Detroit, Michigan

PROPOSAL SUMMARY

Join us to learn about the Joe Louis Greenway project and share your feedback for the segment along Fullerton Avenue, Cherrylawn Street and Davison Avenue. This part of the route will create an important connection across I-96 and provide safe routes for students, residents, and park users. We will be presenting designs based on feedback gathered at previous engagement meetings. Construction costs for Fullerton are approximately \$500k, Davison will cost approximately \$6M, and Cherrylawn will cost approximately \$250k.
