1 CHAIRPERSON PRESSLEY: Afternoon. It is now 3:00 PM, 2 and so we will begin this session of the Detroit Board of 3 Police Commissioners meeting. We can clearly see that we 4 5 don't yet have a quorum but that does not prevent us from beginning our meeting with a word of invocation which 6 7 will be given by Chaplain Angela Stallworth, and she's providing us this invocation by zoom. 8 CHAPLAIN STALLWORTH: Amen. God bless you. 9 Commissioner Pressley, I believe. Amen. 10 11 CHAIRPERSON PRESSLEY: Amen. CHAPLAIN STALLWORTH: Yes. I'm first giving honor to 12 13 God, who is the head of my life, my Lord, and my Savior, Jesus Christ, giving honor to those that are not yet 14 15 here, but to our Detroit Police Chief White and Chief 16 Chaplain Davenport, and also to the Board of Police Commissioners, in their absence, and until they get 17 there, we're believing God for each one to have speedy 18 travels and safe travels. Father God, in the name of 19 Jesus, we have come before you, Lord, and we are 20 submitting petitions before you, oh God, that we would 21 affect your will in all that we do. Father, we're asking 22 that you'll see the sincerity of our desire, that 23 24 everything for our city, the furtherance of these petitions would be in order and would be a blessing for 25

1 the people of the city, and also for the officers that 2 are concerned, and also for those that are laboring in the city. Father, we're asking that everything be decent 3 4 and in order, even those that would like to conduct business in this city. Father, we're asking that you 5 would oversee everything that this Board has presented 6 7 before it today. Father, we're just thanking you and 8 believing that everything is in alignment with your will, 9 and it is so, in Jesus' name, amen.

10 CHAIRPERSON PRESSLEY: Amen. Thank you so very much. 11 CHAPLAIN STALWORTH: You're welcome. Noting that we 12 don't yet have a quorum, we will move to items of the 13 agenda that we are able to do without one. I'm hearing 14 kind of an echo, I don't know what that's about. If 15 anybody can handle that for us, please. Thank you. And so 16 we'll move to announcements from Mr. Brown.

17 MR. BROWN: Good afternoon, Mr. Chair.

18 CHAIRPERSON PRESSLEY: Good afternoon.

MR. BROWN: The next BOPC meeting would be Thursday, February the 29th at 3:00 PM. The location will be here at Detroit Public Safety Headquarters in the Skylar Herbert Room. The next community meeting would be Thursday, March 14th at 6:30 PM with the 10th Precinct hosting at Dexter Avenue Baptist Community Center. That address is 3350 West Davidson 42238. And, Mr. Chair, the

2 Complaint Committee meeting meets Tuesday, February, 27th
3 at 5:00 PM Policy Committee meet Tuesday, March 5th at
5:00 PM and all those will take place at Detour Public
5 Safety Headquarters, and you can also view them on zoom,
6 announcement.
7 CHAIRPERSON PRESSLEY: Thank you. And we can go ahead

8 and receive your report as well as incoming

9 communications.

10 MR. BROWN: And Mr. Chair, there's only two 11 communications on there. You got a letter from Sudnick 12 Law, which was in the Board's Office on 2/19/2024, then 13 you have a public enquiry that came in on 2/15/2024. And 14 both of those items are located in your package.

15 CHAIRPERSON PRESSLEY: Thank you. To our engineer, it 16 sounds as if it's coming from this TV here. I don't know 17 if the volume can be turned down on it to stop the echo? 18 COMMISSIONER BURTON: To the Chair.

19 CHAIRPERSON PRESSLEY: Thank you. Yes.

Is it possible that the Secretary can read the letter from the attorney into the record since it is a legal...

23 CHAIRPERSON PRESSLEY: I'm sure it's a confidential 24 document, so we will avoid doing so. With that we will 25 now move to oral communications. And so for those who are

here on Zoom we will receive your public comment now. But 1 again noting how early it is there will be another 2 segment for public comment for those who might not have 3 had the opportunity to make it to the meeting this early 4 on. And so Ms. Underwood, who do we have? 5 MS. UNDERWOOD: Sir, we have Minister Eric Blount and 6 7 Ms. Freda Butler 8 MINISTER BLOUNT: Afternoon Board. CHAIRPERSON PRESSLEY: Good afternoon. 9 MINISTER BLOUNT: Afternoon. I'm mad as hell this 10 week. The number of citizen complaints is almost 11 12 doubling. It's quickly rising to almost 2000 complaints 13 every year. But the most horrible thing about it is that 14 they are, but a symptom of the lawsuits and the false 15 imprisonments and the rape that happens in prison. 16 Friday, a Wayne County jury awarded a young black man \$10 17 million because he was falsely arrested. He was falsely imprisoned for 6 years because of a Detroit police 18 officer, and their leadership decided not to reveal 19 20 critical information that could have proven his innocence. I am sorry, this is no time for jokes and 21 22 games and whatever, but you can't seem to avoid it. Your puppeteers have told you what to do, and you do it. When 23 you have the opportunity to talk to DPD Senior 24 25 Management, you play a game that is just sick. So you

1	want to talk about illegal dumping. Commissioner	
2	Hernandez. You want to talk about missing persons,	
3	Commissioner Woods. You want to talk about or offer your	
4	personal services to all of those you just promoted,	
5	Commissioner Bernard. But that is not the time for this.	
б	This is critical. Young black men are suffering in a most	
7	horrible way because you refuse to do your jobs. I said	
8	it before, and I'll say it again. I choose to believe	
9	that the vast majority of police officers are	
10	hardworking, honest people. It is how we do not deal with	
11	the corrupt ones that makes this whole situation	
12	dangerous. Thank you.	
13	CHAIRPERSON PRESSLEY: Thank you. We do note that our	
14	quorum is present, and so we will suspend a public	
15	comment and get to our regular agenda. And with that, we	
16	will have an introduction of Commissioners by Mr. Brown.	
17	MR. BROWN: Good afternoon, Mr. Chair.	
18	CHAIRPERSON PRESSLEY: Good afternoon.	
19	MR. BROWN: Chairperson Pressley - Here.	
20	MR. BROWN: Vice Chairperson, Bell - Present.	
21	MR. BROWN: Commissioner Smith - Present.	
22	MR. BROWN: Commissioner Bernard - Attorney Linda	
23	Bernard, District 2, present.	
24	MR. BROWN: Commissioner Banks - Present.	
25	MR. BROWN: Commissioner Burton - Commissioner Willie	

1 Burton is present on the behalf of the majority Detroiters that wake up every day in poverty. 2 MR. BROWN: Commissioner Carter -3 MR. BROWN: Commissioner Moore -4 MR. BROWN: Commissioner Hernandez submitted an 5 6 excuse absent, Commissioner Gamble submitted an excuse 7 absent. MR. BROWN: Commissioner Woods - Present. 8 9 CHAIRPERSON PRESSLEY: Alright, with that, we do 10 indeed have a quorum. And so now we'll move to the 11 approval of the February 22nd, 2024 agenda. Is there any 12 objection to the agenda? Hearing none, the agenda will be 13 approved. Now we'll move on to the approval of the minutes for February 15th. Commissioner Burton. 14 15 COMMISSIONER BURTON: I wanted to move a line item 16 around. CHAIRPERSON PRESSLEY: Okay. That is your right. 17 COMMISSIONER BURTON: I'd like to move public 18 comments for those that have not made public comments, 19 but I like to move public comments to after the 20 21 department's presentation for today. 22 CHAIRPERSON PRESSLEY: Okay. And so the 23 recommendation to amend the agenda to move public comment after the presentation to the Board. Is there a second? 24 25 Okay. Hearing no second. Again, is there any objection to

1

2

3

4

the agenda as has been constructed? Hearing none, again, the agenda is approved as written. Next we'll move on to the approval of the minutes for February 15th, 2024. Is there any objection to these minutes? Hearing no

5 objection, those minutes are approved. Now we'll move on 6 to the approval of the closed session minutes from 7 February 15th, 2024. Is there any objection to those 8 minutes? Hearing none, the minutes are also approved. And 9 now we will hear the introduction of BOPC Staff, Chief of 10 Police, Elected Officials and Representatives, as well as 11 Community Leaders by Mr. Brown.

12 MR. BROWN: Good afternoon, Mr. Chair. Attorney Stephanie LaBelle, Chief Investigator Jerome Warfield. 13 14 Ms. Teresa Blossom, Ms. Jonya Underwood. Ms. Jasmine 15 Taylor. Ms. Candace Hayes, Acting Supervisor Investigator 16 Elgin Murphy, American Sign Language. Ms. Angela Taylor. And Ms. Yakata. DPD HR Director Katrina Patillo. Mr. Don 17 Handyside is the court reporter, Cy is doing the video, 18 Sergeant Allen Quinn is doing the audio. Sitting in for 19 20 the Chief is Assistant Chief Charles Fitzgerald, Elected 21 Official. Ms. Marie overall from Representative Tyrone Carter's Office. Ms. LaDon Davis, City Council Fred 22 Durhal's Office, former Commissioner William Davis. Mr. 23 24 Ron Thomas, DPO Vice President, and I know DPO attorneys 25 are in attendance as well.

1 CHAIRPERSON PRESSLEY: Right. Thank you. We, again, 2 are appreciative of everyone's attendance. And our hope 3 is that it adds to the productivity of today's meeting. 4 And now we move on to the Board of Police Commissioner's 5 Officer's Report where we have a resolution honoring 6 Lieutenant Rodney Cox. And I would ask that Vice Chair 7 Bell read that resolution into the record.

8 VICE CHAIR BELL: One second. Thank you, Mr. Chair.9 Resolution honoring Lieutenant Rodney Cox.

WHEREAS Rodney Cox was appointed to Detroit Police 10 Department on February 22nd, 1993. On graduating from 11 12 Detroit Metropolitan Police Academy, Officer Cox began 13 his career at the 13th Precinct Operation Section; and. 14 WHEREAS Officer Cox had multi-assignments. From 15 July, 1994 until 1998, Officer Cox served within the 16 Housing Support Division, patrolling and ensuring the 17 safety of public housing residents. He was later assigned to Western Precinct Support, commonly known as Rico West, 18 providing the policing support for the west side of the 19 city. He also was assigned to the TSS, Tactical Service 20 Section, where he aided in citywide patrol and tactical 21 response such as barricaded gunman, situation, crowd 22 control, and dignitary escort; and 23

24 WHEREAS Officer Cox was promoted to the rank of 25 investigator and was assigned to the Break and Entering

1 Task Force, and later to the 11th Precinct Investigator Operations Unit. Investigator Cox was tasked to conduct 2 3 various investigations ranging from assault, theft, 4 fraud, and weapon possession. In the effort to mitigate, 5 Investigator Cox rose to the ranks. And on May 4th, 2001, he was promoted to the rank of Sergeant and was 6 7 reassigned to the TSS. His role now encompassed the supervisor, members tasked with Citywide Tackle response 8 9 and facial support. He was assigned as a first line supervisor at Central District. His other assignment 10 include the Office of Chief of Police and the Office of 11 12 the Chief Investigator, and

13 WHEREAS Sergeant Cox was promoted to the rank of 14 lieutenant and was signed as the Office in Charge of the 15 Southwest District investigation, which comprises the 16 2nd, 4th, and 10th Precincts, Lieutenant Cox was responsible for management and oversight of staff or 17 sergeant investigators. On October 7th, 2013, Lieutenant 18 Cox was appointed to the rank of Captain, where he 19 provided administration oversight of several different 20 commands. Captain Cox served as the commanding officer of 21 2.2 the 9th Precinct and then at the 10th Precinct.

He was also assigned to Organized Crime, where his responsibility was to maintain the operation of a multiunit, consisting of Vice, Narcotics, Commercial Auto

Theft, Violent Crime Task Force, and the Detroit Fugitive
 apprehension Team; and.

3 WHEREAS On November 9th 2020, Lieutenant Cox was 4 assigned to the 12th Precinct, correct, and Cox was 5 assigned to the 12th Precinct as a patrol lieutenant where he managed and mentor sergeant and the next 6 generation of law enforcement until the completion of his 7 career on February 23rd, 2024. Lieutenant Cox was the 8 deserving recipient of the following awards. 3 Chief 9 Merit Awards, Ford Fireworks Award, both Consent Judgment 10 11 Awards, Major League Baseball, All-Star Recognition 12 Award, Rosa Parks Funeral Recognition Award, Super Bowl 13 XL Recognition Award, and the Aretha Franklin Funeral 14 Recognition Award, as well as numerous letters and 15 accommodations from citizens, supervisors and superiors, 16 and

WHEREAS Lieutenant Cox tirelessly served the Detroit Neighborhood community for more than 31 years, he has served the Detroit Police Department assisting Detroit with loyalty, professionalism, integrity, and dedication, and is widely respected throughout the law enforcement community as a consummate professional.

24 NOW THEREFORE BE IT RESOLVED.

25 That the Detroit Board of Police Commissioners,

DBOPC

02/22/2024 1 speaking on behalf of the citizens of the great City of Detroit, recognize and honor the lifelong contribution 2 and commitment to excellence in the public service of 3 Lieutenant Rodney Cox. His display of courage and 4 5 unwavering community spirit has improved the quality of life for the citizens of Detroit. We wish you all the 6 best in your future endeavors. We thank and congratulate 7 Lieutenant Rodney Cox. 8 CHAIRPERSON PRESSLEY: The Chair entertains a motion 9 to adopt this Resolution into our archives. 10 11 COMMISSIONER BURTON: Second. 12 CHAIRPERSON PRESSLEY: I need a motion to start. 13 COMMISSIONER WOODS: So moved. 14 CHAIRPERSON PRESSLEY: And then your second. 15 COMMISSIONER BERNARD: Second. 16 CHAIRPERSON PRESSLEY: Okay, it's been properly moved 17 and second. Is there any discussion? Hearing no discussion, all those in favor, please signify by saying, 18 19 Aye. 20 COMMISSIONERS: Aye.

21 CHAIRPERSON PRESSLEY: All those opposed, no? The ayes have it. And congratulations on your 31 years of 22 service to the City of Detroit. Is Lieutenant Cox here? 23 24 COMMISSIONER HERNANDEZ: I don't see him, no. 25 CHAIRPERSON PRESSLEY: No, he's not. But again, we

1 can ensure that he receives this honor. Just a few housekeeping announcements, if you will. Under the Board 2 of Police Commissioner's Officers report you will find 3 that there will be a policy report that will be given 4 5 later today. At our last community meeting there was a 6 title given to meeting attendees calling them committee members, but after the review of the bylaws, there is 7 currently no policy that allows for either staff or 8 9 community citizens to be considered as committee members. And so we will hold off on giving that title until a 10 policy has been established, but they will be counted on 11 12 the record as meeting participants. But again, not as 13 committee members, as the bylaws does not afford for 14 that.

And then again as we prepare for our next community meeting, we know that it has become a practice to ensure that we honor individuals in our community who has done amazing things. But I do encourage all of our commissioners to review the award protocols because again the awards that come from this body should be focused on police safety, public safety, and oversight. And so we

22 want to make sure that we align our commendations with 23 that criteria because again, we want to make sure that it 24 maintains its weightiness by ensuring that we honor those 25 who indeed are doing amazing work in those regards. And

Page 14

so, again, if any commissioner needs that policy to 1 review, we'll be more than willing to share that. But 2 again, I wanted to share those two bits of announcements 3 under our Board of Police Commissioners Officers report. 4 5 Are there any further questions or comments? Yes. Commissioner Banks? 6 COMMISSIONER BANKS: Yes. Right here, Mr. Chair. When 7 you say police safety and oversight, giving the community 8 awards to the community residents in the city? 9 CHAIRPERSON PRESSLEY: Yes. So when we give 10 certificates of appreciation, or resolutions or any other 11 12 commendation. Again, we want to make sure that it is in 13 line with public safety and oversight, because again, 14 that is the business of this body. And so, as we honor, 15 it falls under those categories, those categories. Mr. Chairman? 16 CHAIRPERSON PRESSLEY: Commissioner Bernard. 17 COMMISSIONER BERNARD: If a resident of the 18 commissioner's district is a distinguished, let's say, 19 business person who employs youth in that community, 20 which obviously affects public safety in that community, 21 to me, there would be no issue with respect to 22 23 recognizing that person. But there are things that happen in the district that aren't you know, per se, law 24 enforcement, but that affect law enforcement and those 25

1 individuals should be able to.

CHAIRPERSON PRESSLEY: Absolutely. And these 2 definitions of public safety and oversight are broad 3 4 categories, but I quess what we're requesting is that we ensure that the accommodations are tied to some level of 5 public safety and oversight. So just as you have stated 6 7 very eloquently, a business leader who has employed someone who can reduce crime that is germane and 8 9 appropriate. Okay? But again, we will ensure that all of 10 our commissioners can review that protocol. So again, we can ensure that we're aligned with our current policy. By 11 12 chance the Board desires to change that policy that is 13 within your right. But as the policy currently is 14 written, again, we want to make sure that we're aligned 15 with that policy. 16 COMMISSIONER BERNARD: - Everybody, those two 17 policies you mentioned. 18 CHAIRPERSON PRESSLEY: Yes, indeed. 19 COMMISSIONER BERNARD: Thank you.

20 CHAIRPERSON PRESSLEY: You're so welcome. Any further 21 questions for the Board of Police Commissioner's Officers 22 report? Hearing none, we'll now move on to our Chief of 23 Police Report where AC Fitzgerald is in, on behalf of the 24 Chief.

25 AC FITZGERALD: Thank you Chair, President Pressley,

Page 16

1 and to this honorable Board. Just quickly, an update on the injured officer. We still have one at home doing his 2 best to recover. It's the officer that was shot in that 3 location over on Burt Road. Our crime data again, never 4 celebrating, but the numbers continue to trend in the 5 right direction. We're down 6 homicides over last year. 6 It's a 19% decrease. We're down 30 nonfatal shootings 7 over the last year, which sits at about a 31% decrease. 8 Our robberies continue to trickle down. We're at a 35% 9 decrease and carjackings are cut in half at this point in 10 time. It's about a 50% decrease. And our overall part one 11 12 violent crime is down just under 10%, which again, we're 13 excited. We're moving things in the right direction. 14 Hopefully we get down under our numbers from last 15 year. That would be ideal. And mental health related 16 calls for service. It looks like we have a slight 17 decrease over, not only calls for services, but services calls that we've actually serviced. That leads me to 18 believe that maybe we're getting some of the right folks 19 the right amount of help they need. So I'm very excited 20 about that. Calls for service for overdose related calls 21 22 are also going down. And so are the number of calls we actually had to service. So, very positive in my eyes. 23 24 Significant incidents this week. The first one you know, 25 listen, I don't rarely get any good calls in the middle

of the night, but this one especially was not a good
 call.

3 On Tuesday, February 20th about 4:12 in the morning, officers were dispatched to the 6,000 block of 4 5 Pennsylvania, and we had a non-fatal shooting of the 11year-old female. This girl was laying on the couch in the 6 front room, when two, I'll call them cowards; that's my 7 word, no one else's. Two that we know of for a fact. We 8 9 believe there were two more involved in the vehicle, ran up and fired a bunch of rounds into that house. She is 10 still hanging on. She is a fighter. Continue to keep your 11 12 arms wrapped around here and hope for the best. We are 13 happy to report that we have taken four people into 14 custody. We are looking for an additional fifth person 15 and possibly a sixth person as this thing starts to build 16 out. I know the Chief said at his press conference it is 17 tied to a stolen car ring that ties back to another shooting. I'm going to talk about it in a minute. 18 19 So we're making some ground on it, but it's unfortunate that an 11-year-old is sitting in a hospital 20

21 right now when she should clearly be doing other things.

22 The second shooting was a fatal shooting on Friday,

February 16th, about 1:34 in the morning. This is another incident. This is a 17-year-old boy that was sitting in his car when another car drove by and fired a bunch of

1 rounds into it. That vehicle was a white Mustang that he 2 drove past him. That vehicle was recovered. It was one of 3 the vehicles that were stolen from a recent auto 4 dealership. And we discovered that the vehicle was on 5 fire. So we have gotten a little more work to do on this 6 one. I think we're getting closer, but as always, we'll 7 take any information we can.

If you can call Crime Stoppers or Detroit Rewards 8 9 TV, we will take that. Also, on Friday, February 16th, about 6:58 PM, officers were dispatched to the 20,000 10 block of Stotter to investigate a fatal shooting. As the 11 12 officers arrived, they observed the victim lying in the 13 middle of the street with multiple gunshot wounds. 14 Officers admitted, excuse me, medical assistance until 15 the medics arrived, where they declared the victim 16 deceased. Detectives have been able to determine that 17 after the shooting, two suspects were seen running across Van Dyke and a dark colored SUV was seen driving south 18 19 from Stotter. Again, if anyone has any information, please contact Crime Stoppers at 1800SpeakUp, or Detroit 20 Rewards TV. And the last incident I want to cover 21 22 briefly, is from Tuesday, February 20th, at about 11:14 23 PM, officers were dispatched to the 13,000 block of 24 Wilford.

25 It was a ShotSpotter alert that went off. After

Page 19

1 receiving the alert, there were 9 rounds. Officers 2 checked the area and found the victim lying in the yard. When medics arrived, he was also pronounced dead. This 3 4 one's pretty much wide open at this point. We really, 5 really need the community's help. So, if anyone knows any 6 information about the incident that happened on February 7 20th, please call Crime Stoppers or Detroit Rewards TV. Quick, positive story, Coffee with a Cop at the 4th 8 Precinct. This past Tuesday the 4th Precinct held Coffee 9 with a Cop, event with Commander Holderbaum. Community 10 members came out and neighborhood police officers had 11 12 discussions to build better relationships. It went very, 13 very well. We have a one day hiring fair this Saturday. 14 So you're all welcome to come out if you wish from 7:00 15 AM to 5:00 PM. It's a one stop shop. You can come through 16 and do your application and take your test and do everything. And we will make it as quick and as painless 17 18 as we possibly can, if you're interested in joining the DPD, whether it be sworn or non-sworn. And then the 19 Precinct Purple Heart Health events, several of our 20 21 Precincts have had it throughout. February. It is just in recognition of February being American Heart Month. 22 23 And lastly, for me, that was an early question. Lastly for me is that just this morning we had a 24 celebration of life home going for Danny Newkirk. Officer 25

Newkirk recently passed after 30- active member, 38 years of service. So please keep his family and your prayers.

3 That is all I have.

4 CHAIRPERSON PRESSLEY: Thank you. Questions for5 Assistant Chief Fitzgerald? Commissioner Burton.

6 COMMISSIONER BURTON: Thank you, Mr. Chairman. Question for the Chief. You know, looking at the 7 department's budget, far as \$400,000 for six square miles 8 9 for ShotSpotter, you know, the community wants to know how effective has ShotSpotter been, especially for the 10 price tag that the city is invested in. You know, we want 11 12 to know when it comes to alerts, arrests, convictions 13 falsely, detained and lawsuits. Do you have any of those 14 numbers going back since the time that Detroit started 15 being part of the ShotSpotter program?

16 AC FITZGERALD: Yes, sir. And through the Chair. I 17 don't have them with me, but that's something that's very easily attainable. Again, the value of ShotSpotter, you 18 can't place a dollar on it. It can be put within 9 feet 19 of where a shot was going off. We don't have folks that 20 21 can come out, want to call the police on a regular basis. That puts us there quickly. And as quickly as we can get 22 23 there, identify all these shots, it saves lives, it helps people. It is a valuable, valuable tool. 24

25 COMMISSIONER BURTON: Chief, are you aware that

Chicago is canceling their ShotSpotter program later this
 year?

3 COMMISSIONER BERNARD: Your microphone, Mr.

4 Commissioner. Thank you.

5 COMMISSIONER BURTON: Are you aware that the City of6 Chicago was pulling away from the ShotSpotter program.

AC FITZGERALD: I am, but I don't know why they would do it. And this isn't Chicago. This is the City of Detroit. They don't do it like we do. They're not as good as we are. They don't have as strong a policy as we have. So, again, my opinion, my humble opinion, it's an extremely valuable tool that we need.

13 COMMISSIONER BURTON: Chief, how valuable is the 14 ShotSpotter program when you have a lot of alerts, very 15 few guns confiscated, not enough arrests, not enough guns 16 confiscated, and then you still have lawsuits and cities 17 pulling away from this. Why is Detroit still involved in 18 the ShotSpotter program?

AC FITZGERALD: And again, through the Chair. I don't know where you're getting your information from. Most of it seems anecdotal. It is very, very valuable. And it is like the most recent one I talked about. This young man was sitting in a backyard. It could have taken us days, weeks to find this young man, but ShotSpotter put us exactly where it was. We had all 9 rounds, and it led us

Page 22

1 to something. It's leading us down the right path. So
2 sometimes it's not the quick we get out there and we lock
3 a lot of folks up. We take a lot of guns off the street,
4 extremely valuable. But stuff like that, we'd have to
5 wait forever. Not forever, but a long period of time to
6 get that information.

7 COMMISSIONER BURTON: Are you familiar with the 8 Silvon Simmons case in Rochester, New York, where a judge 9 say ShotSpotter was unreliable? And are you aware of the 10 multimillion dollar lawsuit that falsely arrested and 11 convicted Michael Williams out of Chicago, based on skank 12 evidence from ShotSpotter technology?

AC FITZGERALD: I'm not for either, but I'd be much more excited and much more enthused if these were Detroit cases you were citing the problems that we had in Detroit, but you haven't had that yet. So I don't know what Rochester York is doing. I don't know why that judge ruled the way they did.

19 CHAIRPERSON PRESSLEY: Thank you. Any further20 questions? Commissioner Banks.

21 COMMISSIONER BANKS: Yeah. Through the Chair. AC 22 Fitzgerald, now ShotSpotter is supposed to have accuracy 23 over 90%. Are you aware of that?

24 AC FITZGERALD: Yes.

25 COMMISSIONER BANKS: Okay. Now, what zip code was

Page 23

this in that case on Van Dyke, where the assailants were,
 I think running. What zip code is that? Was it District
 3, 4234? You didn't mention the zip code. You said Van
 4 Dyke.

5 AC FITZGERALD: Yeah. I don't have it with me, the 6 actual zip code or area code. I don't have it. Sorry. 7 COMMISSIONER BANKS: I'm all set, Mr. Chair.

8 CHAIRPERSON PRESSLEY: Thank you. Any further9 questions or comments? Commissioner Bernard.

COMMISSIONER BERNARD: Just quickly Deputy Chief 10 Fitzgerald. I think that Commissioner Burton's questions 11 12 were right on in terms of ShotSpotter, and I think that 13 perhaps your office or maybe the legal department, Mr. Ha 14 is here, whoever should be able to respond to those questions. We are not on an island. We are concerned 15 16 about what happens in other cities and other communities 17 using the technology that costs us millions of dollars. So these reports about it being inefficient, ineffective 18 for all practical purposes, not worth the money, are 19 important. And I think that kind of analysis is 20 21 appropriate for all of our technological type programs. 22 Is it worth it? I mean, I know we can spend more money for it. We can throw money in anything, but is it worth 23 it? And what do your colleagues in other cities think 24 25 about it? That's important. So I don't think it can be

1 dismissed. And if you can respond, maybe not today, but 2 maybe at our next meeting to his questions, it would be 3 great.

AC FITZGERALD: Yeah. And through the Chair, and I 5 don't mean to dismiss the questions.

6 COMMISSIONER BERNARD: Thank you.

7 AC FITZGERALD The problem is that you're comparing apples and oranges. I don't know what Chicago does 8 compared to what we do. I can give you plenty of data, 9 how it's effective in Detroit, plenty of data. I would be 10 more than happy to do that. But to reach out to Rochester 11 12 in New York to see how they're doing it or how they're 13 using it, I don't even know how they're using it. I don't know if they have two officers assigned to it or if they 14 15 have a thousand officers assigned to it. Do they kind of 16 haphazardly go out and look for casings? Do they actually 17 have a team to go out, look for casings? Do they put things through NIBIN? Do they do all the investigative 18 leads that we do here that make it a valuable tool? But I 19 am more than happy to reach out and see why they got rid 20 21 of it, and we will also be able to provide you with the 22 data why we say it works.

23 COMMISSIONER BERNARD: Thank you.

24 CHAIRPERSON PRESSLEY: Commissioner Woods.

25 COMMISSIONER WOODS: How are you doing AC?

1 AC FITZGERALD: Good, sir.

2 COMMISSIONER WOODS: So on this incident that

3 happened on January 11th with Officer Joshua, was that a 4 ShotSpotter call?

5 AC FITZGERALD: Oh, I'm sorry. Which one was it you 6 were asking?

7 COMMISSIONER WOODS: With Officer Joshua who got 8 shot?

9 AC FITZGERALD: Oh yeah. It came out originally as a muffled ShotSpotter, and sometimes that happens when a 10 round is inside of a home. And it could also be that it 11 12 came out also as suppressed. It could be that it comes 13 out of an area. We've had requests from outside agencies and cities that want to have access to our data because 14 15 they can pick up stuff in their city as well, on a 16 border.

17 COMMISSIONER WOODS: So when that happened and 18 Officer Joshua and his partner responded that someone was 19 shot, right?

20 AC FITZGERALD: Yes.

21 COMMISSIONER WOODS: And he went into that danger?
22 AC FITZGERALD; He did. Yes, sir.

23 COMMISSIONER WOODS: And subsequently got shot.

24 AC FITZGERALD: Yes.

25 COMMISSIONER WOODS: Do you have a number of

1 scenarios where ShotSpotter was used and they were able

2 to intervene in situations?

AC FITZGERALD: Yes, sir. We do, and I can provide for you at any point. Yes.

5 COMMISSIONER WOODS: Yes. And as it relates to the 6 Chicago report at the end of that report, they said they 7 were evaluated at the end. They don't know whether or not 8 if they're going to get rid of it or not, right?

9 AC FITZGERALD; Yes, sir.

10 COMMISSIONER WOODS: So it's not conclusive that

11 Chicago will get rid of it, but the way of how they were 12 doing things that they had some questions about how they 13 were operating it.

14 AC FITZGERALD: That is correct.

15 COMMISSIONER WOODS: How many lives do you think 16 that's probably being intervened say, with this

17 technology?

AC FITZGERALD: So it would strictly be a guess, but 19 I would say many. It is an extremely valuable tool that 20 the officers utilize every single day. They can pull it 21 up on their phones as they're going there, within feet 22 you can pick up where those gunshots are fired.

23 CHAIRPERSON PRESSLEY: Commissioner Smith.

24 COMMISSIONER SMITH: Good afternoon. Through the25 Chair. I understand that police departments are different

1 and policies are different per state and cities. Being a part of the Shot Stopper group in a CVI, I can only 2 contest what Detroit offers. I have seen where 3 ShotSpotter is definitely effective in our community. As 4 5 stated before, I can give you two different scenarios 6 that ShotSpotter was effective. We have one where 7 ShotSpotter went off. A woman, excuse me, the officers 8 went out, the woman was near fatally shot, once in the 9 head, once in the abdomen, and because of the ShotSpotter 10 going off, they were able to get her, medics were able to 11 arrive and get her to the hospital, and she's alive 12 today. That was on the Eastside of Detroit in the 9th 13 Precinct. The second incident was on the Westside of 14 Detroit where there was not a ShotSpotter.

15 The officer approached the vehicle where the woman 16 had been shot. It was reported as an overdose, found that 17 the woman was fatally wounded, she was also pregnant, and to track the scene found that someone else was fatally 18 19 wounded as well. It wasn't present. The third incident is 20 back in September of 2023, September 24th, to be exact, 21 there was a fatal shooting at a hookah lounge on West 22 Seven Mile. The officers responded because of the shot 23 spotter going off. Unfortunately, one was fatally 24 wounded, others were saved because of the ShotSpotter and 25 the officers coming in a timely manner. So, in my

Page 28

1 opinion, ShotSpotter has been very effective in our city and has been very effective in saving lives within our 2 3 community. CHAIRPERSON PRESSLEY: Thank you. I don't know if you 4 want to respond, Commissioner Woods? 5 AC FITZGERALD: No, sir. Go ahead. 6 COMMISSIONER WOODS: Yeah. As it relates to 7 ShotSpotter being used by itself, independently, would 8 9 that be, or any of your technology, is that used solely 10 to arrest anyone? AC FITZGERALD: I'm not sure I understand your 11 12 question. 13 COMMISSIONER WOODS: As far as, you know, you get a 14 hit or even like dealing with, I would say, facial 15 recognition, you're talking about ShotSpotter and all 16 these technologies and things of that nature, can those be used independently to arrest someone? 17 AC FITZGERALD: No, sir. I'm sorry. Through the 18 Chair, these are investigative leads. Everything across 19 the board we use technology for is an investigative lead 20 to further enhance an ongoing investigation already. So 21 it just helps you and sometimes it can point you in the 22 right direction, but it is not the end all, be all that 23 we can put handcuffs on someone because of. 24

25 Recently the policy was updated to ensure that even

Page 29

1 more, right?

2 AC FITZGERALD: Yes, sir.

3 COMMISSIONER WOODS: Okay. Thank you.

4 CHAIRPERSON PRESSLEY: Thank you. Any further 5 questions or comments.

6 COMMISSIONER BURTON: To the Chair?

7 CHAIRPERSON PRESSLEY: Commissioner Burton.

COMMISSIONER BURTON: You know, from our civil 8 liberties activist community we do not want to see 9 microphone sensors in America's blackest and poor city 10 like Detroit. What it is with these microphone sensors in 11 12 communities of color, what it is, it's unwanted snooping is what it is. It violates one's civil liberties. In 13 14 addition it's an expensive price tag that costs roughly 15 \$400,000 that cover 6 square miles. But the department 16 can't share with us today the total alerts in deployment and the arrest and convictions or pending lawsuits or 17 lawsuits that were awarded. Because of this technology, 18 we look at cities like Dayton, Ohio, they pulled the plug 19 on ShotSpotter. Now we're looking at Chicago, pulling the 20 plug. You know, Michael Williams in Chicago was 21 wrongfully arrested, served over a year in prison for a 22 23 crime he didn't commit, based off of skank evidence from 24 ShotSpotter technology. There's no question that these 25 cities are pulling away. Why is Detroit still continuing

1 with a ShotSpotter program? We have fiduciary

2 responsibilities when it comes to civilian oversight,

3 where we can actually shut it down.

CHAIRPERSON PRESSLEY: Alright. So I think that this 4 5 has been a lively conversation that again, I think has illuminated, you know, both sides of the argument that I 6 think is present in our community. I would encourage the 7 8 department to be prepared with that data for next week's 9 meeting. So that, you know, the aggregate numbers that commissioners are looking for can be provided along with 10 the anecdotal information. And I think that will be a 11 12 benefit, not only to the commissioners, but also to the 13 public. There are no further questions or comments. We 14 thank you so much for your report and we will now move on 15 to oral communications.

16 MS. UNDERWOOD: Good afternoon, Mr. Chair.

17 CHAIRPERSON PRESSLEY: Good afternoon.

MS UNDERWOOD: We're going to start back with Ms. Smith, are you going to speak today? So we're going to have Ms. Smith and we're going to have Ms. Freda Butler, then we'll go into zoom.

22 CHAIRPERSON PRESSLEY: It does look kind of far23 today.

24 MS. SMITH: So far away. Good afternoon,

25 commissioners.

1 CHAIRPERSON PRESSLEY: Good afternoon. MS. SMITH: I am really upset with this meeting today 2 because all you do is come here and complain and complain 3 and complain. I'm from Chicago, I was born there. As a 4 5 matter of fact, I'm going over there next weekend, and I 6 know the secretary to the mayor, I'm going to make it my 7 business to go over there tomorrow, I mean, next weekend, and talk to her and ask her, do you think the mayor, 8 Mayor Johnson has any kind of problem with what is it 9 shot fire? Why are we complaining? Are we doing enough 10 over here as we can with this crime? We have a police 11 12 force that takes care of people whenever they do wrong. 13 They are trying to get rid of the hijackers. You got 14 someone that's killed last week. Come on people, stop 15 complaining and do something to improve. And I mean also 16 to this young man sitting here because I know he is going 17 to get up here and complain about what the police are doing. I love my police department. I have dealt with 18 them since '73. I find they don't have the best of 19 reports, but they're doing the best they can. Do you 20 realize that they're risking ... I have said over and over 21 again, they are risking their lives. Why don't you get 22 out there and do better? Get the parents who have these 23 kids ripping and running the streets and having guns. I 24 25 am so disgusted when you talk about how the police is not

Page 32

1 doing, and don't talk about Chicago because they're worse than we are. I was born and raised there, and I'm going 2 over there next weekend and I'm going to look and see how 3 those immigrants are in front of the police station. 4 5 We don't have any immigrants in front of our police station, and it's overwhelming over there. I talk to them 6 just about every week, what's going over there in Chi 7 y'all and they tell me. So don't complain and compare us 8 9 with Chicago. We are doing a hell of a lot better than what Chicago people are doing. And as far as the mayor's 10 concerned, he's doing a pitiful job. I must say that. But 11 12 I feel sorry for him because he doesn't have the 13 experience of the police influence. One last thing before 14 you tell me, I get out.

15 CHAIRPERSON PRESSLEY: Quickly.

MS. SMITH: I want to thank Commissioner Woods. You did a heck of a job with my son's wedding. And I want you guys to know, respect him. He may not say enough, but he's a hell raiser. But he did a good job with the wedding and I thank him over and over again. God bless you.

22 CHAIRPERSON PRESSLEY: Thank you, and

23 congratulations.

MS. SMITH: Thank you. Go on and complain. I know you're going to get up there and complain.

1 MS. BUTLER: Good afternoon.

2 CHAIRPERSON PRESSLEY: Good afternoon.

3 MS. BUTLER: Commissioners, as President of the 2nd Precinct, our neighborhood police officers are working in 4 5 our communities to keep our communities safe, but they're also engaged with our children. They are mentors and 6 7 spend some time in classrooms. As a former teacher and counselor, I believe more can be done. We can criticize 8 9 what's happening in our schools and communities and do 10 nothing or work to help make change. We cannot build a house starting with the roof, but we must lay a 11 12 foundation. It takes funds and efforts to provide 13 enrichment along with what the teachers are doing in the 14 classrooms. With the officers interacting with our 15 children, we will remove fear and distrust of the police. 16 We want to start with third graders because their social 17 and educational skills come together. We want to provide enrichment programs to contribute to their education. And 18 19 we need funds. A single bus costs over \$300, and we have 6 elementary schools in our area. The outcome of our 20 21 enrichment programs will build character and better citizens. As a council working with our NPOs and 2.2 communities, include us in your budget. We will be 23 grateful and accountable. And by the way, Detroit is a 24 25 gold mine and it's up to us. A lot of us complain, but we

don't do what we need to do for ourselves. Suspect us,
 Thank you.

3 CHAIRPERSON PRESSLEY: Thank you.

4 MS. UNDERWOOD: Mr. Chair, we'll move into zoom.

5 CHAIRPERSON PRESSLEY: Okay.

6 MS. UNDERWOOD: We'll have Mr. Renard Monczunski,

7 please excuse the pronunciation. After Mr. Renard, we'll

8 have Chris Gilmer-Hill, Laura Herberg, and former

9 Commissioner William Davis, and that'll be it.

10 CHAIRPERSON PRESSLEY: Thank you, Mr. Renard.

11 MR. RENARD: Hi. Good afternoon.

12 CHAIRPERSON PRESSLEY: Go right ahead.

13 MR. RENARD: Hi, good afternoon. For the record. My 14 name is Renard Monczunski. I'm a District 6 resident, and 15 long-term resident of the City of Detroit. I'm also a bus 16 rider and I'm a proud bus rider. I am calling into this 17 body to just elicit a few concerns that I have about this 18 proposal that's been unannounced. But we found out that 19 DPD Police are going to be deployed onto the Transit you 20 know, system with DDOT. We already have a transit police 21 system. We have a good relationship with their leadership and their staff. They're responsive and their 22 23 communication is excellent because we get to meet with them monthly and express our security concerns and the 24

25 violations that Transit Centers and things of that sort

have been going down because of their increased presence.
 They also have good training and understanding because
 they know how to deal with populations and individuals
 with different cognitive disabilities.

5 So there may be people with autism who may be a little bit slower. I don't know the other words for that, 6 but at the risk of offending someone, they have the 7 training to be able to deal with disabilities that are 8 9 invisible, like someone being deaf. I have major concerns about DPD Police being deployed onto the Transit system 10 due to their historical racial profiling concerns; 11 12 concerns about the lack of training for people with 13 disabilities. There's been a record of violent incidents 14 in terms of mental health incidents when they're called. 15 There's a lack of de-escalation. So instead of someone 16 getting help for a mental health crisis, they're shocked 17 to death. And that's a major concern that I have. Also, 18 because this hasn't been brought up in a popular forum or a government forum, I believe that this is a violation of 19 our civil rights under Title 6 of the 1964 Civil Rights 20 21 Act, where anything dealing with security and proposal with the buses should be announced to rider so they can 22 able to make their public comment to that. So, I just 23 wanted to ask, who did this? Thank you. Who decided? 24 25 CHAIRPERSON PRESSLEY: AC Fitzgerald, Is this a

Page 36

1 proposal or has it been done?

AC FITZGERALD: It has not been done. It is a 2 proposal at this time. We are transitioning toward a date 3 of possibly July 1st if everything falls into place. If 4 5 it does fall into place, we will take over the DDOT portion of patrols, the Detroit Police will, and then the 6 People Mover Police will continue to do what they've been 7 doing at the People Mover Police. We've taken over the 8 9 QLine as of February 1st. And so far I've received nothing but glowing, a lot of excitement out of us taking 10 11 over the QLine. So we are moving in that direction. When 12 we do, it'll be fully staffed up. It will be more people 13 than DDOT currently has on their total budget. So they 14 will see no reduction in any kind of service and be more 15 than happy to meet monthly with this gentleman and other 16 bus drivers, and we've met with their union. They feel 17 really confident with us. So we're moving in that right direction, sir. 18

19 CHAIRPERSON PRESSLEY: Thank you.

20 COMMISSIONER BERNARD: May I ask a question?

21 CHAIRPERSON PRESSLEY: Yes, Commissioner Bernard,22 quickly.

23 COMMISSIONER BERNARD: But why are we doing this? 24 We've had several comments, not just this gentleman's, 25 but others talking about how the Transit Police know how

Page 37

1 to deal with kids, they deal with youth, they deal with 2 senior citizens, they deal with the people that ride 3 buses. They're used to it. They have an expertise in that 4 area, so to speak. DPD has never done that. Why are you 5 interested in assuming that responsibility? How much 6 money is involved in it, if you assume it?

AC FITZGERALD: I don't want to get into the 7 budgetary stuff at this point, but it almost makes it 8 sound like we don't know how to deal with kids and 9 seniors and people with disabilities. We do. We are the 10 absolute premier agency in this country, ma'am. So we are 11 12 more versed, better versed to deal with all of those 13 things, whether it be on a bus, whether it be on a boat, 14 wherever it is. We can handle this, and then some. This 15 is probably one of the reasons why we were asked to do 16 it.

17 COMMISSIONER BERNARD: Okay. But why? The question is 18 why, and how much money is involved with this?

AC FITZGERALD: We will be taking over a portion of the budget from transit police for sure. I just don't know what that final number is.

22 COMMISSIONER BERNARD: Okay. But why?

23 CHAIRPERSON PRESSLEY: So we can put that question in 24 writing and get a formal response as to what initiated 25 the change and the rationale behind it so that you might

receive clarity on its intentions. Commissioner Woods. 1 2 COMMISSIONER WOODS: Was it stated that many of the Transit officers, the current officer, were they under 3 this proposal where they roll over to DPD? 4 AC FITZGERALD: Through the Chair, there are a lot of 5 different rules and things we need to work through. Like, 6 some of those folks have left DPD and they've retired, so 7 they're collecting a pension. So they would have to 8 freeze their pension to come back. Some of the folks over 9 there are licensed through the State of Michigan and 10 others are not. So those that are not, if they come over, 11 12 they would have to go through the academy to become 13 licensed. So that is some of the stuff we're working 14 through now. 15 COMMISSIONER WOODS: Thank you. 16 CHAIRPERSON PRESSLEY: Alright, Ms. Underwood, our 17 next public commenter. MR. HILL: Good afternoon. Can I be heard? 18 19 CHAIRPERSON PRESSLEY: Yes, go right ahead. 20 MR. GILMER-HILL: Hi, my name's Chris Gilmer-Hill, lifelong resident of the second District. Firstly, I'd 21 like to urge this Board to take action on the report 22 that's been out for a long time, recommending 23 disciplinary action against Commissioner Bell. This Board 24 has so far failed to uphold its oversight duty to hold 25

Page 39

1 itself accountable, and we can't trust the Board to hold its own members accountable. I'm not sure how we can 2 trust members of our police department. I'd also like to 3 specifically thank Commissioner Burton for raising valid 4 concerns today about ShotSpotter and its utility in the 5 6 future within our city, as well as to thank Commissioner Bernard and others for echoing those valid concerns. 7 Amongst the many things that the deputy chief 8 unfortunately did not know today he made it very clear 9 that he does not know or care to know about the policies 10 of other cities regarding ShotSpotter. 11 12 Yet, in the same breath, he bragged that DPD is 13 letting these several other cities in the area freely

14 access surveillance data, surveillance data that targets 15 destroyers. We're giving away this data in whatever form 16 to other cities, despite having no clarity or no 17 knowledge about the policies that govern their use of ShotSpotter. We certainly have massive problems that do 18 need to be fixed with our own policy, but the fact that 19 we're giving this surveillance data to other cities where 20 21 their policies and their departments are not at all like ours. That should be a massive red flag. But for this 22 Board to treat that as an emergency and urgently halt all 23 sharing of ShotSpotter data with other police departments 24 25 until such time as the police department can provide a

comprehensive accounting of the ShotSpotter policies in
 these other departments, and the ways that they are
 different from, or similar to our own policy. Without
 that guarantee of accountability, none of this data
 should be getting into the hands of other unaccountable
 police departments. Thank you.

7 CHAIRPERSON PRESSLEY: Thank you.

8 MS. UNDERWOOD: The final speaker, Mr. Chair is9 former Commissioner William Davis.

10 MR. DAVIS: Good afternoon. Can I be heard?

CHAIRPERSON PRESSLEY: Yes, you can. Go right ahead. 11 12 MR. DAVIS: You know, I think that you all need to 13 closely look at the ramifications of having Detroit 14 police officers take over the duties of the Transit 15 Police. Perhaps it might be better to look at why there 16 are so many vacancies in the Transit Police Unit, and also whether or not if the Detroit Police take that over, 17 will that be to the detriment of the community. I live in 18 District 7, Police P, 2. Does that mean that there'd be 19 less police to patrol my neighborhood and other people's 20 neighborhood? Would that also increase the possibility of 21 more lawsuits against the Detroit Police Department as 22 the City of Detroit retiring president of an organization 23 24 representing city retirees, and also as President of 25 Detroit Chapter, National Action Network. I do not want

1 the City of Detroit having to pay out more and more and more lawsuits. Right now, they're paying out millions of 2 dollars. You know, I think that we need to do something 3 about reducing the number of lawsuits and make sure 4 5 there's greater accountability. You know, I don't know what's going to happen or what it could mean, but before 6 you all approve this, hopefully you all have been asked 7 about it, and you all voted on it, because I would think 8 9 you all should before they start talking about making a 10 major change in July. Thank you.

11 CHAIRPERSON PRESSLEY: Thank you. And we're grateful 12 for everyone's comments today. With that, we'll... Vice 13 Chair Bell.

14 VICE CHAIRPERSON BELL: Thank you, Mr. Chair. I just 15 wanted to respond to the last comments in reference to 16 pending disciplinary action against Commissioner Bell. 17 There's no pending disciplinary action pending by this Board or any passport. I think we would formally respond 18 to that at a later date in time with the past chair of 19 that Board in terms of the 2019 investigation IG report. 20 21 I think you have to review that report and the outcome of it we will reflect on at a later date and time. Thank 22 23 you, Mr. Chair.

24 CHAIRPERSON PRESSLEY: Thank you. Okay. And so now 25 we'll move on to the presentation to the Board where we

	02/22/2024 Page 42
1	have a DPD budget presentation by Mr. Nazarko.
2	MR. NAZARKO: Good afternoon Board. I'm here on
3	behalf of the office of the Chief Financial Officer, DPD
4	to present to you the department's request for the 2025
5	budget that starts on July 1st of this year, and ends on
6	June 30th, 2025. So please, next slide.
7	CHAIRPERSON PRESSLEY: Commissioners, you should find
8	this after tab 4 in your packets.
9	MR. NAZARKO: Yes, for clarification, this
10	presentation was provided to the Board last week, I
11	believe. And then the Board had some questions that for
12	the budget portion I tried to answer, and I submitted
13	those in writing yesterday as well.
14	COMMISSIONER BERNARD: Microphone, please.
15	CHAIRPERSON PRESSLEY: In the microphone.
16	MR. NAZARKO: This presentation will talk about the
17	numbers that we submitted, the budget timeline, and then
18	some additional information as far as the personnel is
19	concerned. Through the budget request the purpose and
20	department and the city tried to have safer neighborhoods
21	to achieve a vibrant and beautiful community, to have
22	economic equity and opportunity to achieve efficient and
23	innovative operations, and to have effective governance.
24	Next slide, please.

25 I'm trying to switch between my printout and looking

Page 43

at the monitor there, but unfortunately, those are too 1 small for my distance. So I'm going to read from my 2 slides. Now, the budget process is a year round process 3 that officially starts around August of any given year, 4 5 and then ends at the end of April when the City Council 6 approves the budget for all departments, including DPD. We do have two deadlines, so to speak. We have the 7 internal mandated deadlines that we have internally, and 8 they're not mandated by the city charter or any 9 ordinance. However, those internal deadlines are geared 10 towards meeting the stricter deadlines that are mandated 11 12 by the budget ordinance and the city charter. And those 13 deadlines, basically, the internal ones start in, as I 14 said earlier, start around August, September, and then 15 they finalize when the budget is approved from the City 16 Council sometime before April 30th of any given year. Next slide, please. 17

The slide that you see now includes or talks about 18 the charter or ordinance mandated deadlines. And based on 19 those deadlines by February 18th, the budget director 20 should submit to the mayor the tabulation of the 21 22 department's request. By February 27th, the mayor completes the review and submits the budget back to the 23 budget director. Then the mayor is supposed to submit and 24 make a presentation to the City Council by March 7th. 25

Page 44

Then City Council completes the consideration of the 1 budget by April 7th, and then the budget should be 2 approved by April 30th. So the Financial Review 3 Commission that's still around and oversees the finance 4 5 for the City of Detroit has to have an approved budget by April 30th, in their hand. And that's a mandatory 6 deadline that cannot be missed. Now, in summary, the 7 budget request that DPD submitted this year to the 8 9 mayor's office and consequently to through the City Council is not that different or doesn't have any 10 increases, major increases, I should say, because there 11 12 are some small increases from the baseline. And we call 13 the baseline the current year's budget. So, for the 14 budget 2025 request is not much different from the 15 current year's 2024 budget, other than, you know, a few 16 major items that I have listed on this slide. And one of them is the increase in the amount of 11.5 million 17 dollars that is as a result of the labor agreements that 18 were ratified back in 2022. So this is a mandatory 19 increase that the city is obligated to budget for. There 20 21 is a slight decrease that we expect in the fringe 22 benefits, and fringe benefits are anywhere from the types of insurances that we provide to the department to the 23 24 taxes that we pay on behalf of the employees. So we 25 expect a slight decrease in that line item, close to \$3.5

1 million.

The department has submitted a supplemental request 2 for additional personnel, 25 police officers, 14 of which 3 should be NPOs, and 11 CITs for a total close to \$3 4 million, \$2.4 million for personnel and benefits and 5 6 \$600,000 for operating expenses. However, through the discussions with the budget office the DPD has come to 7 realize that this item may or may not make it to the 8 9 proposal that goes to the City Council. And the reason is not because it is not anything else other than the money 10 issue because the city this year, given the current 11 12 stream of revenues and the increased costs, as we said, 13 you know, because the labor costs are not just increasing 14 in the police department, they are higher across the 15 almost 7,500 employees in the City of Detroit.

16 Therefore, this may be, as I call it, a casualty of the money situation. But DPD, just for your information 17 for the information before the Board, DPD requested those 18 25 police officers. Now some numbers and again, these are 19 very high level overviews of the numbers. For the current 20 year, for example, we have budgeted revenues in tune of 21 \$102 million. And next year, the budget request is only 22 \$100 million. The reason being is that the city forecasts 23 24 that one major source of revenue for the police 25 departments is the income tax, and we are projecting to

have lower income tax collections in the 2025 fiscal year
 compared to the current year. And the line items goes as
 follows: the general fund \$84 million special revenues
 \$8.4 million.

And if you have a question, what the special revenue 5 6 consists of, it is the money that we get for E911 7 operations, and the towing fund. And I know that through your questions, you had asked some pointed questions 8 about the towing operations or rather towing budget. And 9 the response I provided was, they included detailed 10 numbers as far as how much we collect or expect to 11 12 collect from towing operations, and how much we expect to 13 spend in that department. As far as the expenditures go, 14 the DPD is requesting in a general fund for the next 15 fiscal year to spend \$399 million. The special fund 16 expenditures, again, towing plus 911 operations, \$8.4 million for future fund \$1.2 million, and the grant 17 expenditures in the amount of \$6.8 million. Next slide, 18 please. The expenditures by fund, again, are listed in 19 this slide, and so is the personnel request. On the 20 bottom half of the slide, you see that the personnel 21 basically is staying intact with the exception of the 22 supplemental request of 25 additional police officers. 23 24 We discussed the changes from this current fiscal 25 year to the next one. One change that I did not discuss

Page 47

and is shown on this slide is the fact that the cost for 1 operating the Detroit Detention Center for next year is 2 expected to grow by \$3 million. And this is basically the 3 amount of money that the City of Detroit pays to the 4 5 Michigan Department of Corrections to handle the 6 operations at DDC. Again, this is just a pass through charge. However, the City of Detroit provides the amount 7 to the State of Michigan on a contractual basis. AC 8 9 Fitzgerald can talk more about that, but the arrangement between DDC and the MDOC is expected to end at some point 10 in the next year or so. And then the DPD will be looking 11 12 for different alternatives, but speaking strictly of this 13 year's budget the DDC is going to cost \$3 million more in 14 its operations. Next slide, please.

15 Capital expenditures. This slide shows the needs or 16 the request of DPD for various capital expenditures, and as you see here, we are asking for \$6 million to 17 completely renovate the 12th Precinct. And then we are 18 asking for the Grinnell tow lots upgrades, boathouse and 19 sea wall upgrades, other facility upgrades throughout the 20 DPD and then Grand River Toyota upgrades to the tune of 21 \$1.5 million. I want to point out that these are the 22 requests that the department put forward through the 23 budget process. This is not money that is supported by 24 General fund dollars, at least in this budget. This, if 25

1 it goes through, will be funded by the Capital Projects 2 Fund or bonds if there are any available. However my 3 hunch is that most of these projects, we may not be able 4 to fund.

5 COMMISSIONER BERNARD: You said most of them we will 6 not be able to fund.

7 MR. NAZARKO: Most of it looks like the current 8 situation of the money that is available for next year is 9 not going to be able to support that, but, never say 10 never.

11 COMMISSIONER BERNARD: All of these?

12 MR. NAZARKO: Not all of this. I said part of this.

13 COMMISSIONER BERNARD: Which part is going to be

14 funded?

15 CHAIRPERSON PRESSLEY: He doesn't know. Continue. 16 MR. NAZARKO: The next slide that basically again 17 talks about the personnel. As I said, the numbers from 2024 to 2025 are not different with the exception of the 18 25 additional police officers. Next slide. This slide 19 shows the various grants that we are sure that we are 20 21 going to receive in the next fiscal year, and we have 22 budgeted accordingly. However, this is not an allinclusive list for a couple of reasons. A) There are 23 grants, that become available after the budget you know, 24 25 it's put together back in December this information was

available to us, and B) the fiscal year for the City of 1 Detroit that ends on June 30th is different from the 2 fiscal year of the institutions or governments, I should 3 say, that grants money to the City of Detroit. For 4 5 example, the State of Michigan fiscal year ends on June 6 30th, and the federal government's fiscal year ends on 7 October 31st of any given year. Therefore the grant 8 spent, and the time that the grants are awarded overlaps 9 with our city budget. So, therefore, again, this is a snapshot at that point in time. But as more grants become 10 available, then we involve the City Council and DPD to 11 12 apply and fully accept them.

And that is my last slide in the presentation. Again, for the Board's information, the questions that you asked I believe there were 15 of them. They were provided to you in writing, and I'd be happy to answer any questions if...

18 CHAIRPERSON PRESSLEY: Yes. And again, you all should 19 see those questions in the responses to those directly 20 after the presentation. So, are there any questions for 21 Mr. Nazarko? Commissioner Bernard?

22 COMMISSIONER BERNARD: Yes. I see your responses to 23 the specific questions that were asked of you regarding 24 the budget. And incidentally, there is a line item in 25 there for ShotSpotter, I think page 3 or something like

1 that. But your responses to the questions are largely 2 non-responsive, and you reference, you say, see attached budget report. How much does it cost the City of Detroit 3 to provide a towing operation for the police department? 4 You say, see attached budget report? There is no attached 5 budget report specifically on towing. You say that we 6 don't budget for Project Green Light, which obviously 7 would be part of the Real Time Crime Center. There's 8 nothing. Zero. 9

10 CHAIRPERSON PRESSLEY: Commissioner Bernard, I want 11 you to look at page number 9, where it says towing and it 12 says \$1.2 million to support towing operations, including 13 tow truck maintenance, private towing services, tow lots 14 and rentals. So when he's suggesting to review the 15 report, I believe that's what he's pointing to.

16 COMMISSIONER BERNARD: I understand that, but you can 17 also answer the question directly and not have me go fish 18 through 8 or 9 pages.

19 CHAIRPERSON PRESSLEY: I don't know how much more 20 direct it can be.

21 COMMISSIONER BERNARD: And it's more than that, 22 because you have two different line items in there for 23 toll lots. One is, I think 3.5 million, and the other is 24 like 1 point some odd million, so I don't know. The toll 25 situation is much more expensive than what we're looking

at, at least if you add it all up, it's a different, as
 you know,

3 MR. NAZARKO: Through the Chair. The towing operations are just for, you know, the information for 4 5 the honorable commissioner, is that we budget approximately \$3.2 million for tow operations. And that 6 7 includes personnel that includes the operation of tow trucks, that includes the money we pay to the tow 8 9 vendors, and that includes the money we pay for tow lot 10 security. However, that number, that's the budgeted 11 number, the revenues that come throughout the year and 12 other expenditures that can incur or are required to be 13 increased during the year are not reflected in that 14 budget. That the commission. The 1.2 commissioner, Mr. 15 Chair, you are absolutely correct. That's the additional 16 amount that we asked from last year's to this year's 17 budget. We are asking for an additional \$1.2 million 18 because of the repairs we need to do at the tow yard 19 facilities, plus the increased cost of security to provide security for the tow lots. And that's over and 20 above last year's budget. 21

COMMISSIONER BERNARD: But the total amount that you're asking for, the two tow lots, as I recall, is more than 3 million.

25 MR. NAZARKO: That is correct, but I...

Page 52

COMMISSIONER BERNARD: I'm talking about just to
 resurface lots

3 MR. NAZARKO: Madam Commissioner, the total budget 4 is, you know, \$3.2 million. And that includes, I'm not 5 going by tow lots. I'm going by the total tow operations, 6 including personnel, maintenance of tow lots, maintenance 7 of trucks, and all that.

8 CHAIRPERSON PRESSLEY: Thank you. Commissioner Woods. 9 COMMISSIONER WOODS: Yes, as it relates to the towing 10 situation, and these are all City of Detroit tow vehicles 11 and tow operations?

MR. NAZARKO: That is correct. Those are all the City of Detroit, within the boundaries of the City of Detroit. However, the operations are split between the department, or truck equipment or tow trucks, and the private vendors' equipment. So a portion of the tolls is done by the department, and the portion of the tolls is done by the private towers.

19 COMMISSIONER WOODS: As it relates to the private 20 towers, how many of those do we have?

21 MR. NAZARKO: The last contract we had, we had 7 22 private towers. My understanding is that we suspended 23 one, so we should have 6 at the current time. However, 24 again, since we're talking about next year's budget for 25 the City Financial Office, Office of the Chief Financial

Officer, we expect to go out for bids. Those contracts
 will land on June 30th. So between now and June, we are
 going to go out for bids again to solicit private towers
 to bid for that type of service.

5 COMMISSIONER WOODS: Can you tell me why they were 6 suspended?

MR. NAZARKO: No, I can talk about the numbers,
however I do not know as to why. I know that we had 7,
now we have 6.

COMMISSIONER WOODS: Okay. And as relates to, as far 10 as fairness and equity in terms of, and you probably 11 12 can't answer this and maybe this needs to be asked to the 13 Chief and, you know, we probably need to get a letter 14 because I know I get a lot of complaints by residents of 15 the City of Detroit in terms of some of the predatory 16 nature of some of these tow companies. I don't know if 17 they're tied to the city. I have some names that they 18 have given and things of that nature. And one thing we want to do is make sure that we ensure that citizens are 19 not being exploited by some of these companies. You know, 20 21 and I know that has been a big bone of contention, and I know all of the nuances of this towing operation 22 23 throughout the years, how problematic it has been, so I would like to see in terms of, you know, I want to know 24 25 why the one company was dismissed. And secondly, I want

1 to make sure that we are ensuring that the citizens of the City of Detroit are not being preyed on by some of 2 3 these companies. CHAIRPERSON PRESSLEY: Okay. So let's memorialize 4 those requests in our records, and send those to DPD to 5 6 get a response. Let the record reflect that Commissioner Lisa Carter has joined us. Commissioner Burton. I'm 7 sorry, Commissioner Woods. 8 COMMISSIONER WOODS: Yes. As it relates to the DDC 9 operation. So it's just totally \$3 million in 10 expenditures for that? 11 12 MR. NAZARKO: Commissioner, through the Chair. No, 13 the total expenditures for DDC operations are 14 approximately \$16 million. 15 COMMISSIONER WOODS: \$16 million. The \$3 million 16 reflects an increase? 17 CHAIRPERSON PRESSLEY: Correct. 18 MR. NAZARKO: Yes. 19 COMMISSIONER WOODS: Okay. Thank you. 20 CHAIRPERSON PRESSLEY: Commissioner. Burton. 21 COMMISSIONER BURTON: To the Chair. I have a lot of questions and concerns about this. Number one, I don't 22 think the City of Detroit should be operating in a towing 23 24 business, number one. Number two, what is it really costing overall for the City of Detroit to operate in a 25

aking money or lo

towing business? And is the city making money or losing 1 money? Because we're talking about \$2.1 million that's a 2 line item in the budget for towing, but you are looking 3 at the tow lot rental, security, maintenance for the 4 5 truck, all of those additional costs. So we really want to know how much it is really costing the City of 6 Detroit, to really operate in a towing business. Should 7 we be operating in a towing business period from a city 8 standpoint? And is the city losing money or making money? 9 MR. NAZARKO: Through the Chair, while... 10 COMMISSIONER BURTON: Because these dollars, you 11 12 know, in this line item right here, you know, these 13 dollars can be reallocated into mental health, social 14 justice programs or it could be reinvested back into the 15 community instead of on this report right here. 16 MR. NAZARKO: Through the Chair. If I may respond. 17 Although the operational question as to, is the city 18 cleaner or are the towing operations helping to keep the city safer and cleaner is a question that belongs to the 19 DPD and the mayor's office and all those. Financially 20 speaking, I can guarantee you with 100% certainty that 21 22 the city is not losing money with the tow operations. This, as I indicated earlier, it's called a special fund. 23 The definition of special fund is such that, aside from, 24 25 it does not cost taxpayers money. So it's a self-

Page 56

sustained fund, meaning that the fees that are charged by 1 us for towing someone's vehicle are supporting that 2 activity. The police officer or the tow truck to go there 3 and pick that up. Year in, year out, the tow fund was 4 5 created. Tow operations start in 2018, and I've been here since 2019, from the inception, the co-fund operations 6 7 have not requested additional funds from the city. It's a self-sustaining operation. As a matter of fact, sometimes 8 9 the opposite is true, that few dollars have supported other police operations, such as mental health and 10 whatnot, but not the other way around. 11

12 COMMISSIONER BURTON: And lastly, on the subject 13 matter, how many lawsuits has the City of Detroit paid 14 out due to towing?

15 MR. NAZARKO: Through the Chair, again. I am here to 16 talk about the numbers that are presented and are in 17 front of you to approve the budget request. In this budget request, there is not a single dollar that these 18 19 are related or requested to support the legal lawsuits, because that's a different department that handles that. 20 We budget for them through a different pool of funds and 21 22 outside of the DPDs operations.

23 CHAIRPERSON PRESSLEY: Thank you, Commissioner24 Bernard.

25 COMMISSIONER BERNARD: Mr. Chairman, I would ask,

Page 57

1 sir, that you revisit the questions that have been asked and give specific answers. I'll give you two examples. 2 The first is question 5. Please provide details for the 3 department's less lethal force technology for the current 4 5 fiscal year and the next fiscal year, including usage 6 figures justifying the cost of the proposed budget line items. Your response. We have the tasers budget at 2.5 7 million for this fiscal year. The department has 8 requested 55 million for fiscal year 25. That's not the 9 total budget for lists and lethal forces. They have those 10 ropes that go around people that restrain people. They 11 12 have other things. You only address the taser question, 13 we really want all the information. Let me give you one 14 more example, then I'll hush. The other one is, please 15 provide a detailed overview of the Detroit Ceasefire 16 Program for the current fiscal year and the next fiscal 17 year. Your response, the ceasefire program is now administered by the Health Department. Number one. When 18 did that happen? But, okay. The police department retains 19 20 a ceasefire team at each precinct that includes a civilian analyst, 3 to 6 officers and a sergeant. Through 21 grant funds, the police department leads the Faith-based 22 coalition, a component of ceasefire employing 1 project 23 24 manager, pardon me, and 2 outreach coordinators through DPSF sub award. The Faith-based coalition grant expires 25

6:30 2024. That doesn't give us the numbers. We asked for
 the numbers.

3 MR. NAZARKO: Through the Chair. May I respond to 4 that?

5 COMMISSIONER BERNARD: We have the explanation, but 6 the numbers aren't here.

7 MR. NAZARKO: The numbers are not there because 8 again, I'm presenting that \$399 million that I said there 9 includes those positions, which are different than, you know, in any given time. You know today it's X police 10 officer, tomorrow it's Y police officer at different pay 11 rates. However, the fact of the matter is the grant that 12 13 supports the ceasefire operations was moved last year out 14 of DPD to the Health Department. Therefore, this 15 honorable Board, aside from the operations questions, 16 that is a fair question to the DPD, you know, as the results of that, dollar wise, I'm here today to present 17 18 the dollars that we requested. We did not request any dollar amounts for the ceasefire operations 19 20 COMMISSIONER BURTON: To the Chair. 21 CHAIRPERSON PRESSLEY: One second.

22 COMMISSIONER BERNARD: You have a higher budget for 23 DPD, though?

24 MR. NAZARKO: Nope, we do not.

25 COMMISSIONER BERNARD: There is a zero line item.

1 MR. NAZARKO: Correct.

2 COMMISSIONER BERNARD: Is what you're saying?

3 MR. NAZARKO: Yes, ma'am.

4 COMMISSIONER BERNARD: Okay.

5 CHAIRPERSON PRESSLEY: Commissioner Banks.

6 COMMISSIONER BANKS: Through the Chair. Mr. Nazarko, 7 how you got \$2.5 million in a year's time going to 8 tasers, right? How long do the tasers last? That 2.5 9 million we are paying for tasers. How long will that

10 taser last?

MR. NAZARKO: Usually we budget for every 5 years for replacement tasers. However, they may last a little longer 6 years or 7 if we maintain them or we do some maintenance work on them, but we budget as if they're going to expire in 5 years, so we five years.

16 COMMISSIONER BANKS: And then you have to pay another 17 \$2.5 million for some .more.

18 MR. NAZARKO: Or whatever the going rate is at that19 time.

20 COMMISSIONER BANKS: Got you. Okay.

21 CHAIRPERSON PRESSLEY: Commissioner Burton.

22 COMMISSIONER BURTON: To the Chair, you know,

question for Mr. Nazarko. You know what cities with the population of Detroit that have the police and the city involved in towing and has your office or the city has

1 identified the best towing model, in comparison to the 2 size of Detroit? Has anyone done the research?

3 MR. NAZARKO: Through the Chair, I do not have any 4 data on that.

CHAIRPERSON PRESSLEY: Thank you. Commissioner Woods. 5 6 COMMISSIONER WOODS: Yes. I'm very, very pleased that 7 I would hope that the city will have the towing operations that some of these predators have not heard 8 9 about who are doing a deplorable job in taxing and putting extra burden on the cities of the City of 10 Detroit. And this airway that we could be able to 11 12 regulate anything that is, you know, outlandish and 13 outrageous. However, you know, I stopped pontificating as 14 it relates to towing. Are we seeing any less burden with 15 the city operation of things and DPD operation of things? 16 Are we seeing less burden on the citizens of the City of 17 Detroit in terms of, you know, you say we have a good surplus there and it's making money. Are there ways that 18 we can find a reduction on the people when it comes to 19 this? You know, they keep the car in the yard, you have 20 to pay this amount of money for each day, and things of 21 that nature. I'm interested in if we can find a way to 22 23 reduce the burden on the people of the City of Detroit. That's my question 24

25

MR. NAZARKO: Through the Chair. As we talked about

1 earlier, this is a fairly new operation. And you mentioned that there is a large surplus and those are not 2 my words. I'm saying that we are able to sustain the 3 operations with the money we collect from the fees of the 4 5 towing operations. However, I'm not aware. I know for a 6 fact that there is no large surplus, there are a few 7 dollars, you know, after we do. But it is always impossible to come, you know, to break even, zero, zero. 8 9 However, to your question, we can look into that. The DPD can look into that, so when that point in time comes, 10 that there's more money in the fund. Then of course, the 11 fee reduction is something that the city could take a 12 13 look at, at that time.

14 COMMISSIONER WOODS: Thank you, kindly.

15 CHAIRPERSON PRESSLEY: Okay. Any further questions?16 COMMISSIONER BURTON: To the Chair.

17 CHAIRPERSON PRESSLEY: Commissioner Burton.

COMMISSIONER BURTON: Question for Mr. Nazarko. 18 19 There's \$400,000 in the budget here for ShotSpotter technology for covering you know basically 6 square 20 21 miles. Looking at the total arrest, total guns, recovered convictions, lawsuits, and the City of Detroit can 22 reinvest \$400,000 in another area that can really keep, 23 you know, help with quality life issues and keep citizens 24 25 safe. Because it doesn't seem like \$400,000 is a good

Page 62

1 investment here, but do you see that where \$400,000 could be reinvested somewhere else in the city's budget 2 MR. NAZARKO: Through the Chair. Again I am here to 3 4 present the fact that DPD has requested 400 additional 5 thousand dollars to support the ShotSpotter operations, 6 and earlier AC Fitzgerald answered all those questions 7 fully you know, as far as I'm concerned, but to answer the Commissioner's question on the investment of quality 8 of life, there are lots of other dollars throughout the 9 city. And to be exact, a number of those were mentioned 10 when the mayor met with President Biden. \$100 million 11 12 from ARPA funds is going to invest in the quality of life 13 of Detroiters and the schooling and all those things that 14 come with that in Parks and recreation and all that. So, 15 DPDs budget usually is geared towards the safety and 16 safer neighborhoods and those numbers that I presented here again, although overall quality of life is 17 absolutely tied to those numbers, but I cannot answer the 18 question as to what the 400 thousand dollars can do in 19 that regard. 20

21 COMMISSIONER BURTON: But Mr. Nazarko, we're talking 22 about the police departments, you know, line item in the 23 budget where we're talking about alerts for ShotSpotter. 24 We're talking about officers being overworked, you know, 25 trying to respond to those alerts, false alerts. Many of

them are false alerts. Very few guns are being recovered. 1 Very few arrests are being made. How many convictions, 2 lawsuits, civil liberties being violated right here in 3 America's blackest poor city like Detroit. Do you feel 4 that the \$400,000 additional is needed in this line item 5 in this budget, or can you find an area in the budget 6 where the \$400,000 can be reinvested to really do quality 7 work and good in this city? 8

9 CHAIRPERSON PRESSLEY: You don't have to respond to 10 that. I think that question is better directed to the 11 department. And I'm sure...

12 COMMISSIONER BURTON: Sure, the department can answer13 it too, Mr. Chairman

14 CHAIRPERSON PRESSLEY: But let's see if Commissioner 15 Bernard wants to add to that question or you...

16 COMMISSIONER BERNARD: I want to clarify, it's not 17 \$400,000. It says in response to the question, how much money is currently being spent on ShotSpotter for the 18 current fiscal year? What exactly is the budget for the 19 next fiscal year? Where is the money coming from? How 20 much money, if any, is being saved from using this 21 technology? What is the existing financial liability of 22 the department for lawsuits arising from wrongful 23 24 detention related to ShotSpotter systems? The answer. Fiscal year 24 spending year to date is \$451,325. 25

1 Additional and invoices are expected later in the fiscal year, '25 baseline request for 1.75 million plus 400,000 2 as a supplemental request. So it's an over \$2 million 3 project. Funding is allocated from the general fund. 4 5 MR. NAZARKO: That's a full response. 6 COMMISSIONER BERNARD: It's not \$500,000 7 MR. NAZARKO: Through the Chair. That's a full response that I would give. 8 9 COMMISSIONER BERNARD: I'm sorry. 10 MR. NAZARKO: That's a full response, Madam 11 Commissioner, because we have budgeted 1.7 this year. 12 Thus far, we have spent 451,000. Between now and June, we 13 expect to pay another \$1.3 million. And then next year, the budget, you're correct. We're asking for \$2.1 million 14 15 for the entire 33 square miles for ShotSpotter. 16 CHAIRPERSON PRESSLEY: AC Fitzgerald, do you have 17 anything to add? AC FITZGERALD: Through the Chair, if I may, and 18 we're going to give you this in writing because that's 19 what the Commissioner asked for. But in 2023, there were 20 18,065 alerts in the City of Detroit. Of those alerts, 21 22 there were 63,493 rounds of gunfire. Of those 18,000, 23 only 14,000, I'm sorry, 14,588, did not have a responding 24 911 call. They did not call 911 of those 18,000 gunshots. 25 ShotSpotter alerts were connected to 144 homicides and

Page 65

nonfatal shooting reports in an RMS, 144. Of those reports, 56 did not have a corresponding 911 call for service ShotSpotter alerts for 2023 were connected to 693 firearms recovered, and 403 arrests. And again, I'm sorry if you're losing sleep over 400,000, it took one gun to shoot that 11-year-old girl. One. I don't know how you can't fund it, but again, my humble opinion.

8 COMMISSIONER BERNARD: But the response is incorrect. 9 That's my point. None of these responses are truly 10 responsive to the questions that are...

11 CHAIRPERSON PRESSLEY: I'm confused by how you said 12 is incorrect. You read it and he said that's exactly the 13 response he would give now. And he said, you were right 14 when you read that response.

15 COMMISSIONER BERNARD: I know, but that's the point. 16 Including less than lethal force weapons, we have more 17 than tasers. We have other things. These are one sentence 18 responses to serious questions by the commissioners. 19 They're just not responsive, sir.

20 CHAIRPERSON PRESSLEY: Duly noted. I encourage all of 21 our commissioners to be diligent. And so if you have 22 responses in the answers that were given that you find to 23 be insufficient, make sure that you communicate that. And 24 I'm sure there might be some clarification that's 25 available. But let's not mix issues here. When the

1	response you read, he said it's absolutely correct. So I
2	don't see how you can say it's not accurate. Now, if you
3	want more detail than that, again, is your right, as
4	you're seeking for due diligence. But make sure that we
5	are being appropriate in how we're, excuse me, accurate
6	in how we're communicating to the public on what we have
7	received. Thank you. Thank you. Appreciate it.
8	MR. NAZARKO: You're welcome. Thank you.
9	CHAIRPERSON PRESSLEY: Our bylaws require
10	COMMISSIONER BURTON: Mr. Chairman.
11	CHAIRPERSON PRESSLEY: Excuse me. Yep.
12	COMMISSIONER BURTON: I still have additional
13	questions for Mr. Nazarko.
14	CHAIRPERSON PRESSLEY: Oh, I'm sorry. I thought you
15	had exhausted your questions.
16	COMMISSIONER BURTON: Oh, no, absolutely. I'm just
17	getting warmed up.
18	CHAIRPERSON PRESSLEY: Go right ahead, Commissioner
19	Burton.
20	COMMISSIONER BURTON: So you know, question Mr.
21	Nazarko, you know, the Detroit Police Department
22	participates in the 1022 program, as well as the 1033
23	program with the Department of Defense. We want to know
24	what dollars that's in the Detroit Police Department's
25	budget that's going into the Department of Defense,

1 whether it's for hand me down equipment or purchases of new equipment. We would also like to know what lawsuits 2 the city has paid out pertaining to those different, you 3 know as far as military grade equipment, you know, that 4 5 the City of Detroit has purchased through those programs. So we don't know about the lawsuits. We don't even know 6 what DPD has as far as in the inventory, what they 7 received over the years, when this equipment was 8 9 deployed. We know that when you had peaceful protestors in the city and the police department were wearing riot 10 11 gear that was military equipment that was deployed on the 12 streets. That day you had innocent protests thrown to the 13 ground, shot with flashbang grenades, pepper sprayed, 14 thrown down with zip ties behind the back. And some of 15 them were actually journalists.

16 MR. NAZARKO: Through the Chair. Commissioner on a 17 lighter note. You and I have been around, you know, a little longer than I know. As soon as I saw the question 18 on 1022 and 1033 programs, although they don't come with 19 commissioner's names, I assumed it was you because you 20 and I have been going back and forth on this for the last 21 5 years. And no, this was a lighter note. But to answer 22 23 your question, the budget that I presented to you in high terms does not include a single dollar for 1022, 1033, or 24 25 whatever that program with the federal government is. If

Page 68

1 DPD has any equipment from those programs, the last 5 years, we have not paid the dime. And when I say we, I've 2 been in charge of finances, we have not paid a dime if 3 they are donated or whatnot, that's a different type of 4 5 question that I recommend you ask. Meaning that, do we have any military type of equipment? And then AC 6 Fitzgerald, I'm sure, you know will be fully capable of 7 answering that. But dollars wise, keep in mind that I'm 8 here to justify or not justify, but to give you the full 9 account on that \$399 million. There is not a single 10 dollar in their budget slated for any type of military 11 12 equipment.

13 COMMISSIONER BURTON: Okay? So, Detroit Police 14 Department, once again, participates in two programs, 15 1022, 1033. One program allows them to get hand-me-down 16 equipment by just calling up the Pentagon, and another 17 program with the Department of Defense allows them to purchase new technology, new toys, new armored vehicles, 18 assault rifles, whatever, as far as military grade 19 equipment. Is there grant dollars that allows them to get 20 this because they have these toys? The question is what's 21 22 in Detroit's Police Department's inventory. When was the last time any of this technology was deployed? But the 23 24 dollars are coming from somewhere. We just like to know where the line item is in the budget. 25

1 MR. NAZARKO: It's not in that budget.

2 CHAIRPERSON PRESSLEY: Okay. Thank you so very much3 for your report. Commissioner Bernard.

4 COMMISSIONER BERNARD: Just real quickly. You have on 5 your budget request, it's not a page number, it just says 6 appropriation name. It appears we have about \$7 million 7 in grants. Is that correct?

8 MR, NAZARKO: Yes, that is correct. 6.8

9 COMMISSIONER BERNARD: ATPA preventing auto theft 10 fiscal year '25, 3.8 million. What is that? I just want 11 to know.

12 MR. NAZARKO: ATPA is the Auto Theft Program.

13 COMMISSIONER BERNARD: I'm sorry? Auto Theft Program.

14 MR. NAZARKO: Auto Theft Program. Yes.

15 COMMISSIONER BERNARD: And so that money came from 16 the 3.8 million came from...

17 MR, NAZARKO: State of Michigan.

18 COMMISSIONER BERNARD: I'm sorry.

MR. NAZARKO: State of Michigan. The insurance companies have a fund they program that goes through the different municipalities. And the terms are that 50% are supported by that. And the City of Detroit pays another 50% for the police officers that support that operation. COMMISSIONER BERNARD: Okay. And the Justice Assistance grant of 1.1 million, that's from the

1 Department of Justice, I assume.

2 MR. NAZARKO: Correct. Federal government.

3 COMMISSIONER BERNARD: What's that for?

MR. NAZARKO: I don't have the details of that, but to support police operations and mainly the crimes but again, it's not...

7 COMMISSIONER BERNARD: In the future, can you say
8 where the grants come from, if it's a federal grant or
9 state grant, if you don't mind?

10 MR. NAZARKO: Yes, I definitely can do that. Yes.

11 COMMISSIONER BURTON: To the question.

12 COMMISSIONER BANKS: My question.

13 COMMISSIONER BURTON: To the Chair.

14 CHAIRPERSON PRESSLEY: Commissioner Burton.

15 COMMISSIONER BURTON: Question for the Chief. When 16 was the last time the Detroit Police Department received 17 anything from the Department of Defense for its military 18 grade equipment in the 1022 program, as well as the 1033 19 program.

AC FITZGERALD: Through the Chair, to the best of my ability, the last thing we received, I believe, was one of the helicopter blades on either the 1972 helicopter we have, or the 1976 helicopter.

24 COMMISSIONER BURTON: When was that?

25 AC FITZGERALD: I don't recall off the top of my

1 head. I can get the information for you though.

2 COMMISSIONER BURTON: We also like to know the 3 inventory of everything that the department received from the Department of Defense, from the 1022 program, as well 4 5 as the 1033 program that's in your inventory, as well as when that equipment was ever deployed. We, you know, from 6 an oversight standpoint, have a right to know when the 7 Detroit Police Department is participating in such 8 9 programs. We don't even have an idea what's in the inventory when the last time any of this in this stuff 10 was ever used. We'd like to have a thorough detail of 11 12 every military grade equipment that's in your inventory, 13 AC FITZGERALD: Of course, and through the Chair. 14 Sir, if you can just put that in writing please because you asked a lot of questions there, and if you detail it 15 16 we will detail it for you.

COMMISSIONER BURTON: And the last question for Mr. 17 Nazarko is \$6 million for the 12 precinct for 18 renovations. Can you break down the material costs? Why 19 is the renovation of \$6 million? You can buy a building 20 for a lot less than that. I mean, the doggone Pontiac 21 Silverdome sold for a half a million, you know, and we 22 talking about the Pontiac Silverdome. So why is \$6 23 24 million for renovations for the 12th Precinct? 25 MR. NAZARKO: Through the Chair? That is an estimate

1 of the cost after DPD, through their management services, went and did an inventory as to what needs to be done and 2 whatnot. The \$6 million is just that, an estimate. It's 3 not an authorization to spend that money. If we were to 4 do that, if the city gives DPD \$6 million to renovate the 5 6 12th Precinct is going to go through the all hoops and 7 motions to that every single dollar goes, through approvals, through contracts, through bidding, through 8 9 Detroit contracts, all that. So the detail is there on the slide I wrote there, what needs to be done, but more 10 11 details, DPD, again, through the written responses, we 12 can supply that as to what we estimate to cost \$6

13 million.

14 CHAIRPERSON PRESSLEY: Thank you. And I'm going to 15 ask any further questions to be put in writing, and then 16 you can get those formal responses either from the CFO or 17 DPD.

18 COMMISSIONER BANKS: Can I ask a quick one, Mr.
19 Chair?

20 CHAIRPERSON PRESSLEY: Quickly.

21 COMMISSIONER BANKS: Very quick. Where's the budget 22 now? Are we at about \$600 million, DPD 600, somewhere in 23 there?

24 MR. NAZARKO: No. DPD all funds I should say is 25 around \$440 million, all funds, not just general fund.

1 COMMISSIONER BANKS: 440?

2 MR. NAZARKO: 440. Yes.

3 COMMISSIONER BANKS: I'm set Mr. Chair.

4 CHAIRPERSON PRESSLEY: Thank you.

5 COMMISSIONER BERNARD: A total city budget?

6 MR. NAZARKO: The total city budget is close to \$2 7 billion.

8 COMMISSIONER BERNARD: I'm sorry,

9 MR. NAZARKO: \$2 billion, period.

10 COMMISSIONER BERNARD: Okay.

CHAIRPERSON PRESSLEY: Commissioner Bernard, you have 11 12 not been recognized again. Make sure you put those 13 questions in writing, and I'm sure you'll get your 14 response. Our bylaws require, well, it encourages us to 15 give an hour. Thank you for the report. Our bylaws have 16 an hour for public comment, and there were some 17 commenters that got in before the 4 o'clock hour. And so we want to take this time to allow them to speak. So who 18 19 do we have?

20 MS. UNDERWOOD: Mr. Chair. Mr. Scotty Bowman. He 21 signed on before that hour.

22 Okay. Mr. Bowman, are you there?

23 MR. BOWMAN: Yes. Can you hear me?

24 CHAIRPERSON PRESSLEY: Yes, go right ahead.

25 MR. BOWMAN: Yeah, first of all, I wanted to commend

1 Commissioner Burton on his very thorough questions regarding the city budget. I think there are lots of pork 2 in there, and there are lots of things that could be 3 trimmed, and it's kind of hard to say where to begin, but 4 5 when I heard about like just now, something about the \$6 6 million toward renovating one of the training centers, I remember something on that order of a budget for 7 8 renovating it a couple years ago. It just seems like 9 there is this money that constantly needs to be spent on things that is a very large amount of money that when 10 wouldn't expect to be purely maintenance funds, but 11 12 actual construction funds like he was stating. But it 13 seems like these things keep coming back in a perennial 14 fashion, and it just seems way accessible.

15 And as far as towing, I don't see why that can't be 16 outsourced. And if there is abuse, then, then there needs 17 to be, you know, apply the oversight powers of the police commission to see that there isn't abuse. And I do know 18 there has been abuse in the past with private tour, but 19 at least they can be overseen and called to task by the 20 21 city government. If the city government, on the other 22 hand, is doing the same kind of shenanigans to private 23 businesses, there's no oversight on that. Now you got the Fox watching the chicken coop, so to speak. So, you know, 24 25 we can't have that. And that's something that concerns me

Page 74

Page 75

also. Now finally one thing unrelated to the budget that 1 I just felt like commenting on again, and, you know, I 2 commented on this before, but I really think the Detroit 3 Police Department needs to take missing person cases 4 5 seriously. And when people like Ashley Smith go reporting her missing sister Shelby to the police that they 6 actually carry out the investigation and accept the 7 report and at least put out, you know, just a call out 8 that she is a missing person. Thank you. 9

10 CHAIRPERSON PRESSLEY: Thank you. Is that the only 11 comment? Alright, thank you so very much. And now we'll 12 now move on to new business, having already done the 13 Board Secretary's incoming communication and 14 announcements. And so we'll begin with the Policy 15 Committee Report by the Chair of the Policy Committee, 16 Commissioner Bernard.

17 COMMISSIONER BERNARD: Thank you, Mr. Chairman. On behalf of the Board of Police Commissioners Policy 18 Committee, our updates are as follows, regarding the 19 meeting held on February 20th, a couple of days ago here 20 at Police headquarters. The Board attendees were myself, 21 Darryl Woods and Commissioner Burton. The community other 22 members that were present, including Acting Secretary 23 24 Robert Brown, Jasmine Taylor, and our guest speakers included Commander Ian Sweeney from, I know I 25

1

2

3

4

mispronounced that I apologize. He's from Major Crimes. We had Marvin Jones, the Executive Manager of Crime Intelligence, which is Project Green Light. We had Attorney Eric Williams from the Justice Center, Detroit,

and Mr. Kenneth Nixon, the President of the Organization 5 6 of Exonerees. The special guest, Attorney Eric Williams' presentation was on Project Green Light, and he 7 represents the Justice Center in Detroit. Attorney Eric 8 Williams reviewed and discussed concerns on Project 9 Greenlight. Please refer to the city's website to view 10 the PowerPoint presentation on that. Commander, Ian 11 12 Sweeney and Marvin Jones addressed some concerns 13 regarding the meeting and provided clarification on 14 Project Green Light.

Marvin Jones reported that he will take all of the 15 16 questions and suggestions developed during the policy Committee meeting to the Chief of Police to provide 17 additional clarification. Attorney Williams agreed to 18 continue to work with the committee on the improvements 19 and evaluation of Project Green Light. There hasn't been 20 one since it's been here since it was started by our 21 former chief regarding the policy 203.11 eyewitness 22 identification and lineups. There was a robust discussion 23 really led by Mr. Kenneth Nixon. Mr. Nixon reviewed all 24 of the recommendations and the current policy that we're 25

Page 76

getting ready to bring to the Board. I've asked him to redline that policy and give us his specific feedback on various provisions of that, and I'll bring those back to the board. He has agreed to work with the Committee in the future to assist with the improvements of the language in the policy.

7 It's important to note that he represents not only the Innocence Project here in Detroit, but he's on the 8 Statewide Innocence Project Board, as well as the 9 National Board. So this is a very, very educated, if you 10 will, proficient person regarding these issues concerning 11 12 eyewitness identification, since most of the convictions 13 that are overturned are related to faulty eyewitness 14 identification. I will say, Mr. Chair, that one of his 15 primary concerns is that we train all officers on 16 eyewitness identification, since that's the biggest area 17 where people are wrongfully convicted. There's a BOPC resolution for Detroit Leadership and Community Success 18 regarding President Obama's goals for 21st century 19 community policing. Mr. Teresa Blossom was scheduled to 20 21 make that presentation, but because we had two guest speakers, two very prominent guest speakers as well as 22 the department representatives, we didn't get to that. 23 But we'll get to it at the next meeting. And we'll also 24 have at that meeting the driver's license plate reader's 25

Page 77

policy, a draft of that, as well as a review of the
 bylaws. I've started that, but I haven't done anything.
 I've started, but I haven't finished it. Finally, the
 next policy meeting will be March 5th at 5:00 PM in this
 room. Thank you, Mr. Chairman. Thank
 CHAIRPERSON PRESSLEY: Thank you. Any questions for
 the Policy Committee? Commissioner Banks.

8 COMMISSIONER BANKS: Through the Chair. I just want 9 to say, I watched your committee yesterday on zoom, me 10 and my wife.

11 COMMISSIONER BERNARD: Thank you.

12 COMMISSIONER BANKS: And you chaired a very good 13 committee. You had a large crowd there. The crowd was 14 very zealous. And we enjoyed it. We watched it, the whole 15 two hours, man, or however long it lasted.

16 CHAIRPERSON PRESSLEY: Are there any questions, or 17 comments for the Policy Committee Report? Hearing none, 18 we thank you. Commissioner Woods.

19 COMMISSIONER WOODS: Yes. If I may, you know, just to 20 address the fact that, you know, we hear sometimes that 21 we're not doing our due diligence and that we're not 22 listening to the right people. But when you have the 23 likes of the Detroit Justice Center attorney in there who 24 was in our meeting last week and had a full opportunity 25 to have a robust discussion with members of the

Page 79

department, I thought that was phenomenal. And as well as 1 to be able to have someone who was exonerated, who did 16 2 years in prison, or wrongfully. I heard references about 3 the 10,000,000 lawsuit and things of that nature. I 4 5 personally was in that trial, sat in that trial as a 6 trial watcher, you know, and heard the different nuances 7 in that particular case so that we do have a sensitivity to make sure that we protect the citizens of the City of 8 9 Detroit. And so it was a great, robust conversation, and the policy is being developed to ensure that people do 10 11 not get wrongfully incarcerated.

CHAIRPERSON PRESSLEY: Thank you. Commissioner
 Bernard.

14 COMMISSIONER BERNARD: Deputy Chief Fitzgerald, 15 please convey to the Chief our gratitude for him allowing 16 those two gentlemen to participate and I look forward to 17 their participation in the future. Generally, Deputy 18 Chief Haynes is part of our meeting as well, so I want to 19 keep this going. Thank you.

20 CHAIRPERSON PRESSLEY: Okay. And so now the Chair 21 entertains a motion that we enter into close session 22 pursuant to Section 8(a) of the Open Meetings Act, MCL 23 15, excuse me, MCL 15.268 (f). The department's request 24 for the Board to consider administrative leave without 25 pay, but with medical benefits for Police Officer John

1 Criswell, Badge number 2871, assigned to the 7th

2 Precinct.

3 COMMISSIONER WOODS: So move.

4 CHAIRPERSON PRESSLEY: Is there a second?

5 COMMISSIONER: Second.

6 CHAIRPERSON PRESSLEY: It's been properly moved and 7 second. Any discussion? Hearing no discussion, all those 8 in favor, please signify by saying, Aye.

9 COMMISSIONERS: Aye.

10 CHAIRPERSON PRESSLEY: All those opposed, no. The 11 ayes have it. That motion passes. We now have a 5 minute 12 recess to set the room up for a closed session. We ask 13 that all exit the room who are not designated to be in 14 closed session. Thank you. We are now back in session. We 15 call open session back into order. We will have a roll 16 call by Mr. Brown,

17 MR. BROWN: Chairperson Pressley - Here.

18 MR. BROWN: Vice Chairperson, Bell - Present.

19 MR. BROWN: Commissioner Smith - Present.

20 MR. BROWN: Commissioner Bernard - Present.

21 MR. BROWN: Commissioner Banks -

22 MR. BROWN: Commissioner Burton - Present.

23 MR. BROWN: Commissioner Carter - Present.

24 MR. BROWN: Commissioner Woods - Present.

25 CHAIRPERSON PRESSLEY: Alright, we do indeed have a

Page 81

1 quorum. Is there a motion?

COMMISSIONER WOODS: I make a motion to accept the
recommendations by Chief White on Officer Criswell.
VICE CHAIRPERSON BELL: I second.
CHAIRPERSON PRESSLEY: It's probably been moved and

6 second to accept the Chief's recommendation to place

7 Police Officer, John Criswell, Badge number 2871, on

8 administrative leave without pay, but with medical

9 benefits. Is there any discussion?

10 COMMISSIONER BERNARD: Yes.

11 CHAIRPERSON PRESSLEY: Commissioner Bernard, being 12 mindful of what can be shared in open session.

13 COMMISSIONER BERNARD: I understand. My, if you will, 14 objection to the recommendation is simply what I've said 15 before many, many times, is that first of all, when an 16 officer has not been convicted of anything, despite what 17 the gentleman from the Chief's Office stated that taking 18 their pay is not a punishment.

19 CHAIRPERSON PRESSLEY: I'm just going to say that 20 this is becoming very concerning about... You just said 21 what somebody said. So again, just try to make it...

22 COMMISSIONER BERNARD: The recommendation is that he23 be suspended without pay.

24 CHAIRPERSON PRESSLEY: I do hear that.

25 COMMISSIONER BERNARD: My comments are related to the

Page 82

1 suspension without pay. That is prior to there being any 2 finding by courts or anyone else of any legal infraction 3 that could be perceived as a felony. But my real 4 objection...

5 CHAIRPERSON PRESSLEY: I think you're sharing
6 information that is not public knowledge, Commissioner
7 Bernard.

8 COMMISSIONER BERNARD: I'm not.

9 CHAIRPERSON PRESSLEY: You are. There is nowhere in 10 there that there was any discussion about a felony. And 11 so your disclosure of that is to share something that was 12 shared in a closed session that is not a matter of public 13 record.

14 COMMISSIONER BERNARD: Alright, then I apologize for 15 that aspect. But my concern is that when we take a 16 person's pay, as I've said many times, you sometimes 17 force them into criminal activity. But beyond that, prior to there being any finding of any wrongdoing, we have 18 3000 or more positions. We can find desk jobs, all kinds 19 of jobs for people so that their income is not 20 interrupted, their family is not hurt by this until such 21 time as there's been a finding. And my real comment about 22 it, Mr. Chairman, is that if City Council people, mayors, 23 everybody, they can be indicted formally by the federal 24 25 government, they continue their pay until such time as

Page 83

there's been a finding of guilt of whatever the offense 1 might be, then I don't think it's fair to have a 2 different standard for officers who are way down on the 3 pay scale compared to elected officials, and that's my 4 real concern. And the real reason for that is that they 5 don't have, say with medical benefits, but the copay on 6 your medical insurance is about 150 a month or more than 7 \$100 a month. How do you even pay the copay if you don't 8 have any income? So I just think it's fundamentally 9 unfair to do that prior to there being any legal findings 10 of any kind of wrongdoing. 11

12 CHAIRPERSON PRESSLEY: Let the record reflect that 13 Commissioner Banks has joined us. Is there any further 14 discussion on the motion? Vice Chair Bell?

15 VICE CHAIR BELL: Mr. Chairman, as you well know, the 16 charter is clear. We have this charge to suspend without 17 pay. And prior to that, we're adding without medical benefits, there was no issue with that. You suspended 18 19 without pay. It's as simple as that. We're based on the 20 facts and our charter mandates our responsibility. It's clear we are not the council, we are not any other any 21 other board, we are the Board of Police Commissioners. 22 23 COMMISSIONER BERNARD: The charter does not say anything about suspension 24

25 CHAIRPERSON PRESSLEY: You have been recognized,

1 Commissioner Bernard. Commissioner Woods.

2 COMMISSIONER WOODS: I would just say that we are 3 charged to be able to represent the people of the City of 4 Detroit and our constituents, and that we should do any 5 and everything that we can to be able to protect the 6 citizens of the City of Detroit. And I'll just leave it 7 like that.

8 CHAIRPERSON PRESSLEY: Thank you. Is there any 9 further discussion? Alright, hearing none again, this 10 requires a two third majority vote. And so, Mr. Brown, 11 roll call please. And again, the motion is to accept the 12 Chief's recommendation to place Officer John Criswell on 13 administrative leave without pay but with medical

14 benefits.

15 MR. BROWN: Chairperson Pressley - Yes.

16 MR. BROWN: Vice Chairperson Bell - Yes.

17 MR. BROWN: Commissioner Smith - Yes.

18 MR. BROWN: Commissioner Bernard - No. For the reason19 stated.

20 MR. BROWN: Commissioner Banks - Yes.

21 MR. BROWN: Commissioner Burton - Yes.

22 MR. BROWN: Commissioner Carter - Yes.

23 MR. BROWN: Commissioner Woods - Yes.

24 CHAIRPERSON PRESSLEY: 7 yes votes, 1 no vote. That 25 motion passes. Is there any other motion under new

1 business?

2 COMMISSIONER BURTON: Through the Chair, I'd like the 3 call for adjournment.

4 CHAIRPERSON PRESSLEY: Adjournment is called. Is

5 there a second?

6 COMMISSIONER BERNARD: Second.

7 CHAIRPERSON PRESSLEY: It's been properly moved and8 second. Is there discussion?

9 COMMISSIONER CARTER: I had a couple of motions.

10 COMMISSIONER BURTON: It's already been called, and

11 seconded, Mr. Chairman.

12 CHAIRPERSON PRESSLEY: In my opining that until the 13 vote has been had any motion that is yet to be done can 14 be had. Commissioner Carter.

15 COMMISSIONER CARTER: Thank you Mr. Chair. I have two 16 motions. The first motion is, I'm going to have

17 resolutions prepared by staff for the Commissioners,

18 Annie Holt and Commissioner Reverend Dr. Holley.

19 COMMISSIONER BERNARD: Second.

20 CHAIRPERSON PRESSLEY: It's been properly moved and 21 second. Is there any discussion?

22 COMMISSIONER CARTER: Mr. Chair, this is not an easy 23 job. And I think that we should recognize people who've 24 spent their time on the Board and commemorate them with 25 that honor.

1 CHAIRPERSON PRESSLEY: Any further discussion?

2 COMMISSIONER BERNARD: I agree.

3 COMMISSIONER BURTON: To the Chair.

4 CHAIRPERSON PRESSLEY: Commissioner Burton.

5 COMMISSIONER BURTON: You know, I'd like to amend Commissioner Carter's motion. I'd like it if we can 6 recognize all of those you know that served on the Board 7 of Police Commissioners as commissioners in the past 50 8 9 years. You know, you have a lot of men and women that 10 served in these seats where we are today. And some of them have not received resolutions or credentials. And 11 12 it'll be a good opportunity for all of them to be 13 recognized, unifying, you know, together as we celebrate 14 the 50 year anniversary of police oversight here in 15 America.

16 COMMISSIONER BANKS: I'll second that. I think that's 17 only fair not to show favoritism. You had some great 18 people on this Board.

19 CHAIRPERSON PRESSLEY: There's been an amendment to 20 the motion to have the staff to write resolutions for all 21 former commissioners in the last 50 years. And it has 22 been seconded. Is there any amendment?

23 COMMISSIONER BURTON: You also had former

24 commissioner/attorney Sharon Bernard, you know, who

25 served honorably on this Board and was appointed by Mayor

Page 87

Coleman Young. I mean, you talking about a warrior when
 it comes to you know her ability to think and to organize
 and to delegate.

4 CHAIRPERSON PRESSLEY: It would be included in the 5 current motion. Any further discussion with the 6 amendment?

7 COMMISSIONER BERNARD: Just briefly, I think...

8 CHAIRPERSON PRESSLEY: Excuse me. Speak through the 9 Chair. Wait to be recognized. Commissioner Carter.

10 COMMISSIONER BERNARD: I'm sorry.

COMMISSIONER CARTER: I think that the appropriate 11 time to recognize people for the 50 years is sometime 12 13 during the summer when we normally recognize our years of service on the Board and people who have been on the 14 15 Board. I think that this is different from that because 16 this is just simply honoring people who just left the 17 Board and just to make sure that they receive the recognition that they 18

19 CHAIRPERSON BERNARD: Commissioner Bernard.

20 COMMISSIONER BERNARD: Just quickly. I agree with 21 Commissioner Carter and Commissioner Burton. Commissioner 22 Burton, I think that that recognition event should be 23 something we should plan. It should be a real event 24 because it's a half century, it's a milestone event. So I 25 think we need a different type of celebration for that.

1 But I absolutely concur with the resolutions for Jim Holley, and obviously for Commissioner Holt. 2 COMMISSIONER BURTON: And also through the Chair. 3 CHAIRPERSON PRESSLEY: Commissioner Burton. 4 5 COMMISSIONER BURTON: We don't know, and maybe our 6 Acting Secretary can look into this for us as Board members. We don't know which Board members over the past 7 8 50 years of police oversight receive resolutions and 9 things of that nature. And at some point in time, they 10 probably, you know, didn't get a resolution, or they did. But we do know when it comes to commissioners that did 11 12 not get retirement credentials would be Commissioner 13 William Davis, who served honorably on this Board, 14 Commissioner Darryl Brown, who also served honorably on 15 this Board. I mean, we had so many wonderful people that 16 served, including Sharon McPhail, who also served 17 honorably on this Board, along with Sharon Bernard, honorable Sharon Bernard who was a trailblazer. And I 18 19 think when it comes to police oversight, she only had two 20 women that happened to be sisters to serve in a police 21 oversight capacity. And that would be Commissioner Linda Bernard, along with her sister, Sharon Bernard. 22 CHAIRPERSON PRESSLEY: So, is there any further 23 discussion on the amendment to the motion, which is to 24

25 have the staff to write resolutions for all former

commissioners in the last 50 years? Commissioner Woods?
 COMMISSIONER WOODS: Yeah.

3 COMMISSIONER BURTON: That did not receive one.

4 CHAIRPERSON PRESSLEY: That did not receive one.

5 Commissioner Woods.

6 COMMISSIONER WOODS: Yes. If it's with the caveat 7 that we do this at a later time and do it in a way that 8 it could be properly done.

9 COMMISSIONER BANKS: That'd be good at a later time. 10 I agree with that.

CHAIRPERSON PRESSLEY: Again, the amendment on the 11 12 floor to the initial motion is that the staff writes 13 resolutions for all former commissioners of the last 50 14 years who have not received resolutions. Vice Chair Bell. 15 VICE CHAIR BELL: Mr. Chairman, I think Ms. Blossom 16 could speak to our ... When we hosted NACOLE, we recognized and honored all past commissioners in that framework. And 17 we don't know what transpired in the past, but I know on 18 that anniversary ... Ms. Blossom, could you come through the 19 mic please? How we went through the whole 20

21 COMMISSIONER BURTON: Point of order, Mr. Chair, 22 point of order. Commissioner Bell, you do have to 23 communicate that to the Chairperson so he can introduce a 24 staff member to the mic. No disrespect, but my apologies. 25 CHAIRPERSON PRESSLEY: Go right ahead. Ms. Blossom.

1 MS. BLOSSOM: Through the Chair, Theresa Blossom Police Community Relations Coordinator I certainly cannot 2 speak to what happened with the Board prior to my arrival 3 4 in 2017, but certainly since 2017, every year we try to 5 celebrate the anniversary of the Board and all the 6 Veteran service done by the appointed commissioners prior to 2012 and the elected Since then, every July, which is 7 the anniversary date of the first meeting of the Board of 8 Police Commissioners, we did have a special recognition 9 in two 2019 when we hosted NACOLE, and it was the 45th 10 anniversary of the Board of Police Commissioners. And we 11 12 certainly had planned to do it this year in 20 24 for the 13 50th. And in fact, I think you saw the ad circulated last 14 week as a draft, making a special point of showing the 15 community, not just the 2024 Board, but also the fact 16 that this is an 50th anniversary year. Traditionally the 17 meeting in July has been the 10th Precinct meeting, which has a special historical significance because the 10th 18 Precinct was the home of the Civil Rebellion in 1967. And 19 that was the impetus for so much revision, including the 20 1974 charter that gave birth to the Board of Police 21 Commissioners. 22

23 CHAIRPERSON PRESSLEY: Thank you for that context. 24 Again, the motion on the floor is the amendment to the 25 motion that the staff drafts resolutions for all former

Page 90

Page 91

1 commissioners who had for the last 50 years, who have not received resolutions. Is there any further discussion on 2 that amendment? Hearing none. All those in favor of the 3 amendment? So we're just voting on that amendment, and 4 5 then we will vote on the motion. Okay. So if you don't want this amendment, but you do want that motion for 6 7 Holley and Holt, that will come after this vote. I hope that was clear. Okay. So all those in favor of the 8 9 amendment, which is to have the staff write resolutions for all former commissioners in the last 50 years who 10 11 have not received resolutions, please signify by saying, 12 Aye. 13 COMMISSIONERS: Aye. 14 CHAIRPERSON PRESSLEY: All those opposed, no. The nos 15 have it present. Alright, so now that motion ... 16 COMMISSIONER BURTON: I called for a record roll call 17 vote. Mr. Chairman. CHAIRPERSON PRESSLEY: Roll call has been called. Mr. 18 19 Brown. COMMISSIONER BURTON: And for the record, Mr. 20 21 Chairman, you know, we haven't always had ... CHAIRPERSON PRESSLEY: Roll call has been called. Mr. 2.2 23 Brown. MR. BROWN: Chairperson Pressley - No. 24 25 MR. BROWN: Vice Chairperson Bell - No.

1 MR. BROWN: Commissioner Smith - No.

2 MR. BROWN: Commissioner Bernard - Yes for

3 presentation in July.

4 CHAIRPERSON PRESSLEY: That is not the motion.

5 COMMISSIONER BERNARD: No, but that's the point.

6 CHAIRPERSON PRESSLEY: So what is your vote on the

7 motion?

8 COMMISSIONER BERNARD: Yes, because they'll be given 9 out in July. We didn't say a date they had to go out.

10 CHAIRPERSON PRESSLEY: The motion has nothing to do

11 with the date. The motion is to have the staff write

12 resolutions for the last...

13 COMMISSIONER BERNARD: Okay, fine.

14 CHAIRPERSON PRESSLEY: Thank you.

15 COMMISSIONER BERNARD: Give them out then.

16 MR. BROWN: Commissioner Banks - Yes.

17 MR. BROWN: Commissioner Burden -Yes. So they can go

18 out for July, yes.

19 MR. BROWN: Commissioner Carter - No.

20 MR. BROWN: Commissioner Woods - No.

21 CHAIRPERSON PRESSLEY: Alright. So that motion fails. 22 Now we're back to the original, original motion, which is 23 to have the staff to write resolutions for former 24 Commissioners, Holt and Holley. Is there any further

25 discussion on that motion? Hearing none. All those in

Page 92

1 favor please signify by saying, Aye.

2 COMMISSIONERS: Aye.

3 CHAIRPERSON PRESSLEY: All those opposed, no?

4 Alright. The ayes have it. That motion passes.

COMMISSIONER CARTER: Mr. Chair, through the Chair.
 COMMISSIONER BURTON: Mr. Chair, I'd like to make a

7 motion.

8 CHAIRPERSON PRESSLEY: I recognize Commissioner

9 Carter.

10 COMMISSIONER BURTON: Sure, no problem.

11 COMMISSIONER CARTER: Thank you, Mr. Chair. The

12 second motion is for the approval of the DPD fiscal year

13 2000, I mean, fiscal year '25 budget request.

14 CHAIRPERSON PRESSLEY: Is there a second?

15 COMMISSIONER: Second.

16 CHAIRPERSON PRESSLEY: It's been properly moved, and 17 second.

18 COMMISSIONER BURTON: I'd like to amend the motion,19 Chairman.

20 CHAIRPERSON PRESSLEY: It has been prod moved and 21 second that we approve the DPDs budget for fiscal year 22 '25. Is there any discussion? Now you can go Commissioner 23 Burton?

24 COMMISSIONER BURTON: Yes, Mr. Mr. Chairman. Thank 25 you for recognizing District 5 here. There have been

Page 94

1 inquiries about DPDs budget for strengths and weaknesses. DPD has not been able to provide that at this time, nor 2 has Mr. Nazarko finished answering all of the Board's 3 4 questions. So questions were submitted to Mr. Nazarko in 5 writing by the Board. And then there are some follow up questions later. It would've been nice if the department 6 as well as Mr. Nazarko could have submitted the budget to 7 the Board as of December. It would've given the Board 8 9 plenty of time for preparing questions, but also having these conversations. When we're talking about budgets, I 10 mean, we really have to look at the strengths and 11 12 weaknesses. You know and there are so many line items, we 13 need to go through and analyze each line item.

14

15 When there is something that's in the budget like \$6 16 million for renovation of the 12th Precinct, it becomes alarming because the Pontiac SilverDome sold for roughly 17 a half a million dollars. You can buy a new building for, 18 you know, and how many new buildings for \$6 million. 19 There's nothing in the budget that talks about cost of 20 21 material. You know, and so I have concerns. I have concerns about the towing line item within the budget as 22 well. And those are just a few of my concerns, but those 23 are just a few of the Board's concerns. I mean, there are 24 more concerns that we still have. And so therefore, I 25

1 like to know that these are still questions out there. Mr. Nazarko didn't answer all of our questions today. But 2 we do plan to have them come back by next week to answer 3 our questions throughout this coming week. And so I like 4 5 to review those questions. I mean, the answers from those questions when they come in. And so I'd like to call for 6 an amendment of this motion right here to table this 7 until next week. That will give us plenty of time to 8 review... 9 CHAIRPERSON PRESSLEY: Point of order. That's not an 10 amended motion. That's a different motion. 11 12 COMMISSIONER BURTON: Okay. I'd like to call the 13 table. 14 CHAIRPERSON PRESSLEY: Is there a second? 15 COMMISSIONER BERNARD: I'll second it. CHAIRPERSON PRESSLEY: Wait. Point of order. A table 16 can only happen if there's an urgent matter that doesn't 17 allow us to handle the business now. There isn't anything 18 urgent that stops us from handling the business now. You 19 20 can vote it down. 21 COMMISSIONER BERNARD: No. COMMISSIONER BURTON: Yes, there is. 22 CHAIRPERSON PRESSLEY: You can vote it down and then 23 bring it back next week. But the motion to table is if 24 there is an emergency situation that didn't allow us to 25

finish our business. So that motion is out of order. Is
 there any further discussion on the motion? Commissioner
 Bernard.

4 COMMISSIONER BERNARD: Just let me respond very
5 quickly. Mr. Chair, you invited us during Mr. Nazarko's
6 CHAIRPERSON PRESSLEY: Nazarko.

7 COMMISSIONER BERNARD: Presentation to submit our additional questions in writing so that they could 8 9 respond to them. He left the room with the clear understanding that the budget was not approved and that 10 there would be additional information that his office 11 12 would have to provide, and you invited us to do that. So 13 I think that the motion is untimely. I mean, there is no urgency that means that we have to do this today. And as 14 15 Commissioner Burton said, most of these answers are not 16 even thorough. That's obvious.

CHAIRPERSON PRESSLEY: The Chair has made no decision 17 one way or another. I'm responsive to motions that are 18 made by this body. There has been a motion that is made 19 and seconded. And so I'm just moving forward based on 20 Robert's Rules of order. Any further discussion on the 21 motion? Hearing none. All those in favor of, again, the 22 motion is to approve DPDs budget for fiscal year '25. 23 24 COMMISSIONER BURTON: I'd like to amend that motion. 25 Mr. Chairman, at this time.

CHAIRPERSON PRESSLEY: What is your amendment?
 COMMISSIONER BURTON: I like to call for a motion to
 postpone the next meeting.

4 CHAIRPERSON PRESSLEY: The motion is not recognized.
5 COMMISSIONER BURTON: To postpone.

6 CHAIRPERSON PRESSLEY: The motion is not recognized.
7 Any further discussion? Hearing no further discussion...
8 COMMISSIONER BURTON: For discussion, Mr. Chairman.

9 CHAIRPERSON PRESSLEY: For discussion, please,

10 Commissioner Burton.

COMMISSIONER BURTON: Mr. Chairman? You know what, 11 12 Mr. Chairman, I'd like it if we can bring our fiscal 13 manager to the podium to ask whether or whether or not 14 all of the Board's questions that were submitted in writing, were they answered by Mr. Nazarko, as well as 15 16 are there any other communications that we are looking to get from Mr. Nazarko this week? I think it is very 17 important that we know that before we vote on this line 18 19 item now.

20 CHAIRPERSON PRESSLEY: I think that it is clear 21 without his communication that there is still some 22 unreadiness by some commissioners around the budget. That 23 is clear. It has been stated by at least two 24 commissioners at this table that there are still 25 outstanding questions that you would desire to be

1 answered. And that doesn't require...

COMMISSIONER BURTON: But through the Chair, we 2 3 followed protocol and the protocol was for us to submit questions in writing. Board members have done that but if 4 5 the questions have not been answered correctly or accurately or sufficiently, which is from Mr. Nazarko, 6 and there are still continual questions out there, then 7 we need to know the answers to those questions before we 8 9 can move forward today. Therefore, we should not rubber stamp today's budget if there are still questions out 10 there that need to be answered. Mr. Nazarko was here. 11 CHAIRPERSON PRESSLEY: Commissioner Burton: I don't 12 13 want you to -

14 COMMISSIONER BURTON: And he cannot answer all of our 15 questions. That means that the conversation is going to 16 continue to go on. But the thing about it, the real 17 question we need to look at is why the department or Mr. Nazarko didn't bring the budget to us sooner. But since 18 we have submitted questions and our questions haven't 19 been answered today, why do we have to vote on this 20 21 today?

22 CHAIRPERSON PRESSLEY: Commissioner Burton, I don't 23 want you to feel as if I'm disenfranchising or taking 24 away your agency. You still have the opportunity to vote, 25 no in approving it. And if it fails, then it can come

DBOPC 02/22/2024 1 back next week. That's clear as day. Yes, Commissioner Carter. 2 3 COMMISSIONER CARTER: Call for the question. 4 CHAIRPERSON PRESSLEY: The question's been called. Is there a second? 5 6 VICE CHAIR BELL: Second. 7 CHAIRPERSON PRESSLEY: It's been properly moved and second. All those in favor of the question please signify 8 9 by saying, Aye. 10 COMMISSIONERS: Aye. CHAIRPERSON PRESSLEY: All those opposed, no. 11 COMMISSIONER BURTON: I'm going to call for roll call 12 13 vote on... 14 CHAIRPERSON PRESSLEY: The question has been called

15 and it has passed. Now we have the vote on approving the 16 DPD's budget for fiscal year '25. Roll call please, Mr. 17 Brown.

MR. BROWN: Chairperson Pressley- Yes. 18

19 MR. BROWN: Vice Chairperson Bell - Yes.

20 MR. BROWN: Commissioner Smith - Yes.

MR. BROWN: Commissioner Bernard - No. 21

MR. BROWN: Commissioner Banks - Yes. 22

23 MR. BROWN: Commissioner Burton - No. This, right

2.4 here.

25 CHAIRPERSON PRESSLEY: Next person. Mr. Brown.

Page 100

1	MR. BROWN: Commissioner Carter - Yes.
2	COMMISSIONER BURTON: No, because this is
3	unconstitutional.
4	CHAIRPERSON PRESSLEY: Did she say yes?
5	MR. BROWN: Commissioner Woods - Yes.
6	CHAIRPERSON PRESSLEY: Right. 6 yes votes, 2 no
7	votes. That motion passes.
8	VICE CHAIRPERSON: Move to adjourn.
9	COMMISSIONER BURTON: You all just rubber stamp the
10	doggone budget. This year like all those, every year.
11	CHAIRPERSON PRESSLEY: All those in favor, please
12	signify by saying, Aye.
13	COMMISSIONERS: Aye.
14	COMMISSIONER BERNARD: You all should be ashamed of

16	CHAIRPERSON PRESSLEY: All those oppose, no? The
17	motion passes. This meeting is adjourned. Thank you.
