 closely with the Police Department to make sure that we
14 do what we're supposed to do. Where our citizens, our
15 community relations, the police are community policing.
16 We work together to solve issues in the community. So
17 City-Wide is the umbrella for the community relations and
18 we oversee the community relations. Thank you for your
19 time. Just a point of information.

20 CHAIRPERSON PRESSLEY: Thank you. That was our final
21 speaker. And again, we're thankful for everyone who made
22 time in their schedule to come and make public comments.
23 With that, we'll now move to our presentations to the
24 Board. But I want to quickly poll my colleagues because
25 we do have a matter that will require us to maintain a

1 quorum. And so I don't want us to get too delayed where
2 we lose that quorum. And so do we anticipate that we'll
3 be here for at least the next hour?

4 COMMISSIONER WOODS: That's our job.

5 CHAIRPERSON PRESSLEY: Okay. Well, we can move
6 forward. Alright, we'll move on to our presentations to
7 the Board, starting with the Human Resources Bureau where
8 Director Patillo will provide the report.

9 DIRECTOR PATILLO: Good afternoon. Can everyone hear
10 me?

11 CHAIRPERSON PRESSLEY: Yes, go right ahead.

12 DIRECTOR PATILLO: So I'll be presenting, sorry, I'm
13 doing this virtually. But the first slide is to show the
14 BOPC presentation. So good afternoon. Through the Chair.
15 I'll be presenting the Human Resources Report for the
16 month of January. These reports will cover, you can stay
17 on this slide. These reports will cover departmental
18 staffing, personnel recruiting, and recruiting
19 initiatives. And I've already provided you with the
20 document. So go to the first slide. It should show
21 current department staffing.

22 So that says Detroit residency, but for current
23 department staffing, which is slide number 2, the
24 department's currently staffed at 93%. We're sworn we're
25 staffed at 95% and 5% vacancies. For police assistance,

1 we're staffed at a hundred percent. And for civilians
2 we're staffed at 86%, 14% vacancies. Next slide. For
3 sworn recruiting, July 1st, 2023 to January 31st, 2024,
4 we had a total of 2,374 applications, 166 were in
5 processing, 123 applications were withdrawn, 1,309
6 applications were archived, 318 were temporarily
7 disqualified, and 267 were permanently disqualified. And
8 we had 191 that were awaiting MCOLES. And during that
9 period, we hired 156 personnel. Next slide.

10 For MCOLES testing, for physical agility, we had 124
11 scheduled for the month of January, 71 appeared, 56
12 passed, that was a 79% passing rate. 15 failed, 21%
13 failure rate with a 53 no-show. For physical agility, the
14 first part was the written test. The second part,
15 physical agility, 124 scheduled, 70 appeared, 45 passed.
16 That was a 64% passing rate, 25 failed 36% failure rate,
17 2 rescheduled and 52 no-shows. Next slide. For new hires
18 for the month of January, we had a total of 19 sworn, 1
19 reinstated officer, and 15 civilian new hires for a total
20 of 34. We did not have an academy class graduation for
21 that month. Next slide. For Detroit residency
22 information, for Detroiters, we have a total of 562
23 sworn, 437 civilian, 15 police assistants, non-
24 Detroiters, 1,934 sworn, 253 civilians, 19 police
25 assistants. Of that number 8 were Detroit residents for

1 civilians, and 7 for sworn police officers. Next slide.

2 For the attrition, we had a total of 20 that were sworn
3 and separated, 23 civilians that separated, and zero
4 police assistance for a total of 43 for January.

5 Next slide. For leave of absence and restricted
6 duty, for FMLA, continuous, sworn and civilian, we had 10
7 sworn, 5 civilians, FMLA intermediate, 69 sworn, 77
8 civilians. Paid parental leave, we had 10 sworn, medical
9 leave, we had 2 sworn. 4 civilians, military, 3 sworn,
10 restricted, 154 sworn, 3 civilians disabled, 18 sworn, 4
11 civilians sick, 15 sworn, 10 civilians. Next slide. For
12 separations, we had a total of 20 for the month of
13 January, 13 police officers, 2 investigators, 2
14 sergeants, 2 detectives, 1 commander. And for
15 suspensions, we had a total of 24, 20 police officers, 2
16 corporals, 1 sergeant, 1 captain. We had 528 members in
17 the drop. Next slide. For separations to hires, January,
18 2023 to the present. In looking at those numbers, we had
19 a total of 167 separations to new hires. This goes to
20 February 376. Next slide. For sworn separation to other
21 departments for the month of January, we had 2, and the
22 one that went to Clinton Township, and the other one was
23 not disclosed. And then for the month of February, we had
24 2 that went to the US Marshals. Next slide.

25 So we currently have 4 academy classes. As DC

1 Stewart stated, we will have one graduation tomorrow. We
2 have 127 students that are in the academy right now. Our
3 next class will start tomorrow. We will have 40 in that
4 class. We've already hired 32, and the rest will be hired
5 tomorrow to make up that class. Of the 127 students that
6 were at the academy, 7 were certified officers of former
7 DPD that returned, and they're already on the streets.
8 Next slide. So this is a slide that we gave to the Chief
9 last week. This is the demographics of the Academy. For
10 blacks, we have 47% whites. We have 33% Hispanics, 5%
11 Arabs 14%, and 1% of Asians that are in the academy right
12 now. Next slide. For reinstatements 2022 to 24. Since the
13 contract, we've had a total of 132 requests, 48 have been
14 hired. We had 51 that were approved and there are some
15 more because I received some more today. We have 14 that
16 are in some stage of processing. 10 of those were new
17 submissions, 36 denied, and 21 withdrawn. Next slide.

18 So we're still doing a lot of our recruiting
19 initiatives. For the DPD Academy, we had a total of up to
20 35 that were already active. 39 have passed the physical
21 agility test, 133 were previously enrolled. We have 14
22 that already studied at the academy. For Mayor
23 Fellowship, we've received 40 applications thus far. We
24 have been approved for the Grow Detroit Youth Talent
25 Program. That's ages 14 to 24, and we were approved for

1 80 positions for that. Next slide.

2 So, DC Stewart already went over that material. So
3 we're looking for, if you're interested in a career in
4 law enforcement to come out tomorrow between 3 and 7.
5 Next slide, and then next Saturday, February 24th, 7:00
6 AM to 5:00 PM, 1301 Third Street, our headquarters, we
7 will be doing our complete process in one day, our hiring
8 event. So we're looking for individuals interested in
9 sworn positions as well as civilian occupation. So if you
10 want to be a tow truck driver, administration and
11 clerical, traffic control, 911 dispatch, we're looking
12 forward to you coming out and joining us next Saturday.
13 Pending any questions that concludes my presentation.

14 CHAIRPERSON PRESSLEY: Thank you. Are there any
15 questions? Commissioner Bernard.

16 COMMISSIONER BERNARD: Just quickly. Very good report
17 and thank you. The question I have relates to what was
18 said earlier about DDOT. The DDOT Police Force being
19 incorporated into our Police Department. Where are you in
20 that process and what sort of changes will occur for
21 those police officers that are Transit Police now versus
22 DPD?

23 DIRECTOR PATILLO: So, I don't want to speak for DC
24 Stewart, but we would have to take a look at their
25 qualifications. If they are not certified as MCOLES

1 certified and they are screened to come to DPD, it is my
2 understanding that they would have to complete all the
3 requirements that a new applicant would have to complete.
4 So, meaning they would have to go to our academy for 6
5 months and complete the MCOLES portions of the training.

6 COMMISSIONER BERNARD: Obviously there's a lot to be
7 worked out with respect to compensation issues and things
8 like that. So maybe on your next report, you can give us
9 an update on what's happening with that?

10 DIRECTOR PATILLO: Acknowledged.

11 COMMISSIONER BERNARD: About the Transit Police being
12 incorporated into DPD and obviously the labor
13 implications, and other salary implications and so forth
14 that will all have to be addressed.

15 DIRECTOR PATILLO: Exactly. All of that would have to
16 be worked out. So I would have to speak to the leadership
17 on that, and I know it's more involved in that process.
18 So once I get a thorough understanding of how all of that
19 is going to work, then I can give a proper readout on it.

20 COMMISSIONER BERNARD: Thank you. If we just keep us
21 involved and keep us abreast of how that's going. Thank
22 you.

23 DIRECTOR PATILLO: Yes, ma'am.

24 CHAIRPERSON PRESSLEY: Any further questions? I don't
25 know if it's a question, but I'm just always really

1 confounded when I look at the Detroit residency
2 information and know that we have nearly, almost as many
3 total civilians as we do sworn officers from the City of
4 Detroit. And I don't know if there's any explanation for
5 that, any rationale as to why the numbers of Detroit
6 officers are so low, but yet significantly are the same
7 in total civilians.

8 DIRECTOR PATILLO: So, clearly, as I stated, I
9 believe several months ago, I gave some information on
10 that. So with the sworn officers, they are not required
11 to stay in the City of Detroit. On the civilian side,
12 there are certain points that you can receive that goes
13 towards the hiring process if you reside in the City of
14 Detroit. So I can't say for sure that is the reason why.
15 But on the civilian side, they are given domicile extra
16 points for living inside the City of Detroit.

17 CHAIRPERSON PRESSLEY: And while residency cannot
18 occur for police officers, is it also prohibited to
19 provide them likewise points?

20 DIRECTOR PATILLO: I can't speak for that. That might
21 be a contractual thing. So I can't speak to that.

22 CHAIRPERSON PRESSLEY: Okay. Thank you.

23 COMMISSIONER BERNARD: The other, if I may, Mr.
24 Commissioner

25 CHAIRPERSON PRESSLEY: Commissioner Bernard.

1 COMMISSIONER BERNARD: Very quickly. The academy
2 demographics slide, where 47% of the academy is African-
3 American and the rest of the academy is white, Hispanic,
4 Arab, Asian, et cetera. Is there a reason why
5 proportionally there are less black recruits than other
6 recruits?

7 DIRECTOR PATILLO: Ma'am, they're at 47% for blacks.
8 They're the highest.

9 COMMISSIONER BERNARD: No. I understand that when you
10 break down white, Hispanic, A and Asian, I understand
11 that. But my point is that proportionately 47% is not
12 even 50% of total recruits. 80% of the City of Detroit,
13 85% is African-American. So therefore the number of
14 African-American recruits we have is less than what our
15 demographic indicates it should be. So that's why I'm
16 asking. And if there are any particular incentives you
17 have or anything else that you can explain to this or
18 maybe increase it?

19 CHAIRPERSON PRESSLEY: Yeah, I think that data has
20 changed. I think around 78% of the city is black. And
21 again, when we see the amount of Detroit residents
22 becoming police officers, that would obviously impact the
23 number demographic basis. But again, to lump all of the
24 rest of the demographics in one will present the
25 challenge of black recruits seeming as if it's not a

1 majority, but I think 47% is significant...

2 COMMISSIONER BERNARD: But it's not, like you said,
3 78%, which is a percentage of the population, or 80% of
4 the population. That's my point. If 80% of the population
5 was female, then 80% of the recruits should be female or
6 whatever else it may be. That's my point.

7 CHAIRPERSON PRESSLEY: I'm getting confused with this
8 math that isn't math, think, so we'll move forward.
9 Commissioner Woods.

10 COMMISSIONER WOODS: Yes. Director Patillo, as the
11 Board of Police Commissioners, are we going to get any
12 Grow Detroit Young Talent, young people participating in
13 our meetings or at the job here?

14 CHAIRPERSON PRESSLEY: Yeah, I think that would
15 probably happen.

16 DIRECTOR PATILLO: So, normally there is a whole
17 entire process that involves that where you have to
18 submit a program plan, you have to be approved through
19 the City of Detroit. And I believe that is something that
20 the BOPC should have worked out with the City of Detroit
21 or the City's HR side. I can reach out to the City's
22 Representatives to see if anything was submitted and then
23 I can come back to you.

24 CHAIRPERSON PRESSLEY: Thank you. And Ms. Blossom,
25 that might be a wonderful opportunity as well as

1 Commissioner Carter for our Youth Advisory Panel as well
2 to receive some compensation for their services.

3 COMMISSIONER CARTER: We've done it in the past.

4 CHAIRPERSON PRESSLEY: So, okay. Alright. And if you
5 didn't hear that, that was Commissioner Carter saying
6 we've done it in the past, and so it shouldn't be a
7 problem. Are there any further questions? Alright, if
8 none, thank you so very much, Director Patillo for your
9 thorough report as always.

10 DIRECTOR PATILLO: Thank you.

11 CHAIRPERSON PRESSLEY: Now we'll move to our
12 Executive Manager, Fiscal Report Mr. Drew Fries, who will
13 come now and provide us with his presentation.

14 MR. FRIES: Good evening, Board.

15 COMMISSIONER: Good evening.

16 MR. FRIES: Hoping to walk through the budget actuals
17 for the month of December of 2023.

18 CHAIRPERSON PRESSLEY: Commissioners, you find that
19 directly after the Human Resources Report, under tab 4.
20 Go right ahead.

21 MR. FRIES: Yep. And if we turn to the next slide,

22 COMMISSIONER BERNARD: Who changes the slides?

23 MALE SPEAKER: I'm working on that.

24 MR. FRIES: So in December of 2023, the budget
25 actualized at \$295,344, whereas the budgeted dollars were

1 413,605. This represents a utilization of 71%, giving us
2 a surplus of \$118,261. This surplus is driven by the same
3 two buckets that they have been driven for the full
4 fiscal year. That being vacancies of the BOPC staff and a
5 surplus of the Avima contract renewal. In terms of
6 remediation the most important part, the largest dollar
7 and the part that we're able to actualize against is
8 filling these vacancies. If we turn to the next slide.
9 There are 8 BOPC investigators that were just posted. So
10 we look forward to candidates being interviewed and
11 buffing the OCI staff. As before the BOPC secretary, that
12 effort continues. There was a personnel committee on that
13 last night. The policy man manager and the supervising
14 investigator, those are recently vacant, and those are in
15 progress as well. Go to the next slide. So between this
16 slide and the next slide, an initiative for this year for
17 the budget is to roll up our sleeves on DPDs budget. So
18 coming out of the budget committee yesterday, we have
19 received the DPD budget from Mr. Nazarko and his team.

20 We held a meeting as a budget committee yesterday,
21 and now looking forward, we hope to line up when Mr.
22 Nazarko presents that budget to the Board. I sent you Mr.
23 Nazarko's presentation as well as the committee
24 presentation yesterday to all the commissioners to ignite
25 discussion around this budget as well as garner questions

1 to proactively send to Mr. Nazarko so that he can field
2 these as a part of his presentation. Coming out of the
3 budget committee, a question that was raised there was,
4 in the current cadence in which the BOPC received the
5 budget, there's only a couple weeks between when it's
6 received in our hands and the mayor's office passes their
7 budget to the City Council. So a question being, can DPDs
8 budget be received to the BOPC in December when the
9 Police Department passes their budgets to the budget
10 department giving this body a longer runway to really
11 look into the details of the budget. And then sitting in
12 this meeting, notes have been made revolving around
13 Project Green Light, a line item for police misconduct,
14 and also to see if there's an opportunity for funds to be
15 allocated towards the police chaplain.

16 I'm hoping to, with the grace of this Board,
17 officially schedule Mr. Nazarko for next Thursday to
18 present this budget. Between then and now, I'm hoping to
19 garner as many questions and inquiries as we can so that
20 between the Fiscal Manager of the BOPC and the CFO of the
21 DPD, we can dive into some of these issues to make sure
22 that presentation time is efficient and effective. That
23 concludes my presentation.

24 CHAIRPERSON PRESSLEY: Thank you. And again let me
25 reiterate as the Chair that again, an email has been sent

1 asking for your feedback and questions relative to DPDs
2 proposed budget. Please do not delay or postpone because
3 we don't want to come to next week's meeting and people
4 say they didn't have the time or didn't know, or hadn't
5 had an opportunity to review. So please do take advantage
6 of this opportunity. Any further questions for the
7 Executive Manager of Fiscal? Commissioner Bernard.

8 COMMISSIONER BERNARD: DPD's budget is approximately
9 a half a billion dollars, and I understand that. I've
10 seen it before. It's a great big thick document that none
11 of us can obviously peruse. It's several hundred pages
12 long. It's a big binder like this. And so I'm
13 particularly interested in what they have purchased those
14 line items in terms of the details on the purchases,
15 whether it's cars or that wraparound rope or whatever it
16 is they bought. I'm very interested in that. And I'm also
17 interested in what our speaker said earlier today, the
18 amount of money that's spent on various projects and
19 things that are happening within the department. There
20 are lots of things that are... Including the fact that
21 now we just received a \$30 million grant for freeway
22 cameras and license plates and another 30 million, I
23 guess for the license plate readers.

24 I really want to know what the budget actually says.
25 And so I really need you to do a deep dive on this budget

1 as if it was your money. So we know exactly what it is or
2 what it's for. So we need to, to really spend, you know,
3 and if you need help doing that, please let the Chair
4 know, or whatever it is we need to do, so that we can get
5 comprehensive information and data. Salaries of course
6 and benefits, that's always the biggest chunk of a
7 budget. So I'm not as concerned about that once I know
8 the positions and the salary ranges for that. But it's
9 the other stuff that the community is concerned about and
10 myself, as well as my colleagues.

11 CHAIRPERSON PRESSLEY: Thank you. Any further
12 questions? Commissioner Woods.

13 COMMISSIONER WOODS: Could you elaborate, through the
14 Chair a little bit more in terms, as far as salary or
15 stipends for the chaplains?

16 COMMISSIONER BERNARD: There isn't any.

17 COMMISSIONER WOODS: What I'm saying, I heard him
18 mention it. Is that being suggested or requested from the
19 department or is something that has come up?

20 CHAIRPERSON PRESSLEY: I'll respond again. It came up
21 at today's meeting and I think he was just making a note
22 that it was mentioned that there should be some potential
23 compensation for the chaplains through public comment
24 that was made. So you do some due diligence and see what
25 might be available if there's a line item there. And then

1 we'll have an opportunity to review that moving forward.

2 COMMISSIONER WOODS: Okay. Thank you.

3 CHAIRPERSON PRESSLEY: Any further questions or
4 comments? Hearing none, thank you so very much for your
5 report.

6 MR. FRIES: Thank you. Alright. And so now, Mr.
7 Brown, we'll have the acting Board Secretary's Report and
8 incoming.

9 MR. BROWN: Mr. Chair, Emergency Manager Fries sort
10 of mentioned most of the things that's for the incoming
11 information to the Board, mostly DPD detailed, budget.
12 There's a salary detail, no names, but it does give, like
13 Commissioner Bernard said, it gives you the salary range
14 for each and every one of those titles. The Expenditures
15 fund is in there as a comparison. So we tried to send you
16 guys as much information as we can in a short period of
17 time for this budget. And as Drew mentioned that Mr.
18 Nazarko is scheduled for next Thursday the 22nd. And
19 also, may I mention the administrative leave without pay,
20 which is a closed door session that is also scheduled for
21 next Thursday, February the 22nd, Mr. Chair. And that is
22 the incoming information.

23 CHAIRPERSON PRESSLEY: Thank you. And again, we've
24 already gone through announcements and so now we'll move
25 to a new business where we have a Personnel and Training

1 Committee Report, and we'll hear from the Chair of the
2 Personnel on Training Committee, Chair Hernandez.

3 COMMISSIONER HERNANDEZ: Thank you. Through the
4 Chair. I'll be brief and I'll actually direct you to the
5 first page right on right after tab 9. So the Personnel
6 on Training Committee did meet yesterday on February 14th
7 at 4:30 PM here at Detroit Public Safety Headquarters.
8 I'll read verbatim from the memorandum that you have in
9 your packet just for clarity. We had several attendees in
10 play. Police HR Director Katrina Patillo provided the
11 candidate applications for the S to the Board of Police
12 Commissioner's position, a presentation by City HR Chief
13 Recruiting Officer Daryl Conrad, along with City HR
14 Representative to the Board, John Tipton for candidates
15 for Secretary to the Board of Police Commissioner's
16 position, the RFP process, the iAdvantage option, and
17 extending the posting for the positions to include 3
18 eligible candidates. So due to that, the Personnel and
19 Training Committee adopted a recommendation to provide to
20 this Board.

21 I'll add a tiny bit of context before I actually
22 state the recommendation. So at yesterday's meeting, we
23 were provided with 4 very viable options as to how we
24 might pursue this search. I'll take us back to the
25 January 25th meeting that this body held where we

1 actually adopted a motion to retain a search firm. So as
2 part of that approval of the motion we actually had City
3 HR come out and simultaneously, there was a posting
4 already that was up on the City's website. So we did
5 retain 30 applicants in the pool. After an initial
6 screening from City HR that narrowed down to 5
7 candidates, and now it's further narrowed down to 3
8 candidates. So I don't want to confuse anyone, but we had
9 a posting that was up. We have 3 very qualified
10 candidates. In order to expand the search and do our due
11 diligence in making sure that a search firm can
12 independently provide this search for us, we have the
13 option of going with iAdvantage, which is a very
14 reputable search firm that the City of Detroit is under
15 contract with. They've provided multi-level vacancy
16 fillings from executive level all the way on down and
17 through the chain. So a very reputable organization that
18 the City HR fully backs. So the recommendation that came
19 out of yesterday's meeting was in really an effort of
20 fairness to bring the 3 candidates that are already in
21 the pool and vetted and approved, if you will, or
22 screened, rather not approved. And also at the same time,
23 simultaneously allow iAdvantage to expand that search.
24 And so we would merge both processes together to make
25 sure that it's a thorough search and that we, as a body,

1 retain the necessary candidates that we need to then make
2 a decision.

3 So for clarity, in very simple terms, I'll read the
4 recommendation. We'll merge the existing pool of
5 candidates, we'll have the backing of iAdvantage, and we
6 still have to work out the details of what we're looking
7 for specific to the job description. And then we will
8 actually allow them to conduct that search and bring us
9 back whatever this body determines, whether it be 3, or 5
10 candidates, which I would absolutely prefer 3. But that's
11 really where the recommendation stems from. So I wanted
12 to just add a little bit more context and really reassure
13 the body that we're doing every single due diligence to
14 make sure that there's a fair and equitable process. So
15 with that, I'll make this recommendation that came out of
16 yesterday's Board. And I think we don't need a second
17 because it's coming out of committee, correct?

18 DR. JACKSON: If it's coming out of a committee with
19 more than one person, no second is required, but when you
20 make the motion Commissioner, the form for that motion is
21 by direction of the committee, so we know it's not a
22 personal motion, it's the committee's motion. And Mr.
23 Chair, when you state the motion, you'll say, it is moved
24 by the Policy Committee, not Commissioner Hernandez.

25 CHAIRPERSON PRESSLEY: Personal and Training, I got

1 you.

2 DR. JACKSON: Thank you.

3 COMMISSIONER HERNANDEZ: Okay. So I'll make a motion
4 by direction of the Personnel and Training Committee to
5 retain iAdvantage and blend the eligible candidates that
6 replied to the position for the Secretary to the Board of
7 Police Commissioners posting in January, 2024.

8 CHAIRPERSON PRESSLEY: Alright. There is a motion
9 that has been made. It doesn't require a second because
10 it's a motion that has been made by the Personnel and
11 Training Committee to retain iAdvantage and to blend the
12 eligible candidates that replied to the position for
13 Secretary to the Board of Police Commissioners posting
14 January, 2024. Is there any discussion?

15 COMMISSIONER WOODS: Yes.

16 CHAIRPERSON PRESSLEY: Commissioner Woods.

17 COMMISSIONER WOODS: I'm just absolutely alarmed that
18 we only get one option of a search firm. You know, we ask
19 for, from my understanding that there will be multiple
20 options presented to this Board and that we will approve
21 the search firm, you know, and so I am disturbed that
22 it's being pushed down our throats, you know, without
23 giving us an option to choose what search firm that we
24 would choose as a body.

25 COMMISSIONER HERNANDEZ: So, yesterday, as part of

1 the options that were provided by Mr. Daryl Conrad, an
2 RFP process was one of those options. And if you're
3 familiar with an RFP process, especially in city
4 government, at minimum, it could take us three to four
5 months to be able to retain a firm and go through that
6 process. So I don't think we have the luxury of waiting
7 around 3 to 4 to 5 months to just retain the firm. And
8 then after that, put out a search that's probably a month
9 or two long, which puts us at maybe 6, or 7 months from
10 now actually filling the vacancy. And I think that would
11 be irresponsible. So being thorough in that sense and
12 making sure that the search firm is also going to open up
13 the posting again. So we're going to still have a window
14 that any potential applicant can still apply to. So it's
15 not as if the window is closed, we're still going to have
16 a big pool of candidates hopefully, that are going to
17 apply to the position. But again, it was done with
18 intentionality, and done with expediency more than
19 anything else.

20 CHAIRPERSON PRESSLEY: Yeah, again, I think that when
21 the motion was made in suggesting that we would vet from
22 multiple search firms, it was our expectation that that
23 would take two weeks to a month. But when made aware that
24 the RFP process would require 120 days or so it just
25 seemed like that wouldn't fit our needs for sitting a

1 Board Secretary sooner than later. Commissioner Woods.

2 COMMISSIONER WOODS: Well, absolutely, but I believe
3 that we have the ability, if we have 30 applicants in one
4 week without notice being put out there, that we put it
5 back up there properly and notify this community that we
6 can attract through the regular posting more candidates,
7 you know, if we get it into the faith-based sectors into
8 the colleges and organizations and businesses that we can
9 attract a lot more candidates without paying \$30,000 for
10 a search firm.

11 CHAIRPERSON PRESSLEY: Yeah, and I think that's the
12 other point that I think Chair Hernandez can provide some
13 insight on, which is the pay. Go right ahead.

14 COMMISSIONER HERNANDEZ: Yeah. So through the Chair
15 that's exactly what's going to happen. Actually, this is
16 going to open it back up, as I mentioned. So it's going
17 to allow for the firm to actually make those postings and
18 use the traditional avenues that they leverage to be able
19 to get the word out about the posting. Second to that,
20 given that the City of Detroit HR Department is already
21 under contract with iAdvantage, that would come at no
22 cost to this body, which was a priority for me as well.

23 COMMISSIONER WOODS: Okay.

24 CHAIRPERSON PRESSLEY: Commissioner Bernard.

25 COMMISSIONER BERNARD: I just want to respond in

1 part. You mentioned the fact that we had received like 30
2 applications or whatever through our ordinary network as
3 posting it on the City's website. I've done this before.
4 Most of those people, because the position says Board
5 Secretary, you really get people with clerical skills
6 versus senior management ability, and the ability to be,
7 if you were the Board Secretary, it's really like the
8 executive director, if you will, of the whole commission.
9 So the resumes we get are, well, I was the secretary for
10 this and I can type 50 words a minute, things like that.
11 The vast majority of applicants are looking at the word
12 secretary and not really understanding what the "Board
13 Secretary" does for BOPC. That was what I observed before
14 on Personnel

15 CHAIRPERSON PRESSLEY: Commissioner Carter.

16 COMMISSIONER CARTER: Through the Chair. Commissioner
17 Hernandez, can you make sure that we, I know we still
18 have to make a vote, but if the vote goes through that to
19 ensure that the Board receives like a link to the posting
20 so that we can pass it through the channels so that
21 Commissioner Woods can pass it to his network as well.

22 CHAIRPERSON PRESSLEY: Any further discussion?

23 COMMISSIONER WOODS: Well, so we all can pass it
24 through our networks.

25 CHAIRPERSON PRESSLEY: Of course. Any further

1 discussion? Hearing none again, the motion that has been
2 made by the Personnel and Training Committee that we
3 retain one Advantage, is that one, or iAdvantage?

4 COMMISSIONER BERNARD: "i."

5 CHAIRPERSON PRESSLEY: Okay. That we retain,
6 iAdvantage and blend the eligible candidates that replied
7 to the position for the Secretary to the Board of Police
8 Commissioners posting January, 2024. All those in favor
9 please signify by saying, Aye.

10 COMMISSIONERS: Aye.

11 CHAIRPERSON PRESSLEY: All those opposed, no? The
12 ayes have it. That motion passes. Is that the conclusion
13 of your report?

14 COMMISSIONER HERNANDEZ: Through the Chair, I have
15 one more piece.

16 CHAIRPERSON PRESSLEY: Go right ahead.

17 COMMISSIONER HERNANDEZ: We have a high volume of
18 applicants just north of 40, I believe that are in the
19 pool now for the 8 available investigator positions. That
20 is a priority item as well for Personnel and Training
21 that we're going to handle, hopefully with scheduling
22 within the next week or so. We're working out the details
23 of that So just for public notice, there will be an
24 additional Personnel and Training Committee meeting that
25 comes up in the next 7 to 10 days, hopefully, business

1 days. And then second to that, I do believe we also have
2 an administrative position or posting rather that is out
3 there that is capturing, I believe, a variety of
4 different applicants as well. So there are outstanding
5 vacancies that just the committee is going to work on to
6 be able to fill with qualified candidates. I just want to
7 make that assurance.

8 CHAIRPERSON PRESSLEY: We thank you for that update
9 again. We'll now move on to the Budget Committee Report
10 where Chair Lisa Carter will provide a presentation.

11 COMMISSIONER CARTER: Thank you, Mr. Chair. It's not
12 a presentation, but yesterday the Budget Committee did
13 meet. Commissioner Hernandez and I, and Commissioner
14 Burton was in attendance as well. And Mr. Fries actually
15 went over everything earlier this afternoon. So as Mr.
16 Fries said we received the DPD Fiscal year 2024/25
17 proposed budget from Mr. Nazarko.

18 CHAIRPERSON PRESSLEY: Nazarko.

19 COMMISSIONER CARTER: I always get tongue-tied on
20 January 25th. At this stage of reviewing, and this is
21 directly from the memo that was provided to the
22 Commission, the Board last night, reviewing the budget
23 and working on a strict timeline because the charter has
24 dates that we have to adhere to. The mayor has to present
25 to the City Council on March 7th, the proposed budget,

1 but we're on a strict timeline. The committee is
2 encouraging the Board to review the budget and its
3 corresponding documents and prepare questions for Mr.
4 Nazarko ahead of his presenting the budget to the full
5 Board next week Thursday, February 22nd. And like I said,
6 Mr. Fries distributed all that information to everyone
7 via email last evening. And the next Budget Committee
8 Meeting will be here at the Public Safety Headquarters to
9 be determined.

10 CHAIRPERSON PRESSLEY: Thank you. Any questions or
11 comments for the Budget Committee Report? Hearing none,
12 the Chair now entertains a motion to enter into close
13 session pursuant to Section 8(a) of the Open Meetings Act
14 MCL 15.268 (f) Candidate Jerry Johnson for the Board to
15 consider the disqualified applicant appeal from DPD
16 hiring process.

17 COMMISSIONER WOODS: So moved.

18 CHAIRPERSON PRESSLEY: Is there a second?

19 COMMISSIONER BERNARD: Second.

20 CHAIRPERSON PRESSLEY: It's been properly moved and
21 second, is there any discussion, hearing? No discussion?
22 All those in favor please signify by saying, Aye.

23 COMMISSIONERS: Aye.

24 CHAIRPERSON PRESSLEY: All those opposed, no? The
25 Ayes have it. We will take a 5 minute recess to set the

1 room for a closed session.

2 [CLOSED SESSION]

3 Alright, so we will bring this meeting back to
4 order. Let's go ahead with a roll call please, Mr. Brown.

5 MR. BROWN: Chairperson Pressley - Here.

6 MR. BROWN: Commissioner Smith - Present.

7 MR. BROWN: Commissioner Bernard - Present.

8 MR. BROWN: Commissioner Carter - Here.

9 MR. BROWN: Commissioner Hernandez - Present.

10 MR. BROWN: Commissioner Gamble - Present.

11 MR. BROWN: Commissioner Woods - Present.

12 CHAIRPERSON PRESSLEY: Alright, we do indeed have a
13 quorum. And again, we are dealing with new business line
14 item C, which is the deliberation for candidate Jerry
15 Johnson for the Board to consider the disqualifying
16 applicant appeal for DPDs hiring process. Is there a
17 motion?

18 COMMISSIONER CARTER: Mr. Chair.

19 CHAIRPERSON PRESSLEY: Commissioner Carter.

20 COMMISSIONER CARTER: I move, and I'm looking for the
21 motion language.

22 CHAIRPERSON PRESSLEY: If it would...

23 DR. JACKSON: What do you want to do, Commissioner?

24 COMMISSIONER CARTER: I want to deny the application.

25 DR. JACKSON: You don't need to deny. My

1 understanding is that if you do nothing, then the
2 decision of the Department will hold. What you would have
3 to have is a motion to reinstate the applicant, in order
4 to overrule what the DPD has said. If you don't do
5 anything, then their decision is the decision that is
6 made and is consistent. You don't need to move to deny.

7 COMMISSIONER CARTER: Okay.

8 CHAIRPERSON PRESSLEY: Alright. So is there a motion?

9 COMMISSIONER BERNARD: I move to reinstate Mr.
10 Johnson into the competitive process. Let's see if he can
11 make it.

12 CHAIRPERSON PRESSLEY: Is there a second? Hearing no
13 second, there is no motion. Is there any further new
14 business? Hearing none, the Chair entertains a motion for
15 adjournment.

16 COMMISSIONER CARTER: So moved. Is there a second?

17 COMMISSIONER GAMBLE: Second.

18 CHAIRPERSON PRESSLEY: All those in favor please
19 signify by saying, Aye.

20 COMMISSIONERS: Aye.

21 CHAIRPERSON PRESSLEY: All those opposed, no? The
22 Ayes have it. This meeting is adjourned. Thank you so
23 very much for your patience and your productivity.
