NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, COVID symptoms or other contagious condition, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

THURSDAY, NOVEMBER 21, 2024, AT 5:15 PM

The public hearing is to consider the request of the Great Lakes Water Authority (GLWA) to amend Article XVII, Section 50-17-33, District Map No. 31 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an R5 (Medium Density Residential District) or PD (Planned Development District) zoning classification where an R2 (Two-Family Residential District) zoning classification is shown at 700 Conner Street, 692 Conner Street, 686 Conner Street, 682 Conner Street, 678 Conner Street, 672 Conner Street, 703 Navahoe Street, 693 Navahoe Street, 687 Navahoe Street, 681 Navahoe Street, 675 Navahoe Street, and the vacated Freud Street and public alleys located between Conner Street and Navahoe Street. The proposed rezoning area is generally indicated on the accompanying map that includes Freud Street being rerouted.

The proposed map amendment is being requested to permit the development of a major utility pumping station. The existing R2 zoning classification does not allow for this use. The R5 zoning classification is the first zoning classification that allows for this use.

R2 – Two-Family Residential District

The R2 Two-Family Residential District is designed to protect and enhance those areas developed or likely to develop with single- or two-family dwellings. The district regulations are designed to promote a suitable environment for homes and for activities connected with family life. The only principal uses permitted by right are single- and two-family dwellings. Additional uses are conditional.

R5 – Medium Density Residential District

The R5 Medium Density Residential District is designed to provide for a range of residential development from the single-family detached dwelling to medium-density multiple-family dwellings. The primary use in this district will be the rental apartment structure. In addition to permitted residential uses, certain specified non-residential uses which can be properly blended into this district may be permitted.

PD – Planned Development District

The PD Planned Development District will permit planned developments throughout the City that shall be substantially in accordance with the goals and objectives of the Master Plan. Such planned developments shall provide a desirable environment for the uses proposed and shall not be out of harmony with their surroundings. The regulations of the district are designed to accomplish this by permitting flexibility in overall development while ensuring adequate safeguards and standards.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from

the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via U.S. Mail at the above address or e-mail at cpc@detroitmi.gov. Public comment/testimony may be given at the appropriate times when called for during the meeting.
