A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, COVID symptoms or other contagious condition, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

## **THURSDAY, DECEMBER 5, 2024, AT 5:15PM**

The public hearing is to consider the request of Ronald Hatmaker and the Detroit City Planning Commission as co-petitioner to amend Article XVII, Section 50-17-47, District Map No. 45 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an SD1(Special Development District, Small-Scale, Mixed-Use) where an R2 (Two-Family Residential) zoning classification are shown at 4344 McGraw, 4338 McGraw, 4332 McGraw, 4324 McGraw Street, 4320 McGraw Street, 4314 McGraw Street, 4306 McGraw Street, and 4302 McGraw Street. The subject properties are generally bounded by an alley to the north, Hartford Street to the east, McGraw to the south, and John E Hunter Street to the west. The proposed rezoning is indicated as the shaded area on the accompanying map.

The proposed map amendment is being requested to permit the current vacant building and vacant parcels to be utilized as an indoor commercial recreation facility. The existing R2 zoning classification does not allow for these uses within this zoning district.

### **R2 – Two-Family Residential**

This district is designed to protect and enhance areas developed or likely to be developed with single- or two-family dwelling units. This district promotes a suitable environment for homes and for activities with family life.

### **SD1– Special Development District, Small-Scale, Mixed-Use**

The SD1 Special Development District encourages small-scale pedestrian- and transit-oriented uses that complement a neighborhood setting. It aims to balance diverse, walkable activities for residents while preserving neighborhood character. Parking requirements are reduced to promote transit and non-motorized transportation, with shared and district-wide parking approaches encouraged. Certain alcohol-serving establishments are permitted without spacing requirements to boost pedestrian activity.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via

U.S. Mail at the above address or e-mail at [cpc@detroitmi.gov](mailto:cpc@detroitmi.gov). Public comment/testimony may be given at the appropriate times when called for during the meeting.
