NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, COVID symptoms or other contagious condition, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

THURSDAY, SEPTEMBER 19, 2024, AT 6:00 PM

The public hearing is to consider the request of 5807 Toledo LLC to amend Article XVII, Section 50-17-43, District Map No. 41 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an R3 (Low Density Residential) zoning classification where an R2 (Two-Family Residential) zoning classification is shown at 5807 Toledo Street. The subject properties are generally bounded by Toledo Street to the north, Campbell Street to the east, Romeyn Street to the south, and Cavalry Street to the west. The proposed rezoning is indicated as the shaded area on the accompanying map.

The proposed map amendment is being requested to change the status of a current 10-unit building from legally nonconforming to conforming. Under the existing R2 zoning classification, the building cannot be rebuilt with its current 10 units if it were to suffer property damage, as R2 zoning only permits up to 8 units in this district.

R2 – Two-Family Residential

This district is designed to protect and enhance areas developed or likely to be developed with single- or two-family dwelling units. This district promotes a suitable environment for homes and for activities with family life.

R3 – Low Density Residential

This district is designed to promote and encourage multi-family dwelling such as terrace house developments and garden apartments. This district is primarily used on local thoroughfares to encourage a suitable environment for family life. Uses permitted include two-family dwellings, multi-family dwellings, and community facilities necessary to serve a residential district.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via U.S. Mail at the above address or e-mail at cpc@detroitmi.gov.
