CITY OF DETROIT
BOARD OF POLICE COMMISSIONERS MEETING
May 30, 2024 at 3:00 P.M.

1 CHAIRPERSON PRESSLEY: Good afternoon. It is now 3:00
2 PM and so we want to call this week's meeting of the
3 Detroit Board of Police Commissioners to order. We don't
4 yet

5 quite have a quorum, but that does not disallow us
6 to move forward with our amended agenda. And so we'll
7 begin today's meeting as we begin all of our meetings
8 with a word of invocation being offered to us by Chaplain
9 Leslie Walker, who is joining us by Zoom Chaplain.

10 CHAPLAIN WALKER: Good afternoon, Board of Police
11 Commissioners. We appreciate the invitation to do the
12 invocation. Let's pray. Father, in Jesus' name, we thank
13 you now for your goodness, mercy, and your grace. This is
14 the day that you have made and we shall rejoice and be
15 glad in it. Now, Holy Spirit, we give you charge. Take
16 charge of this meeting. Father, give us a spirit to agree
17 without being disagreeable. Give us wisdom, knowledge,
18 and understanding to conduct the business of this great
19 commission. And certainly we give you praise. If there be
20 any I among us, heal us, touch our body with your sweet
21 anointing. Now, Father, we say thank you and we give you
22 praise in Jesus' name, thank God. Amen.

23 CHAIRPERSON PRESSLEY: Amen. Thank you so very much
24 for that invocation. Now I'll have Acting Secretary Brown
25 to provide us with the secretary's report and incoming

1 communications.

2 MR. BROWN: Yeah. Good afternoon, Mr. Chairman.

3 CHAIRPERSON PRESSLEY: Good afternoon.

4 MR. BROWN: Only two incoming correspondences, the
5 OCI weekly inventory report and the DPOA grievance
6 regarding OCI investigations.

7 CHAIRPERSON PRESSLEY: And go right ahead with your
8 announcements, Mr. Brown. Yeah.

9 MR. BROWN: The next BOPC meeting is Thursday, June
10 6th, 2024 at 3:00 PM, the location here at Detroit Public
11 Safety Headquarters. The next BOPC community meeting will
12 be Thursday, June 13th at 6:30 PM with the 7th Precinct
13 Hosting at Detroit Edison Public School Academy
14 Auditorium. That address is 1903 Wilkins Street, 48207.
15 The monthly committee meetings for the month of June,
16 2024. Personnel and Training Committee meets Tuesday,
17 June 4th, 2024 at 4:00 PM, Policy Committee meeting. Meet
18 Tuesday, June 11th at 5:00 PM; Citizen Complaint
19 Committee meets Tuesday, June 18th at 5:00 PM and the
20 Policy Committee meeting again June 25th at 5:00 PM. And,
21 Mr. Chair, all those take place at Detroit Public Safety
22 Headquarters, and you can also view them on Zoom.

23 CHAIRPERSON PRESSLEY: Okay. Thank you so very much.
24 Noting that we've now exhausted our amended agenda and
25 are yet one member short of a quorum, I know that

1 Commissioner Burton is somewhere near but for the sake of
2 time and efficiency, I'll move ahead with public comment.

3 MS. UNDERWOOD: Good afternoon, Mr. Chair. We have
4 two speakers, Ms. Charnita Williams Ms. Relia Landfair
5 and Minister Eric Blount, please.

6 CHAIRPERSON PRESSLEY: All right, Ms. Williams.

7 MS. WILLIAMS: I'm on my way.

8 CHAIRPERSON PRESSLEY: Yeah, no problem, we have
9 time.

10 MS. WILLIAMS: Do we really? I need more than two
11 minutes for this.

12 CHAIRPERSON PRESSLEY: Unfortunately, you have two
13 minutes.

14 MS. WILLIAMS: Oh, oh, I know. Hello everyone.

15 CHAIRPERSON PRESSLEY: Hello.

16 MS. WILLIAMS: Let's go back to 9/20/22. A UPS truck
17 was robbed. So that was the 12th Precinct. I stayed in
18 the 12th Precinct. So Detective Douglas and Detective
19 Williams came to my house because I had 7 cameras around
20 my home and they wanted the footage. And this is the same
21 detective who falsified reports, who went to the
22 Prosecutor's Office to get a search warrant. But the
23 judge wasn't even on the bench at that time, Adam Sabree.
24 So the sheriff came into my house without a search
25 warrant, removed my weapons illegally, and came back into

1 my home with my house keys. But we are going to talk
2 about the pattern of the illegalness of police officers.
3 So falsifying reports. My 9 millimeter was taken from me.
4 It's a procedure you are supposed to do. I was supposed
5 to receive a five-digit code. I never received that. I
6 never received my 9 millimeter. They want to always talk
7 about mental illness. See, but the thing about it, I'm
8 too focused. I'm fully aware of all this illegal
9 corruption in the City of Detroit concerning the Detroit
10 Police Department officers. The 3rd Precinct has over 30
11 criminal reports, and they labeled it general. No. And
12 this woman who has something to do with, it's the same
13 woman I've been complaining about for over 3 years to 6
14 months, Nikita Wilson. Now, what's in the eyes of her
15 being in the same shelter where I'm at today, all this
16 security. Who's paying taxpayers paying for security
17 helicopters, undercover officers in this facility? They
18 say, nobody knows what's going on. But that's a lie. Last
19 week when I was here, I saw a woman sitting over there
20 with Chief White, with the long braids.

21 She was on Iris Street in a black Lincoln, months
22 ago. She was right over here. So my thing is, why are you
23 guys so concerned about what I'm doing if you are not
24 doing anything illegally. If your house is not in order,
25 like I said, everything that I'm seeing, they only need 3

1 things to prove it's RICO, because I'm tired of this City
2 of Detroit and all this corruption, period. And
3 especially dealing with my rape and trying to conceal
4 that. Everybody seems like they are working with each
5 other, all the city workers from the top to the bottom,
6 and it's not acceptable. I want every last one of you all
7 to be held accountable. And if you get locked up, when I
8 see you all, I want to see you all coming out in a box
9 because I'm suing everybody in this city.

10 CHAIRPERSON PRESSLEY: DC Hayes, it has been stated
11 in the past that there were undercover officers. I think
12 it's the Genesis 2 house. And it was stated that there
13 are no undercover officers at women's shelters. But I am
14 interested to know whether or not there may be usage of
15 the secondary employment program where they might be
16 officers who are being paid after hours to the work
17 security. Do we know if that might be happening at
18 Genesis house?

19 DC HAYES: I will check that and find out.

20 COMMISSIONER BERNARD: Microphone.

21 DC HAYES: Sorry, Chair Pressley, I will find that
22 out and report back to this body.

23 CHAIRPERSON PRESSLEY: Okay. Thank you.

24 COMMISSIONER BERNARD: Mr. Chairman.

25 CHAIRPERSON PRESSLEY: Yes, go right ahead.

1 COMMISSIONER BERNARD: Deputy Chief Hayes, can you
2 please advise not only the young lady that just spoke,
3 but also our audience, how people get their guns back. If
4 she says her 9 millimeter was taken, when it's taken, do
5 you guys heap a record? Can you explain that process if
6 it's okay, Mr. Chairman?

7 CHAIRPERSON PRESSLEY: Yes, that's fine.

8 DC HAYES: Thank you. Once a firearm has been, I'm
9 sorry, through the Chair. Once a firearm has been deemed
10 to have evidentiary value it is then seized and placed on
11 evidence. There are a number of reasons as to why a
12 firearm may not have been turned back. The judge could
13 have ordered it permanently seized and ultimately
14 confiscated or destroyed; the firearm may still have an
15 evidentiary value in an ongoing case, as we know that
16 there's been a backlog as it relates to cases being heard
17 and adjudicated in the courts. While they're certainly
18 working through that, there are still some outstanding
19 matters. And then there could have been some other issues
20 that have come up. Citizen who ma'am, who just had
21 spoken, mentioned a mental health nexus. Sometimes,
22 throughout an investigation it's determined that a
23 firearm may have been possessed with someone, and I'm
24 certainly not saying this is the case, but this is just
25 an example of someone who may have mental health issues.

1 They may not, although at the time they may have
2 acquired the firearm within the provisions to lawfully
3 purchase one; mental health issues could have arisen
4 during that time in which they are no longer fit, either
5 being deemed by the law or certainly by a court. And
6 there are areas where we may not, through our legal
7 responsibility, may not be able to turn a firearm back
8 over. So there are several different reasons as to... if
9 they would still be in our possession, as it relates to
10 when they are to be turned over. Once they no longer have
11 an evidentiary value, the officer in charge of the case
12 will then notify the owner of the firearm, at which point
13 they will come here to Detroit Public Safety
14 Headquarters, down to our property division, in which
15 they will be signed, and the property would be released
16 back to the rifle owner, whether it be a firearm or any
17 other property that has been deemed no longer having an
18 evidentiary value.

19 COMMISSIONER BERNARD: So you send the notice to
20 their previous residence or their residence?

21 DC HAYES: We should have again, through the Chair.
22 So we will make contact with them. That may be a written
23 letter, that may be a phone call. So there are a couple
24 different ways to get that communication out to them.

25 COMMISSIONER BERNARD: Okay. Because she's saying

1 that her gun was taken. There was no crime, I don't
2 think.

3 MS. WILLIAMS: I was not charged with anything.

4 CHAIRPERSON PRESSLEY: Alright, thank you, Ms.
5 Williams.

6 COMMISSIONER BERNARD: And who can she talk to in
7 your office, and then that's the end of it.

8 DC HAYES: I see Officer Ty is here. Officer Ty, if
9 you can get the information, then we will speak with our
10 Detective Bureau to find out exactly where we are in her
11 specific case. Again, each case is different and unique
12 in its own kind. So we will figure out where we are in
13 the process. If her firearm is eligible to be returned to
14 her, we will expeditiously do just that.

15 COMMISSIONER BERNARD: With your permission, I just
16 want to... when you take a firearm, do you automatically
17 fire it and test to see if it's been fired in any other
18 case? I mean, if I had a firearm and you took it, would
19 you be testing it just automatically?

20 DC HAYES: Through the Chair. The firearm does have
21 evidentiary value. It will be going in the NIBIN system,
22 and I believe that is the process that you're speaking
23 of, yes.

24 COMMISSIONER BERNARD: So every gun that you get, you
25 check it out?

1 DC HAYES: Yes, ma'am.

2 COMMISSIONER BERNARD: To see if it was okay. Thank
3 you. Thank you, Mr. Chairman.

4 CHAIRPERSON PRESSLEY: No problem. Okay. With that,
5 we do indeed have a quorum. So we'll move forward with
6 our official agenda. And so, Mr. Brown, you can begin
7 with introduction of Commissioners

8 MR. BROWN: Chairperson Pressley - Here.

9 MR. BROWN: Vice Chairperson Smith - Present.

10 MR. BROWN: Commissioner Bernard - Attorney Linda
11 Bernard, present, District 2.

12 MR. BROWN: Commissioner Banks - Present.

13 MR. BROWN: Commissioner Bell - Present, District 4.

14 MR. BROWN: Commissioner Burton - Present, District
15 5.

16 MR. BROWN: Commissioner Carter asked for an excuse.

17 MR. BROWN: Commissioner Moore - Present.

18 MR. BROWN: Commissioner Hernandez - Present.

19 MR. BROWN: Commissioner Woods -

20 CHAIRPERSON PRESSLEY: Alright, with that, we do
21 indeed have a quorum. Now we'll move on to the approval
22 of the May 30th, 2024 agenda. Is there any objection to
23 this agenda?

24 COMMISSIONER BURTON: Mr. Chairman.

25 CHAIRPERSON PRESSLEY: Commissioner Burton.

1 COMMISSIONER BURTON: I'd like to move that we give
2 residents and those that are here today, additional 60
3 seconds to speak, added to their time.

4 CHAIRPERSON PRESSLEY: Is there a second? Hearing no
5 second, there is no motion. Let the record reflect that
6 Commissioner Darryl Woods has joined us. Is there any
7 further objection to this agenda? Hearing none, the
8 agenda will be approved. The agenda is approved rather.
9 Next, we'll move on to the minutes for the May 23rd, 2024
10 meeting. Is there any objection to the approval of these
11 minutes?

12 COMMISSIONER BURTON: Sustained. Sustained.

13 CHAIRPERSON PRESSLEY: Do you have an objection?

14 COMMISSIONER BURTON: Yes.

15 CHAIRPERSON PRESSLEY: Okay. Your objection is?

16 COMMISSIONER BURTON: Typo.

17 CHAIRPERSON PRESSLEY: And where is the typo?

18 COMMISSIONER BURTON: I don't... it's... I did have some
19 corrections... they're on my desk.

20 CHAIRPERSON PRESSLEY: I know that last time this
21 happened, I was accused of somehow not being diligent in
22 your objection. But again, it has been advised to me by
23 the parliamentarian that when it comes to the matter of
24 the minutes, is there any objection that you have, you
25 have to notate where it actually is in the minutes. And

1 so, because you are unable to do so the Chair hears no
2 objection. Is there any further objection to these
3 minutes?

4 COMMISSIONER BURTON: Through the Chair.

5 CHAIRPERSON PRESSLEY: Commissioner Burton.

6 COMMISSIONER BURTON: But that doesn't have to... but I
7 do not have to approve the minutes.

8 CHAIRPERSON PRESSLEY: That is your right.

9 COMMISSIONER BURTON: So I'm not going to approve.

10 CHAIRPERSON PRESSLEY: Okay. So the Chair entertains
11 a motion to accept the minutes for May, 23, 2024.

12 COMMISSIONER HERNANDEZ: So moved.

13 CHAIRPERSON PRESSLEY: It's been properly moved, and
14 seconded. Is there any discussion? Hearing No discussion,
15 all those in favor, please signify by saying, Aye.

16 COMMISSIONERS: Aye.

17 CHAIRPERSON PRESSLEY: All those who oppose, no?

18 COMMISSIONER BURTON: Opposed.

19 CHAIRPERSON PRESSLEY: Alright, the Ayes have it.
20 That motion passes. The minutes have been approved. And
21 now we'll move on to the introduction of BOPC Staff,
22 Chief of Police, Elected Officials and Representatives,
23 as well as Community Leaders by Acting Secretary Brown.

24 MR. BROWN: Good afternoon, Mr. Chair. Currently, we
25 have with us, Attorney Stephanie LaBelle. She's on Zoom,

1 Ms. Candice Hayes, Ms. Jonya Underwood, Ms. Jasmine
2 Taylor, Ms. Tamesha Joshua, ASL Interpreters, Ms. Yakata,
3 Ms. Joyce Washington, Senior Investigator Tiffany
4 Stewart, Senior Investigator Gianna Coulter. DPD HR
5 Director Katrina Patillo. Mr. Don Handyside is doing the
6 court reporting. Sanders Bryant is doing the video, and
7 Sergeant Allen Quinn is doing the audio. Sidney. And for
8 the Chief is Deputy Chief Franklin Hayes. Elected
9 Officials and Representatives. Ms. Maria Overall, of
10 State Representatives Tyrone Carter's Office, Ms. Fredia
11 Butler, Community Relations President for the 2nd
12 Precinct. Ms. LaDon Davis, Office of Councilman Fred
13 Durhal II, former Commissioner William Davis, Lieutenant
14 Mark Young, LSA President. And Mr. Ron Thomas, DPOA Vice
15 President.

16 CHAIRPERSON PRESSLEY: Thank you. And again, we're
17 grateful for everyone's attendance at today's meeting. As
18 I always say, I hope that it adds to our productivity.
19 With that, now we move on to the Board of Police
20 Commissioner's Officers report. And I just want to
21 utilize this time to remind the public that if you look
22 at the agenda under new business, we do have 3 closed
23 sessions today. And so again, I apologize for that
24 inconvenience ahead of time, as that will require you to
25 enter and exit a number of times towards the end of our

1 meeting. But again, I thank you all for your cooperation.
2 With that, we'll now move on to the Chief Police Report,
3 which will be offered to us by DC Hayes.

4 DC HAYES: Thank you, Mr. Chair. On behalf of Chief
5 White, I like to present to you the report and keep you
6 abreast of the matters that are trending within the
7 police department. We'd like to start with our update on
8 injured officers. Currently, we have one department
9 member who is disabled and recovering at home due to an
10 on-duty injury. And the circumstances were as follows. On
11 May 25th, 2024, officers assigned to downtown services
12 were driving a fully marked scout car when they were
13 struck by another vehicle. One of the officers sustained
14 multiple injuries, was conveyed to the hospital, and is
15 now resting and recovering at home. So this officer is on
16 the road to recovery with the ambitions of joining the
17 department soon, sooner than later again, to serve the
18 community and the residents here of the City of Detroit.

19 As far as our crime statistics, our homicides last
20 year to date, we were at 101. This year, we are at 78 for
21 a 23% reduction. For non-fatal shootings, this time last
22 year, we had 290. This year we are currently at 225 for
23 22% reduction. For our robberies, this time last year, we
24 had 558. This year, we are at 398 for a 29% reduction.
25 And our carjackings. Last year to date, we had 74. This

1 year we were at 31 for a 58% reduction. For our total
2 part one violent crimes, last year we had, year to date,
3 4,914. This year, we are at 4,368 for an 11% reduction in
4 part one violent crime. As chief talks about his, the 12-
5 point strategy that we are utilizing to make our
6 community safer, one of the areas of focus is drag racing
7 and drifting.

8 We've started a detail that commenced March 14th,
9 and just to share a few of the stats as far as the work
10 that's being done by the men and women assigned to this
11 detail. We have investigated 471 persons 98 of which were
12 non Detroit residents. We conducted 216 traffic stops,
13 issued 109 citations and impounded 47 vehicles; recovered
14 4 stolen vehicles, made 41 felony arrests, recovered 27
15 illegally possessed firearms. 13 we had 13 attempts of
16 fleeing and looting. And while traversing through the
17 city and looking for these drag racing and drifters, one
18 of the other areas that we were able to put focus on and
19 see are these pop-up block parties. And we were able to
20 respond to 12 of those. As we have seen throughout the
21 media, a trending issue where these large parties are
22 amassed, oftentimes with no security protocols
23 unregulated consumption of alcohol and other substances
24 and oftentimes fights break out and no security.

25 And with that, we've seen violence at a number of

1 these illegal block parties that have been set up. So in
2 addition to the drag racing focus, our officers are also
3 addressing these issues. And when we get calls for
4 service or they stumble upon one, they are taking
5 appropriate action. Mental health continues to be a
6 crisis that the men and women of the Detroit Police
7 Department are constantly called to provide services for
8 to get those, the help that they need. Not the best fit,
9 but we are the solution at this point, and we take that
10 charge and continue daily to carry it out. Some of the
11 responses to the calls that we receive are from mental
12 nonviolence. Last year, year to date, we had 1,299. This
13 year we are at 1,445.

14 Mental violent armed. Last year, 571. This year we
15 are at 567, mental, violent, not armed. Last year we were
16 at 2,284. This year we are at 2,261, suicide in Progress.
17 Last year we were at 564, this year, we are at 636.
18 Suicide threats. Last year we were at 1,127. This year we
19 were at 1,184. The grand total of these numbers compared
20 to last year, versus this year, last year, we were at
21 5,845. This year, we are at 6,093 for a total of 248
22 additional calls, excuse me. This year we are up as far
23 as responding to those calls with the mental health
24 nexus. So we continue to work with our partners to
25 address this issue, but it is prevalent and is not going

1 anywhere.

2 Excuse me. I want to talk about a couple significant
3 incidents. One is the non-fatal shooting of an 8-year-old
4 female. That happened Saturday, May 25th at 2:10 AM where
5 officers were dispatched to Children's Hospital to
6 investigate the nonfatal shooting of an 8-year-old
7 female. And when officers arrived at the scene, they
8 spoke to the victim's mother, who stated that the
9 victim's father was,, excuse me, they were playing in the
10 front room of the home, and the suspect who was armed
11 removed his weapon and accidentally shot the victim in
12 her right calf. This suspect was not a CPL holder. The
13 victim was conveyed again to Children's Hospital where
14 she is expected to make a full recovery from her
15 injuries. But the officers from the 10th Precinct and the
16 detectives investigated the matter and submitted a
17 warrant to the Wayne County Prosecutor's office for
18 review. The Prosecutor's Office signed a warrant on the
19 suspect for the following charges, weapons firearms
20 careless discharge, causing injury of or death and felony
21 firearms. The subject is currently waiting to be
22 arraigned at 36 District Court.

23 This morning, we had a double shooting, one, fatal
24 and there was a 6-year-old male that was also shot. This
25 occurred at 6:04 AM at the 15,000 block of Wickham and

1 Tireman. And officers arrived on the scene and talked to
2 witnesses who stated they heard shots being fired at the
3 intersection of Tireman and Wickham. They checked the
4 area and observed victims one and two; victim one was
5 suffering from a gunshot wound to the neck, and victim
6 two also had a gunshot wound to the neck. Two, the medics
7 conveyed victim two, who was the 6-year-old, he's listed
8 in critical condition. Victim one was found deceased on
9 the scene. The relationship to the victims is unknown at
10 this time. And the suspect who was last seen running from
11 the location later turned himself into the 6th Precinct.
12 The investigation is still being put together, but at
13 this point, we do not believe the community is in danger,
14 and the person who is believed to be responsible for this
15 is in police custody.

16 We had an officer involved shooting two that I'd
17 like to speak up now. The most recent was yesterday at
18 11:07 PM, where officers were on patrol in Ferguson in
19 the West 7 Mile area. When they observed a young man;
20 they investigated this young man. While investigating the
21 suspect was observed armed with a handgun. As the
22 officers exited the vehicle, the suspect began to run
23 north on Ferguson. The officers pursued the suspect on
24 foot and gave numerous commands to drop the weapon,
25 fearing for their safety, the officers fired a shot at

1 the suspects as he continued to run south on Biltmore.
2 The suspect eventually surrendered to officers, and it
3 was later found out he was not a CPL holder. And the
4 handgun was recovered. The suspect was arrested and then
5 taken to a local hospital for a graze wound to the head.

6 The suspect was then transported to the DDC and the
7 charges are forthcoming. There were no other injuries;
8 that was the injury sustained by the suspect, and there
9 were no injuries to the officer. And the last shooting
10 that I'd like to talk about is the fatal officer involved
11 shooting that happened Monday, May 27th at 4:03 PM where
12 officers were dispatched to the 11,000 block of
13 Beaconsfield to investigate a fatal shooting of a 16-
14 year-old. Officers arrived on the scene and were informed
15 by witnesses that the victim, a 16-year-old male, was
16 inside the location and was just shot in the head by the
17 suspect, his uncle, who was reportedly suffering from a
18 diagnosed mental illness. Officers made entry into the
19 location and observed the victim lying on the floor,
20 suffering from a gunshot wound to the head, and an
21 unknown female applying CPR. As the officers approached,
22 the suspect came from a back room, armed with an unknown
23 handgun. The suspect, and an officer exchanged gunfire
24 and the suspect was shot. Medic 13 arrived at the scene
25 and pronounced the victim, who the original call was for,

1 and the suspect deceased on scene. No officers were
2 injured. This is currently being investigated by the
3 homicide task force. And this investigation is ongoing as
4 well.

5 Just last, on the positive notes. Yesterday, May
6 29th, our Homicide Section held a luncheon for the
7 families of victims to offer additional support to those
8 in mourning who have been impacted by homicide in their
9 families. Tomorrow, May 31st, we will be welcoming 34 new
10 police recruits to the force. This graduation will take
11 place at 10:30 AM at Tabernacle Missionary Baptist
12 Church. And lastly Captain Brian Bowser of the 8th
13 Precinct, District 1, he's retiring and there will be a
14 coffee and cake celebration here in this very room, the
15 Skylar room, tomorrow from 1 to 3:00 PM celebrating his
16 27 years of service as a Detroit Police officer to the
17 community and the citizens of the City of Detroit. Mr.
18 Chair, my apologies for the lengthy report, but that does
19 conclude it, and I will answer any questions that you may
20 have, sir.

21 CHAIRPERSON PRESSLEY: Thank you, Commissioner
22 Hernandez.

23 COMMISSIONER HERNANDEZ: Great. Through the Chair.
24 Two quick questions for you. One, referring back to the
25 officer that is currently critically injured that had a

1 vehicle that struck the scout car. What were the
2 circumstances, if you can share just beyond the accident
3 that happened? I'm just curious if policy was followed,
4 lights were on, et cetera. It's broad date lights 2:27
5 PM, but like more of a thorough kind of unpacking of
6 layers of that one

7 DC HAYES: Through the Chair. Commissioner Hernandez,
8 I do not have that information, but I can gather it and
9 provide it exponentially to you.

10 COMMISSIONER HERNANDEZ: Okay. Then I have a second
11 one, if you don't mind. Kids on ATVs?

12 DC HAYES: Yes, sir.

13 COMMISSIONER HERNANDEZ: I continue to see what most
14 would assume to be underage kids on ATVs. And obviously,
15 regardless of the age, there's a responsibility factor to
16 using those and how those are used and where those are
17 used. I'm just wondering, similar to how we have
18 ticketing in place for bystanders whenever there's drag
19 racing, is there a similar approach that you might be
20 able to share in regard to accountability of parents in
21 this case? Because if they're down, you know, Michigan
22 Avenue, Fort Street, wherever it might be, Warren, what
23 are we doing to address, and keep parents accountable
24 when kids are essentially being kids, irresponsibly?

25 DC HAYES: Thank you for the question and through the

1 Chair, parental responsibility is also one of the pillars
2 of Chief White's 12-point strategy. So in any case,
3 you're speaking to ATVs, which again, has somewhat become
4 a nuisance. And we have a strategy to address that both
5 from utilizing our air support as well as the tips that
6 we receive through Rewards TV. Not many members of the
7 community know, they're just finding out there's actually
8 a \$250 reward, if you provide information that leads to
9 the seizure of an ATV; and it's unlimited, you can tell
10 them as many as you want. We would love to get those off
11 the street and operated in a proper place. But, in any
12 accord where there's a youth that has committed a crime
13 we will hold the parents accountable. And parental
14 responsibility is always triaged. And if there's an
15 opportunity or an example where that was not done, we
16 certainly take the appropriate action and hold the parent
17 accountable.

18 COMMISSIONER HERNANDEZ: Thank you.

19 CHAIRPERSON PRESSLEY: Commissioner Woods.

20 COMMISSIONER WOODS: How are you doing, Deputy Chief?

21 DC HAYES: Good afternoon, sir.

22 COMMISSIONER WOODS: Are we focused on making sure
23 that the body cam or the footage be released on those
24 officer involved shootings?

25 DC HAYES: Through the Chair. Yes, sir. Chief White

1 and his commitment to transparency has within 45 days of
2 an officer involved shooting that will be released to the
3 community.

4 COMMISSIONER WOODS: Okay. And when will you find out
5 exactly when the board will be offered the opportunity to
6 see that film as well?

7 DC HAYES: Thank you. Through the Chair? Yes, sir. I
8 will. And I'll get that back to the board.

9 CHAIRPERSON PRESSLEY: Thank you. Commissioner
10 Bernard.

11 COMMISSIONER BERNARD: Just quickly, you mentioned in
12 one of the cases that you were speaking about that a kid
13 had a gun and was running away and was being pursued by
14 an officer. And you didn't say that the kid did not shoot
15 at the officer, he was running away, and then the officer
16 shot him. I just want to know why? He was retreating.

17 DC HAYES: Thank you. Through the Chair. That was a
18 synopsis of the incident. That is a police involved
19 shooting. As Commissioner Woods requested, the full body-
20 cam footage of that will be presented. And at that time,
21 the Michigan State Police or the Homicide Task Force is
22 currently investigating. So I don't want to get into the
23 weeds of that, but I believe that the questions that you
24 have will be addressed both with the video footage
25 release as well as the findings that are submitted to the

1 Wayne County Prosecutor's Office for that.

2 COMMISSIONER BERNARD: Well, what I'm asking now is
3 the policy, what is the policy on pursuing a person and
4 shooting them when they're not shooting at you, when
5 they're retreating?

6 DC HAYES: Through the Chair. The Fatal Force policy
7 is clear. I did not speak to all of the facts of that
8 case, so please excuse the brevity or the synopsis of it.
9 But I did not speak to the incident or the factors that
10 caused the officer to make that decision; that is
11 forthcoming. But I just shared an overview of the
12 incident, Commissioner Bernard?

13 COMMISSIONER BERNARD: Okay. I look forward to the
14 video, and I'll take a look at the use of force policy
15 because the person was no threat to the officer.

16 CHAIRPERSON PRESSLEY: Commissioner Moore.

17 COMMISSIONER MOORE: Thanks, Mr. Chairman. Chief, if
18 someone wanted to get in contact with you directly,
19 what's the best way to get in contact with you?

20 DC HAYES: Through the Chair. I can provide an email
21 address as well as my office. I will get that through to
22 the board secretary. If it is your pleasure, I will
23 provide that

24 info.

25 COMMISSIONER MOORE: I appreciate that. What's going

1 on at the 2nd Precinct? It seems like they don't have
2 continuity in leadership. They've changed leadership so
3 many times in the past couple years. The community is
4 solid, but it seems like that command staff keeps
5 changing. And I'm just curious as to why? It seems like
6 they're changing. I just want to know.

7 DC HAYES: Oh, thank you. Well, through the Chair,
8 one of the most constant things in the Detroit Police
9 Department is change. Based on the needs of the city,
10 there were some skill sets, and some talent that was
11 recognized at the 2nd Precinct that the department needed
12 in another place. We have identified a captain that was
13 coming over there that's more than capable, that has
14 strong community ties and we believe will certainly fit
15 in with the 2nd Precinct. Our commitment to this body and
16 to the community is that we will have an open house
17 anytime there is a leadership change. So we will provide
18 this board or this body with the date of the new captain
19 that is now assigned to the 2nd Precinct.

20 COMMISSIONER MOORE: And just two quick questions,
21 Mr. Chairman.

22 CHAIRPERSON PRESSLEY: Go right ahead.

23 COMMISSIONER MOORE: What's the process for abandoned
24 vehicles? Seems like you and I were giving us some bad
25 information last week. They told you that the car was

1 moved, it wasn't moved. You didn't say it went to the
2 abandoned car task force, and now it's municipal parking.
3 What's the process?

4 DC HAYES: So through the Chair? So there is a robust
5 plan to address blight in our city. And it's being
6 handled by multiple city agencies. For vehicles that are
7 abandoned on public streets, and in public right of ways,
8 that could be an alley that is being handled by municipal
9 parking. For those that are on private property, on lots,
10 in driveways, on fields, that is being handled by the
11 Detroit Police Department. There are also other instances
12 where we lean on GSD or DPW to assist. Perhaps there's an
13 abandoned tractor trailer or the big trailer of that, box
14 trailer that we may need a crane or a backhoe or
15 something to come and we need to destroy or crush it
16 right on the spot. So there are several different levels
17 to addressing it.

18 So depending on where the vehicle comes in, there's
19 still a bit of due process in this. So we may get
20 information that, hey, there's a car on the field here,
21 come tow it. Well, we need to find out who that car
22 belongs to, and give the owner an opportunity to address
23 it. There may be something that this car is somewhat of a
24 family heirloom, or say it was their parents' car,
25 something that they just don't want to part with or

1 working to fix it up. We will do our best to educate
2 them. Hey, if you store a car here, it can't be on all
3 flats. It needs to be not parked on the grass. It has to
4 be on concrete. Perhaps it needs to go to the garage. So
5 we still give, once we identify the owner of the car
6 provided it's not stolen, and we will identify the owner
7 of that car as well.

8 But from that, it's then a time period that's given.
9 And then each of the agencies will go out and address it.
10 Here's the list. There are quite a few cars across the
11 city that we are working through to address. So again,
12 while, we may all receive that car or receive the
13 information. We would pass it along to the other city
14 agency. So, for example, I got a phone call. Thank you
15 for forwarding it to me where there was one car that was
16 in an alley and one car that was in a field.

17 COMMISSIONER MOORE: Has it been moved?

18 DC HAYES: I will get back to you by the end of this.
19 So the car in the field has been moved. The car in the
20 alley has not, but I've got a call in to find out where
21 that is in the process and hope to have an answer for you
22 by the conclusion of this meeting.

23 COMMISSIONER MOORE: And my final question.

24 CHAIRPERSON PRESSLEY: Go right ahead.

25 COMMISSIONER MOORE: It was with Wayne State Police.

1 I understand there was some activity with Detroit Police
2 dealing with an encampment. Are you familiar with what
3 I'm talking about, Chief?

4 DC HAYES: I am, sir.

5 COMMISSIONER MOORE: Okay. What activities did DPD
6 play with Wayne State in removing the encampment? And do
7 we have a memorandum of understanding with the Wayne
8 State Police?

9 DC HAYES: Through the Chair. So DPD was requested to
10 be present. We were present during the actions taken by
11 Wayne State Police. They made the decision and I believe
12 Chief Holt and the President have given a statement as to
13 their reasoning as to why they broke up, or removed the
14 encampment from the university grounds. But DPD took no
15 action in removing anyone taking down any of the tents
16 and everything, we were there. And it is both with Mutual
17 Aid, and we do have an MOU with Wayne State. But as it
18 relates to any law enforcement agency, if Harper Woods,
19 or if Hamtramck or Highland Park or the Michigan State
20 Police, if they're calling for police assistance we will
21 certainly honor the request. There was no need for us to
22 engage, and we did not engage. Again, it was Wayne State
23 that made that decision, and they took all the action,
24 sir.

25 COMMISSIONER MOORE: What unit from DPD went? Was it

1 the Mobile Field Force? Was it a Special Response Team?

2 DC HAYES: I need to find out, through the Chair. I
3 will find out exactly where those officers, what their
4 command was. I believe it was our Metropolitan Division.
5 I don't know the composition of who was deployed there,
6 but our Metropolitan Division is who answered the call to
7 Wayne State Police, but they were not active in the
8 removal of the encampment. Thank you.

9 CHAIRPERSON PRESSLEY: Commissioner Banks.

10 COMMISSIONER BANKS: Through the Chair. Blessings to
11 you and your household, Deputy Chief. What type... the 12
12 step program, is crime decreasing with that program? How
13 is crime doing with that? You have the 12 step program.
14 How is crime coming with that?

15 DC HAYES: Thank you.

16 COMMISSIONER BANKS: Is there a decrease in crime?
17 And can you give a percent, give this board a percentage
18 if you can, or roundabout.

19 DC HAYES: Yes. Well, through the Chair, we talked of
20 violent crime being down across the city last year,
21 record low, homicide. And we are certainly on that same
22 cadence this year. As I shared in my presentation earlier
23 today, our total part one violent crime again, is down in
24 double digits. We are at 11% total violent crime with 23%
25 reductions in homicide, 22% reductions in non-fatal

1 shootings, 29% reduction in robberies 58% reductions and
2 carjacking. So certainly we know we did not do this by
3 ourselves; one of several times throughout the pillars of
4 Chief White's plan is community involvement and
5 engagement. So, DPD with this community, as well as with
6 our other stakeholders United States Attorney Don Ison,
7 Wayne County Prosecutor Kim Worthy, and so many others
8 are helping us collectively... this body. We appreciate the
9 work that you do in encouraging sound decision making and
10 conflict resolution. Collectively, we are down 11% and we
11 will continue to do the work to keep that number reduced.

12 COMMISSIONER BANKS: I got one moment, Mr. Chair.

13 CHAIRPERSON PRESSLEY: Go right ahead.

14 COMMISSIONER BANKS: Also this is not related to the
15 Deputy Chief. I just want to mention this to the board. I
16 saw a few things, and it was on my heart. I just wanted
17 to mention this to the board. So, if there's any board
18 member that's doing this, we are not here to praise the
19 Chief or Detroit Police Department. We took an oath to
20 stand for justice. That's why we took an oath to stand
21 for justice. We're not here to praise the Detroit Police
22 Department. So we took an oath to stand for justice. So I
23 just want to get that out there.

24 CHAIRPERSON PRESSLEY: Okay. Any further questions?
25 Commissioner Burton.

1 COMMISSIONER BURTON: Through the Chair. I have some
2 concerns about District 5, a few different things.
3 Residents of Lafayette Park talk about people camping out
4 in the park, needles and syringes and stuff are in the
5 park, near trees when people are out walking their dogs.
6 This is what residents in Lafayette Park are bringing to
7 my attention. Also McDougal and Leonard there is like a
8 wiring hanging in the center there on Leonard and right
9 on McDougal, but right at Leonard, some wiring down. I
10 actually have some pictures of that in my phone that I
11 would like to share for the department to get someone to
12 look into that. Also another concern is Wayne State which
13 is also part of the 5th District. Given that the Vice
14 President of Wayne State University visited the
15 encampment and denied feeling unsafe and what specific
16 safety threats justified the violent suppression of the
17 encampment protests by DPD and the Wayne State Police
18 Department. So that was another concern from residents of
19 my District, which is District 5.

20 CHAIRPERSON PRESSLEY: Okay. I have a couple of
21 questions here. One, well, I guess I have one question
22 and then one response. At our last community meeting one
23 of the residents of Detroit shared that the data that we
24 share is not easily digestible. When we provide the
25 percentages, it isn't calculating in their mind what that

1 actually means. And so, just as a matter of
2 recommendation, it might be better to just give the total
3 number of the decrease. So, as opposed to saying,
4 decrease by 11% saying this was less than whatever that
5 number might be. So that our residents better understand
6 the report, because again, it would suggest to us that
7 the percentages are a bit confusing to our citizens. But
8 my question is regarding the popup block parties. When
9 DPD engages these block parties, is it DPD's intention to
10 shut them down or to keep them safe

11 DC HAYES: Through the... I'm sorry. Well, Mr. Chair,
12 twofold, and it depends. If a block party has gone
13 through the proper protocols, then we would work with
14 them to certainly keep it safe. If a block party asked
15 for a Vol, we would bring them out. If they need traffic
16 control devices as it relates to barricades to make sure...
17 if they are out in the street, and again, everything has
18 been signed off on by the neighbors in the neighborhood,
19 we will certainly help. But for the others where we're
20 getting calls for loud music, when the streets are
21 blocked, people can't get home, gunfire in the air;
22 again, music working outside of what the provision is for
23 amplified devices, then at that point where it's becoming
24 a nuisance, then we would go to shut down.

25 So it's a case by case scenario. Currently we are

1 working on a block party ordinance. Again, just to set a
2 tone that if you are hosting one of the events, there are
3 some responsibilities for those that want to have it and
4 what that looks like. So more to come. But again, it's a
5 case by case scenario. Those that have applied to have
6 that we will certainly help and do our efforts to make it
7 safe. But when it's spilled over, and become a problem
8 event we will move to shut it down, sir.

9 CHAIRPERSON PRESSLEY: And I know this is probably
10 very difficult to do, particularly for the ones that are
11 spontaneously aggregated. But is there any effort that
12 when you do see a block party that is not officially
13 sanctioned, if you will, that there is some information
14 shared with those individuals about how they can go about
15 doing it appropriately.

16 DC HAYES: Thank you. Through, yes, sir, Mr. Chair,
17 Chief White and everything, we do have the opportunity to
18 educate before we enforce that is our strategy. So to let
19 them know, and it may be, hey, we got a complaint. You're
20 having a block party, but it's in your field next to your
21 lot. Just turn the music down. The music's too loud. We
22 can hear it from two blocks away. So every single time we
23 share with them that the noise ordinance from an
24 amplified device, you can't be heard over 75 feet. So
25 it's a case by case scenario, but any opportunity we get

1 to educate, we certainly take advantage of that.

2 CHAIRPERSON PRESSLEY: Okay. Thank you. Any further
3 questions or comments? Commissioner Bernard.

4 COMMISSIONER BERNARD: I hope when we do that these
5 are patrol officers, obviously within that District or
6 perhaps community policing officers. They're very
7 courteous to people. because when people are having a
8 good time and the police come, you know, it puts a damper
9 on it. But if the police are very courteous and just say,
10 well, this, we can't do this, you can't do that, as
11 opposed to, you know, the heavy hand versus the polite
12 and more courteous hand. But that's not my question. My
13 question relates to the people who we arrest, and of
14 course, they're in the Detroit Detention Center. When is
15 the jail opening, and are we closing the detention
16 center, or what are we doing? Because I thought, actually
17 the jail was supposed to be open already. The Sheriff's
18 Office already has a for sale sign on it on Woodward. And
19 so all of our people are still going, of course, to the
20 Detention Center. But what's the plan, if you don't mind
21 sharing with our community and the board.

22 DC HAYES: Through the Chair. I do not have the
23 timeline as it relates to the jail. The new jail versus
24 the old in the Sheriff's Office, that is Wayne County. So
25 I don't know where they are, in the pipeline or in the

1 project of transitioning from the new jail to the old
2 jail. I don't have that information, Commissioner,
3 Bernard.

4 COMMISSIONER BERNARD: But we're going to continue
5 with our Detention Center? DC HAYES: Through the Chair.
6 So as you know, with the consent judgment, DPD is not in
7 the business of housing prisoners. So we currently have a
8 partnership with the State, which is the DDC. We are
9 working on a partnership possibly with Wayne County.
10 We're still, still in the exploratory phases. So we are
11 seeing what's in the best interest. Is it with our
12 current partnership with the State or is it possibly with
13 the County? That is still in conversations right now. So
14 when a resolute plan is devised, we will certainly update
15 this body on that.

16 COMMISSIONER BERNARD: Thank you.

17 COMMISSIONER BURTON: Through the Chair.

18 CHAIRPERSON PRESSLEY: Thank you. Commissioner
19 Burton.

20 COMMISSIONER BURTON: Thank you. Question for the
21 Chief. You know, as I talked to our office, our office
22 still has officers that are not wearing body-worn
23 cameras. And so what is your office planning to do to
24 ensure that officers are wearing body-worn cameras, and,
25 you know, keeping them on, as you know, the body-worn

1 cameras are there to, not only protect residents and keep
2 them safe, but it's also there to protect officers well
3 and keep them safe. So what is your office looking to do
4 or do differently? Because we do have policies in place.
5 And so that's my question.

6 DC HAYES: Through the Chair that is a policy that we
7 have extreme accountability on. So once we find out a
8 member is not wearing a body camera, there is swift
9 progressive corrective action that's taken. It's not
10 optional. And for those that do not adhere to the rules
11 and regulations of this agency, again, through discipline
12 or corrective action, and if it continues to occur we're
13 going to help them with a career decision.

14 CHAIRPERSON PRESSLEY: Alright. Thank you. And my
15 comment is to the community around, community excuse me,
16 around citizen complaint reports. You know, oftentimes,
17 and again much of this you know, we as a board take some
18 culpability in the sense that we have not been as
19 efficient as we could have been in closing cases in a
20 reasonable amount of time. We acknowledge that and we're
21 working to improve that. But my statement is more so to
22 citizens being responsive to our investigators when they
23 call. Because oftentimes what ends up happening in a lot
24 of these CCRs, these cases are being closed as
25 inconclusive, and they're being closed as inconclusive

1 because when investigators are attempting to reach out to
2 citizens to get more information or details they aren't
3 able to contact the person who made the complaint.

4 And so when they aren't able to contact the person
5 who made the complaint, they have to just go on the very
6 sometimes minor information that they have. And
7 oftentimes, again, those cases are being closed as
8 inconclusive. Now, that is not to suggest that what they
9 complain didn't happen, but it means that our
10 investigators just don't have enough information to
11 sustain. And oftentimes, that, again is a disadvantage
12 for our community, because if there was actually
13 something that occurred where that issue could have been
14 sustained or we were unable to do so. So again, if you're
15 making a complaint, and, again, I recognize it is a bit
16 unfair to put the burden on someone who has had a
17 negative encounter with police to engage in this level of
18 effort. But we really do need your help and assistance in
19 that regard.

20 So again, we can ensure that thorough investigations
21 are being done and in the cases where these incidents are
22 sustained we can therefore do so. And so I'm saying that
23 because there've been a number of cases that I've had to
24 sign off on that have been closed as inconclusive, and
25 many of them have been a result of not being able to get

1 in contact with the original complainant. So please if
2 you all can share that word that will be helpful for us,
3 our Office of OCI but also as well as making our police
4 department accountable and responsible to how it treats
5 our citizens. With that, thank you all for your questions
6 and comments. Thank you so very much. DC case for your...
7 Commissioner Banks.

8 COMMISSIONER BANKS: Through the Chair. DC Hayes,
9 what category usage is that in, when an officer is not
10 wearing a body worn camera? What's the category usage?
11 What's the penalty for it? Is there a penalty for it? I
12 mean, there is a penalty for it, but what is the penalty?
13 I'm sure there is a penalty, but what is the penalty? I
14 am max.

15 DC HAYES: Thank you. Through the Chair. It starts
16 with reprimand... sorry, can I be heard?

17 CHAIRPERSON PRESSLEY: Go ahead.

18 DC HAYES: It starts with a written reprimand but it
19 will progress into suspension. And again, a pattern of
20 non-compliance and willful non-compliance. We can
21 escalate that and also work through a termination process
22 if, again, if it's a continued pattern of non- body cam
23 usage.

24 COMMISSIONER BANKS: Thank you. I'm all set.

25 CHAIRPERSON PRESSLEY: Alright. Thank you. Alright,

1 now we'll move on to oral communications. So who do we
2 have?

3 MS. UNDERWOOD: Mr. Chair, we have 6 speakers. First,
4 Ms. Relia Landfair, Minister Eric Blount, Ms. Bernice
5 Smith, in that order, please.

6 CHAIRPERSON PRESSLEY: Okay.

7 MS. LANDFAIR: Hello.

8 CHAIRPERSON PRESSLEY: Hello.

9 MS. LANDFAIR: I am Relia Landfair. I would like to
10 be announced as Michael's mother yet again. So, first and
11 foremost, I want to say, I know no one wants to hear that
12 they're not doing their job effectively or efficiently,
13 but somewhere along the way, the ball has gotten lost and
14 my son's case has been lost up in that. This is literally
15 my fourth time down here. I came down here last week. I
16 was really handled inappropriately and kind of brushed
17 off and pushed away, and I didn't appreciate that. That's
18 first and foremost. I am a constituent, and I have been
19 totally open, transparent, and here, coming to you guys
20 for your assistance. When I came here the first time,
21 when I announced that my son was missing and that I was
22 the one who found my son, now that means I came and made
23 a missing person's report. No one helped me find my
24 child. I found my child. Now, when I find my child, I'm
25 coming here looking for answers, and I'm still getting

1 the runaround. I was told by the board, as well as, I'm
2 sorry, I was told by Chief White I believe it was March
3 28th, somewhere up in there, that he was so eager to have
4 a meeting with me, and he wanted to provide total
5 transparency about my son's case and find, and let me
6 know all of the details.

7 And you guys even said that, hey, you guys wanted to
8 know of the findings. Well, did you guys find out
9 anything? Because no one contacted me. I was supposed to
10 meet with Chief White on April 3rd but I had a previous
11 out of town engagement scheduled. I called him and said,
12 hey, I forgot prior to, of course, my son passing that
13 whole trip went out of my head. Let's reschedule this. I
14 never got a call back. What happened was, I got a call
15 back from Lieutenant Timothy Jones about two or three
16 times. I got a call back from a captain, I believe her
17 name was Maddox, Matter, something of that sort. She said
18 she was going to call me the next day. I never got a call
19 back from her. I got a call from Commander Severy,
20 telling me, hey, well, you know, I know Chief really
21 wants to get with this meeting, but you know, the NFL
22 Draft is here.

23 So pretty much you pushed me off again to the side.
24 So now I had to come last week just to find out that my
25 son's case has been transferred. Now, I want to know from

1 you guys what it is that you are all supposed to do,
2 because according to this, this says that the Board of
3 Police Commissioners has supervisory control and
4 oversight of the police department as set forth in this
5 chapter. So, somewhere, this is not cool. I shouldn't
6 have to keep coming down here every week to get some
7 answers to find out what's going on with my son's case.

8 CHAIRPERSON PRESSLEY: Okay. First of all, I'm sorry
9 for that, but thank you for your comments. That is your
10 time. DC Hayes, did you want to respond?

11 DC HAYES: Yes, through the Chair and ma'am,
12 certainly Ms. Landfair, I believe you asked to be
13 referred to as Michael's mom. My understanding is that
14 Commander Severy, who is in charge of homicide, reached
15 out to connect with you and spoke to you regarding your
16 son's case.

17 MS. LANDFAIR: But you have a date for that?

18 DC HAYES: I do not. However, I will take ownership
19 in ensuring that that communication happens. There is a
20 new captain over our Homicide Division now, Commander
21 Rebecca McKay. I will ask Officer Ty if you can who's
22 just standing right behind you to your, your right. If
23 you can get that information, I will coordinate a meeting
24 to ensure that you are updated as to your son's case and
25 the findings.

1 MS. LANDFAIR: So can I ask...

2 CHAIRPERSON PRESSLEY: And to her point, excuse me,
3 your time is in expense, but to your point, to her point,
4 rather, what is a reasonable bottom of time that we can
5 expect feedback on?

6 DC HAYES: Mr. Chair, I can get that to you as far as
7 the case findings, I can...

8 CHAIRPERSON PRESSLEY: No, I mean, when she's
9 actually had an opportunity to have a sit down with DPD
10 and receive that information. What's a reasonable time
11 that the board can expect to have feedback on that?

12 DC HAYES: Through the Chair, we will provide you the
13 update immediately after that meeting happens.

14 CHAIRPERSON PRESSLEY: Yeah, I'm trying to get... I see
15 what you're trying to do. I'm trying to do something.

16 DC HAYES: I'm sorry.

17 CHAIRPERSON PRESSLEY: Did we say two weeks, a month...

18 DC HAYES: Mr. Chair, give us two weeks.

19 CHAIRPERSON PRESSLEY: Okay. Thank you.

20 DC HAYES: Yes, sir.

21 MS. LANDFAIR: I just have one quick question for
22 him. So I was...

23 CHAIRPERSON PRESSLEY: I'm sorry. You have to ask
24 that question to the gentleman that he asked you to speak
25 with, and then we'll get that clarification.

1 MS. LANDFAIR: Thank you.

2 CHAIRPERSON PRESSLEY: Thank you. Yes, commissioner
3 Woods.

4 COMMISSIONER WOODS: It's my understanding that
5 Officer Ty has been very, very responsive in this
6 situation. I think he has responded every time. And you
7 know our role is not to investigate criminal cases, you
8 know, and so there's been a proper handoff, and there's
9 been a lot of communication regarding this matter, you
10 know, and so it's not like it's been ignored, you know,
11 every time Officer Ty has been consistently you know,
12 adhering to, or, you know addressing her concerns to the
13 best is his ability, you know? So I have watched that and
14 I've kept up with that situation.

15 CHAIRPERSON PRESSLEY: Okay. Thank you. Our next
16 speaker.

17 COMMISSIONER BURTON: Through the Chair.

18 CHAIRPERSON PRESSLEY: Yes. Commissioner Burton.

19 COMMISSIONER BURTON: Before you get to the next
20 speaker, I want to say Chief, thank you for looking into
21 this case here. The young lady has been coming to the
22 board meeting, and she's asking for closure. And I think
23 that, to the board as well as the department should help
24 her get closer to receiving closure. And I hope that
25 she's able to talk with the captain or whoever you

1 recommend soon, because this is a grieving mother, she's
2 in pain, and she could use some help right now, as far as
3 closure from the department, as well as closure from this
4 board. So if you can schedule that meeting for her so she
5 can get the closure she wants, I'm sure this board will
6 definitely appreciate it.

7 CHAIRPERSON PRESSLEY: Sure. And thank you. It has
8 been stated we should expect something back in two weeks.
9 And so we will indeed do that. As a matter of fact, Mr.
10 Brown, if you can make a notation to remind us two weeks
11 from now to make sure we've gotten some feedback on the
12 status of this case. Yes. Commissioner

13 Woods.

14 COMMISSIONER WOODS: Yeah. I don't want it to be
15 lost. You know that even Commander Severy did address
16 this issue. We don't have a magic wand in these cases
17 that these are very sensitive issues, and that we're not
18 going to play with the emotions of citizens. These are
19 very serious situations. People are grieving, people are
20 hurting. We definitely care about her concerns, and we
21 want them to be addressed vigorously. But cases are cases
22 and people are not ignoring it because we have been
23 following up on it, absolutely unequivocally. These are
24 very sensitive issues, and we should never, ever play on
25 the emotions of the community.

1 COMMISSIONER BURTON: Through the Chair.

2 CHAIRPERSON PRESSLEY: I think that we've exhausted
3 that issue. I think we've had some action items, and then
4 if in two weeks those action items aren't followed up on,
5 then we can open up for further discussion. I don't think
6 that we need to extend this any further. Go right ahead.

7 MINISTER BLOUNT: Good afternoon, board.

8 CHAIRPERSON PRESSLEY: Good afternoon. I'm Minister
9 Eric Blount from Sacred Heart Catholic Church right here
10 in Detroit, Chairperson Pressley, I have to acknowledge
11 one small step in the right direction that you have
12 performed recently. At the last community meeting at the
13 8th Precinct, you were bold enough to ask the 8th
14 Precinct why their citizen complaint numbers were higher
15 than any other Precinct. It was one small step in the
16 right direction, but I want to give it to you. Their
17 response was troublesome. On the other side, you have
18 chastised me for using strong language in describing some
19 of the commissioner's behavior. But wouldn't that same
20 commissioner use strong language against me? You threw up
21 your hands and said, hey, freedom of speech. They can say
22 whatever they want to the public. I don't think so. And
23 while we're on the subject, Commissioner Bernard, it is
24 not your appearance, it is your behavior, it is your
25 actions that cause me to be horrified and to remind

1 everyone exactly what you said when you said it, and
2 where to find it if they need it, whether they are the
3 inspector general or the auditor general.

4 Ron Scott convinced me to come to these meetings
5 over 10 years ago, and he said, you won't believe it
6 until you see it with your own eyes. And that's why I
7 cannot stop. It doesn't matter what. And here again, the
8 agenda says nothing about the HR report that has been
9 delayed, what, two weeks now? And HR can go a long way in
10 solving or at least addressing some of the issues like
11 the risk management system. How do officers get on it? Is
12 it their continual use of or non-use of body-worn
13 cameras, who really knows? Thank you.

14 MS. SMITH: Good afternoon, commissioners.

15 CHAIRPERSON PRESSLEY: Good afternoon. Happy belated
16 birthday to you.

17 MS. SMITH: Well, thank you very much. It's a good
18 Lord's blessing for me to see 92. I don't think I'm going
19 to have enough time to tell you all what I want to tell
20 you. Number one, I have notes down here. When are we
21 going to stop letting your Commissioner Burton disrespect
22 Commissioner Smith? Every time you leave, whenever she
23 has the floor to do the things that she has to do, he
24 interrupts her, and he's disrespectful to her. Being a
25 woman myself, and raised by a mother who did not tolerate

1 any disrespect out of any of her children, I'm still
2 maintaining my feelings as far as respecting the women.
3 Now what you do is your business. But the man, he is
4 disrespecting her every time she chairs the meeting, when
5 you leave. The next thing is the racing in the
6 neighborhood.

7 My son and daughter live on West Grand Boulevard. I
8 raised them there in a beautiful home four stories. It's
9 a rag now. It's terrible. Every time I go there, I go to
10 my son's house down the street at 1390. It's horrible.
11 The home that we formerly had. My daughter's in the next
12 block. She's at 144. Well, anyway, I don't need to tell
13 you the address.

14 CHAIRPERSON PRESSLEY: Please. Thank you.

15 MS. SMITH: Anyway, we have a young man in our
16 neighborhood who thinks he's good enough to sell drugs. I
17 have reported it to the drug people. I haven't heard any
18 results, but I'm going to still work on it because my
19 children live in that neighborhood, all right? And they
20 have beautiful homes, and grass is cut constantly, so I
21 don't have to worry about them being disrespectful to
22 their homes. The next thing I want to talk about is,
23 you're going to come to my church tomorrow. Thank the
24 Lord Tabernacle is going to be very, very happy to have
25 you in their presence. The next thing I want to do, the...

1 CHAIRPERSON PRESSLEY: Quickly.

2 MS. SMITH: I got time.

3 CHAIRPERSON PRESSLEY: You don't.

4 MS. SMITH: Well, thank you. Anyway, I'm glad to be
5 here another year. And the Lord is very, very, very
6 favorable to me. And I'm very glad. And you need to tell
7 your commissioner, stop walking out when we have prayers.

8 COMMISSIONER BURTON: Through the Chair.

9 CHAIRPERSON PRESSLEY: Thank you.

10 COMMISSIONER BURTON: Really quick. Mr. Chairman.

11 CHAIRPERSON PRESSLEY: Commissioner Burton.

12 COMMISSIONER BURTON: I feel that we should extend
13 additional time to each person that comes to the meeting,
14 come to the podium. Minister Blount, I'm sure, had a few
15 additional words that he would have liked to raise but
16 his time would be cut off after the two-minute mark. I
17 think if we're going to be transparent and fair, we need
18 to be fair to all of our residents that come before the
19 podium. I also want to say point of order to Bernice
20 Smith on the allegations she made. We as a board, as a
21 voting body, as a board, we all have to follow Robert's
22 Rules of Order including myself as a board member and any
23 other board member here. Some commissioners understand
24 Robert's Rules of Orders a little bit clearer than
25 others, but no one is disrespecting anyone here, but as

1 far as Robert's Rules of Order, the board...

2 CHAIRPERSON PRESSLEY: Please restrict your comments
3 so we can hear what the commissioner is saying. Go right
4 ahead.

5 COMMISSIONER BURTON: That's what our bylaws are
6 governed, that we follow Robert's Rules of Order. I also
7 want to say quickly that this is the same Bernice Smith
8 that assaulted me in the public...

9 CHAIRPERSON PRESSLEY: I'm going to ask...

10 COMMISSIONER BURTON: No, this is no...

11 CHAIRPERSON PRESSLEY: Be respectful to all citizens
12 who come to the meeting.

13 COMMISSIONER BURTON: Bernice Smith swung a cane at
14 me, almost hitting me in a Board of Police Commissioner's
15 meeting along with Deputy Chief Todd Bettison, who sat at
16 the far left of me at the time, along with Commissioner
17 Daryl Brown out of District 1, the former commissioner.
18 The three of us, when she swung her cane, it almost hit
19 the three of us, but she was swinging for me.

20 CHAIRPERSON PRESSLEY: Okay...

21 COMMISSIONER BURTON: So this is the

22 CHAIRPERSON PRESSLEY: Commissioner Burton, you are
23 actually...

24 COMMISSIONER BURTON: Same Bernice Smith, who has a
25 reputation...

1 CHAIRPERSON PRESSLEY: Commissioner Burton...

2 COMMISSIONER BURTON: Swinging cans.

3 CHAIRPERSON PRESSLEY: You're being

4 counterproductive to your desires. You are taking away

5 from the citizen's ability to be able to communicate. You

6 keep asking for them to have more time and more time

7 could possibly be had if you use less time. Thank you.

8 Our next public commenter.

9 MS. UNDERWOOD: Our next speaker is Lieutenant Mark

10 Young, and then we'll go into Zoom with Marguerite

11 Maddox, and the last three numbers, 534.

12 LT. YOUNG: Good evening.

13 CHAIRPERSON PRESSLEY: Good evening.

14 LT. YOUNG: I noticed a pattern recently that is

15 disturbing in the investigations of the members of the

16 Detroit Police Department. When it says, non-sustained,

17 they should be exonerated. It's not fair to the members

18 of the department. Non-sustained, exonerated. That's a

19 clearer definition. The other comment that I want to make

20 is this, I heard something very disturbing, that you're

21 not here to support the men and women of the Detroit

22 Police Department. That's exactly what you're here for.

23 That's exactly what you're here for. When we're wrong,

24 hold us accountable, or when we're right, you hold us

25 righteous. The very rhetoric that comes from boards and

1 meetings like this is why you have protests. That's not
2 your function. Your function is simple. I'm not trying to
3 be disrespectful today, I'm here as a union leader and a
4 law enforcement officer that holds due process. I don't
5 tell you how to make your decisions, I say due process.
6 And due process is important for a couple reasons,
7 because the Detroit River on the surface, looks calm.
8 It's the undercurrent that's different. When you let it
9 all play out, there are times that this board have made a
10 decision to suspend without pay, and the findings were
11 far different in the end game. All I ask is due process.
12 I'm not here to disrespect you. It's far from the truth.
13 I represent people that give their lives and risk their
14 lives that work doubles every day, that face people out
15 here with guns that have been separated from their
16 families' for long periods of time. Yes, yes. People
17 think because they're compensated.

18 It wears on them. It wears on me. I know. All I ask
19 is due process and fairness. When you say that you're not
20 here to champion the men and women of the Detroit Police
21 Department, take those gold badges off, and you need to
22 find something else. I'm not here to support wrongdoing.
23 I'm here to make sure we all get it right.

24 COMMISSIONER BANKS: Mr. Chair, can I comment on that
25 for a minute?

1 CHAIRPERSON PRESSLEY: Go right ahead, Commissioner
2 Banks.

3 COMMISSIONER BANKS: To Lieutenant Mark Young. Now,
4 as I said, we're not here to praise DPD. We are not here
5 to praise DPD. The Bible says, praise no, man. No, man.
6 That's biblical. That's scripture. Those are biblical
7 principles. So we're here... we all took an oath to stand
8 for justice on this board. Now, if officers are doing
9 well, doing a good... you have some great officers out
10 there. They're doing a good job. Hey, we pat them on the
11 back. I'm going to pat them on the back. I'm going to
12 show them love. I love Chief White and other officers,
13 but if they're wrong, I'm not standing with them. So,
14 hey, I just want to get that out there.

15 COMMISSIONER BURTON: Through the Chair.

16 CHAIRPERSON PRESSLEY: Commissioner Burton.

17 COMMISSIONER BURTON: You know, we often hear from
18 the union President, Mark Young, who comes before the
19 board every week. I don't think he has missed a week.
20 It'd be nice if the board can add him to the agenda where
21 he's able to get more time than two minutes. I think when
22 we have the union here to represent, whether it's DPOA or
23 Sergeants Lieutenant Union, I think as a board, we should
24 allow them time on the agenda you know to give a monthly,
25 quarterly report or something of that nature. It would be

1 good if we can do that for a change. But also, it is good
2 that we can hear from more community stakeholders that
3 come to our meetings each and every week. Like Minister
4 Eric Blount, who is a community leader here in the City
5 of Detroit. It'd be nice if we can also add him to the
6 agenda where he can give a presentation before this
7 board. Because sometimes two minutes is just not nearly
8 enough, when you have individuals that are coming here,
9 that have a lot of concerns.

10 CHAIRPERSON PRESSLEY: Okay, thank you, Commissioner
11 Burton. Our next speaker.

12 MS. UNDERWOOD: Ms. Maddox.

13 COMMISSIONER BERNARD: Can I comment?

14 CHAIRPERSON PRESSLEY: Commissioner Bernard.

15 COMMISSIONER BERNARD: Just quickly. I understand Mr.
16 Young, about your concerns about due process by the
17 board, particularly with respect to due process issues.
18 And actually, I agree with you. When other bodies have
19 examined something with more than 30 minutes or 10
20 minutes, or whatever it is we spend, when we are
21 examining something and have come up with legal
22 conclusions that contradict what is presented to us, that
23 it's better if we would address those conclusions,
24 because the officers then have had due process. And I
25 think it's better if we follow that lead versus our 10-

1 minute examination and decision. Thank you for bringing
2 that up.

3 CHAIRPERSON PRESSLEY: Our next speaker.

4 MS. UNDERWOOD: Ms. Maddox.

5 MS. MADDOX: Yes. Thank you. I was listening through
6 this whole process and my understanding is, each and
7 every one of you commissioners need to give the public a
8 little more time, beside myself, to get our point across.
9 Yes, because I can no longer get my words out clearly. I
10 would like to make a suggestion.

11 CHAIRPERSON PRESSLEY: Go right ahead.

12 MS. MADDOX: The next meeting, or the following
13 meeting. Again, the two people, who are community
14 leaders, get more time to do a presentation like
15 [unclear01:12:00] some time. And to get my other
16 scooters. This past week I came across three young men in
17 that and the area is Second Avenue, Third avenue And
18 there were three young men that almost knocked me over. I
19 use a walker, and he sat down next to me, and about what
20 happened [unclear] a young boy where his uncle tased
21 him, that particular office after he did that the day.
22 Now his nephew would be scared for life afraid officer.
23 Yeah. I would say to anyone, especially the officer who
24 are trying to communicate with us. We need to be more
25 kind and more respectful. But everyone, I'm done. Thank

1 you very much.

2 CHAIRPERSON PRESSLEY: Thank you. And to be clear, DC
3 Hayes did make notation of the streets where you were
4 saying there was some difficulty with those who were on
5 scooters. Right? Go right ahead.

6 MS. MADDOX: Yes.

7 MS. UNDERWOOD: The next speaker is the caller with
8 the last number, 534. And after that, it'll be the caller
9 with the last number, 124, and then former Commissioner
10 William Davis. And then that's it.

11 CHAIRPERSON PRESSLEY: Thank you. Caller with the
12 last three numbers, 534.

13 CALLER 534: Yes. Good afternoon. May I be heard?

14 CHAIRPERSON PRESSLEY: Yes, you can. Go right ahead.

15 CALLER 534: Thank you. I was also 124. I came in on
16 two numbers to try and be sure I could get called in. So
17 thank you for calling on me. Yeah, I agree with Ms.
18 Marguerite Maddox. The issue of communication, I mean, so
19 much stuff that when things go wrong, a lot of time it
20 has to do with the lack of communication and we should be
21 more kind and respectful to everyone. I'm going to jump
22 down to my last point. My suggestion would be that we
23 look into trauma informed policing. And not only the
24 trauma that so many individuals are experiencing have
25 been experiencing. And so they may not present well, but

1 police officers go through trauma too and overload of
2 societal problems, et cetera. So hopefully, we can look
3 at that and keep all of that in mind. Now, I'd like to
4 give a shout out to NPOs Harris Hardy and Charnita Moore.

5 They get rapid response rewards for me. I have been
6 trying to get an NPO officer to call me for the longest,
7 but I went into the 3rd Precinct, not particularly happy
8 how that went, but I got a list of the NPO officers
9 reached out to them about neighborhood concern about an
10 arsonist who got a really light sentence and we've got
11 word that he is on warrant status, which means to cut off
12 very likely. And he has been seen in the neighborhood
13 violating a stay away order. So, my tremendous
14 appreciation for that rapid response and communication.
15 And I had more than two minutes to explain what was going
16 on so that we could get special attention in the area.
17 And please reach out to DWIN because a little bit of time
18 went, team wellness did not do it. So please, that's
19 serious. That is way more serious than cars parked even
20 in a fence yard. And they're like staffing people for
21 \$250 tickets. And I don't understand, they're doing that
22 to my neighbor, but it seems intentional, like to blight
23 them out, because people want his property, yet city
24 mowers are mowing over the garbage all the time. And some
25 mowers lied about me to the police. Two officers came

1 out. Patterson and Abrams...

2 CHAIRPERSON PRESSLEY: Caller with the last three
3 digits, 124.

4 MS. UNDERWOOD: That, that was her.

5 CHAIRPERSON PRESSLEY: I thought that was 534.

6 MS. UNDERWOOD: She came in on two devices.

7 CHAIRPERSON PRESSLEY: I got you. Alright, so the
8 last speaker is former commissioner William Davis.

9 MR. DAVIS: Good afternoon. Can I be heard?

10 CHAIRPERSON PRESSLEY: Yes, you can. Go right ahead.

11 MR. DAVIS: Okay. I'd like to start off by saying, as
12 I said before, I think this board needs to be working
13 with the department and the administration, City Council.
14 Do more proactively to reduce the vast number of
15 lawsuits. As you may or may not know, I wear many hats.
16 One of them is President of Detroit, Active Retired
17 Employee Association. You know, the City of Detroit,
18 especially the police department, has a tremendous amount
19 of lawsuits that, you know, we need to cut back on these
20 lawsuits. We need to be doing more to make sure that,
21 especially in these lawsuits where you have individuals
22 that's violating policies, violating the law, violating,
23 you know, all sorts of stuff. But we are still
24 representing them, we're still defending them, and what
25 have you. We need to reduce the number of lawsuits. Also,

1 this board needs to be doing more to make recommendations
2 to help to encourage more police officers to live inside
3 the City of Detroit.

4 As you may or may not know, the vast majority of the
5 police officers do not live inside the City of Detroit.
6 And even a higher percentage of the command officers,
7 even though from captain on up, do not live inside the
8 City of Detroit. That is a problem, and it's a growing
9 problem, becoming worse and worse every day. Also, as you
10 look at incentives to make people want to, you know, to
11 encourage them to live inside the city, you should also
12 be looking at how much does it cost the department for
13 city vehicles to continuously go to residents, you know,
14 to officers, residents that's outside the City of
15 Detroit. Like I say, if you have a city vehicle, it
16 should not be leaving the City of Detroit. You should not
17 be doing errands and doing all sorts of stuff that the
18 Attorney General has somebody detained for doing that and
19 arrested and suing them. Thank you.

20 CHAIRPERSON PRESSLEY: Thank you. I believe that's
21 all of our public commenters. MS. UNDERWOOD: Yes, sir.

22 CHAIRPERSON PRESSLEY: Again, and we thank everybody
23 for your public comment. Let me say this there is a very
24 delicate balance that I'm attempting to adhere to, while
25 I very much so hear the pleas and requests for more time

1 in public comment. There is a thing called Chair's
2 discretion. And I try my best to at least give every
3 speaker an additional 10 seconds just to complete their
4 sentence. And then if I feel there might be passion, I
5 try to give a little bit more. So I'm attempting to do
6 that while balancing the other thing that I've heard you
7 all say, which is that these meetings are too long. Okay?
8 So I'm almost in between a rock and a hard place, so I'm
9 trying my very best.

10 So, again, I want you all to know I do attempt
11 through the Chair's discretion to provide all of our
12 citizens an opportunity to at least get their thoughts
13 out. But again, not to have this meeting to go on for 5
14 hours and 6 hours. There is a certain limitation that we
15 have to place. And so for that, I do apologize. Okay, now
16 we will move on to unfinished business. And under
17 unfinished business, there are two policy recommendations
18 that were presented to us from our Policy Committee. That
19 memorandum was dated May 14th, 2024. However, we did not
20 act on the two policy items that were mentioned in that
21 memo. And so with that under tab 8, behind tab 8, rather
22 you should see both of those policies present. And that
23 again is policy 307.5, the facial recognition policy, and
24 policy 203.11, the eyewitness identification and line of
25 policy. And so by recommendation, again, of the Policy

1 Committee the Chair now entertains a motion... Well, I
2 guess that is the motion that doesn't require a second.
3 And so there is open discussion for the policy 307.5 of
4 the facial recognition policy. Any discussion?

5 COMMISSIONER BERNARD: Mr. Chairman.

6 CHAIRPERSON PRESSLEY: Yes. Commissioner Bernard.

7 COMMISSIONER BERNARD: I'd just simply like to note
8 that both policies have been thoroughly reviewed and
9 examined by the Policy Committee, which includes
10 obviously Commissioner Burton, and obviously Commissioner
11 Woods, along with the ACLU and Wayne State University Law
12 School participants, and the University of Michigan
13 participants. So I moved the board to approve the
14 policies. I think that they are constitutionally correct,
15 so I would move their adoption approval.

16 COMMISSIONER MOORE: Second.

17 CHAIRPERSON PRESSLEY: Commissioner Moore, well, it
18 is not committee, it comes out of committee. Yep. So,
19 commissioner.

20 COMMISSIONER MOORE: Thank you, Mr. Chair. So this is
21 my concern about the facial recognition policy. On August
22 10th, 2023, we had a very robust discussion with the
23 Chief. That meeting is online so people can see exactly
24 where I'm talking about as it relates to facial
25 recognition. The Chief promised this board, in 45 days.

1 He said Commander McGinnis would do an investigation
2 surrounding the Porcha Woodruff, am I pronouncing her
3 name correctly? Investigation. We never received that
4 report. We followed up via email a couple times,
5 crickets. We didn't hear anything. It was just brushed
6 off. So I'm very concerned, and I know that all the major
7 buyers that came through. Commissioner Woods has
8 emphasized that, Commissioner Bernard, and I appreciate
9 the work of that because I know it is a good policy. But
10 I'm talking about the substance as it relates to August
11 10th, 2023, where there was an investigation where a
12 young lady was arrested. And we never got a follow up for
13 that. And I know I was advised that there were other
14 issues similar to that one, and I was waiting to hear
15 that. I still haven't heard either way what happened with
16 that investigation. So, just my concerns

17 CHAIRPERSON PRESSLEY: Commissioner Woods.

18 COMMISSIONER BERNARD: Maybe Hayes can tell...

19 CHAIRPERSON PRESSLEY: No, Commissioner Woods.

20 COMMISSIONER WOODS: Yeah, I would ask that Deputy
21 Chief Hayes address that concern. But again this policy
22 is an historical policy for the City of Detroit, as one
23 of the strongest policies in the country. You had
24 renowned experts at the table from the University of
25 Michigan Law School, their civil rights class or the

1 Civil rights portion of the University of Michigan Law
2 School in which Michael Steinberg has litigated in the
3 United States Supreme Court. He's the former legal
4 director of the ACLU, as well as the one who represented
5 Mr. Williams. And Mr. Williams had strong say so and sat
6 at the table concerning his policy. So I think this is a
7 very strong policy, both policies. And so I strongly
8 support it.

9 CHAIRPERSON PRESSLEY: Alright, any further
10 discussion.

11 COMMISSIONER BURTON: Through the Chair.

12 CHAIRPERSON PRESSLEY: Commissioner Burton.

13 COMMISSIONER BURTON: Can we table this until next
14 week?

15 CHAIRPERSON PRESSLEY: There's no second for that, so
16 there is no motion. Any further discussion? All right. It
17 has been requested that DC Hayes respond to Commissioner
18 Moore's question, relative to the promised update around
19 the incident. We should say August 20th, 2023.

20 COMMISSIONER MOORE: Through the Chair, August 10th,
21 2023 was the actual board meeting. The incident occurred
22 in February, and the Chief didn't find out about it until
23 August when the lawsuit was filed in regard to the
24 particular situation. Last we heard the young officer
25 investigator was placed on leave after I asked. And

1 that's the last thing this board heard from that. We
2 followed up via email. I know I saw a couple of them I
3 was looking at since this policy has come up, crickets, I
4 haven't heard anything.

5 CHAIRPERSON PRESSLEY: So do you have any update?

6 DC HAYES: Thank you Mr. Chair, and through the
7 Chair. This was my first notice that there is an
8 outstanding report due to this body. If you can give me
9 one week's time. In that week, we will provide you at
10 least with an update as to where or why that wasn't
11 provided to you. And I am confident within two weeks'
12 time, excuse me, we can get that information in totality
13 to this body.

14 CHAIRPERSON PRESSLEY: Okay. Thank you. Is there any
15 further discussion? Hearing none, now, the Chair, again,
16 entertains the motion before the board, by recommendation
17 of the Policy Committee, is the approval of the facial
18 recognition policy 307.5. All those in favor please
19 signify by saying, Aye.

20 COMMISSIONERS: Aye.

21 CHAIRPERSON PRESSLEY: All those who oppose, no?

22 COMMISSIONERS: No.

23 CHAIRPERSON PRESSLEY: Alright, the Ayes have it.
24 That motion passes. Next is the policy again coming out
25 of the Policy Committee. 203.11, the eyewitness

1 identification and lineup. Again, this policy having been
2 approved by the policy committee, does not require a
3 second until the Chair opens up the floor for any
4 discussion. Hearing, no discussion. Again, the motion
5 before the board is to approve the eyewitness
6 identification and line up policy 203.11. All those in
7 favor, please signify by saying, Aye.

8 COMMISSIONERS: Aye.

9 CHAIRPERSON PRESSLEY: All those who oppose, no?
10 Alright, the ayes have it. That motion passes. Now we'll
11 move on to new business.

12 COMMISSIONER BERNARD: Thank you, Mr. Chairman.

13 CHAIRPERSON PRESSLEY: You're so welcome. Moving on
14 to new business where we have a Special Personnel and
15 Training memorandum. And that will be provided to us by
16 Commissioner Woods.

17 COMMISSIONER WOODS: On behalf of the board of Police
18 Commissioner, Special Personnel and Training Committee,
19 please see the key updates from the committee meeting
20 held on May 24th...

21 CHAIRPERSON PRESSLEY: Can you pull your mic down?
22 I'm having a hard
23 time...

24 COMMISSIONER WOODS: Excuse me. I'm sorry.

25 CHAIRPERSON PRESSLEY: No problem.

1 COMMISSIONER WOODS: Want me to start over?

2 CHAIRPERSON PRESSLEY: You can start from where you
3 are.

4 COMMISSIONER WOODS: Alright... Committee meeting held
5 on May 24th, 2024. Board attendees, Commissioner Darryl
6 Woods, Commissioner Tamara Liberty Smith Commissioner
7 Lisa Carter and Commissioner Linda Bernard. Executive
8 Manager. Policy Position. 8 candidates were invited to
9 interview. Out of the 7 candidates invited for interviews
10 each attended, or the 8 candidates invited for
11 interviews, each attended and actively participated in
12 the process. Following careful consideration during task
13 was chosen to proceed further in the interview process.
14 The duration of each interview ranged between 20 to 25
15 minutes each and consisted of the following components.
16 Introductions, instructions and overview of the position;
17 interview questions. Commissioners Woods, Smith, Carter,
18 and Bernard asked the candidates the standard six
19 questions After thorough review of responses and
20 evaluation and of qualifications, the Special Personnel
21 and Training Committee made the decision to advance
22 during the entire [unclear01:30:45]. This recommendation
23 will be presented to the full board for consideration.

24 CHAIRPERSON PRESSLEY: Thank you. And so, again, by
25 recommendation of the Special Personnel and Training

1 Committee it has been motioned that we move Dorian Tyus...

2 COMMISSIONER WOODS: Tyus.

3 CHAIRPERSON PRESSLEY: Tyus, excuse me. It's not
4 moving him. We're actually accepting him in this
5 position. So that we accept...

6 COMMISSIONER BURTON: Through the Chair.

7 CHAIRPERSON PRESSLEY: Dorian Tyus as the Executive
8 Manager of Policy. Is there any discussion, Commissioner
9 Burton.

10 COMMISSIONER BURTON: Discussion. I sent an email out
11 to commissioners yesterday. And past practices for
12 executive management positions. The board has always had
13 three names come before the full board for final. And
14 that's, you know, doesn't seem to be the case here. But
15 that has been the case in past practices, especially with
16 the board secretary's positions, the board attorney
17 positions, all executive positions. The full board has in
18 some way have had three names to come before the full
19 board. So they can come before the board, and the board
20 makes a decision to have one name come from committee to
21 the full board. We have to be very clear and careful of
22 any form of nepotism and favoritism, because this board
23 has been down this path before, and has been sued. And we
24 still have lawsuits that happen to be a cloud over the
25 board even right now. And so I'd like to amend a motion

1 by having three names that come before the full board in
2 past practices.

3 CHAIRPERSON PRESSLEY: Hearing no second, there is no
4 motion. Commissioner Moore.

5 COMMISSIONER MOORE: Thank you, Mr. Chair. Just a
6 quick clarification Mr. Chairman, as it relates to the
7 committee. 8 candidates were interviewed or 7 because I'm
8 just reading different things.

9 COMMISSIONER WOODS: 8 were invited and 7
10 interviewed.

11 COMMISSIONER MOORE: Got you. Okay. Thank you.

12 CHAIRPERSON PRESSLEY: Okay. Thank you. Commissioner
13 Bernard.

14 COMMISSIONER BERNARD: Just quickly, I just want the
15 board to be comfortable with the recommendations of the
16 committee. This is an all-day process. We are there from
17 9 in the morning until like 4 in the afternoon.

18 Commissioner Woods bought lunch for everybody because we
19 worked through the entire afternoon. I just want to say
20 to the board, about four of the candidates were
21 outstanding. One of them was a person that many of the
22 people in this room know, and that's former house
23 representatives' member Sherry Gay-Dagnogo.

24 COMMISSIONER BURTON: Sherry Gay Dagnogo.

25 COMMISSIONER BERNARD: Sherry, not Carrie, Sherry.

1 She's actually up in Mackinac today. She was spectacular,
2 but we weren't able to choose her because she has a
3 contract that is going to start virtually immediately in
4 Ohio. And she couldn't give us the time that it would
5 take to onboard and do this position. The other
6 candidates, Mr. Chairman, several of them were equally
7 impressive. This candidate is one. As you do not chair
8 the Policy Committee of the board. There's another
9 candidate that I found to be equally exceptional. And
10 that was Mr. Nixon, who has participated with the Policy
11 Committee in terms of writing policy, and doing all kinds
12 of stuff. But the consensus of the board was...

13 CHAIRPERSON PRESSLEY: The committee.

14 COMMISSIONER BERNARD: This gentleman... The committee
15 of the board... of the committee was this gentleman
16 principally because he is a graduate of University of
17 Michigan and he went to Howard University Law School. So
18 he is licensed as a lawyer in Michigan. And they felt
19 that his academic credentials were superior and that was
20 why he was chosen by the committee.

21 CHAIRPERSON PRESSLEY: Commissioner Hernandez.

22 COMMISSIONER HERNANDEZ: Thank you. Through the
23 Chair. I just very quickly want a second to really uplift
24 the background coverage that Commissioner Bernard just
25 provided, which has been provided to this full board

1 previously, so that none of this is new information.
2 Second to that, just uplift, Commissioner Darryl Woods,
3 who has taken on the lead in hiring not only
4 investigators, well, previous to hiring sourcing,
5 interviewing, and ultimately presenting to this body
6 hirees that are now being onboarded. And he's just done a
7 phenomenal job. So I just want to uplift the work.

8 CHAIRPERSON PRESSLEY: You know, kudos to that.

9 COMMISSIONER BURTON: Through the Chair.

10 CHAIRPERSON PRESSLEY: Commissioner Burton.

11 COMMISSIONER BURTON: I want our listening audience
12 here today to know that in past practices for executive
13 manager positions, there has always been three names to
14 come for the full board for a runoff. We don't know why
15 this is not happening today, nor have we got a memo or
16 anything saying that this process is going to change or
17 the process is changing. So it comes off very alarming
18 that certain names are being cherry picked and being
19 brought as one name. Once again, these are executive
20 management positions that pay six figures. So, you know,
21 if you are duly elected and you represent a District, it
22 really takes away from democracy when one name is being
23 selected and brought before the full board. Democracy is
24 when you have more than one name come before the full
25 board, where commissioners by District as well as the

1 mayoral appointees can all weigh in on who will be a good
2 service and a good fit for this organization. In that
3 case, we don't really know. If we're starting to hear
4 that we had many good candidates, well, let's bring those
5 candidates before the board if we really want to be
6 transparent and really want to be open and really want to
7 have a fair process.

8 CHAIRPERSON PRESSLEY: Thank you, Commissioner
9 Burton. To be clear...

10 COMMISSIONER BURTON: Point of order...

11 CHAIRPERSON PRESSLEY: Forms of democracy also
12 include what we call representative democracy, and we act
13 as if the committees that are part of this board are
14 separate... excuse me...

15 COMMISSIONER BURTON: The committee is made up of...

16 CHAIRPERSON PRESSLEY: Excuse me...

17 COMMISSIONER BURTON: The committee is made up of
18 mainly appointees.

19 CHAIRPERSON PRESSLEY: Excuse me, Commissioner
20 Burton. The committee is not a separate and apart body of
21 the Board of Police Commissioners. It is a part of this
22 body. And it would be helpful if you shared some level...
23 and again, it is your right not to, but to share some
24 level of trust in the work that your colleagues have
25 done, and not always attempt to characterize it or

1 contextualize it as somehow being untoward... COMMISSIONER

2 BURTON: Point of order...

3 CHAIRPERSON PRESSLEY: ...or inappropriate.

4 COMMISSIONER BURTON: I'd like to call for a legal
5 opinion, Mr. Chair.

6 CHAIRPERSON PRESSLEY: Commissioner Burton, you have
7 not been recognized.

8 COMMISSIONER BURTON: I'd like to call...

9 CHAIRPERSON PRESSLEY: Excuse me, Commissioner
10 Burton, you have not...

11 COMMISSIONER BURTON: ... for a legal opinion, for the
12 executive position...

13 CHAIRPERSON PRESSLEY: Excuse me...

14 COMMISSIONER BURTON: For the policy manager,
15 position...

16 CHAIRPERSON PRESSLEY: Commissioner Burton...

17 COMMISSIONER BURTON: By our attorney, I've heard
18 she's in a meeting on Zoom. CHAIRPERSON PRESSLEY: You
19 have not been recognized. Lastly, I would suggest you are
20 very competent and capable, and maybe if you were more
21 proactive, you might be more effective...

22 COMMISSIONER BURTON: Point of order.

23 CHAIRPERSON PRESSLEY: In what you're trying to do.
24 So this matter was before this board for months, but yet
25 we just received an email, as you admitted on record

1 yesterday. So, again, if you could be more proactive than
2 maybe some of these concerns that you have could actually
3 be included in the decisions that you're trying to...

4 COMMISSIONER BURTON: Point of order.

5 CHAIRPERSON PRESSLEY: Commissioner Burton, you have
6 not been recognized. Excuse me, Commissioner Burton, you
7 have not been recognized.

8 COMMISSIONER BURTON: Point of order.

9 CHAIRPERSON PRESSLEY: When you have not done that,
10 and then yet you discredit the work of your colleagues
11 who have...

12 COMMISSIONER BURTON: Point of, of order.

13 CHAIRPERSON PRESSLEY: I find that to be...

14 COMMISSIONER BURTON: Point of order.

15 CHAIRPERSON PRESSLEY: ... extremely unreasonable.

16 COMMISSIONER BURTON: Point of order.

17 CHAIRPERSON PRESSLEY: So your...

18 COMMISSIONER BURTON: I'm calling for a legal
19 opinion, Mr. Chairman.

20 CHAIRPERSON PRESSLEY: Your commentary has been
21 noted, and we will move on. Commissioner Hernandez.

22 COMMISSIONER BURTON: I'm calling for a legal
23 opinion, Mr. Chairman, I want the record to reflect.

24 CHAIRPERSON PRESSLEY: Commissioner Hernandez.

25 COMMISSIONER HERNANDEZ: Thank you so much. Through

1 the Chair. I really don't want to elongate this item
2 again and discredit any of the great work that's happened
3 regardless of the posturing and rhetoric that is being
4 offered, not accepted, but offered. I'll just remind the
5 public just for awareness, and really for facts more than
6 just awareness. This process is consistent with City HR
7 practice when it comes to appointments. This is, again,
8 as I'll remind everyone, and Commissioner Darryl Woods
9 knows this, this is an appointed position. It is an
10 executive position. It's appointed, which means
11 technically we don't even have to interview. And yet we
12 as a body and specifically, the Personnel and Training
13 Committee have set the standard of wanting to uplift the
14 process beyond just a simple appointment to make sure
15 that there is a fair and due process with these
16 interviews. So, I'll just remind the public, and you can
17 check the track record, how consistent we've been. And
18 really the reason as to why we're even going back, and I
19 don't want to deviate from the board secretary, is
20 because this body was not satisfied after a thorough
21 search. That's why we're going back, because we're not
22 trying to institute nepotism or cherry picking, as it's
23 been suggested and offered. So again, we're doing our due
24 diligence to make sure that we have qualified candidates
25 who can support us in keeping DPD accountable.

1 CHAIRPERSON PRESSLEY: And just again so that I'm not
2 accused of being intractable to Commissioner Burton's
3 request. Mr. Brown, please let it be noted that he's
4 asking that the attorney provide an opinion that has just
5 been made clear by our Personal and Training Committee
6 Chair. Vice Chair Tamara Libby Smith.

7 VICE CHAIR SMITH: Through the Chair. I really don't
8 say much, but we have spent countless hours here
9 interviewing candidates, many that you all would know,
10 who all were very, very impressive. And then afterward,
11 we debriefed. We spent from 9:00 AM to almost 5:00 PM
12 taking a 15-minute break in between, just to get
13 ourselves some strength to eat and go back to it. I'm
14 very confident in the candidates that we have seen and
15 very confident in the candidate that we have picked today
16 that will serve to do the job that we have selected him
17 to do.

18 COMMISSIONER BURTON: Mr. Chair, last question here.

19 CHAIRPERSON PRESSLEY: One second please.

20 MR. BROWN: Mr. Chair, Attorney LaBelle is online.
21 She has a hand raised.

22 CHAIRPERSON PRESSLEY: Okay. Attorney LaBelle.

23 ATTORNEY LABELLE: Hi, commissioners. Chair, can you
24 hear me?

25 CHAIRPERSON PRESSLEY: Yes.

1 ATTORNEY LABELLE: You wanted clarification on the
2 legal opinion that Commissioner Burton has requested?

3 CHAIRPERSON PRESSLEY: To paraphrase his request on
4 whether or not it is in line with HR policies to bring
5 one individual for recommendation for hire as opposed to
6 three.

7 ATTORNEY LABELLE: Thank you.

8 CHAIRPERSON PRESSLEY: You are welcome. Commissioner
9 Woods.

10 COMMISSIONER WOODS: Absolutely. Service is the rent
11 we pay for the space that we occupy. The fact of the
12 matter is that we take our job very seriously. We are not
13 into games or anything that's going to be able to exploit
14 the citizens of the City of Detroit. We take it very
15 seriously. We have been grossly behind in terms of some
16 of our hiring processes. And this team came together in a
17 powerful way to say, hey, you know, with the blessings of
18 Commissioner Hernandez, and definitely with the direction
19 of our Chairperson, QuanTez Pressley, to say, hey, let's
20 get the job done. And I think the citizens of the City of
21 Detroit should be very, very happy that we have filled
22 every investigative position. We have filled
23 administrative assistant positions. And now this is a
24 policy position that is very, very vitally important to
25 the direction of the Detroit Police Department. And so

1 having said that, I want to thank, forget about thanking
2 me, but thank the team for coming together and say, let's
3 get the job done, and let's represent the citizens of the
4 City of Detroit and get them the best product that we
5 possibly can.

6 COMMISSIONER BURTON: Through the Chair.

7 CHAIRPERSON PRESSLEY: Thank you, Commissioner
8 Bernard.

9 COMMISSIONER BERNARD: Mr. Chairman, first of all,
10 I'm on that committee, and I'm not a mayoral appointee,
11 so it wasn't all appointees. The second misstatement that
12 my colleague made was that the position pays a hundred
13 thousand dollars or more. It does not. It's substantially
14 less than that, at least 20% or 30%, almost less than
15 that. Thirdly, I enjoy serving on the committee, because
16 as I've said before, I'm the only person on the board who
17 has hired hundreds of people and compensated them. And
18 I've won three labor cases in the Michigan Supreme Court.
19 So therefore, the board should feel comfortable with what
20 the committee has done, and obviously with my
21 representation as a community member. Thank you.

22 CHAIRPERSON PRESSLEY: Thank you.

23 COMMISSIONER BURTON: Through the Chair.

24 CHAIRPERSON PRESSLEY: Commissioner Burton.

25 COMMISSIONER BURTON: You know, I want the audience

1 to know that we have members on that committee that have
2 not attended college, don't have any college background,
3 education wise, nor do they have any HR experience or
4 things of that nature. This is an executive position. And
5 for executive positions, we ought to have three names
6 coming before the full board as we had in past practices
7 with the board secretary position and other positions.
8 Executive positions, we have to have a runoff, and we
9 have had that before, but right now we have not gotten
10 any memos saying anything was changing until now, they
11 come out of the committee with one name. Once again, we
12 must be clear from any form of nepotism and favoritism.
13 This board has been down that road before, and has been
14 sued. And if you check and see how many lawsuits this
15 board has had in the last several years, you'll be very
16 alarmed about some of these settlements, as far as
17 lawsuits. And so, I just wanted to say that.

18 CHAIRPERSON PRESSLEY: Thank you.

19 COMMISSIONER BURTON: If we have nothing to hide...

20 COMMISSIONER WOODS: Mr. Chair, I...

21 COMMISSIONER BURTON: Nothing to prove, why not bring
22 three names?

23 COMMISSIONER WOODS: The motion to...

24 CHAIRPERSON PRESSLEY: Thank you. Alright, so we have
25 exhausted the conversation. Again, the motion before us

1 is out of the Special Personnel Training Committee to
2 accept Dorian Tius as the executive manager, policy...

3 COMMISSIONER BURTON: The board of... Mr. Chairman.

4 CHAIRPERSON PRESSLEY: Executive Manager of policy
5 contingent upon background checks and negotiations. All
6 those in favor please signify by saying, Aye.

7 COMMISSIONERS: Aye.

8 CHAIRPERSON PRESSLEY: All those opposed, no?

9 COMMISSIONER: No.

10 CHAIRPERSON PRESSLEY: Alright, the Ayes have it.
11 That motion passes.

12 COMMISSIONER BURTON: Mr. Chairman, I'd like to make
13 a motion.

14 CHAIRPERSON PRESSLEY: We are now still under new
15 business, and we're going to go with the items that are
16 listed here. And so now to the Citizens Complaint
17 Committee memorandum, which will be given to us by
18 Commissioner Banks.

19 COMMISSIONER BANKS: Thank you Mr. Chair. I
20 appreciate that. On the behalf of the Board of Police
21 Commissioner Citizens Complaint Committee, please see the
22 key updates from the committee meeting held on May 21st,
23 2024. Board members' committee Chairperson, Cedric Banks,
24 Commissioner, Linda Bernard, attendee, Chief Investigator
25 Jerome Warfield, Police Community Relations Coordinator,

1 Teresa Blossom, Acting Board Secretary Robert Brown,
2 Administrative Assistant Candace Hayes. Guest speakers,
3 public commenters. Wayne State Law Professor Rebecca
4 Robichuad, Wayne State Law Fellow Molly Meoning, Graham
5 Barton, Angela Polk. Michelle George. Report from Chief
6 Investigator Jerome Warfield provided the key update. Six
7 new investigators will start June 3rd. Wonderful.
8 Blessings. Blessings. Thank you, Jesus. With the addition
9 of new investigators, OCI will be fully staffed. 50
10 backlog cases have been closed by three investigators
11 that started. In January OCI received several complaints
12 from citizens steaming from the encounters with DPD
13 during Cinco de Mayo festivities.

14 Those complaints are currently being investigated.
15 Chief Investigator is visiting the Atlanta Citizens
16 Review Board to discuss best practices and efficiencies
17 that they currently have in place, as well as best
18 practices, OCI in place. Report on final summary on
19 procedural justice. Wayne State Law Professor Rebecca
20 Robshaw and Fellow, Molly Moening, provided the following
21 key points on procedural justice. Procedural justice,
22 focuses on the way police interact with the community and
23 how those interactions affect the public view of the
24 police. How does the public view these interactions
25 affect citizens' willingness to obey the law and

1 cooperate with the police? When police are viewed as
2 legitimate, the community is more willing to cooperate.
3 Procedural justice matters because it is essential in
4 developing good will between the community and police.
5 The next Citizen's Complaint Committee meeting will be
6 June 18th, Tuesday at 5:00 PM. And Mr. Chairman, we had a
7 wonderful meeting. The meeting was wonderful with law
8 Professor Rebecca Robichuad and student Molly Moening. It
9 was just wonderful. We had Michelle George also. She's
10 from the National Action Network. It was a wonderful
11 meeting. It was really wonderful. I just wanted to get
12 that back to you. And Commissioner Bernard was there,

13 COMMISSIONER BERNARD: I want to concur with what the
14 Chairman just said about his committee. It's a great
15 committee, very interactive, and even I learned a lot
16 about procedural justice and we're implementing that
17 information. And the police department representatives
18 were great. Deputy Chief Hayes, they really made a
19 substantive contribution. It was a great meeting.

20 CHAIRPERSON PRESSLEY: Well, thank you and thank you
21 for that report. Now we'll move to a closed session. And
22 so the Chair entertains a motion to enter into closed
23 session pursuant to Section (8a) of the Opening Meetings
24 Act, MCL 15268(a). The department's request for the board
25 to consider administrative leave without pay, but with

1 medical benefits for Police Officer Jared Shaw, Badge
2 3091, assigned to the 11th Precinct.

3 COMMISSIONER MOORE: So moved.

4 COMMISSIONER HERNANDEZ: Second.

5 CHAIRPERSON PRESSLEY: It's been properly moved, and
6 seconded. Is there any discussion?

7 COMMISSIONER HERNANDEZ: Yes.

8 CHAIRPERSON PRESSLEY: Commissioner Hernandez.

9 COMMISSIONER HERNANDEZ: Which I think is relevant
10 just as a reminder to the public who is in person and
11 also online and has the visibility to see who walks out
12 whenever we have critical items. Thank you.

13 CHAIRPERSON PRESSLEY: Any further discussion?
14 Hearing none, all those in favorably signify by saying,
15 Aye.

16 COMMISSIONERS: Aye.

17 CHAIRPERSON PRESSLEY: All those opposed, no? Right,
18 the Ayes have it. That motion passes. We now enter into a
19 5-minute recess to set up the room. And again,

20 this is going to be like musical chairs. You're
21 going to do this at least 4 times, so I apologize in
22 advance.

23 (Whereupon the Board entered into closed session)

24 MR. BROWN: Commissioner Woods - Yes.

25 MR. BROWN: Commissioner Smith - Yes.

1 CHAIRPERSON PRESSLEY: Alright. With 6 yes votes, and
2 2 no votes, that motion passes.

3 COMMISSIONER HERNANDEZ: Through the Chair.

4 CHAIRPERSON PRESSLEY: Yes.

5 COMMISSIONER HERNANDEZ: I'll make a motion to accept
6 the department's request for the board to consider
7 administrative leave without pay with medical benefits
8 for police Officer Liana Shaw. Badge 3342, assigned to
9 the 11th Precinct.

10 CHAIRPERSON PRESSLEY: Is there a second.

11 COMMISSIONER BELL: Second.

12 CHAIRPERSON PRESSLEY: It's been properly moved and
13 seconded. Is there any discussion? Commissioner Bernard.

14 COMMISSIONER BERNARD: Commissioners, if you deprive
15 both of these officers of their income, these children,
16 nor the officers will have any health insurance and they
17 will become homeless. It makes no sense for us to move on
18 this matter prior to it being adjudicated where all of
19 the facts come out, all of the evidence comes out, and
20 there's an independent analysis of what happened. We
21 don't know. We do know that this is a family and that
22 this is a serious matter. And that, in my view anyway, we
23 should not take this action prior to there being a clear
24 determination of all the facts and circumstances in this
25 case. If you want this family's income to go to zero,

1 then we take this action, because that's what's going to
2 occur. You can make people into criminals just by the
3 actions that we take. And let me suggest that that would
4 not be a good idea when we have people that have special
5 needs that we know about in this family, medically and
6 otherwise. So I urge you to vote against this
7 recommendation.

8 CHAIRPERSON PRESSLEY: Any further discussion?
9 Commissioner Bell.

10 COMMISSIONER BELL: Mr. Chairman family status,
11 income, et cetera, et cetera, has no bearing on the facts
12 of this matter. We have a chartered mandate to deal with
13 the issue that is brought before us, at this particular
14 time. We are pretty much putting into play other issues
15 that we have no control over. If that is the case, we
16 would not indict any officer. They all have a family.
17 They all have.

18 COMMISSIONER BERNARD: I didn't say that.

19 COMMISSIONER BELL: But we understand that's a burden
20 that you bear when you make your decision. Thank you.

21 CHAIRPERSON PRESSLEY: Yep. And just to be clear,
22 we're not indicting anyone, just to accept the Chief's
23 recommendation. Any further discussion? I just want to
24 make clear that with information that was provided there
25 was a hope that we might delay this, which was the reason

1 for my no vote in our initial proceeding. But seeing that
2 my colleagues are ready to move forward on this issue, if
3 there's any further discussion, we can move to a roll
4 call vote please. Mr. Brown.

5 MR. BROWN: Chairperson Pressley - Yes.

6 MR. BROWN: Vice Chairperson Smith - Yes.

7 MR. BROWN: Commissioner Bernard - No.

8 MR. BROWN: Commissioner Banks - Yes.

9 MR. BROWN: Commissioner Bell - Yes.

10 MR. BROWN: Commissioner Moore - Yes.

11 MR. BROWN: Commissioner Hernandez - Yes.

12 MR. BROWN: Commissioner Woods - Yes.

13 CHAIRPERSON PRESSLEY: Alright. With 7 yes votes, and
14 1 no vote, that motion passes. The Chair now entertains a
15 motion to enter into closed session pursuant to Section
16 (8a) of the Open Meetings Act. MCL 15268(a). The
17 department's request for the board to consider
18 administrative leave without pay, but with medical
19 benefits for Lieutenant Brandon Cole, Badge L280,
20 assigned to the Metro Division.

21 COMMISSIONER WOODS: So moved.

22 COMMISSIONER HERNANDEZ: Support.

23 CHAIRPERSON PRESSLEY: It's been properly moved and
24 seconded. Is there any discussion? Hearing no discussion,
25 all those in favor please signify by saying, Aye.

1 COMMISSIONERS: Aye.

2 CHAIRPERSON PRESSLEY: All those opposed, no? Right,
3 the Ayes have it. That motion passes. We'll take a 5-
4 minute recess, 3-minute recess, so that we might set the
5 room up for a closed session.

6 (Whereupon the Board entered into closed session)

7 CHAIRPERSON PRESSLEY: We call the meeting back into
8 order. Mr. Brown would you do a role call..

9 MR. BROWN: Chairperson Pressley - Here.

10 MR. BROWN: Vice Chair Smith -

11 MR. BROWN: Commissioner Bernard - Present.

12 MR. BROWN: Commissioner Bell - Present.

13 MR. BROWN: Commissioner Burton - Present.

14 MR. BROWN: Commissioner Moore - Present.

15 MR. BROWN: Commissioner Hernandez - Present.

16 MR. BROWN: Commissioner Woods -

17 CHAIRPERSON PRESSLEY: All right. With that we do
18 indeed have a quorum. Is there a motion? Commissioner
19 Hernandez.

20 COMMISSIONER HERNANDEZ: Yes, there is. I'll make a
21 motion to accept the department's request for the board
22 to consider administrative leave without pay, but with
23 medical benefits for Lieutenant Brandon Cole. Badge L280,
24 assigned to the Metro Division.

25 CHAIRPERSON PRESSLEY: Alright. There has been a

1 motion to accept the department's recommendation for
2 administrative leave without pay, but medical benefits
3 for Lieutenant Brandon Cole. Is there a second?

4 COMMISSIONER BELL: Second.

5 COMMISSIONER BURTON: Second.

6 CHAIRPERSON PRESSLEY: It's been properly moved and
7 seconded. Is there any discussion? Hearing...

8 COMMISSIONER BERNARD: The discussion only...

9 CHAIRPERSON PRESSLEY: Commissioner Bernard.

10 COMMISSIONER BERNARD: Thank you Mr. Chairman, for
11 recognizing me. The discussion is simply that we've heard
12 from...

13 CHAIRPERSON PRESSLEY: Just to remind you to be very
14 mindful. Thank you.

15 COMMISSIONER BERNARD: Let me say, we've heard from
16 the department, we've heard from the officer, and we've
17 heard obviously from the union, and we have the
18 memorandum before us that reflects comments about what
19 is... I can't say that

20 CHAIRPERSON PRESSLEY: I would advise a good saying
21 that. Thank you.

22 COMMISSIONER BERNARD: I won't say. Okay. And I
23 totally disagree with the position of my colleagues. This
24 is not a major incident of any kind, as has been pointed
25 out to us. So therefore, I personally, cannot support

1 that recommendation of taking the salary of a 25-year
2 veteran of the department for what could be reviewed as
3 free speech issues. So I just wanted to make that point,
4 whether talking about the particular...

5 CHAIRPERSON PRESSLEY: Excuse me, I ask the public to
6 restrict their comments. With that, indeed, let the
7 record reflect that Commissioner Woods has joined us. Is
8 there any further discussion? Hearing no further
9 discussion, again, the motion before this body is to
10 accept the department's recommendation for administrative
11 leave without pay, but with medical benefits for
12 Lieutenant Brandon Cole.

13 COMMISSIONER BURTON: Through the Chair.

14 CHAIRPERSON PRESSLEY: All those... Commissioner
15 Burton.

16 COMMISSIONER BURTON: I'd like to Burton roll call
17 vote.

18 CHAIRPERSON PRESSLEY: Yeah. That was going to happen
19 anyway. So with that Mr. Brown roll call vote.

20 MR. BROWN: Chairperson Pressley - Yes.

21 MR. BROWN: Vice Chairperson Smith - No.

22 MR. BROWN: Commissioner Bernard - No.

23 MR. BROWN: Commissioner Bell- Yes.

24 MR. BROWN: Commissioner Burton - Yes.

25 MR. BROWN: Commissioner Moore - Yes.

1 MR. BROWN: Commissioner Hernandez - Yes.

2 MR. BROWN: Commissioner Woods - Yes.

3 CHAIRPERSON PRESSLEY: Alright. With 6 yes votes and
4 2 no votes, that motion passes. The Chair entertains a
5 motion for adjournment.

6 COMMISSIONER BERNARD: So moved.

7 CHAIRPERSON PRESSLEY: Is there a second?

8 COMMISSIONER HERNANDEZ: Second.

9 CHAIRPERSON PRESSLEY: It's been properly moved and
10 seconded. All those in favor, please signify by saying,
11 Aye.

12 COMMISSIONERS: Aye.

13 CHAIRPERSON PRESSLEY: All those opposed, no? The
14 ayes have it. The meeting is adjourned. Thank you so very
15 much for your patience.
