8 Stephanie Beatty, Court Reporter Don Handyside. Sergeant
9 Quinn Audio, Mr. Charles Henry, Media Services, Deputy
10 Chief Tiffany Stewart. And those are the persons
11 represented at this time.

12 CHAIRPERSON WOODS: Alright. Thank you very kindly.
13 Let's go to the Community Impact Report. 10 minutes.

14 CI WARFIELD: Thank you Mr. Chair, and thank you to
15 this honorable body. I want to, and I'm bringing up on
16 the screen for those who are online; share the screen
17 here for our report for today. Okay. This is our report
18 regarding the end of the month of November numbers. So
19 everything that happened during the month of October, not
20 November, sorry, the month of October. As you all know,
21 the mission of the Office of the Chief Investigator is to
22 fairly effectively and objectively receive, investigate,
23 and make recommendations regarding complaints concerning
24 the Detroit Police Department and its personnel. And it
25 is our goal of the OCI to assist in approving the quality

1 of law enforcement services by instilling citizen
2 confidence and integrity in the Detroit Police
3 Department. One of the things I want to do, I want to be
4 very clear that every week for the past 18 months, OCI
5 has produced a weekly report that comprises 5 sub
6 reports. One of the reports is assigned cases, and you
7 get that every week. And that's basically a snapshot of
8 how many cases are being signed out to which
9 investigators in any given week. We also review closed
10 cases, which cases were closed during that week. Then
11 you'll get an OCI leadership review report. That report
12 deals with the cases that have been submitted by the
13 investigators, and they're in the review process. You
14 will also receive, or you have been receiving the
15 commissioners review report. That's the case of course,
16 that the commissioners are reading, signing, and
17 approving and bringing back. And we show that as well, as
18 well as those cases that are still needed to come back to
19 the office. And then finally, we do a caseload report as
20 part of that 5 sub report, a weekly report that you get.
21 And that's basically a snapshot of investigators caseload
22 for that particular week, for those 7 days. And all of
23 these numbers are very fluent. They come and they go. So
24 they change often. But that at least gives you a snapshot
25 every week of pretty much where we are. Now, monthly, we

1 produce a monthly report that pretty much chronicles and
2 provides a monthly summary of OCIs investigative process,
3 how many cases we've closed, and what's currently in the
4 office. So over the course of a month, you'll get 21
5 reports from the Office of the Chief investigators. So
6 that this honorable board is very keenly aware of where
7 we are from a status standpoint.

8 And we've been doing that for the last 18 months. I
9 put this video up on the screen because for me, it
10 depicts what's going on in our office. As you all know,
11 and we all live in Michigan, that we face blizzards. And
12 if you go outside and you shovel the snow in the blizzard
13 while it's still snowing, what happens? Snow still falls,
14 but you have to clear the sidewalk. Well, that's how
15 sometimes we feel in our office. When you look at our
16 case flow, when you look at where we are this year, we
17 are going to top off over 2000 complaints. Last year was
18 a record year when we did 1,742 complaints. This year, we
19 are going to top 2000 complaints. And so it's somewhat of
20 a type of blizzard for us as it relates to the number of
21 cases that come in. And you can see the orange bars on
22 that graphic represents this year's complaints that come
23 in on a monthly basis. The blue bars represent what came
24 in as far as complaints from last year. So you can see
25 the trend going up. Again, when you project out, it looks

1 like we're going to have over 2000 cases or complaints
2 that are coming into our office for this year.

3 CHAIRPERSON WOODS: Let the record reflect that
4 Commissioner Carter, and Commissioner Burton are present.

5 CI WARFIELD: What I also wanted to do is to talk
6 about our total work product. And this is again, for the
7 month of October. So our investigators closed 700, I'm
8 sorry, this is for the year. This is for the entire year.
9 Our investigators closed 767 cases. We have another 153
10 cases that are scheduled to be closed, but they're in the
11 review process. So when you add those two numbers
12 together, which I call our work product for the year, we
13 have 920 cases in house that we have either closed or in
14 the review process of being closed. And we are
15 projecting, based on those numbers, that we're going to
16 end up closing about 1,073 cases this year, which is more
17 cases than what we closed last year by about a couple of
18 hundred. And what's even more significant about this is
19 when you look at the investigators who are actually in
20 rotation, on average, there are about 10 investigators in
21 rotation, because the rest have been in some form of
22 training, although those who are in training have still
23 investigated and closed cases.

24 They have not done it at the clip that those who are
25 in rotation have, but they have done a yeoman's job. And

1 we just added 4 investigators to the rotation for this
2 month. So we have now 14 investigators in our rotation. I
3 also wanted to give you, as relates to the cases that
4 we've closed based on the year that they were initiated.
5 So this year, we've closed 127 cases that were from 2001.
6 We closed 78 cases that were from 2022. I said 2001,
7 2021. And we closed 78 cases from 2022. We closed 214
8 cases from last year; this year. And again, we had over
9 1700 last year. And then we've closed this year, 348
10 cases out of the 1,666 cases that we've received so far
11 this year. So our approach is to make sure that we span
12 all the cases that we don't just concentrate on one year.

13 As I presented my timeliness program a few months
14 ago, we made sure that we hit each segment of the cases
15 that are in our offices because we believe that's the
16 best way to have a full well-rounded approach to tackle
17 closing these cases. I want to look at our staffing right
18 now. Obviously it didn't make this slide and I apologize
19 to that. It is on my raw slide, but not this one. But I
20 have two administrative assistants who handle basically
21 processing the cases throughout our office and make sure
22 the commissioners get the cases and come back to us. But
23 they do a lot more than that. They handle all of our FOIA
24 requests. They handle all the requests that come in for
25 promotions, for research and things like that. We also

1 have two, full-time supervisors; we have one acting
2 supervisor.

3 That position is not posted. We are going to shortly
4 start interviewing for that position. We have 4 senior
5 investigators; two of those investigators are signed out,
6 though. One is working as a quality assurance reviewer to
7 review every case that is written in that office and make
8 any correction suggestions as needed. And then the other
9 senior investigator was doing training for this last year
10 and a half for the number of investigators that have come
11 on board. In rotation, we have 13 investigators in
12 rotation right now, which helps a great deal enlighten
13 the load for all of our investigators. And we have 6
14 additional investigators that are currently in training
15 that we are projecting to be in the rotation at the start
16 of the year. So all of our training will be done for all
17 of our investigators. And of course, we have two
18 vacancies. We receive resumes and applications for those
19 positions. And we know, Mr. Chair, as you've done before,
20 we know that those positions will be filled fairly
21 quickly. And that's our standard. So I said all that to
22 take us where we are in our open cases. In our open
23 cases, we have...

24 CHAIRPERSON WOODS: Hold on one second.

25 CI WARFIELD: Yeah, sure.

1 CHAIRPERSON WOODS: You need some clarification?

2 COMMISSIONER BANKS: No, I was waiting until you
3 open... I'm sorry. I thought he was through. I'll wait
4 for you to open it up for questions.

5 CHAIRPERSON WOODS: All right. Not a problem. Go
6 ahead.

7 COMMISSIONER BANKS: I thought that's what he was. I
8 thought he was through.

9 CI WARFIELD: Okay. Thank you.

10 COMMISSIONER BANKS: I'm not rushing you or anything
11 though, okay.

12 CI WARFIELD: I'm good?

13 COMMISSIONER BANKS: I'm not rushing you, Chief.

14 CI WARFIELD: I'm trying to stay within the time
15 limit.

16 COMMISSIONER BANKS: Huh?

17 CI WARFIELD: Through the Chair.

18 CHAIRPERSON WOODS: Alright, go ahead.

19 CI WARFIELD: Through the Chair, we have about 2,429
20 cases in our office, total. Of that, 426 are within 90
21 days, 2003 are past 90 days. And it's also important for
22 me to point out that the title of backlog, it qualifies
23 for any case that's passed 90 days. So any case that goes
24 past 90 days is a backlog. So any case that we have not
25 solved, let's say that we got in August, the first of

1 this year, it's considered a backlog. So these numbers
2 are coming down, although it looks like it's not, they
3 actually are coming down. If you look at our team output,
4 our team output is producing and improving tremendously.
5 When you look at the cases that have been submitted and
6 the cases that are closed, our total work product is 268
7 cases just for the month of October, which is amazing.

8 Again, our staff, our investigators are doing a
9 wonderful job again; and we are crossing the span of all
10 years. And I'm proud to report that we do not have any
11 2021 cases in our shop that still need investigating.
12 They're either closed or they're in the review stage.
13 We'll get to that in a minute. When we look at the cases
14 that we have received versus the cases we have closed,
15 you'll see that on this slide right here, in the month of
16 October, we received 166 complaints. We closed 115
17 complaints. But again, when you look at the total
18 product, the complaints that were closed versus those who
19 were submitted, we're well over that 176; we are at 268,
20 which is where we need to be to make sure we continue to
21 knock down that number. So we are well ahead of the game
22 of bringing that number down.

23 Switching gears, a little bit, looking at the
24 allegations; this year alone, we've received 4,212
25 allegations from 1,666 complaints that have come to our

1 office. And, you know, typically, again, you'll get
2 procedure, service, and demeanor as the main allegations
3 that come through. But yes, as you all know, our
4 investigators investigate each allegation that comes in
5 not just the complaint, but all the allegations within
6 that complaint. When we look at the sustained allegations
7 from January through October, this is a chart we want to
8 present to you, that out of 767 closed cases that we've
9 closed for the year, 151 cases had sustained allegations,
10 which represents about 19.7%, almost 20% of those cases
11 come in are, are sustained. And again, that represents
12 from January through October. The good thing about that,
13 and I've seen this with the department, is that training
14 takes place; a lot of the training. We get administrative
15 messages that talk about some of the issues that we are
16 seeing. And so we applaud the department for making sure
17 that those training opportunities take place. And we are
18 also in the process, and you'll see it next week, of
19 producing a brand new report that deals with the
20 additional findings that we have found that we believe
21 could go to the various commands so that they can train
22 very specifically to issues that we see in particular
23 commands. And so we'll produce that for you next week.
24 When you look at the total number of CCR allegations for
25 October of 2024, you see it right there. For the month of

1 October, there were 405 allegations out of 176 citizen
2 complaint reports. And you see that information right
3 there.

4 And again, you see those numbers break down and as
5 always, we break these numbers down per command staff.
6 Now the numbers look a little lighter than what they
7 should; and that's because again, for the additional
8 information, for the additional findings that we're
9 finding, that's not related to the actual allegation of
10 the complaint itself. We are taking that information, we
11 are chronicling it, we are tying it up, and then we're
12 going to send that back to the department. Certainly you
13 all have a copy, so that appropriate training can be done
14 in those areas for those particular matters that we see
15 that there are issues. And that's pretty much my report.

16 CHAIRPERSON WOODS: Commissioner Banks.

17 COMMISSIONER BANKS: Yes, sir. Through the Chair,
18 Chief White, I mean Chief Investigator, I just want to
19 commend you on the progress that you made because I know
20 about 4 or 5 months ago, you came from over 1200 cases in
21 the backlog, down to over 1200 cases in the backlog, and
22 now you're a little over 500. And I just wanted to
23 commend you and the staff for, you know, making that
24 progress, making some great progress. So just a little
25 kudos, man. I appreciate what you're doing, you and your

1 staff. You have your staff buying into what you're
2 selling. So keep making progress, man.

3 CI WARFIELD: Thank you, Commissioner.

4 CHAIRPERSON WOODS: Commissioner Dewaelsche.

5 COMMISSIONER DEWAEELSCHÉ: Thank you, Mr. Chair. Just
6 a couple of questions on the report. On the current
7 staffing where you talk about 13, wait, what is it? Some
8 investigators are in training, 6. How long is the
9 training period?

10 CI WARFIELD: Great question. Through the Chair, the
11 training period is bare minimum six months. Some
12 investigators get through it a little bit quicker, and
13 we're able to put them in rotation a little bit quicker.
14 Some it takes a little bit longer. One of the approaches
15 that we have made since I've been there, is that we want
16 to make sure that we don't overwhelm the investigators
17 when they come on board. There are a lot of nuances to
18 investigating a case, and there are a lot of procedures
19 that the investigators have to follow. So we pretty much
20 take them by the numbers and they are making tremendous
21 progress. So they really are, I mean, some of our
22 investigators, our new investigators are leading the pack
23 as relates to the number of investigations that are
24 closing on a monthly basis, monthly in, and month out. So
25 we have a very good group of investigators.

1 COMMISSIONER DEWAELESCHE: And just as a follow up
2 really quickly, so the ones that are being trained, 6
3 months, are they getting the same caseload or a lighter
4 caseload, or what does that look like for them?

5 CI WARFIELD: That is another great question. Through
6 the Chair. So their overall caseload is about the same,
7 however, we give it out to them differently. So they have
8 the same amount of cases and sometimes even more, but we
9 divvy it out to them in smaller chunks so that they can
10 digest it and not get overwhelmed, but they still have
11 responsibility for the same caseload, so to speak.

12 COMMISSIONER DEWAELESCHE: And then just related to
13 that, when you do give them the cases, do you assign them
14 immediately or is there a wait period before the cases
15 are assigned to investigators?

16 CI WARFIELD: Through the Chair, when the cases are
17 assigned, they're assigned through our administrative
18 staff and they go straight to that particular
19 investigator. And that investigator has 3 days before
20 they contact the citizen to try and get the citizen's
21 personal statement, and then they start the investigation
22 at that point.

23 COMMISSIONER DEWAELESCHE: Thank you very much. Thank
24 you, Mr. Chair.

25 CHAIRPERSON WOODS: Commissioner Bernard.

1 COMMISSIONER BERNARD: A couple of questions, and
2 thank you for an excellent report. The first question is,
3 don't we close cases, and we call it an administrative
4 closure, don't we, when you contact me and I don't
5 contact you back. I filed a complaint, but now I'm too
6 busy to deal with it, for example, that's an
7 administrative closure, right?

8 CI WARFIELD: Through the Chair. Not necessarily so.
9 We continue to investigate the case. So what do we use?
10 We use the complainant's response when they first
11 started, when they first put the complaint in. So we
12 investigate that and we go forward with that. So, we
13 don't close a case, an administration closes it just
14 because we call the complainant back and they don't
15 answer our call or return the message back to us.

16 COMMISSIONER BERNARD: I see. The second question is,
17 roughly 20% of the cases that are filed appear to be
18 sustained, meaning that you found some police misconduct.
19 80% then of the complaints that we get are frivolous?

20 CI WARFIELD: I wouldn't say they're frivolous;
21 through the Chair. I wouldn't say they're frivolous. We
22 just in our fact finding could not sustain those
23 complaints. And that could be for a number of reasons.
24 That could be because there was a lot of information that
25 was missing that we could not correspond. It could be

1 because we saw some things, but we didn't see enough to
2 sustain it, so it could be unfounded. So there are a
3 number of reasons why we cannot say sustain, but what we
4 will not do is sustain someone when we don't see the
5 factual evidence that we can prove it, that that is done.

6 COMMISSIONER BERNARD: So, every complaint then, is
7 registered in the office; we do some form of
8 investigation, whether we get the cooperation of the
9 complainant or not, and we make a decision about that.

10 CI WARFIELD: Through the Chair. Yes. Every single
11 complaint that comes into our office receives our
12 attention. Whether there are complaints that are going to
13 be transferred to another division, we still have to do
14 our preliminary investigation. Every complaint gets a
15 level of investigation.

16 COMMISSIONER BERNARD: Just one final question, Mr.
17 Chairman. On your sheet that says sustained allegations
18 January through October. There are three critical areas
19 there. 105 were sustained for demeanor. 266 were
20 sustained for procedure. And 24 were sustained for
21 service. Once that happens, they're sustained. And two
22 questions, really, this is where you were talking about
23 additional training, but the second part is, if it's
24 sustained, does that go in the officer's record? And when
25 we are looking at promotions, is that the information

1 that you're giving us?

2 CI WARFIELD: So there are two answers to that
3 question, through the Chair. As it relates to those cases
4 that are sustained. So once they're sustained, we send
5 every sustained case over to the disciplinary department.
6 The disciplinary department then follows up, they do
7 their own due diligence and look at the case. And then,
8 you know, they take it from there. And most of the time
9 they agree with us. Sometimes they don't agree with us;
10 but they handle it at that particular point. The case is
11 out of our hands. The second part of your question, can
12 you repeat it for me? I'm sorry.

13 COMMISSIONER BERNARD: It relates to what do you do
14 when we ask you for a report on an officer before we
15 promote him?

16 CI WARFIELD: So, you don't just get the sustains,
17 you get all of them; you get the entire complaint file.
18 So if that particular officer received, let's say, 10
19 complaints, none of those complaints were sustained, you
20 still get that information. So you get the entire packet
21 of that office. And not just to sustain, but all of it,
22 every investigation that our office completed.

23 COMMISSIONER BERNARD: Finally, can you ask the
24 department to give you what they do to officers when it's
25 sustained by us, and we send it to them? I know when we

1 transfer the file, it's out of our hands, but it would be
2 nice to know what happened after that. That's all. I
3 think you've asked for that before.

4 CHAIRPERSON WOODS: We are expecting a report on
5 that, and we wanted to stay current, and we want to make
6 sure that every time that happened; that a sustain
7 happened, how much time it takes for them to do their
8 process. So, you're right, you're spot on, commissioner
9 that we would stay on that. And I think through, through
10 the citizen complaints committee, you know, that's a
11 powerful, strong apparatus to make sure that that is
12 consistent. So great question.

13 CHAIRPERSON WOODS: Yep.

14 COMMISSIONER BERNARD: Thank you.

15 CHAIRPERSON WOODS: Are you done? Commissioner Smith,
16 and let the record reflect that Commissioner Pressley is
17 present.

18 COMMISSIONER SMITH: Thank you. Through the Chair.

19 CHAIRPERSON WOODS: Yes, ma'am.

20 COMMISSIONER SMITH: Good afternoon.

21 CI WARFIELD: Afternoon. My question was similar. I
22 was noticing that most of the complaints and allegations
23 were procedure and demeanor. And could you give me an
24 example of what that looks like, because I want to know
25 why there are so many.

1 CI WARFIELD: Typically, and I looked at this right
2 before I came just to make sure, because I had a feeling
3 that question was going to come up again. I'm sorry,
4 through the Chair. We are still getting a great deal of
5 electronic issues as it relates to body-worn cameras,
6 either being turned off too early, not being turned on at
7 all, or not operating, and then not documenting that it's
8 not operational. If the officer documents that the body-
9 worn camera is not operational, that's not a problem with
10 us at all, because that's according to the policy. So
11 that's where the majority of the procedure comes in. As
12 it relates to the demeanor, obviously, that's when
13 citizens feel that they are being talked to in an
14 unprofessional manner. One of the things that we're
15 seeing is that there are a number of conversations that
16 begin with, "Hey man, hey dude hey sweetheart." And those
17 things are against departmental policy. And so we make
18 that notation and we sustain those officers for not
19 professionally addressing the citizens in that case. So
20 there are a number of things, but those are two of the
21 common things that we're seeing.

22 COMMISSIONER SMITH: Okay. Thank you.

23 CI WARFIELD: You are welcome.

24 CHAIRPERSON WOODS: Anything further? Yes, sir.

25 Commissioner Pressley.

1 COMMISSIONER PRESSLEY: Thank you. Through the Chair.
2 As has been mentioned you know, our hope is through the
3 Citizen Complaint Committee, is to standardize these
4 reports to the board so that our committee receives it
5 before the board does. So we can kind of respond to these
6 questions. But to your point, you know, I have found in
7 the cases that I have been reviewing that, again,
8 primarily whether it's a procedure around body-worn
9 cameras not being worn or demeanor with casual
10 salutations with names, but then also just the use of
11 profanity. And sometimes their profanity might be
12 directed to a citizen or just might be, again, informal
13 communication. But either way, it's against policy. And
14 so that's why we're seeing such high numbers. And so to
15 the Chief, you know, I know that Chief White, I believe
16 it was last week or the week before last, you know,
17 stated that we have a 100% body worn camera use rate. And
18 I was concerned about hearing that. because 100% is
19 always very absolute. But again, the cases that we're
20 reading are finding that a number of body-worn cameras
21 are not being worn. So I'm just trying to figure out how
22 we can reconcile whatever is being done in the risk
23 management to say that DPD is adhering to the policy 100%
24 while the number of sustained allegations suggested that
25 that's not particularly the case.

1 DC STEWART: So through the Chair, I'll certainly get
2 with the Risk Department to see if they can figure out
3 how to marry the two. Certainly when we do our body-worn
4 camera audits; and they may not be looking at the same
5 cases, but there are random audits and they look at a
6 large volume of cases. And if all of the parameters are
7 there, it's considered a pass for the officers and that
8 they have their body-worn cameras activated. But maybe
9 there's something or some way to marry the two.

10 COMMISSIONER PRESSLEY: Okay. Thank you for that. And
11 then just overall, the general number, you know, is
12 saying 19.7% of the cases that have been closed have been
13 sustained, and I'm just trying to refer back to last
14 year's data that that would be an increase, correct.

15 CI WARFIELD: That would be an increase.

16 COMMISSIONER PRESSLEY: Okay. Thank you.

17 CI WARFIELD: Through the Chair. Last year, I think
18 we're closer to 15%.

19 COMMISSIONER PRESSLEY: Like 14?

20 CI WARFIELD: 14, right? Yes, sir.

21 COMMISSIONER PRESSLEY: Thank you.

22 CHAIRPERSON WOODS: Yep. And anything further, you
23 all? Commissioner Bell.

24 COMMISSIONER BELL: Thank you.

25 CHAIRPERSON WOODS: Yes, sir.

1 COMMISSIONER BELL: I just want to say that the chief
2 investigator is being very modest about demeanor. There
3 are too many cases in the culture that we've been
4 noticing the entire time that we went to body cameras,
5 the F word. It seemed to be a culture of the F word. So
6 we've been talking about that quite often. And from Chief
7 Craig to Chief White, it's been a common language
8 culture. I know it's out on the streets, but we are not
9 the streets. I think we should emphasize the reality,
10 what we're dealing with in the culture. Thank you.

11 CHAIRPERSON WOODS: Thank you so much. And thank you
12 for the work that you're doing in terms of the new
13 recruits and going over there and making sure that, you
14 know, you baptize them in the proper way in terms of the
15 training that you go and the presentations as you do with
16 the new recruits. And look for even more commissioners to
17 participate in that, because I think it's vital that
18 these new recruits understand that that culture is not
19 acceptable. Having said that, I want you to report to
20 this board about the force allegations and the
21 harassment. You know I see that there is like a 4%, and
22 then as it relates to harassment, that's a 5% that was
23 sustained, right?

24 CI WARFIELD: Correct. So through the Chair, there
25 are certain force allegations that go over to IA. If

1 there are certain conditions that are in need, for
2 instance, if there are broken bones, if there are, if the
3 victim is visibly or the citizen, I'm sorry, is visibly
4 cut or bruised or whatever, we'll send that straight over
5 to IA. And sometimes they do their inside force
6 investigation reports right at the scene. So that becomes
7 a part of our report that comes over to us. So those
8 things go straight there. I think the other question was
9 harassment. Was that the other category?

10 CHAIRPERSON WOODS: Yes.

11 CI WARFIELD: As far as harassment; certainly one of
12 the things that we've seen...

13 CHAIRPERSON WOODS: Let me cut you off there. I think
14 that these were sustained allegations, right?

15 CI WARFIELD: Correct. Let me go back to the
16 previous...

17 COMMISSIONER PRESSLEY: Through the Chair. While he
18 is looking for that, just for a point of correction, you
19 all stated on the record that that's 4% and 5%, but I
20 think those are just 4 cases and 5 cases, correct?

21 CI WARFIELD: Four cases.

22 CHAIRPERSON WOODS: Thank you. Thank you for the
23 clarification. Thank you, commissioner. So the 4 cases
24 and the 5 cases we need to be reported on. When it comes
25 to anything as it relates to sustaining on force and

1 sustaining own harassment, those are very, very serious
2 charges. And this board needs to know that immediately
3 when that comes in, especially when they are sustained.
4 And we want to know what is the follow up to that
5 immediately.

6 CI WARFIELD: Yes, sir.

7 COMMISSIONER BERNARD: Including as a piggyback on
8 that, if in fact it results in litigation against the
9 department, usually when they're excessive force or
10 something, or harassment of that nature, it usually
11 results in litigation. So some of these complaints
12 actually result in lawsuits. So it would be good to know
13 which ones do, which ones don't. Thank you.

14 CI WARFIELD: Yes, ma'am.

15 CHAIRPERSON WOODS: Yep. But great job. And let me
16 ask this, as it relates to I know the conversation is
17 that you have a timeline in terms of when we can get
18 fully out of the backlog. Are you prepared to speak on
19 that?

20 CI WARFIELD: Well, I would rather wait until we get
21 through with our wing sweat process, through the Chair.
22 And I would just want to report just briefly on the Wing
23 Swept our new case management.

24 CHAIRPERSON WOODS: Yes, sir.

25 CI WARFIELD: We have been meeting weekly. Right now

1 we are in the testing phases of it. Our IT Department
2 here in the City of Detroit has been in direct
3 communication with the Wing Swept people over, I think
4 they're out of Boston, on the East Coast. And so we are
5 having another meeting tomorrow to see if the changes
6 that we've asked them to put in place have taken place.
7 We're hoping to get our Wing Swept up and running by next
8 month at the very latest, so that we can start getting
9 used to using that system. We took a delegation again
10 over to the office of the Inspector General, I believe it
11 was last week just to see from a practical standpoint how
12 they were using that product and versus how we can use
13 it.

14 We are very confident that it is going to be well;
15 and I want to say also to the departments, that their new
16 process is working, and will work very well with ours
17 too. The department has been very open, and very amenable
18 to meeting with us as it relates to making sure that, I'm
19 sorry, to making sure that right now, MASS, which is
20 undergoing some changes, is still going to be operational
21 in our new system. And so their new system benchmark, if
22 I could say that. Their new system benchmark is a
23 phenomenal system and it works hand in hand. The fact
24 that we are moving away from these antiquated systems and
25 coming up in technology, I think is phenomenal. And I

1 want to thank all of the employees of the Office of the
2 Chief Investigator, also the BOPC. Our staff work
3 together very well. And our people do some extreme work
4 from the front office to every investigator, to every
5 supervisor, to every senior, even to the administrative
6 personnel. We just want to say thank you to all of them
7 for the outstanding job that they do day in and day out.

8 CHAIRPERSON WOODS: Thank you kindly.

9 COMMISSIONER BERNARD: Very quickly, may I ask just
10 Mr. Chairman, because we're trying to implement a new
11 system and a new computer sort of thing that perhaps we
12 might want to consider authorizing overtime so they can
13 really get this, you know, 35 hours a week or whatever it
14 is they're currently working. It may take us 4 months to
15 get this up. Why don't we do a crash course, authorize
16 the overtime and get it done?

17 CHAIRPERSON WOODS: We can refer that to the budget
18 director or Budget Committee Chair, as well as the
19 Citizen Complaint Committee Chair to explore that if
20 that's needed.

21 COMMISSIONER BERNARD: That's needed.

22 CHAIRPERSON WOODS: Yes, ma'am.

23 COMMISSIONER DEWAELESCHE: Mr. Chair, that may be a
24 recommendation that we might want to give to Mr. Fries
25 this week, because he needs that by Friday.

1 CHAIRPERSON WOODS: Right? Absolutely.

2 COMMISSIONER BERNARD: It takes 6 months training.

3 COMMISSIONER DEWAELESCHE: Right. Mr. Chair, just a
4 really quick question, just for my clarification. I meant
5 to ask this and I skipped it. On your report where it
6 says cases closed versus cases submitted, there's a
7 number, 15 duplications. What does that mean and how do
8 those 15 cases get reconciled?

9 CI WARFIELD: Through the Chair. That is an
10 outstanding question.

11 CHAIRPERSON WOODS: It is.

12 CI WARFIELD: The duplication cases are basically
13 cases that are resubmitted over and over again, sometimes
14 by the same person looking to maybe accelerate the
15 investigative process. So it's basically the exact same
16 case that's being asked to be reinvestigated or to be
17 investigated. So we don't go and investigate the
18 duplicates. We just add them to the initial case that
19 came into our office, so that case gets investigated.
20 Then sometimes there are cases where there's a crowd of
21 people and the allegations are still the same, but it's
22 coming from different people. So we look very carefully
23 at if there are different allegations, different members
24 who are focused on the allegations before we deem if it's
25 a duplicate or not. But duplicates are basically carbon

1 copies of the same allegation that we're already
2 investigating.

3 COMMISSIONER DEWAELESCHE: Thank you. Thank you, Mr.
4 Chair.

5 DR. JACKSON: Mr. Chair?

6 CHAIRPERSON WOODS: Yes.

7 DR. JACKSON: The parliamentarian just wants to be
8 clear, you are referring to the budget committee and the
9 citizens' complaint committee and...

10 CHAIRPERSON WOODS: Not officially. I'm just, you
11 know, for them to look into it.

12 DR. JACKSON: It's not an official referral?

13 CHAIRPERSON WOODS: No. It is something for them to
14 look into, but I'm not making a motion or anything of
15 that nature. They hear it, they receive it, and they know
16 what to do with it.

17 DR. JACKSON: Okay. Thank you, sir.

18 CHAIRPERSON WOODS: Okay. Alright. Thank you.

19 COMMISSIONER BERNARD: Just quickly. Last week, you
20 know, I was concerned about the nature of the report we
21 had, we couldn't read it and all that kind of stuff. I
22 want to compliment you on this extraordinarily accurate,
23 professional presentation and report. It's outstanding,
24 and I think the job that you're doing is outstanding as
25 well. So I'll go wash my mouth out with soap.

1 CI WARFIELD: Thank you, ma'am. Thank you, Madam
2 Commissioner.

3 CHAIRPERSON WOODS: Okay let's go to the Chief of
4 Police Report.

5 DC STEWART: Good afternoon to this honorable board.

6 CHAIRPERSON WOODS: Good afternoon.

7 DC STEWART: I'm Tiffany Stewart. I'm going to go
8 right into our crime data. We'll continue our reductions
9 in part one violent crime. We are at a 6% reduction in
10 total in part one violent crime with our greatest
11 reduction in non-fatal shootings. That's a 23% reduction.
12 That's 168 less victims than this time last year. We've
13 got an 18% reduction in both homicide and carjackings,
14 and we have a 16% reduction in our robberies. Moving on
15 to our mental health related calls for service. This week
16 in the last 7 days, we service 302 calls; year to date,
17 2024, we've serviced 13,104 calls, which is actually a 7%
18 increase over this time last year for mental health
19 related calls. Moving on to some of our significant
20 events. We've had a couple multiple shootings this past
21 week. We're going to talk about one fatal shooting that
22 was not a multiple. I'll get into a couple of those. But
23 the fatal shooting happened on October 31st, at 5:30 PM.
24 Officers were dispatched to the 14,000 block of Saratoga
25 to investigate a fatal shooting. After the investigation,

1 the detectives determined that the victim and the suspect
2 were acquainted with each other and got into a physical
3 altercation, at which time the suspect shot the victim
4 and left the scene.

5 On November 1st, detectives were able to locate and
6 arrest the suspect in the 6,000 block of Plainview. On
7 November 5th, a warrant was approved by the Wayne County
8 Prosecutor's Office, and the suspect was charged in the
9 36 District Court with first degree premeditated murder
10 and a host of other charges including felony firearm and
11 firearms possession by a prohibited person. The suspect
12 is being held in Wayne County jail without bond. One of
13 the doubles, the multiple shootings that I wanted to talk
14 about involved two juveniles. On Saturday, November 2nd,
15 at 1:00 AM, officers were dispatched to the 1000, I'm
16 sorry, the 10,000 block of West Bank Nichols to
17 investigate a non-fatal shooting. They responded to the
18 scene and were told by witnesses that a large fight had
19 occurred inside the location and that someone had been
20 shot, but left the scene.

21 As the officers were talking to witnesses, a victim,
22 one, walked back to the scene stating he was shot, after
23 four individuals attempted to steal his glasses. Shortly
24 afterwards, officers were notified that victim two was
25 privately conveyed to a local hospital suffering from

1 gunshot wounds, and was listed in stable condition.
2 Officers from the 12th Precinct secured at the scene, and
3 the Detective Unit was notified. They determined that
4 victim one and suspect two, both 16 year olds were the
5 shooters. Both were arrested at the scene. Victim one was
6 treated for his injuries at a local hospital and then
7 transported to the detention center. And suspect two was
8 transported to the Wayne County Youth Home. Actually, the
9 detectives from the 12th Precinct submitted warrants to
10 both Wayne County Prosecutor for review. They denied it
11 for additional work.

12 They returned the warrants for additional work. So
13 they're still actively investigating that scene. Incident
14 three was a couple shooting that seven people shot at a
15 location on the 6,000 block of Devereaux. That resulted
16 in 2 fatal shootings and 5 non-fatal shootings. On
17 Sunday, November 3rd at 1:30 AM, officers were dispatched
18 to the 6,000 block of Devereaux to investigate the 7
19 person shooting. Officers arrived at the scene and spoke
20 to witnesses who stated all the victims were at a party
21 on the block when the individuals began to argue and
22 fight. The party ended, and the participants continued to
23 argue and fight. Suspects began firing shots at the
24 scene, striking 7 people. The victims were transported to
25 a local hospital where two victims were pronounced

1 deceased, two victims in critical condition. And the
2 remaining vehicles, the remaining victims were listed in
3 temporary serious condition.

4 Officers from the 4th Precinct preserved the scene.
5 Detectives from the Homicide Task Force were notified
6 considering there were so many victims who were shot. The
7 good thing about this case is the detectives developed
8 information on possible suspects and did submit a warrant
9 to the Wang County Prosecutor's Office for a review. The
10 last multiple shooting we had was a triple shooting,
11 domestic violence related that's also closed. On Tuesday,
12 November 5th, at 7 o'clock, officers were dispatched to
13 the 15,000 block of West Bank Nichols to investigate a
14 triple shooting. They arrived and observed victim one and
15 victim two at the location, suffering from gunshot
16 wounds. They were pronounced deceased on the scene.
17 Victim three was transported to the hospital where he
18 later died from his injuries. The detectives were able to
19 determine that it was a murder suicide. Victim three shot
20 victims, one and two, then himself due to allegations of
21 an affair between victims one and two. Positive stories
22 that we had. We did have election day go down without a
23 hitch within the city. There were a couple news articles
24 that suggested that there were some issues. There were no
25 issues. The department had planned appropriately for

1 months, I think almost a year out with regard to how we
2 were going to staff elections, working with the Wang
3 County Elections Office. So we did not have any issues in
4 the City of Detroit on election day. And for those who
5 are acquainted tomorrow, there is a coffee and cake here
6 from 12 to 3 PM, with Corporal Alvin Cherry. He will be
7 retiring after 28 years with the Detroit Police
8 Department. And that concludes my presentation today.

9 CHAIRPERSON WOODS: Any questions? Commissioner
10 Pressley.

11 COMMISSIONER PRESSLEY: Thank you. Through the Chair.
12 My question; the calls that I've been getting most
13 frequently have been of residents who are concerned of a
14 suspected home being used for drug activity on their
15 block. And so they'll often like, send me an address and,
16 you know, hope that DPD will go by. Can you explain what
17 a resident should expect if they provide DPD with an
18 address where they feel like there's suspected drug
19 activity?

20 So what happens there; the information will be
21 forwarded to our Major Violator Section. They will
22 conduct an investigation. The citizens are welcome to
23 provide information to the Detroit Police Department
24 directly and report to the city's Ombudsman's Office,
25 district managers. They can report the information in any

1 variety of ways, but it will be forwarded to the Major
2 Violator Section. They will actually conduct an
3 investigation that may entail surveillance and a number
4 of other investigative tools determine whether or not
5 this house is being used in that capacity. If they
6 determine that it is, they will conduct their
7 investigation, and it will probably be raised on a
8 location. People will be arrested, and warrants presented
9 to the Prosecutor's Office.

10 COMMISSIONER PRESSLEY: Okay. Thank you. And I
11 appreciate that, particularly the surveillance part.
12 because I think for some of these residents, their
13 expectation is when they provide the information they're
14 expecting to see a police vehicle, you know, I guess
15 within an hour or so. But obviously there's some time of
16 queuing potential evidence before taking that step. But
17 then in line with that for some who have gone through
18 that process, it's been investigated, raids have been
19 done; they have lifted challenges where the people come
20 back. Is there anything that DPD does to ensure that
21 after a period of time those homes aren't reopened for
22 drug activity?

23 DC STEWART: So, it's not necessarily what DPD does.
24 We do present some of that information to the city's Law
25 Department for them to take whatever measures that they

1 can with regard to enforcing that no one lives in that
2 house or whatever. We will provide the information out of
3 the mayor's office at the Law Department.

4 COMMISSIONER PRESSLEY: Okay. Then lastly, and in
5 line with the same question, concerns about
6 confidentiality. So there are some neighbors who know
7 that this drug activities going on, and they're afraid to
8 be the ones being noted as to call the police trying to
9 avoid any potential retaliation that might come from
10 doing so. So how does DPD hold the confidentiality of
11 these neighbors who might be alerting you of potential
12 drug activity in these homes?

13 DC STEWART: Well, the anonymous neighbor information
14 is never given. That's where the surveillance and all the
15 other investigative tools come in. Just because your
16 neighbors say that they don't like you they may not like
17 you and they may want to use the police in a capacity
18 that we should not be used in to cause trouble. So that's
19 where the investigative aspects come in. And usually
20 during that time, we may not even know who made the
21 complaint. That's where the tip lines come in and things
22 of that nature.

23 COMMISSIONER PRESSLEY: Okay. Thank you. Thank you
24 Chair.

25 CHAIRPERSON WOODS: Yes, Commissioner Bernard.

1 COMMISSIONER BERNARD: Just a couple of things
2 really. These are for the benefit of the public, and if
3 you have something to comment on as well, that would be
4 great, Deputy Chief. The first is that for our community,
5 the department is paying a \$2,000 bonus to enter the
6 academy. If you live in Detroit, you get \$1,000 when you
7 start training and you get another \$1,000 when you
8 graduate. If you are in the suburbs, it appears that you
9 get \$1,000, because we are trying to incentivize
10 Detroiters to become Detroit police officers, since so
11 much of the force, about 80% of it, are non-Detroit
12 residents. So therefore, non-resident student police
13 officers get a one-time \$1,000 bonus. So that's one of
14 the things I just wanted to call to the attention of the
15 public. The other thing is that the... Wait a minute, what
16 did I do with it? I have to write all this stuff down.
17 The other thing, oh, when you're on a no gun status, if
18 you're a police officer; no, you cannot carry a taser
19 either. I did not know that a taser was considered as
20 dangerous as it is, but it's all written out here. A
21 taser is a dangerous weapon. I guess it's probably a
22 deadly weapon. I'm not sure. And maybe you can respond to
23 that. But if they can't carry a taser or a gun and a no
24 gun status. So maybe you can elaborate, if you don't
25 mind?

1 DC STEWART: Through the Chair. Yes, you are
2 absolutely correct. Commissioner Bernard. A taser is
3 classified by the ATF, and is considered a weapon. So
4 that's why when we make someone with no gun status, they
5 are not allowed to carry their taser as well.

6 COMMISSIONER BERNARD: I just have one question as
7 well. I know that we've taken over policing of buses, and
8 I guess the little train that runs up and down Woodward,
9 the QLine. First of all, I never really understood why we
10 did that. I've met some people from the Transit
11 Authority, and they said that most of the people that
12 ride buses are students. They're used to dealing with the
13 students and older people that do it, you know, because
14 they're, they've been doing it for years now, so they're,
15 they're familiar with the lines and everything. So why do
16 we now have to train people to be transit police
17 officers, which is a whole other sort of paradigm than,
18 you know, the ordinary, I call the police because I've
19 got a problem. I think I'm being broken down or I'm being
20 raped, or whatever. So why is that? And what is the
21 nature of your training to make ordinary, real police
22 officers, in my opinion you know, comfortable with doing
23 what is really considered sort of mundane sort of people
24 type of job?

25 CHAIRPERSON WOODS: And we know that transit police

1 are real police officers too. COMMISSIONER BERNARD: Well,
2 I know that they have a different mindset because they're
3 dealing with kids every day.

4 DC STEWART: So that's what I was going to say. So
5 transit police are considered regular police. So what we
6 did was we actually put out a transfer request when we
7 took over transit police to find out what officers who
8 would want to go to the Transit Unit. We had a number of
9 officers who were interested in that assignment. Transit
10 does not just carry students, there are a lot of adults
11 who ride the city bus. I don't know if you've ever been
12 to a mayor's district meeting. They speak intimately and
13 quite massively about the transit system in the city.
14 There have been some criminal issues; some criminal
15 element issues. You had bus drivers who were being
16 attacked and a number of other issues. You had people who
17 were being robbed. So, quite frankly, I think they went
18 to the mayor and just asked if DPD, based on our law
19 enforcement experience, could take over transit police.
20 And I think that's a decision that was made.

21 COMMISSIONER BERNARD: Every city has transit police.
22 I was surprised that we no longer have, if you will, just
23 a transit police unit that, you know, really responsible
24 for riding a bus and all that kind of stuff. Right. Okay.

25 CHAIRPERSON WOODS: Any further questions? No further

1 questions.

2 COMMISSIONER BURTON: Through the Chair.

3 CHAIRPERSON WOODS: Yes, sir.

4 COMMISSIONER BURTON: I have a question. I raised
5 this question last week. We had a sergeant who was killed
6 who was a member of this department. A request for the
7 board to review the 911 call that was made. We want to
8 know what really went on, on that particular day.
9 Commissioners, we were out and training in Arizona when
10 this broke the news. It was very alarming to hear from
11 other cities asking commissioners what was going on in
12 Detroit, of which we had no idea. You know, what was
13 going on. But we learned about this while we were away in
14 training in Arizona. I'd like for this department to give
15 us an update because this was an officer involved
16 shooting.

17 We don't know what really went on. We have not seen
18 body-worn cameras, video. We have not heard the 911 call.
19 But this was a member of this department; 16 years on the
20 job, who was respected by many members of this
21 department. And so we can't go off of words or
22 accusations. We need to look at the facts and we need to
23 hear that 911 call, and hear what was said. We need a
24 thorough investigation of this. We need to get to the
25 bottom of this. We need to know what really happened,

1 what went wrong. We have not had any updates. And
2 something like this, it was definitely embarrassing, very
3 shocking across the country. How can something like this
4 happen? We need to know what happened because that
5 sergeant had a family; that officer had a family. He had
6 members of this department who he worked with, who cared
7 about him. And as commissioners, we have to ask, that's
8 our fiduciary responsibility to get to the bottom of what
9 really occurred. We don't know what happened. We haven't
10 requested one single thing. I requested this a week ago
11 at last week's meeting, so this is 7 days ago that I
12 requested to hear the 911 call, and a thorough
13 investigation and an update. We need an update to what
14 occurred. Can you prepare that for us, Chief?

15 DC STEWART: So thank you for that Commissioner
16 Burton. No one was as shocked about the circumstances as
17 we were. We have Interim Chief Bettison starting next
18 week, and we'll alleviate your concerns with regard to an
19 update regarding that investigation to him.

20 COMMISSIONER BURTON: Through the Chair.

21 CHAIRPERSON WOODS: Yes, sir.

22 COMMISSIONER BURTON: An additional question follows
23 up. Another question was raised by Commissioner Banks out
24 of District 3, as well as I raised a couple of questions
25 last week as well pertaining to the football player who

1 was stopped. What updates do you have for that?
2 Apparently it appears it was a good stop. But overall
3 there, you know, I guess a gun was recovered or whatever,
4 and we need to know who gave the authority to let
5 Williams go. If this was Pooky or Ray Ray, or anyone else
6 in the community got caught with a gun, they would've
7 never been let go. They would've never gotten to pass.
8 So, what's the issue here? Can someone give us an update
9 on what happened at that stop? We like to review those
10 body-worn cameras as well, and audio. And we want to know
11 who gave the authority to let Williams go when he got
12 pulled over riding with a gun. We don't have the full
13 story, and that's what we are asking for, the full story.
14 Somebody gave authority to let Williams go, who was that
15 person? We want a thorough investigation on that as well.

16 DC STEWART: So regarding that case, Commissioner
17 Burton, I don't have any update with you regarding that
18 case, beyond that a warrant request was submitted to the
19 Wayne County Prosecutor's Office. I'm not sure whether or
20 not a decision has been made with regard to that case.
21 With regard to who was given authority, I could not tell
22 you that. I do know that an investigation was routed to
23 find out whether or not there was any criminality or
24 there were any improper procedures with regard to how
25 that case was handled.

1 CHAIRPERSON WOODS: Yep. And I would just speak in
2 general that Mr. Williams is a young black man. And just
3 like any other young black man in the City of Detroit,
4 they deserve to be treated with dignity and respect. You
5 know I wouldn't convict him in public like that, as if he
6 did something wrong. And so he deserved due process, just
7 like anybody deserved due process. And so I would leave
8 it at that. I wouldn't say anything further on that.

9 COMMISSIONER BURTON: Point of order, Mr. Chair...

10 CHAIRPERSON WOODS: Excuse me, let me finish...

11 COMMISSIONER BURTON: Who gave the order to let
12 Williams go when he got pulled over with a gun? We do
13 have policies on this type of nature. So a request has
14 been made last week as well as has been made...

15 COMMISSIONER PRESSLEY: Point of order. He is not
16 recognized by the Chair.

17 COMMISSIONER BERNARD: Mr. Chairman. Just very
18 quickly.

19 CHAIRPERSON WOODS: Very briefly.

20 COMMISSIONER BERNARD: The mere fact that a person is
21 pulled over does not mean that the officer actually had
22 probable cause for the stop. Furthermore, there is no
23 right to search a vehicle unless you asked the person for
24 permission. The driver of the car had a CCW and had his
25 license, and gun with him. The other gun was found under

1 the other passenger's seat...

2 CHAIRPERSON WOODS: According to the press, right? We
3 don't know what happened there. Let me end it right here,
4 because I want us to be very careful.

5 COMMISSIONER BURTON: Calling for the video and the
6 audio.

7 COMMISSIONER BERNARD: Cannot get a title for that.

8 CHAIRPERSON WOODS: This thing is in the prosecutor
9 office, and we await their decision. Let's go to oral
10 communication.

11 MR. BROWN: Good afternoon, Mr. Chair. We currently
12 have 7 speakers; 5 of those are in person, and 2 are on
13 Zoom.

14 COMMISSIONER PRESSLEY: Mr. Chair, I apologize.
15 Before we get into public comment. It's to the last
16 conversation. While I do recognize that there is an open
17 investigation and it is in a prosecutor's office to
18 determine the standing of that case, I do think that
19 there's some validity to Commissioner Burton's request
20 about who gave what kind of order. And so, again, under
21 the purview of trying to determine police misconduct, and
22 if any was actually done, again, I do think that it
23 should be a matter of record and following up with the
24 department to get that feedback on how actually that was
25 communicated down that whatever the initial stop was, how

1 it came to its...

2 CHAIRPERSON WOODS: 1000% in agreement. There's an
3 internal investigation that's taking place too, that was
4 stated last week. And we await the conclusion of that
5 internal investigation. They emphasize it's an internal
6 investigation. So that stuff has been internally
7 investigated, but when it comes to the criminal aspect
8 we're not in any position to condemn anybody as guilty at
9 any board of police commission meetings. So I agree with
10 you, brother commissioner. Oral communications.

11 MR. BROWN: Mr. Eric Blount, followed by Ms. Charnita
12 Williams, followed by Ms. Bernice Smith.

13 MINISTER BLOUNT: Good afternoon board. I'm Minister
14 Eric Blount from Sacred Heart Catholic Church right here
15 in Detroit.

16 CHAIRPERSON WOODS: Good afternoon.

17 MINISTER BLOUNT: This whole citizen complaint issue
18 brings up just a plethora of issues. So, Commissioner
19 Pressley, I'm glad you're here, but under your
20 leadership, there was not a 2023 annual report issued by
21 the board of police commissioners. We'd like to know why?
22 It could be that there was a 50% increase in citizen
23 complaints. So, Commissioner Woods, with another 50%
24 increase in citizen complaints over 2023, we expect an
25 annual report from you as well. On to OCI, if 90 days is

1 considered a backlog, how do you guys close a case over
2 125 cases that were from 2021? That's like super backlog.
3 This just doesn't make any sense. And when it comes to
4 allegations, the categories are very manipulated. From my
5 point of view, when I filed a complaint, the category was
6 totally false in my opinion.

7 So, when we do a citizen complaint review and we
8 categorize them, I think it's absolutely necessary that
9 the citizens need to be provided with a definition of the
10 categories of allegation and agree to that category.
11 Anything else could be deemed to be manipulation. So when
12 you talk about year over year things and only 20% of the
13 cases of allegations were sustained, a 5% increase from
14 last year; what about the last 5 years? And the last
15 thing I'd like to say is, OCI brought up the whole issue
16 of handcuffs without being arrested. Does that trend
17 continue and is that considered police misconduct? Thank
18 you.

19 CHAIRPERSON WOODS: Thank you very much. Next
20 speaker.

21 MR. BROWN: Ms. Williams.

22 COMMISSIONER PRESSLEY: Through the Chair.

23 CHAIRPERSON WOODS: Yes.

24 COMMISSIONER PRESSLEY: I don't know if the board
25 secretary might be able to communicate the distribution

1 of the annual 2003 report. I know that we did get an
2 email that stated it's in draft review; and I think that
3 the email states that we're hoping to have it published
4 by the end of the month. I don't know if that's still the
5 timeline, but just so that the citizens are aware,

6 MS. GARNIER: We will follow up, and an announcement
7 will, excuse me, an announcement will be forthcoming. We
8 do anticipate pretty much a week, week and a half, right
9 after. In fact, we looked at a draft just this morning,
10 so it's about ready to go to print.

11 COMMISSIONER PRESSLEY: Thank you.

12 MS. GARNIER: Okay.

13 CHAIRPERSON WOODS: Mr. Brown, was this 2023 report
14 released; what was that report that you showed me the
15 other day?

16 MR. BROWN: It was 2022.

17 CHAIRPERSON WOODS: It was 2022. Okay. Alright.

18 MS. WILLIAMS: Hello.

19 CHAIRPERSON WOODS: You may be heard.

20 MS. WILLIAMS: Through the Chair. It'll be a year
21 less than two months when I was raped. Nothing has come
22 out of this rape. I continue to say that my rape is being
23 covered up, and my life is constantly in danger. I
24 constantly come into these meetings complaining about the
25 same issues. So, like I said, it's not acceptable when

1 you guys are not doing your job correctly. I went to OCI
2 the other day, as a matter of fact, yesterday, and the
3 complaints that I had, I know Sergeant Robinson is very
4 detailed when I gave her the complaints at the 2nd
5 Precinct, and I was complaining about officers in the
6 shelter at 3426 Michelle Hall, and I described the color
7 of her hair and I said 613. And from me going in there
8 making complaints, and then when it gets to OCI, the
9 complaints are different. And I know she was very
10 detailed when I gave her these complaints. It's the issue
11 when I'm making complaints against officers, and when I
12 get to OCI, my complaints are totally different. And 2
13 officers that were in the patrol car, 225036, one of the
14 officers called me a bitch. That was not in the complaint
15 either.

16 COMMISSIONER SMITH: Okay, ma'am, watch your mouth.

17 MS. WILLIAMS: No, I'm going on with what this
18 officer called me.

19 COMMISSIONER SMITH: Okay, go ahead. I understand. Go
20 ahead.

21 MS. WILLIAMS: Okay, so you are wasting my time? No
22 disrespect.

23 COMMISSIONER SMITH: Go ahead.

24 MS. WILLIAMS: Okay. So, at the end of the day, I
25 have to watch my mouth and be very mindful of what I say

1 up here. But I continue to talk about people not doing
2 their job correctly and concern to cover up anything
3 illegally. And like I said, at these shelters, they are
4 not just living in these facilities, they're taking space
5 from homeless people. And there are officers who work in
6 these facilities too, and are recording me and violating
7 my civil rights. And that's my issue for today. Thank you
8 and have a great day.

9 MR. BROWN Ms. Smith.

10 MS. SMITH: Good afternoon Commissioners. Young lady,
11 welcome.

12 MS. SMITH: Good afternoon.

13 MS. SMITH: Well, we all have been excited for this
14 week, and I'm not going to even talk about it. But anyway
15 what I want to say more. First of all, what is your
16 meeting going to be in regards to, I would like to
17 attend?

18 COMMISSIONER MOORE: Through the Chair. November
19 13th, at 5:30 PM, at the Wendy's on Livernois and Grand
20 River.

21 MS. SMITH: In regards to?

22 COMMISSIONER MOORE: Just community concerns.

23 MS. SMITH: Oh, okay. That's all I wanted. I didn't
24 know whether it was something special that you wanted us
25 to come and hear you say.

1 COMMISSIONER MOORE: The whole world can come.
2 Alright baby, I'll be there then. Now, we have had a
3 trouble report today. Every time I come, every week
4 somebody's at some party shooting and going on. What is
5 wrong with us? Do we have to carry guns 24 hours a day?

6 And anyway, I think now it's time for us to check
7 people when they come to your house for a party because
8 it looks like they have guns and shooting going on. I
9 mean, I sit here and listen to this report. It's
10 terrible. Also, do we have NPOs in our neighborhood
11 anymore? That's another thing that I wanted to ask you
12 about. So, those are the two things that I'm concerned
13 about. Now, some things that my mother used to tell me
14 all the time, and I think we should address it here, and
15 for you to listen to it. Every time a fool speaks, he's
16 advertising his ignorance. We cannot sleepwalk through
17 our lives. Detroit cannot cross the finish line if you
18 don't participate in the race. Also, you have the power,
19 and we have to start using it now. Then I have another
20 one that says: we are living in a state of destruction.
21 Racial injustice is the black man's burden. We must pray.

22 CHAIRPERSON WOODS: Okay, that's the time. Alright, next
23 speaker.

24 MR. BROWN: The next set of speakers, Mr. Chair,
25 would be, Mr. Jahdante Smith, followed by Mr. Michelle.

1 George.

2 MS. SMITH: Thank you, Woods.

3 CHAIRPERSON WOODS: You are welcome.

4 MR. SMITH: Good afternoon. I like you, Commissioner
5 Burton, but you bringing up James Williams is really
6 detrimental to young black males who have firearms. So I
7 have a CPO, so if I'm riding my vehicle, anybody who has
8 a firearm, as long as it's registered to them, even if
9 they're not in my vehicle, I can have eight firearms with
10 me. As long as none of them are stolen, they're in my
11 vehicle, they're in my possession, legally I can carry
12 them. So if one person has a CPO, as long as a firearm is
13 not on the person that is riding with me, they're fine.
14 There was a 5th Precinct officer who was arrested for
15 selling drugs, and she beat the case. She had a felon in
16 possession of a firearm in her vehicle with her and beat
17 the case. That's why I wanted to talk about that.

18 Also, how often does the towing commission for the
19 board meet? I have never seen a tow committee meeting on
20 the schedule at all. I also want to talk about the fact
21 that I got pulled over within the last two weeks from the
22 7th Precinct special operations officer. It looked like
23 T. Grizzley. I forgot, I don't know his name, but I've
24 seen him before. He knows me and he pulled me over. I
25 asked him did I break any traffic laws? He said no,

1 because I didn't have insurance, which is to my
2 knowledge, you have to pull a person over for a moving
3 violation. Not having insurance is not a reason to pull a
4 person over. That is a reason to search a vehicle, which
5 did not happen. But even though I do have insurance, it
6 doesn't matter.

7 My thing is we have a lot of procedural issues
8 inside this department. I mean, maybe not, but especially
9 for it to be a special operations officer, pulling me
10 over to say I have no insurance. And I'm sure there are
11 people in the 7th Precinct that are killing people,
12 selling drugs, doing other things that are more important
13 than to try to pull a person over because they have no
14 insurance. And I feel like through the work that I do,
15 I'm a target for some officers, especially in the 7th
16 Precinct because I seem to get bothered by the 7th
17 Precinct officers very often. Also, I want to mention
18 that Trump promise of immunity to officers, that is not
19 going to help you guys out. Especially not in Detroit.
20 Like, you know, those illegal devices they have called
21 switches. These young people have them. You all think you
22 all can cover police people because of this promise of
23 immunity.

24 Not going to happen. Also, it's just going to lead
25 to more lawsuits for the city. Also, I hate to say it,

1 but Commissioner Smith, it's kind of interesting. Out of
2 all the time, you don't say anything. The one time you
3 say something, if somebody says the language that the
4 officer said to them, that's the only time that you
5 respond to anything. And when Taura called you out.
6 That's kind of interesting.

7 CHAIRPERSON WOODS: Thank you. Next caller or next
8 speaker.

9 MR. BROWN: Mrs. George.

10 MR. SMITH: So, nothing about the tow committee? No
11 answer.

12 CHAIRPERSON WOODS: Tow committee, the Chair...

13 MR. SMITH: The question I asked. Huh?

14 COMMISSIONER SMITH: We don't have a date. Next
15 speaker.

16 CHAIRPERSON WOODS: Yes.

17 COMMISSIONER SMITH: Thank you.

18 MR. SMITH: I like the job...

19 CHAIRPERSON WOODS: Excuse me.

20 MR. SMITH: I'm the right one.

21 CHAIRPERSON WOODS: Next speaker.

22 MR. SMITH: I'm going to show up to everything.

23 MS. GEORGE: Good afternoon.

24 CHAIRPERSON WOODS: Good afternoon.

25 MS. GEORGE: Deputy Chief and to this honorable

1 board. I do want to say a few weeks ago, the white lady
2 that was caught by Officer Paris and Officer Flannel who
3 did an excellent job. Stephanie Marie Binder, I went to
4 her case. So she was sentenced to 3 years. She was the
5 one that kidnapped those 4 African- American children.
6 So, I was glad to see her serve some time. I'm throwing
7 her name out there just in case they let her out early to
8 do that. So she was charged, and thank God for 3 years,
9 even though she has some concerns about her money. But I
10 do want to thank, and I said this in front of Mayor
11 Duggan at its meeting, kudos to Officer Parish and
12 Flannel. Also, I wanted to speak on just hoping for the
13 police complaint committee meeting; is there a meeting
14 that will be scheduled soon with...

15 CHAIRPERSON WOODS: The citizen's complaint?

16 MS. GEORGE: The citizens' complaint? I say it all
17 the time. I apologize.

18 CHAIRPERSON WOODS: Yeah, it's all good.

19 MS. GEORGE: It's corrected.

20 COMMISSIONER PRESSLEY: Yeah. There's one scheduled
21 for November 19th, at 3:30 PM.

22 MS. GEORGE: Okay. So, hopefully, I do hear about a
23 lot of inappropriate language by police. So hopefully
24 when a new recruit starts, maybe you can have a sheet of
25 paper where they could say, "Relax, do not resist." You

1 know, just putting out that word, inappropriate words
2 because we already see what's going to happen next year
3 with stopping frisk and everything, just like the young
4 man stated. So we want to start early to make sure things
5 are done correctly. And Bettison is not here, but I wish
6 Chief White the best, but to have our other chief. Thank
7 you.

8 CHAIRPERSON WOODS: Thank you so much.

9 COMMISSIONER SMITH: Hold on. Through the Chair. Can
10 you give me that name again please?

11 MS. GEORGE: Oh, those officers. They were officers..

12 COMMISSIONER SMITH: Oh, the woman.

13 MS. GEORGE: Oh, Stephanie Marie Binder.

14 COMMISSIONER SMITH: Thank you.

15 MS. GEORGE: Yes.

16 CHAIRPERSON WOODS: Alright, thank you. Next speaker.

17 MR. BROWN: Mr. Chair, the next 3 speakers would be
18 from Zoom, starting with Mr. Ru, Ms. Marguerite Maddox,
19 and former Commissioner William Davis.

20 CHAIRPERSON WOODS: Okay.

21 MR. BROWN: Mr. Ru.

22 MR. RU: Hey, Darryl Woods, listen to this. Now, if
23 the board of police commissioners had a one person towing
24 committee that was headed up by Willie Bell, and he also
25 to my knowledge, was a housing director of the Towing

1 Trap located right across the street from Detroit
2 Receiving Hospital. Now we have a number of authorities
3 in the City of Detroit that's operating under contracts
4 and making agreements, but there was no public notice in
5 violation of Michigan State Law; no public notice given
6 to citizens for the right to referendum. And we also have
7 a Detroit city clerk, chairperson of the election
8 commission that on April 25th, NFL draft date told a bald
9 face lie saying she had sent the findings on the
10 allegations of voter fraud by anonymous citizen report to
11 every member of council. That was 9, the mayor's office,
12 10, and the Law Department that was 11. Lies in one
13 sentence. Now, Darryl Woods, you walked in there after
14 the board voted to subpoena the DPD case, 20-1112, the
15 Michigan State Police findings, and investigation on that
16 report. You told the acting secretary not to start the
17 subpoena process, and instead to send a letter over to
18 the Michigan State Police because you had been talking to
19 somebody over the Michigan State Police and you saw the
20 board's directive. Somebody make a motion, remove this
21 man as Chair of the Detroit Police Commissioners,
22 effectively immediately.

23 CHAIRPERSON WOODS: Next caller.

24 MR. BROWN: Ms. Maddox.

25 MS. MADDOX: Good afternoon, everyone.

1 CHAIRPERSON WOODS: Good afternoon.

2 MS. MADDOX: My concern is why we hire police
3 officers who live outside the city, but if the danger is
4 inside the city, how are they going to protect us in the
5 City of Detroit. And another thing is that somebody needs
6 to figure out a way to make sure that these [unclear]
7 know our disabilities, because I was looking at [unclear]
8 pianos that I am not pleased about. So we need to put
9 right away to make sure that we are safe when it comes to
10 interacting with people with all disabilities. And
11 another thing is somebody mentioned something about the
12 snowstorm, about [unclear] the snow. What is it that we
13 are capable of shoveling the snow off the sidewalk? Yes.
14 Some of us may not be able to do that, but the older
15 people in the neighborhood might want to be able to
16 shovel the snow, but we cannot get out to shovel the
17 snow. And what are you going to do about these scooters?
18 I almost got run over by these scooters [unclear] who
19 have people who use the back lane rather than the
20 sidewalk. So please make sure that you keep your eye on
21 that. I'm done. Thank you very much.

22 CHAIRPERSON WOODS: Thank you so much. Next caller.
23 Commissioner Davis.

24 MR. DAVIS: Good afternoon. Could I be heard?

25 CHAIRPERSON WOODS: You may be heard.

1 MR. DAVIS: Okay. Let me start off by saying that I
2 was pleased because myself and the members of my team
3 went around to all the various polling locations. Well,
4 not all of them, but many polling locations. We were able
5 to see, even though there were a lot of people in line,
6 but there were no outside agitators doing anything. And I
7 was pleased that we didn't have any major incident to
8 make national news this year like we had in the past.
9 Also, I am curious. I know before when we had the Justice
10 Department here review us, because we had our outstanding
11 backlog of cases. Does anyone know how many cases we had
12 at that time that encouraged the Justice Department to
13 come in? Because I think the number we have on backlog
14 cases is still extremely high and more effort needs to be
15 done to reduce that.

16 Also separately, I was pleased to hear that there's
17 an economic incentive for Detroiters to join the police
18 department. Stuff like that, you all should be really
19 spreading the news and, you know, encouraging that. Also,
20 I know Mary Waters, the Detroit City Council has a
21 proposal about police fire EMS about getting extra
22 incentives, like say, a reduction in property taxes,
23 whatever, if they move back into or stay in the City of
24 Detroit. I think this group should also be advocating for
25 that in Lansing to encourage more police officers to live

1 in the city and to move back into the city. Thank you.

2 CHAIRPERSON WOODS: Thank you very much.

3 MR. BROWN: Mr. Chair, that was the last speaker.

4 CHAIRPERSON WOODS: All right. Thank you so much.

5 Let's go to the secretary's report.

6 MS. GARNIER: Through the Chair, the incoming
7 communications for today, you will find under your tab
8 11, which is the Chief Investigator's weekly inventory
9 report. The announcements for the week are: our next
10 board meeting is Thursday, November 14th at 6:30 PM at
11 the Adams Butzel Recreation Center, located at 10500
12 Lynden Street. And the next community meeting is
13 Thursday, December 12th, 2024 at 6:30 PM. Location, WC3
14 District, Curtis L. Ivery Campus, which is located at
15 1001 West Fort Street in Detroit. The next committee
16 meetings of the Board of Police Commissioners are as
17 follows. Budget Committee, this Friday, November 8th,
18 2024 at 2:30 PM. Policy Committee on next Tuesday,
19 November 12th, 2024 at 5:00 PM. Citizens' Complaints on
20 Tuesday, November 19th, 2024 at 3:30 PM, and the Budget
21 Committee meets again on Tuesday, November 19th, 2024 at
22 4:30 PM That ends the report, sir.

23 CHAIRPERSON WOODS: Thank you very much.

24 COMMISSIONER MOORE: Mr. Chairman.

25 CHAIRPERSON WOODS: Yes, sir.

1 COMMISSIONER MOORE: Madam Secretary, I sent you
2 three emails regarding follow-up issues. Do you have a
3 report on any of those?

4 MS. GARNIER: No sir. I don't. I responded to, I
5 believe two of them. And...

6 COMMISSIONER MOORE: Excuse me, one second. One was
7 due today from the department, so I was really curious
8 about that. I believe Commissioner Bernard made a request
9 and gave the department two weeks. So, I'll look forward
10 to it...

11 MS. GARNIER: Is that the one from HR?

12 COMMISSIONER MOORE: Do you remember what you
13 requested of the assistant chief? I do so many emails. I
14 have to go back. Honestly...

15 MS. GARNIER: I think that was the one. And the HR
16 director and I spoke, she's been off site and they asked
17 for a two-week extension. I just got it late last night.

18 COMMISSIONER MOORE: Understood.

19 MS. GARNIER: So, you know, I've been back and forth
20 communicating, so I apologize. I did not know you wanted
21 the report here, but yes, the department, and I have been
22 speaking on all of those.

23 COMMISSIONER MOORE: Okay, thank you very much.

24 MS. GARNIER: I think it's about five total.

25 COMMISSIONER MOORE: Okay, great. Thank you.

1 MS. GARNIER: Thanks.

2 CHAIRPERSON WOODS: Alright. So tomorrow the Special
3 Personnel Training Committee meeting will occur, and they
4 will finalize looking at the proposals for locking down a
5 search firm to do a search for the chief. And so that's
6 part of new business. And then...

7 COMMISSIONER PRESSLEY: Through the Chair.

8 CHAIRPERSON WOODS: Yes.

9 COMMISSIONER PRESSLEY: Just, and I hope it doesn't
10 cause any issues. But just for clarification, is there a
11 rationale between why we're using a special search
12 committee for that process, as opposed to our Personal
13 Training Committee?

14 CHAIRPERSON WOODS: Because getting a number of folks
15 at that meeting.

16 COMMISSIONER PRESSLEY: Okay.

17 CHAIRPERSON WOODS: Yep. And so it's been just trying
18 to make sure we have coverage.

19 COMMISSIONER PRESSLEY: Thank you. Well, I would
20 encourage you to have a conversation with our attorney,
21 only because again, as that committee was created last
22 year, there were some very specific guidelines for what
23 it was being used for. So just to ensure that, you know,
24 as the wisdom that Commissioner Bell gave that we are
25 ensuring that there's no potential questions around the

1 creation of that committee to be able to handle this.

2 CHAIRPERSON WOODS: Absolutely. And it is essential
3 to the Personnel Training Committee, but that's giving
4 them extra help.

5 COMMISSIONER PRESSLEY: Okay. Good.

6 CHAIRPERSON WOODS: Yep. Alright. And it's been led
7 by Commissioner Hernandez.

8 COMMISSIONER PRESSLEY: Okay, great.

9 CHAIRPERSON WOODS: The chair of the Personnel
10 Training Committee. All right. This is going to be a 4-
11 minute recess. We're going to..

12 COMMISSIONER BANKS: Mr. Chair, I thought we were
13 still under new business.

14 CHAIRPERSON WOODS: Oh, okay. I was about to go into
15 a closed session. But if you want to do it now, or you
16 can do it when we come back, because that'll still be
17 under new business?

18 COMMISSIONER BANKS: I'll do it when we come back.

19 CHAIRPERSON WOODS: Alright. Three-minute recess.
20 Closed door session.

21 COMMISSIONER PRESSLEY: Point of order. We need a
22 motion to go into that.

23 CHAIRPERSON WOODS: You all are about to entertain a
24 motion to go into a closed door.

25 COMMISSIONER DEWAELSCHÉ: So moved.

1 COMMISSIONER BERNARD: Second.

2 CHAIRPERSON WOODS: Moved by Commissioner Dewaelsche,
3 and second by Commissioner Bernard. Any discussion? All
4 in favor say aye.

5 COMMISSIONERS: Aye.

6 CHAIRPERSON WOODS: Anyone opposed? The motion is
7 carried. It's a 4-minute recess.

8 (Whereupon the Board Entered into Closed Session)

9 CHAIRPERSON WOODS: Today is November 7th, 2024. The
10 time is 5:04 PM. The Board of Police Commissioners
11 Meeting is in order. Call the roll.

12 MS. GARNIER: Commissioner Woods - Present.

13 MS. GARNIER: Commissioner Smith - Present.

14 MS. GARNIER: Commissioner Bernard - Present.

15 MS. GARNIER: Commissioner Banks - Present.

23 MS. GARNIER: You have a quorum, sir.

24 CHAIRPERSON WOODS: Thank you very much. What is the
25 pleasure of the board?

1 COMMISSIONER PRESSLEY: Through the Chair.

2 CHAIRPERSON WOODS: Yes, sir.

3 COMMISSIONER PRESSLEY: I would like to make a motion
4 to amend today's agenda under new business item A that we
5 add under closed session pursuant to Section 8(a) of the
6 Open Meetings Act, MCL 15.268(a), that it states a
7 request for the board to receive legal advice concerning
8 an employee evaluation.

9 COMMISSIONER BERNARD: Second.

10 CHAIRPERSON WOODS: Motion made by Commissioner
11 Pressley to amend the agenda to..

12 COMMISSIONER PRESSLEY: So that under new business,
13 point A, that it reads closed section pursuant to Section
14 8(a) of the Opening Meetings Act. MCL 15.6, excuse me.
15 MCL 15.268 (a). A request for the board to receive legal
16 advice concerning an employee evaluation.

17 CHAIRPERSON WOODS: And second by Commissioner
18 Bernard. Any discussion? No discussion, right? Any
19 discussion? All in favor say, aye.

20 COMMISSIONER PRESSLEY: I believe that requires a two
21 third vote.

22 CHAIRPERSON WOODS: Roll call, please?

23 DR. JACKSON: It is adopted, requires two-thirds. It
24 does not have to be roll off. You could ask for a show of
25 hands, or you could ask if there's any objection.

1 CHAIRPERSON WOODS: Are there any objections?

2 COMMISSIONER MOORE: I have an abstention, Mr.
3 Chairman.

4 CHAIRPERSON WOODS: Okay.

5 DR. JACKSON: Abstention, according to the Law
6 Department, is recorded as a no vote.

7 CHAIRPERSON WOODS: Okay. So, do we have to do a roll
8 call after that?

9 DR. JACKSON: No.

10 CHAIRPERSON WOODS: Okay. So, Ayes pass. What is the
11 pleasure of the board?

12 COMMISSIONER BURTON: Mr. Chair, I'd like to call for
13 abstention as well.

14 CHAIRPERSON WOODS: We've finalized the vote already.

15 DR. JACKSON: State the motion is adopted.

16 CHAIRPERSON WOODS: The motion is adopted.

17 DR. JACKSON: So the agenda will be corrected.

18 CHAIRPERSON WOODS: So the agenda will be corrected.

19 DR. JACKSON: Thank you, sir.

20 CHAIRPERSON WOODS: Alright. Thank you very much.

21 DR. JACKSON: You are going to entertain a motion to
22 postpone?

23 CHAIRPERSON WOODS: Yep. I entertain a motion to
24 postpone.

25 COMMISSIONER BANKS: Adjourn.

1 COMMISSIONER BERNARD: Second.

2 CHAIRPERSON WOODS: Motion made by Commissioner Banks
3 to..

4 COMMISSIONER PRESSLEY: Point of order; point of
5 clarity. I think that we were in the midst of... You were
6 entertaining a motion to postpone, and I think what
7 Commissioner Banks was saying was adjourned.

8 CHAIRPERSON WOODS: Yes.

9 COMMISSIONER PRESSLEY: I'm not sure if that's the
10 one you want to recognize.

11 DR. JACKSON: Did he make that motion?

12 COMMISSIONER PRESSLEY: He just said adjourned.

13 DR. JACKSON: The second.

14 COMMISSIONER BANKS: Well, nobody seconded it though.

15 DR. JACKSON: Okay. Well, it's lost for one of the
16 staff. Because it's a high ranking motion than the motion
17 to postpone.

18 CHAIRPERSON WOODS: Okay.

19 COMMISSIONER BELL: I'll make the motion to postpone
20 this matter.

21 CHAIRPERSON WOODS: We don't need to postpone the
22 matter, do we?

23 DR. JACKSON: No.

24 CHAIRPERSON WOODS: Okay. Are we making a motion to
25 postpone the matter...?

1 DR. JACKSON: Until next week.

2 CHAIRPERSON WOODS: Until next week.

3 COMMISSIONER DEWAEELSCHÉ: Support.

4 CHAIRPERSON WOODS: Supported by Commissioner
5 Dewaelsche. Any discussion? No discussion.

6 COMMISSIONER DEWAEELSCHÉ: May I ask Chair, who made
7 the motion? I'm sorry.

8 CHAIRPERSON WOODS: Commissioner Bell.

9 COMMISSIONER DEWAEELSCHÉ: Okay. Thank you.

10 CHAIRPERSON WOODS: And second by Commissioner
11 Dewaelsche.

12 COMMISSIONER DEWAEELSCHÉ: Thank you.

13 CHAIRPERSON WOODS: No discussion. All in favor say,
14 aye.

15 COMMISSIONERS: Aye.

16 CHAIRPERSON WOODS: Anyone opposed? The motion is
17 carried. All right.

18 DR. JACKSON: Any further new business?

19 COMMISSIONER CARTER: A motion to adjourn.

20 COMMISSIONER PRESSLEY: Second.

21 CHAIRPERSON WOODS: The motion made by Commissioner
22 Carter to adjourn, second by Commissioner Pressley. Any
23 discussion? Anyone opposed?

24 DR. JACKSON: Non-discussable motion.

25 CHAIRPERSON WOODS: Okay. Thank you. Non-discussable

1 motion. We'll adjourn.
