CITY OF DETROIT
BOARD OF POLICE COMMISSIONERS MEETING
September 26, 2024 at 3:00 P.M.

1 VICE CHAIRPERSON SMITH: Good afternoon. Today is
2 September 26th, 2024. The time is now 3:00 PM. The City
3 of Detroit Board of Police Commissioners meeting is now
4 called to order. Invocation today is by Chaplain Darren
5 Penson, who is on Zoom. Are you present?

6 MS. GARNIER: We're having difficulty getting the
7 chaplain on at the moment.

8 VICE CHAIRPERSON SMITH: Okay, thank you. So we will
9 have prayer by Reverend Chief Warfield.

10 REVEREND WARFIELD: Let us pray. Father, we come once
11 again just to say thank you for this day, for this hour
12 that you've allowed us to make it to this day. As we come
13 here to meet on the community concerns, and on the
14 community behalf, as it relates to policing and
15 community, we ask Father that your spirit will guide us
16 in this conversation and you will provide answers and
17 solutions that we need to make our city a better city and
18 a better place to live. Bless those who are conducting
19 this meeting, our commissioners, bless the citizens who
20 are here, and the staff and all those involved. We give
21 you honor; we give you glory. In Jesus' name we pray.
22 Amen.

23 VICE CHAIRPERSON SMITH: Amen. Thank you for that
24 prayer. Now we're going to have an introduction of our
25 commissioners by our Madam Secretary.

1 MS. GARNIER: Commissioner Woods has asked to be
2 excused.

3 MS. GARNIER: Commissioner Smith - Present.

4 MS. GARNIER: Commissioner Bernard has asked to be
5 excused.

6 MS. GARNIER: Commissioner Banks has asked to be
7 excused.

8 MS. GARNIER: Commissioner Bell has asked to be
9 excused.

10 MS. GARNIER: Commissioner Burton -

11 MS. GARNIER: Commissioner Carter -

12 MS. GARNIER: Commissioner Moore - Present.

13 MS. GARNIER: Commissioner Hernandez -

14 MS. GARNIER: Commissioner Pressley -

15 MS. GARNIER: Commissioner Dewaelsche - Present.

16 MS. GARNIER: Three commissioners present, Madam Vice
17 Chair.

18 VICE CHAIRPERSON SMITH: Thank you, ma'am. So we do
19 not have a quorum, so we'll start our oral
20 communications. Who do we have for that?

21 MS. UNDERWOOD: Madam Chair, we have four speakers in
22 the room. We'll start with Bishop Bland, Ms. Bernice
23 Smith and Ms. Fredia Butler. Please state your name and
24 speak directly into the mic.

25 BISHOP BLAND: Bishop Fletcher Bland. I was here last

1 week and I had made recommendations regarding the
2 handicap parking at the end of the building, and I
3 suggested that the parking of the first two rows be
4 handicapped. But after I left the building yesterday, I
5 realized that from the four handicapped parking spaces
6 all the way up to the door, all of that is concrete,
7 flowers, weeds, and landscaping. You can extend the
8 handicap parking now from those four spaces all the way
9 to the building whatever the code is for a number of feet
10 before the building. But all of that could be handicapped
11 so people like myself and others don't have to walk all
12 the way down. Plus, it is getting cold, it's going to be
13 snowing and it'd be nice if the handicapped spaces could
14 be enhanced. So from where they are, all that space
15 that's just sitting there unused could be made
16 handicapped spaces.

17 The second thing I want to suggest is, you know, we
18 have a lot of people with mental health issues and as the
19 gentleman was shot the other day, he had a mental health
20 issue. We've had in the past, people with knives, axes
21 and other weapons, and I'd like to suggest that each
22 patrol car be housed with a shield. You know, when you
23 had Detroit Breathe on Seven Mile. When officers walk up
24 to a house, they don't know what they are walking up to.
25 They don't know what's confronting them. But if they had

1 a shield, so that if somebody's shooting or they have an
2 ax or a knife, not only can they be protected, but they
3 may be able to de-escalate the situation and talk to the
4 potential perpetrator and get him or her to disarm
5 themselves. So, if everyone had in their vehicle a
6 shield, when they walk up to a house, they won't be
7 ambushed. Another suggestion I had... well, those are the
8 two, but we need the... oh, one other thing. When you are
9 walking up to the building from the parking lot, right in
10 front of the door should be a handicapped ramp just for
11 people who may not park in the handicap, but they parking
12 in the regular parking space when they come up to the
13 door, like, I have a walker, I had to lift my walker up.

14 VICE CHAIRPERSON SMITH: Okay. Thank you, sir. That
15 is your time. Thank you. BISHOP BLAND: Thank you.

16 VICE CHAIRPERSON SMITH: Let the record reflect that
17 Commissioner Burton is present.

18 MS. UNDERWOOD: Ms. Smith; after Ms. Smith, Ms.
19 Fredia Butler.

20 MS. SMITH: Good afternoon, commissioners.

21 VICE CHAIRPERSON SMITH: Good afternoon.

22 MS. SMITH: I constantly watch my news at 11 o'clock
23 in the morning, channel 2. And each morning it seems like
24 it's getting worse and worse as far as crime is in our
25 city and things that are unsuitable that's going on in

1 our city. I love this city and I'm sure there are a lot
2 of Detroiters who love this city; and we want it to be
3 the best that it can be. When it comes to a child that's
4 been missing for over three months, and I see on the TV
5 today, 14 years old, can't find a body yet. The chief
6 appeared and made his presentation. Our attorney, she
7 made her presentation. How in the heck that we, as
8 parents are not more cognizant of our children and where
9 they are.

10 I used to take my children back and forth to school.
11 I used to pick them up back and forth. Not that I was
12 worried about the danger, but I cared. I was a monitor in
13 the junior high school there at Western and at Mayberry
14 over in Southwest Detroit for all of my children, the
15 time that they were in school. Why can't parents be more
16 cognizant? I guess that's the word for it, I want to say,
17 of their children. They're looking like they're just
18 letting them go and no interest in them whatsoever. I
19 feel sorry for the parents, true enough, but anytime you
20 have a 14-year-old young girl who has been raped several
21 times and you don't know anything about it, I'm mad; I'm
22 mad as hell, because being a mother and a grandmother, I
23 know how it is to take care of children. And I don't know
24 what's the matter with these parents that they don't take
25 care of their children, pay more attention to where they

1 go and what they do. It's incorrigible the fact that... it
2 is horrible. And I feel bad today. I really feel bad,
3 because that child didn't belong to me, but I felt as
4 though... I have three daughters and I took care of them. I
5 was very careful of who they associated with and so
6 forth. But I'm just disgusted today really with these
7 parents in this city. Thank you.

8 VICE CHAIRPERSON SMITH: Thank you, ma'am.

9 MS. BUTLER: Good afternoon.

10 VICE CHAIRPERSON SMITH: Good afternoon.

11 MS. BUTLER: This is just a continuation from the
12 last time I was here. According to several reports in the
13 New York Times, there are officers who are clansmen
14 joining police departments; most, I believe, live outside
15 of the cities. We have problems here with our young men
16 applying to join the department, but not following up and
17 some unable to pass physical requirements. I'm very
18 concerned because I believe that working where you live,
19 one has a vested interest in maintaining the quality of
20 life, and it's more than just a job. I have reported
21 earlier that some of the mayor's top administrators don't
22 live in the city. Our tax dollars are going elsewhere,
23 supporting other cities, which includes paying lawsuits.
24 Something needs to be done because of the reversal of
25 decisions by the Supreme Court Project 2025 and

1 redistricting, we are living in an armed camp, police by
2 outsiders. The work started in, the work stated, I'm
3 sorry, in Project 2025 has been going on for some time.
4 Too many of us are not paying attention. We need to stop
5 complaining and take a look in the mirror. As I have
6 asked before, what are we doing where we live, working
7 together, we can change what is happening. We must move
8 forward. Thank you.

9 VICE CHAIRPERSON SMITH: Thank you.

10 MS. UNDERWOOD: Minister Eric Blount, and then we'll
11 go into Zoom.

12 MINISTER BLOUNT: Good afternoon board. I'm Minister
13 Eric Blount from Sacred Heart Catholic Church.

14 VICE CHAIRPERSON SMITH: Good afternoon.

15 MINISTER BLOUNT: I'm asking for a moment of silence
16 for Marcellus Williams.

17 Jesus wept for his friend. So I'm sure you can
18 afford me the opportunity to weep for an innocent, what a
19 vast majority of people feel is an innocent black man who
20 was executed this week. And I hope you realize why some
21 of us come here with very, very serious demands on this
22 board of police commissioners. We are here for police
23 officer misconduct, but the corruption on this board
24 doesn't allow us to address the duty we have. And yes,
25 vice chair, you have the ability to interrupt the chief

1 of police and say, look, we're not here for a crime
2 summit; we're not here to talk about kids and everything
3 else. We are here for police officer misconduct. So have
4 the police department first talk about their efforts in
5 the risk management system they have to detect bad police
6 officers. Let them talk about Internal Affairs and what
7 they've discovered and what they're doing to prevent bad
8 police officers. And OCI just a few months ago did an
9 analysis that warned us that cops, bad cops, are
10 handcuffing innocent citizens, but not arresting them.
11 That should be an alarm that something's going wrong and
12 you need to get to the bottom of it, and not just talk
13 about crimes and things that happened. We are waiting.

14 VICE CHAIRPERSON SMITH: Thank you, sir. That is your
15 time.

16 MS. UNDERWOOD: We are going to go into Zoom, and our
17 first speaker will be Ms. Taura Brown and former
18 Commissioner William Davis.

19 MS. BROWN: Thank you Commissioner. My name is Taura
20 Brown. Can you hear me?

21 VICE CHAIRPERSON SMITH: You can be heard. Thank
22 you.

23 MS. BROWN: Thank you Commissioner. My name is Taura
24 Brown. I was going to speak about Sherman Butler, but
25 today I'm going to speak about something that's been

1 really getting on my nerves. This meeting is at three
2 o'clock every Thursday, except when it's a community
3 meeting. And those are later and we know where they are.
4 I don't understand why this commission can't be here on
5 time and start at 3 o'clock like it's supposed to. It is
6 3:12, and from my vantage point, it looks like maybe two
7 or three people are sitting there. This is important. I
8 don't know if you all need to change the time or what
9 needs to happen, but the same people are always late and
10 I don't care where this meeting is held, whether it's
11 held here at a different location, on the moon, they are
12 the same people who manage to be late every single week.

13 This is a commitment. This is serious. The time
14 doesn't change, and when it does, you know, in advance. I
15 don't know what it's going on, but the rest of this
16 commission needs to learn to get here on time. This is
17 ridiculous. People set aside time to come here for public
18 comment, to come here for observation. You have senior
19 citizens, well into their nineties, you have pastors, you
20 have people who have left work to be here for this
21 meeting and for some reason the damn commissioners cannot
22 get here on time. It is ridiculous and they have more
23 excuses, and I don't know why they don't get here on
24 time. The other thing I want to mention is we are still
25 waiting for body cam video from Sherman Butler's murder.

1 And at this point I'm going to call it a murder and not a
2 shooting because it's clearly a cover-up because they
3 come up with more excuses as to why not to give us this
4 camera. We are just now finding out... well, I'm not just
5 now finding out. I've known for quite some time that
6 Craig Gregory was a former DPD police officer. They claim
7 they can't find any of his personnel records. His name
8 has come up in two lawsuits for civil rights violations.
9 I want to know when we should expect the video? When
10 should we expect the police report? When should we expect
11 to know what happened to Sherman Butler and see the video
12 that tells us. Thank you.

13 VICE CHAIRPERSON SMITH: Thank you.

14 MS. UNDERWOOD: Former Commissioner Davis.

15 MR. DAVIS: Good afternoon. Can I be heard?

16 VICE CHAIRPERSON SMITH: You can be heard. Go ahead
17 please.

18 MR. DAVIS: Okay. I'd like to start off by saying, I
19 agree that the handicapped parking should be closer to
20 the door. I found that to be a problem when I was down
21 there, especially with some people who are elderly and
22 handicapped. They should be able to have parking closer
23 to the door, like in most places. Also, I think that
24 there is even a greater need for this commission to track
25 wrongful arrest and wrongful convictions. There should be

1 a regular quarterly report done to update the public on
2 what's being done about that. Also, there should be a
3 report dealing with officers that are frequently involved
4 in wrongful arrest, or wrongful convictions. You know,
5 this board can do a whole lot to improve its image by
6 doing more to let people know that you all are aware, and
7 working on the challenges that some people face. Because
8 you know, if more and more people think that people are
9 being arrested for no reason or being arrested because
10 somebody can get away with it. And also, there should be
11 a report generated every time an officer puts handcuffs
12 on someone. You know, if you're putting handcuffs on
13 someone, especially a young black person or a young
14 Hispanic, you know, just so that you could talk to them,
15 that's a problem. We need to make sure that everything's
16 above board with this commission and with this
17 department. Most of our officers are outstanding
18 officers, but if you let bad officers get away with
19 stuff, that makes the whole department and the board of
20 police commissioners look bad. Thank you.

21 VICE CHAIRPERSON SMITH: Thank you.

22 MS. UNDERWOOD: We do have another speaker in the
23 audience. Mr. Ronald Foster.

24 MR. FOSTER: Good evening. Through the Chair.

25 VICE CHAIRPERSON SMITH: Good evening.

1 MR. FOSTER: First thing I wanted to say is I'm
2 really very appreciative of you guys as a constant ear to
3 the community. I always see Commissioner Moore downtown,
4 and the community, as well as Ms. Smith is always in the
5 community. I'm very grateful today for you guys'
6 partnerships that you have and now that you all have
7 done, I think those are great; going in a great
8 direction, as well as the new department to help address
9 some of the crime victim rights. I think that's very
10 admirable and needed. And so I'm very, very grateful for
11 what you guys are doing and the efforts that you all are
12 making. They are visible and tangible things and so we
13 ask that you guys keep it up. I don't have anything
14 really bad to say today. I really just encourage you all
15 to keep up the good work and keep an ear to the community
16 and tighten up the areas that need to be tightened up.
17 And thank you all for listening.

18 VICE CHAIRPERSON SMITH: Thank you.

19 MS. UNDERWOOD: Ms. Williams. I think that's all who
20 are in the audience. If I miss someone, I'm...

21 MS. WILLIAMS: Hello everyone.

22 VICE CHAIRPERSON SMITH: Hello.

23 MS. WILLIAMS: Today, I just want to speak about
24 honesty and integrity and being responsible and being
25 held accountable for whatever you've done in respecting

1 your job, whatever your position is. I've been speaking
2 about a whole lot of stuff a year and a half concerning
3 Detroit police officers. Can't say the whole 2,700. And
4 at this point in time, there's really nothing left for me
5 to say because I have said so much in these meetings and
6 making police reports and everything that's been going on
7 in my life. Nothing's changed. All I continue to do is
8 come in here to put stuff on record; Freedom of
9 Information Act. Because at the end of the day, everyone
10 who is in these positions are fully aware of what I've
11 been complaining about. And all I ask for you all to do,
12 is to do your job correctly and comply with the law rules
13 and regulations instead of doing what you guys do.

14 I can't speak for everybody in this room, but I'm
15 talking about integrity and doing what you should do in
16 your position. Period. Last weekend I went to the market.
17 Now, the taxpayers pay for the helicopters to be put up
18 you know, to fill up, fly around. There's no way in heck
19 a helicopter should have been stalking me for five
20 minutes. That's not acceptable. I can't even go to the
21 market. Even when I was at 12, 900 drones and
22 helicopters, all over the place. And then they say there
23 are no officers there. I can take what you guys say on
24 record, but I'm far from stupid. But at the end of the
25 day, like I said, accountability, at the end of the day.

1 There's nothing else for me to say. Thank you very much
2 and have a good day.

3 VICE CHAIRPERSON SMITH: Thank you, ma'am.

4 MS. UNDERWOOD: Madam Chair, there's one more speaker
5 in Zoom, Black Bag Roo.

6 VICE CHAIRPERSON SMITH: Go ahead, you can be heard.

7 BLACK BAG ROO: Okay. It is the board of police
8 commissioners. Now, you all chairman Darryl Woods, after
9 the board voted to subpoena the records from the Detroit
10 Police Department at a Michigan State review of
11 investigation. The DPD case number 20-11112, on that
12 Thursday night, he went in Friday morning and told the
13 board secretary, and I believe they're there not to start
14 the subpoena process. It has been over a month now and in
15 your package, I understand is a letter from the Michigan
16 State Police denying the request for some videos or
17 something. You all didn't vote to subpoena. He served his
18 power, you served the board's authority and went in there
19 and told the board secretary not to do something that you
20 all voted to do. Now, Darryl Woods has to go. He got in
21 the way too. Everybody in Nene's way is going to have to
22 get out of the way.

23 That's from the mayor all the way down the line to
24 Darryl Woods. And then somebody on the school board, get
25 in the way, they have to go too. They've been cheating in

1 Detroit elections since 2020 that I could prove. And
2 tomorrow, Friday, number 45 is going to be out there in
3 Warren Macomb County at the Macomb County College out of
4 Warren. He got the information that he was cheating on in
5 Detroit in 2020. I gave it to him. I made sure he got it
6 on three different occasions now he got it; and he knows
7 all about it. So they went through the State of Michigan,
8 and found, I don't know how many cases of absentee ballot
9 fraud. They have nothing to do with Detroit. But I'm
10 going to focus on Detroit. All these elected officials
11 here in the City of Detroit, highly suspect, they are not
12 even cheated on. That's what's been happening. They are
13 all cheated in, every last one of those elected officials
14 on the city council, the [unclear] council, the Board of
15 Police Commissioners, and the school board and they are
16 lying and cheating. So they can still...

17 VICE CHAIRPERSON SMITH: Thank you. We're now moving
18 forward to a report from our board secretary. Madam
19 Secretary.

20 MS. GARNIER: The report from the board secretary
21 today under tab 11 is the Office of Chief Investigators
22 weekly inventory report for the date September 14th
23 through September 20th, 2024. The announcements for today
24 are as follows. The next meeting of the board is
25 Thursday, October 3rd, 2024 at 3:00 PM, here at Detroit

1 Public Safety Headquarters. The next community meeting is
2 Thursday, October 10th at 6:30 PM, Third Precinct, which
3 will be held at Goodwill Industries Career Center. 2777
4 East Grand Boulevard in Detroit, 48211. The October
5 monthly committee meeting is as follows: Citizens
6 Complaints Committee meeting, Tuesday, October 1st at
7 3:00 PM here at Public Safety Headquarters. The Policy
8 Committee will be meeting three times in October, all at
9 5:00 PM. On October 1st, October 15th and October 29th.
10 That concludes the report from the board secretary
11 office, Madam Vice Chair?

12 VICE CHAIRPERSON SMITH: Yes. Thank you, madam
13 secretary. So the time is now 3:24, and we still do not
14 have a quorum. So can I get a motion to adjourn?

15 COMMISSIONER HERNANDEZ: I think we can't even vote
16 on it. Meeting adjourned.

17 VICE CHAIRPERSON SMITH: The meeting is adjourned.
18 Thank you.
