CITY OF DETROIT
BOARD OF POLICE COMMISSIONERS MEETING
April 10, 2025 at 6:30 P.M.

1

2

3 CHAIRPERSON WOODS: Good evening everyone. Today is
4 Thursday, April 10th, 6:31 PM. The Board of Police
5 Commission meeting is called to order. We have for
6 invocation, Chaplain Mark Hill via Zoom. You may be
7 heard.

8 CHAPLAIN HILL: Amen. We'll go before the Lord in
9 prayer. Lord, we thank you for this day. Truly, this is
10 the day which you have made, and we shall rejoice and be
11 glad in it. Lord, we ask that you bless this meeting
12 today. Let there be unity in the atmosphere. Let there be
13 peace. Lord, help every member to accomplish the goals
14 that they set out. We ask you to bless this community
15 right now in the name of Jesus; we are actually healing
16 in our bodies, Lord, right now, understanding and wisdom
17 we give you praise, honor, and glory in Jesus' name.
18 Amen.

19 CHAIRPERSON WOODS: Amen. We do not have a quorum at
20 this present time, so, what we're going to do is go to
21 the Chief of Police Report. Deputy Chief Williams.

22 DC WILLIAMS: Through the Chair, Deputy Chief
23 Williams, on behalf of Chief Todd Bettison. For this
24 report, I'll start off with some of the crime stats. So,
25 for homicides, we're down 7%. We've had 3 less homicides

1 this year than we had last year. Nonfatal shootings are
2 down 37%. We had 52 less nonfatal shootings this year
3 than we had last year. For robberies, we're down 14%.
4 We've had 36 less robberies this year than we had last
5 year. And for carjackings, we're down 32%. We've had 9
6 less carjackings this year than we did last year. So,
7 we're still trending in the right direction. And again,
8 we just look to continue to improve on those numbers. For
9 case updates, we had a significant arrest. And this is
10 concerning the case that I believe a lot of people are
11 familiar with in the city where we had 3 people who were
12 found burned in a vehicle. Our deepest condolences go out
13 to the family and our investigators did a great job going
14 after this one and continuing to investigate. We do have
15 a suspect in custody at this time, but the investigation
16 is still ongoing.

17 The 11th Precinct had a safety seminar and we want
18 to thank members of the community who came out. The 11th
19 Precinct basically hosted an "Act of assailant attacks in
20 a House of Worship," seminar, and they did that on
21 Saturday, April 5th. It was a great turnout and a lot of
22 useful safety tips were given to those who attended. For
23 recruiting events, we had 3. Yesterday, the recruiting
24 team attended a first responders career expo in Windsor,
25 Ontario, and the career and Resource Fair at the

1 Northwest Activity Center. On Friday, April 11th,
2 there'll be a Crime Victims' Rights Week event at the
3 Wayne County Criminal Justice Center, and our recruiters
4 will be there as well. On Saturday, April 12th, the
5 recruiting team will be at the College Expo 2025 at the
6 Boys and Girls Club, located at 16,500 Tireman. The
7 Public Safety Trust Fund Round Table. This week, Chief
8 Bettison, along with Mayor Mike Duggan, House Speaker
9 Matt Hall, hosted a roundtable discussion with other law
10 enforcement agencies and lawmakers from across southeast
11 Michigan on the proposed Public Safety Trust Fund
12 legislation. These bills will give police departments
13 across the state additional funding every year to reduce
14 crime. The money can be used for public safety
15 initiatives like hiring more officers and investing in
16 community via intervention programs. Following the round
17 table, Chief Bettison gave Speaker Hall and other
18 lawmakers in law enforcement, and officials who attended
19 a tour of the Real Time Crime Center. Placing of
20 pinwheels. For Child Abuse Awareness Month and
21 recognition of Child Abuse Awareness Month, we invite the
22 community to join a Special Victims Unit on the front
23 lawn of Detroit Public Safety Headquarters on Tuesday,
24 April 15th, 2025 at 10:00 AM to place pinwheels in honor
25 of children in our community. The pinwheel represents the

1 trauma and pain suffered by child victims. It is also a
2 sign of resilience, hopefulness, and healing for a joyous
3 future that every child deserves. The pinwheel also
4 represents the responsibility each of us have to ensure a
5 supportive and loving environment for the children in our
6 community. Through the Chair, with that, that'll be the
7 end of the Chief's report, pending the questions of the
8 board.

9 CHAIRPERSON WOODS: Yes. Any commissioners. Can you
10 give the public an update as there is a video that's out
11 there going viral of a young man who had an interaction
12 with the police, I believe at a gas station. Everybody
13 has been sending me that video, and I'm sure that many
14 board members probably saw that surface. Can you give us
15 an update on what action is being taken there?

16 DC WILLIAMS: Yes. Again, through the Chair. The
17 actual incident happened on March 31st around 3:00 AM at
18 a gas station on the westside of Detroit. Officers were
19 alerted just through observation, there were two males
20 and two females appeared to be having some type of
21 argument. The officers pulled up to investigate, and upon
22 pulling up to investigate, they observed one of the black
23 males who is the subject of the actual video reaching
24 into the vehicle and placing an object in what appeared
25 to be under the seat.

1 The officers, upon further investigation, were able
2 to discover there was a firearm that was recovered. They
3 recovered the firearm, and at the point they recovered
4 the firearm, they moved to place the suspect in custody,
5 and that was the point where the use of force by the
6 police was made. So, he was resisting, the officers had
7 to overcome his resistance. And just so everybody knows
8 whenever we use force, it's not a pretty thing. So, the
9 use of force was necessary because of the resistance they
10 were facing. They were able to take him in custody. He
11 has been arraigned; he's been arraigned and charged on
12 having a concealed weapon and also for resisting and
13 obstructing. And he was held, I believe, with a \$25,000
14 personal bond. And just one more thing too, the actual
15 use of force that occurred is still under investigation
16 as well.

17 CHAIRPERSON WOODS: Say that last part for me please.

18 DC WILLIAMS: The use of force that actually occurred
19 is being investigated as well.

20 CHAIRPERSON WOODS: Okay. And that's being
21 investigated by Internal Affairs.

22 DC WILLIAMS: At this point, I'm not sure if it's
23 Internal Affairs or the precinct itself.

24 CHAIRPERSON WOODS: Okay. Yep. And we'll let the
25 record reflect that our chief of OCI did receive an

1 anonymous complaint today on that. And so, the chief
2 investigator is handling that accordingly. Go ahead.

3 COMMISSIONER MOORE: Through the Chair. Was that the
4 Linwood incident? Because I saw one where two officers
5 were fighting with a ---

6 DC WILLIAMS: No. So, this was not Linwood.

7 COMMISSIONER MOORE: Are you familiar with the
8 Linwood situation?

9 DC WILLIAMS: I am not familiar with the Linwood
10 situation.

11 COMMISSIONER MOORE: A lot is going on these videos,
12 but the Linwood situation, two officers were wrestling
13 with the suspect, and the suspect got away.

14 CHAIRPERSON WOODS: Oh, yeah.

15 COMMISSIONER MOORE: So, there was another video
16 where a police officer was on TikTok doing the dance that
17 some folks called, I don't know --- was it boots on the
18 ground? That's my deputy police ---

19 CHAIRPERSON WOODS: Hey man. How are you doing?

20 COMMISSIONER MOORE: He speaks; I listen. I don't
21 know what songs. Well, I think it was something by GMac
22 Cash. So, there has been a couple videos around Deputy
23 Chief. Okay, if you can get back to me, I'd appreciate
24 it.

25 DC WILLIAMS: Will do. And through the Chair, if I

1 could. You said a police officer was seen on TikTok and
2 he was dancing to --- what was that?

3 COMMISSIONER MOORE: A local rapper, Gmac Cash.

4 DC WILLIAMS: Thank you.

5 CHAIRPERSON WOODS: Yeah, I probably can show you the
6 videos. Yeah, not that one. The one with the Linwood
7 episode. That's when the officer ran out of gas. out of
8 gas, yeah. Yeah. It was a really, really tight situation.
9 So, it is unfortunate that a lot of this stuff --- you
10 know, these are real situations, live situations and we
11 appreciate you updating the community on that because
12 people who sent it to me asked if it happened today. And
13 this is something that happened on the 31st of March, and
14 it just catching up. But it's going viral out there. And
15 so, I wanted the department to be able to address that
16 and see where we are at in the investigation on both
17 sides. Any other questions of the Chief? There being no
18 other questions, let's go to public comment. We don't
19 have a quorum, right now. I want to thank, before we go
20 to public comment, the commander of 9th Precinct is here.
21 Is he here? I want to thank you for being here and we
22 thank you for hosting us. And you have a new captain
23 right there. I appreciate you guys being here and hosting
24 us in the 9th Precinct today. Commander.

25 COMMANDER SVEC: Thank you, sir. Through the Chair,

1 I'd like to introduce the new captain of the 9th
2 Precinct, John Stewart.

3 CHAIRPERSON WOODS: Absolutely.

4 COMMANDER SVEC: Introduction.

5 CAPTAIN STEWART: Yeah, just happy to be here, man.
6 Through the Chair. I appreciate the board appointing me a
7 couple weeks ago, just hit the ground running and like I
8 said, happy to be here, happy to serve.

9 CHAIRPERSON WOODS: Yeah, happy to have you.

10 COMMANDER SVEC: All right, sir, you ready for my
11 report out?

12 CHAIRPERSON WOODS: Yes, sir.

13 COMMANDER SVEC: Alright. The 9th Precinct. Currently
14 we're showing a 14.3% increase in homicides. That's 8
15 this year compared to 7 last year. Non-Fatal shootings
16 are down 51.9%. That's 14 cases. Sexual assaults are down
17 16.7%. That's 3 cases. Robberies down 34.2%. That's 13
18 cases. Carjacking. We're currently down a hundred
19 percent. That's 6 cases. We're currently at zero.
20 Aggravated assault we're down 17.6%, which is 60 cases.
21 Motor vehicle theft is down 70, I'm sorry, 27%, which is
22 70 cases. We're struggling with property crime. Burglary,
23 we're currently up 21.5, which is 31 cases. And larceny
24 we're up 1.4%, which is 4 cases. Non-fatal shootings. We
25 finished last year, 2024 with a 9.4% decrease. The first

1 quarter we were sitting at a 40.9% decrease and we are
2 currently at a 51.9% decrease. Homicide. We finished 2024
3 with a 5.1 decrease.

4 We finished the first quarter at the 14.3% increase,
5 which was one case. And that is where we currently sit at
6 14.3% increase. Our strategy has shown an impact on non-
7 fatal shootings, which is at a 52% decrease. Homicides
8 have shown a slight increase with 14.3%. All violent
9 crimes were down in 2024, except carjacking, which showed
10 a 47% increase from 19 cases in 2023 to 28 and 2024. And
11 currently with carjackings, we are at a hundred percent
12 decrease. Burglaries, like I said, we are up 21%. We are
13 focusing with our Detective Unit, unknown suspects, and
14 with our partnership with the MDOC on home checks. To
15 combat this trend, we have directed additional resources
16 into the hotspots and directed patrol to our frequently
17 affected businesses.

18 Violent crime strategy. We've taken 246 illegal guns
19 off the street. We have targeted enforcement with weekly
20 restore order operations, partnerships with MDOC,
21 homicide gang intelligence and major, I'm sorry, major
22 violators have shown increase in violent crime reduction.
23 ShotSpotter. I'd like to highlight that. Currently, year
24 to date, we are down 28% reduction in shooting incidents
25 and 36% down in gunshots; compared to 2023 when the

1 program started. We are 49% reduction in shooting
2 incidents and 51% reduction in gunshots. Currently, year
3 to date, we have executed 45 search warrants in
4 conjunction with ShotSpotter and recovered 54 firearms.
5 Community engagement. Our NPOs distribute gun locks,
6 continuous meetings with community groups and a
7 brotherhood and sisterhood programs. And to name just a
8 few of our NPO programs, we have trick or treating
9 events, Turkey giveaways, Thanksgiving dinner, holiday
10 parties, painting with a cop, adopt a Family Christmas
11 Outreach, Christmas dinners, reading with little
12 Darlene's program, community readings, anti-bullying
13 presentations, 9th Precinct Memorial for Fallen Officers
14 Brotherhood and Sisterhood Circle programs, community
15 movie day, Goodfellas, Black Family Development, National
16 Police Week, Faith in Blue, National Night Out, and
17 Precinct fundraisers.

18 And if I may, I'd like to introduce some of my NPOs
19 who are here, or one of them who is here at the meeting
20 today. And Sergeant Harper's here somewhere too as well.
21 But that concludes my presentation if you have any
22 questions.

23 CHAIRPERSON WOODS: Yes, sir.

24 COMMISSIONER WOODS: Thank you, Mr. Chair. So, we
25 missed you at the 10th Precinct as a Lieutenant.

1 COMMANDER SVEC: I appreciate that.

2 COMMISSIONER MOORE: 9th Precinct historically has
3 been one of the most dangerous precincts, especially on
4 the eastside of Detroit, going even further than Midwest.
5 What are some needs that you think, outside the box
6 thinking, do you think that you could be given, so that
7 it can be safer in the 9th Precinct?

8 COMMANDER SVEC: I think one of the best things that
9 former Chief White got was a ShotSpotter that covers the
10 entire 9th Precinct. Like I said, there's been a 48%
11 reduction in shots fired in the 9th Precinct. And those
12 don't even you know, people are calling more often now
13 because they are seeing our quick response. We're
14 recovering evidence from those, we're developing a lot of
15 leads on our cases off those shootings. So, I think that
16 ShotSpotter has been a great help in the precinct.

17 CHAIRPERSON WOODS: Okay. Any more questions? There
18 being no more questions. Thank you very much. We will go
19 to public comment.

20 MS. UNDERWOOD: Thank you, Mr. Chair. We have five
21 speakers in the audience. Our first speaker will be Mr.
22 Dana Lund, Ms. Victoria Camille, Ms. Bernice Smith.

23 MR. LUND: You ready?

24 CHAIRPERSON WOODS: You may be heard.

25 MR. LUND: I know you guys know my face, and my voice

1 by now. All I want to say is when I make these comments
2 and everything and come up here and speak, and I do get
3 phone calls and phone calls from some of the officers, it
4 seems like they don't want to be bothered. I just want to
5 stress and say I am human just like they are. Why is it
6 that they act like they have a problem when I address you
7 guys. When they called the commander, I think his name is
8 spelled SVEC, he called and he acted like it was a
9 problem for him to call. I just want to say I'm human
10 just like they are. So, if you don't want to call, they
11 don't have to call me. I just want to always, and I'm
12 going to continue to come up here and complain about it.
13 I just want the police to understand, don't take the job
14 if you can't do the job. It states that they are supposed
15 to serve and protect. If you can't do that job, don't
16 take that job. That's all I'm saying. Serve and protect.
17 If you give me respect, you're going to get respect.
18 That's all I want to say. They don't want to do it. Don't
19 do a job if you can't do it. That's all I got to say
20 because they're not doing their job. Thank you.

21 CHAIRPERSON WOODS: Okay. Thank you very kindly. Next
22 speaker. Someone taking time down there. Oh, you are. All
23 right. Thank you.

24 MS. CAMILLE: Good evening board.

25 CHAIRPERSON WOODS: Good evening.

1 MS. CAMILLE: And good evening community. My name is
2 Victoria Camille. Couple of things today. So, in regards
3 to the --- I won't talk about this long. In regards to
4 the embarrassment that the board had last week. My
5 recommendation would be to have the staff provide weekly
6 reports on any administrative activities in progress or
7 planned related to open positions, as well as any
8 recruiting so that the entire board is aware of all the
9 steps that are going on. And so that if anything is in
10 progress that shouldn't be, that can be addressed before
11 it goes too far. The next item that I have is in regards
12 to an open citizen complaint that I have where DPD failed
13 to follow multiple policy directives leading to the
14 killing of Sherman Lee Butler in July of last year. So, I
15 would like the status of that complaint. And then the
16 last City Council is considering an ordinance that is
17 mandating the release of body-worn camera footage. And at
18 the public and safety committee this week, it was stated
19 that the topic was being postponed because they're
20 waiting for the board to have a conversation with Second
21 Deputy Chief Ha. And so, those of us who are advocating
22 for this ordinance are wondering why does that
23 conversation need to happen? What is that conversation
24 about? And will that conversation be held in public?
25 Thank you.

1 CHAIRPERSON WOODS: Update on our complaint?

2 CI WARFIELD: Through the Chair, regarding the
3 citizen complaint concerning the bailiff shooting. Our
4 investigators have completed their work. This past
5 Tuesday, we completed that --- I'm sorry. We presented
6 that report at the Citizens Complaint Committee meeting.
7 And the Chairman is in receipt of that report. He is
8 reviewing it.

9 CHAIRPERSON WOODS: The chair of the Citizen
10 Complaint Committee.

11 CI WARFIELD: Thank you. Through the Chair. The Chair
12 of the Citizen Complaint Committee, is reviewing that
13 report and as soon as he signs off on it, we will send it
14 to the other board members and the Chair of this body
15 will determine what to do with it at that point. Thank
16 you.

17 CHAIRPERSON WOODS: You may be heard.

18 MS. SMITH: Thank you. It seems like I missed a lot
19 in the last couple of weeks, but that's all right. I'll
20 catch up. Good evening to everyone in the neighborhood
21 here, occupants. I'm Bernice Smith, known as Mother
22 Bernice to the police department. I love them. I've been
23 involved with them since '73 when I was on the crime
24 committee, when they had it named. But now that I'm still
25 here and still complaining and fussing, because I want to

1 know, and I'm glad. I had been crying all week about two
2 things that's happening in our city. The incident about
3 the mother, daughter and the little girl in the burnt car
4 that was in the neighborhood where I raised my children
5 on West Grand Boulevard and they went to the school on
6 30th Street. I didn't even want to go over there to see
7 the area, but I was in the area Sunday when I first heard
8 about it. And my son, he told me, he said, "Mama, don't
9 go over there." I said, "No, I'm not going." But I just
10 want to know, women, I have 3 girls. I raised them to be
11 decent, respectful girls. If a man doesn't do you right
12 or mistreat you, leave him alone. I pray to you that you
13 do this. You are not here on earth to be abused, beat up,
14 or taken advantage of you. I'm telling you I want all
15 these women to stop dealing with these men who wants to
16 abuse them. That's number one. The next thing, I want you
17 men to be respectful to the women. If they don't want to
18 leave them alone. This man that did what he did this past
19 week, as far as I'm concerned, he doesn't need a trial.
20 And he needs to be in the jail by himself, in solitary
21 confinement, feeding him once a day, and that's it. For
22 him to think about. You know what I'm talking about,
23 Wood?

24 CHAIRPERSON WOODS: No. We don't support torture.

25 MS. SMITH: Well, that's the way I feel because he

1 shouldn't have done that to that young lady. He shouldn't
2 have done it, and a baby too, and a mother.

3 CHAIRPERSON WOODS: Time Is up.

4 MS. SMITH: Already?

5 CHAIRPERSON WOODS: Yes.

6 MS. SMITH: Anyway, to my police department, I love
7 you all, you know I do. And I want you to be safe out
8 there, once you put that uniform on.

9 CHAIRPERSON WOODS: Absolutely.

10 MS. UNDERWOOD: Our next speakers will be Minister
11 Eric Blount and District 4, CAC Scotty Boman. Then we'll
12 go into Zoom.

13 MINISTER BLOUNT: Good evening board. I'm Minister
14 Eric Blount from Sacred Heart Catholic Church here in
15 Detroit.

16 CHAIRPERSON WOODS: Good evening.

17 MINISTER BLOUNT: We have to be very honest. No one
18 in this country should ever be executed without a fair
19 trial. We have facial recognition in this city that
20 misidentifies black people on a constant basis, okay? So,
21 unless you are a person of color that doesn't mind you or
22 your relatives being executed, I suggest you support a
23 fair and speedy trial. The embarrassing things of this
24 week, another wrongful arrest and imprisonment using
25 facial recognition technology and a license plate reader.

1 And then the firing and hiring of 6 employees, just makes
2 this place a laughing stock of the whole city. The video
3 release ordinance. Why not? Let's not forget that this is
4 the same police department that started facial
5 recognition technology without the approval of the board.

6 So, they can do things quick, fast, and in a hurry
7 when they want to. And as we talk about video release,
8 all we're saying is that we want the truth. And so many
9 times the truth is hidden because they turn off the
10 cameras, Oh, okay. Turn off the cameras. We don't have
11 enough evidence. Case dismissed. No, no, no. As far as
12 ShotSpotter is concerned, Chief Bettison said to me, and
13 I'm sure he'll say it in public, because I hold back
14 nothing. And I feel like everything I say and do is being
15 recorded. But Chief Bettison admitted to me that a
16 silencer on a gun can prevent ShotSpotter from ever
17 detecting that shot. So, I mean, we're not talking 40/50
18 years ago. Silencers were used a long time ago, and I'm
19 sure they can be used now. The 9th Precinct ---

20 CHAIRPERSON WOODS: Time.

21 MINISTER BLOUNT: Don't let anyone tell you, you are
22 the most dangerous precinct in this city. That is not
23 true.

24 CHAIRPERSON WOODS: It is time.

25 MINISTER BLOUNT: Other precincts have private

1 security forces that protect them over and beyond what
2 they expect the police department to do. I guess my time
3 is up. Are you starting to mumble?

4 CHAIRPERSON WOODS: Yeah, yeah, right. Next speaker?

5 MR. BOMAN: Yeah. Hello. Yeah. I'm Scotty Boman,
6 District 4 Community Advisory Council, elected position.
7 I have constituents. I'm also founder of Detroit
8 Residents Advancing Civilian Oversight and a member of
9 the Coalition for Police Transparency and Accountability.
10 Today, I'm really mainly concerned about the board's role
11 of investigating those complaints. And I'm sure the
12 secretary has been doing a good job, and I know Jerome
13 Warfield is very concerned about the investigation of
14 complaints as well. And I know for a fact that there's
15 quite a backlog. I know of at least one that's probably 3
16 years old. Now, I don't know if they're prioritized the
17 way calls are prioritized, where more severe complaints
18 get kind of moved to a quicker investigation than some
19 that are perhaps very minor. Mine was very minor, for
20 instance.

21 Perhaps. But there is a tremendous backlog, and I
22 think it's unfair to the people who make the complaints
23 that if they're legitimate, that their mistreatment is
24 not addressed and that officers are not held accountable
25 for that. It's unfair for the officers who were in the

1 right and have this hanging over their head. It's unfair
2 to the residents that expect to have their board of
3 police commissioners and the OCI get to all those
4 complaints. Now, in my opinion, I hear a lot of talk
5 about a lot of different things at these meetings. And
6 whether you see me in person or not, I'm listening to
7 Zoom. There's been times I've been on Zoom and I didn't
8 get to speak and I hear a lot of talk about a lot of
9 things. But I think until those complaints are caught up,
10 until we are current with the complaints, I say we as a
11 city, that really, all the other things that are talked
12 about that aren't directly prescribed to this group in
13 the charter, you need to get to those things. I mean, get
14 to the complaints because that is a core function. And I
15 think there should be more transparency. And maybe there
16 is, maybe I'm missing them. Maybe I'm not looking at the
17 right part of the website where we can see how many
18 complaints are backlogged, how old is the oldest
19 complaint, and so forth. I see the Chair, which means ---

20 CHAIRPERSON WOODS: Yes. And you can stand right
21 there. Let me ask you this. When did you file your
22 complaint?

23 MR. BOMAN: I don't have the date right in my head,
24 but I believe it was in 2022.

25 CHAIRPERSON WOODS: 2022.

1 MR. BOMAN: And it was a minor one. It was really
2 just about a traffic incident where I did not think the
3 report had addressed things accurately. And more
4 importantly that when I attempted to reach, because I was
5 referred to the officer who wrote the report, when I
6 attempted to reach the person, I had tried diligently
7 over an extended period of time, never got a response.
8 And that was really when I made a complaint to the BOPC;
9 I'm not getting a response.

10 CHAIRPERSON WOODS: Okay. Pause one second. We are
11 past 2022 complaints, right, in the backlog, right?

12 CI WARFIELD: Through the Chair. There are a few 20,
13 22 complaints that are still in our universe. So, there
14 are a few. However, I can look you up, Mr. Boman, and get
15 back with you tomorrow. I remember looking it up before
16 and I thought we had finished that investigation, but
17 I'll check. I'll recheck to make sure. And if you haven't
18 heard from us, I guarantee you you're here from us
19 tomorrow.

20 MR. BOMAN: Thank you. And again, it's so old I have
21 trouble remembering, right?

22 CHAIRPERSON WOODS: Right, I understand.

23 MR. BOMAN: I guess my point is there's backlog and -
24 --

25 CHAIRPERSON WOODS: Yeah. Absolutely. And we don't

1 shy from the fact that we have been working diligently
2 and bringing in staff to do that. And when you see these
3 folders, these are citizen complaints that the
4 commissioners have to review. In fact, to date we have 50
5 more to give over to the board. And they've been picking
6 them up. They have been rising in rapid numbers now. And
7 so other plans are underway to be able to address this
8 thing. And that's been a stickler for me, because, like
9 you said, it is the backbone of the board of police
10 commission and to be able to deal with these complaints.
11 These are very, very serious to us because they're
12 something that the citizens took time to address and to
13 complain about. And we definitely want them to be held in
14 a sacred type of manner, you know? And so, thank you for
15 your patience and your indulgence and your advocacy and
16 your passion, and we continue to welcome it. Rest assured
17 you'll get a call back. However, there are others that we
18 are working on and they are in the pipeline. And so, you
19 have to keep on working that, and working that until you
20 get it done. I came into this and many of us came into
21 this and things happen and things are being fixed to be
22 able to deal with this. So, thank you.

23 MR. BOMAN: Thank you, Mr. Chair, and Mr.
24 Investigator.

25 CHAIRPERSON WOODS: Yes, sir.

1 MS. UNDERWOOD: Thank you, Mr. Chair. We'll go into
2 Zoom now. Our first speaker is Torpedo. Our next speaker
3 will be Ms. Crystal Rice.

4 CHAIRPERSON WOODS: Are you there?

5 TORPEDO: Yeah. Hey, Darryl Woods. You think it's
6 funny? Listen to this and pay close attention. The
7 president of the United States is Donald J. Trump. Now, I
8 had somebody take to him that video of me standing on the
9 porch with them talking to the Venezuelan immigrants at
10 12842 Sussex Street. That was back in July, June, July of
11 2024. Then again in August. I had someone take him
12 personally, flew out to his rally and took him to the
13 allegations on voter fraud by the Anonymous Citizen
14 Report done by Janice M. Winfrey, the Detroit City clerk
15 and chairperson of the Detroit Election Commission, a
16 cheater and a liar. Now, you spoke my name to somebody.
17 You don't know who knows me. You don't know who I know.
18 While you were over there in Ryan, and I told you to ask
19 Mark about me. Mark McLeod, the one who was calling you
20 on the phone that day, and you said his name with such
21 reverence.

22 Mark knows me. And I'm surprised he didn't tell you
23 that I am one of the coldest. Now, I'm going to just put
24 it out here. Keep my name out of your mouth. You don't
25 know who I know. Now, when I saw you going up in the

1 mayor's office, you were going in there to talk to that
2 little leprechaun. See, there are a lot of things you
3 don't know about me. I got a 40-year reputation around
4 the City of Detroit on the streets of being a standup
5 100. That's with the pastors and priests, and the
6 gangsters too, and the kids. So, watch your mouth, joker.

7 CHAIRPERSON WOODS: Okay. Lord Jesus, the one that
8 Cody is hanging out with Donald Trump, you know, hey.
9 Next speaker.

10 MS. RICE: Good evening, everyone. My name is Crystal
11 Rice. I recently moved back to Detroit after 13 years.
12 And probably about 3 weeks after I moved in October of
13 last year, I got carjacked at gunpoint. And I wanted to
14 shout out to the 2nd Precinct for assisting me and
15 helping me, as well as the carjacking task force. I want
16 to thank them personally for --- I mean, getting it done
17 because they did get 6 people and they got the people.
18 So, I'm really glad about that. Another thing, you know,
19 I like to say the plus. Now, the second thing I want to
20 talk about is Police Commissioner Liberty Smith, Tamara
21 Liberty Smith. I know I'm a little late in the game with
22 this because I work a lot. But I think it's very
23 inappropriate for a police commissioner to be on video
24 videotaping a person who was involved in something with
25 the two children that were found frozen and died in the

1 casino. I think that's very distasteful, not just as a
2 police commissioner, but as a mother. I don't think that
3 that was proper etiquette to be on; from what I know, and
4 I know some people in the police department, you are not
5 supposed to be on social media. I don't know what it is
6 for the police commissioner, but for you to be
7 videotaping, talking to radio stations, telling the
8 girl's business, meeting someone at a nail shop and
9 showing a video of her, I think is very distasteful on
10 her end. And I think it's very rude. And then for her to
11 say that she saw me. I haven't seen you in two years, but
12 since, I mean, I'm sorry, a year, when you were at my
13 cousin's event. And I think you need to focus on finding
14 somebody, helping the community find their victims that
15 were murdered like my cousin was murdered. The gentleman
16 on Fenkell, the young man, figure that out instead of
17 videotaping a public service announcement for this girl.
18 I think that's inappropriate and unprofessional.

19 MS. UNDERWOOD: We're going to go next to Mr.
20 Jahdante Smith and former Commissioner, William Davis.

21 MR. SMITH: Good afternoon. May I be heard?

22 CHAIRPERSON WOODS: Yes, sir.

23 MR. SMITH: Yeah. So, good afternoon. I hate to hear
24 about the nasty words towards Commissioner Smith, but
25 those words should have been directed towards other

1 members on the board, like Commissioner Pressley, and
2 also Commissioner Hernandez for the terrible work that
3 you guys have done in holding up motion and things of
4 that nature. I do want to talk about that via release
5 ordinance. That's going to be a very big thing because
6 some officers don't even have body cameras on, as one of
7 the Lieutenant, Brandon Cole. 25 years on the force, not
8 enough common sense to even have a body cam, a body-worn
9 camera on at a protest. Also, I want to say I have just
10 seen a very disturbing video of two officers punching a
11 young black male in his head, in the back of his body
12 while trying to arrest him. And he's a son of a Detroit
13 police detective. Very, very terrible. That's how we get
14 all these lawsuits.

15 Also, the facial recognition and the lawsuits we're
16 getting from that ShotSpotter as well. We have all of
17 this technology and we're still getting all of these
18 lawsuits. Very ridiculous. Also, I feel like Brandon Cole
19 has still not been --- even though he was suspended for
20 all that time, I feel like he's still in the same
21 position. He's still a lieutenant. He also still has all
22 of his rank and all of his pay. Very ridiculous to be
23 able to do certain things that he's done. Take political
24 stances, take racist stances, and be a terror to the
25 community and still hold your job. In no other job can

1 you do things like that and still hold your job. Also,
2 when it comes to complaints, I filed several complaints
3 over the years.

4 I don't even get calls back on some of these
5 complaints. And I think there are complaints that I filed
6 in at least 2022, maybe even before, that I'm just
7 getting letters from investigators. I understand there is
8 a backlog, but the transparency behind that is still not
9 there. It's kind of ridiculous how you file a complaint
10 and you never know if it's followed up on or the
11 officer's still in the streets, which we know there are
12 still in the streets, but if they have severe complaints,
13 they're still out there creating more situations where
14 they could get more complaints. So, you just never know.
15 Also needs to be investigated; just how that process is
16 working. I know you're doing ---

17 MS. UNDERWOOD: Mr. Chair, that's your last speaker.

18 CHAIRPERSON WOODS: Commissioner Davis is not there?

19 MS. UNDERWOOD: I'm sorry, Mr. Chair.

20 CHAIRPERSON WOODS: Yes. Thank you. Commissioner
21 Davis, you may be heard.

22 MR. DAVIS: Good afternoon. Can I be heard?

23 CHAIRPERSON WOODS: Yes, sir.

24 MR. DAVIS: Okay. I thought you all were going to
25 overlook me again. It wouldn't be the first time. I think

1 that actually I should have a process developed where you
2 all reach out to the people who file citizen complaints;
3 that you all reach out to them every 6 months. You know,
4 even if you all haven't closed the case or thoroughly
5 investigated. I think that's a problem and the fact that
6 citizens need to be updated, at least know that you all
7 are working, or somebody is looking at it or doing
8 something. And I think it's horrible that you all have
9 backlogs from 2022. You know, ideally you shouldn't have
10 anything over a year old. Also, is there a plan if you
11 all are about to get additional monies from the state to
12 help? Is there a plan on how to use that? Is that going
13 to be for these community groups that are helping the
14 police or is that going to be for additional officers? Or
15 is that going to be for additional neighborhood police
16 officers? It would be good for more information to come.
17 I'm sure there's already a plan. It'd be good for us to
18 know what the plan is. Because we need to be doing more
19 in the community, in the neighborhoods. Because when I go
20 downtown, and I go downtown a lot, I see a lot of police
21 officers, but I don't see as many in the communities, in
22 the various districts outside of downtown Midtown and
23 Corktown. You know, I think there's an opportunity to
24 increase the number of police officers that's actually
25 serving in the different precincts and not overdo it

1 Downtown. Also, I think that we need to make sure that we
2 try to encourage more Detroit residents to be in the
3 Detroit Police Department. I think the numbers are
4 horrible about the number of officers that live outside
5 the city and the number of command officers that live
6 outside the city. Thank you.

7 CHAIRPERSON WOODS: Thank you so much.

8 MS. UNDERWOOD: Mr. Denika Williams. This is the last
9 speaker, sir?

10 CHAIRPERSON WOODS: Yes, sir. Mr. Denika Williams?

11 MR. WILLIAMS: Yes. Hi. Can I be heard, please?

12 CHAIRPERSON WOODS: Yes, sir.

13 MR. WILLIAMS: Yes. Hi, Denika Williams. I'm a
14 private citizen resident taxpayer, legacy Detroiter. I
15 would like to know if this body can tell me how many
16 missing black women and children there are in the City of
17 Detroit, and what are the efforts and the process is to
18 find them. Do they get amber alerts? Do they get any type
19 of notification or is there a blast sent out? And it does
20 not have to be an emergency or a life-threatening
21 situation, but that's connected to all the complaints
22 that have gone unanswered. I ask this question at the
23 council all the time, and I get no answer or response.
24 And when I come here, I'm hoping that I can get those
25 numbers, so that we can find missing black women and

1 children instead of letting them, you know, be found dead
2 in cars or in homes or things of that nature.

3 As well as I'm concerned most definitely about what
4 is this facial recognition for? I mean, we have so much
5 surveillance in the City of Detroit. I wonder, do the
6 cameras even work? How do you all monitor those cameras,
7 if you all have a shortage? How do you all manage to get
8 the information and such, if you can't comprehend ---? I
9 mean, get real time information as to finding the
10 location and whereabouts. I just heard about the
11 ShotSpotter statistics and such. You know, while I
12 believe that it doesn't solve the crimes that should be
13 reduced to 15% or zero, I thought we were aiming for
14 zero. But also, the racism of this police department is
15 out of control. You let Brandon Cole get back on the
16 force. I don't care what. He should be fired and removed.
17 He'll be put in another department, but it's setting an
18 example. And this department, including its
19 commissioners, have failed, mostly ---

20 CHAIRPERSON WOODS: Thank you very kindly. Can you,
21 Deputy Chief give an update as relates to the missings
22 and how people can stay in tune with that? I know there's
23 a process for the department, I believe vis-a-vis social
24 media and other apparatus. So, can you give us an update
25 on that?

1 DC WILLIAMS: Through the Chair. The department on a
2 weekly basis posts the missing numbers. We post the year
3 to date, how many missings we have, and then how many
4 have been recovered. It's on the department's social
5 media page on Facebook, and I believe it can also be
6 accessed through X. X and Instagram, I believe. I'll have
7 a more concrete answer for the board tomorrow, but I know
8 that we do post those to social media so, the community
9 can't see those and monitor those as well.

10 CHAIRPERSON WOODS: Okay. Thank you. Commissioner
11 Moore.

12 COMMISSIONER MOORE: One question that did come up
13 through that last speaker, Deniko Williams was about
14 Amber Alerts. Can you let the public know what the
15 process is for getting an Amber Alert put out?

16 DC WILLIAMS: Yes. So, for Amber Alert, that's a
17 statewide notification. Everybody knows it goes off on
18 the phone. In order for that to actually be approved,
19 departmentally, we have some things we have to do, then
20 we submit it to the state and the state makes the
21 ultimate approval. If I'm correct, I believe that's the
22 process. It's been a minute since I've actually put out
23 an Amber alert, so I can double check on that to make
24 sure. I think if there is anyone here who's actually done
25 it recently, let me know. Otherwise, I'll get back to the

1 board to just confirm that what I put out was correct.

2 CHAIRPERSON WOODS: Yes. Commissioner.

3 COMMISSIONER DEWAEELSCHÉ: So, DC, if I could ---
4 through the Chair, if I could just ask another question
5 with regard to that. What is the timeline for issuing an
6 Amber Alert? Like what is the gap, the time gap between
7 the time the person is reported missing and the Amber
8 Alert goes out?

9 DC WILLIAMS: So, I'll just give a real quick sample.
10 So, officers get a call of a missing person. They go and
11 they confirm that there is a missing person. Either the
12 missing is serious because of mental issues or it's a
13 juvenile. So, those cases where there is an Amber Alert,
14 we get the information, we get the photo release from the
15 family, and then we submit that to, I believe we submit
16 it through a lien to the state, and then it's released.
17 The time, I would say probably doesn't take much, maybe
18 one, two hours; once we have confirmation.

19 COMMISSIONER DEWAEELSCHÉ: Thank you.

20 CHAIRPERSON WOODS: Okay. I'm asking Ms. Blossom and
21 our team to be able to make sure that once we get those
22 numbers that we make sure on our social media handles and
23 on our website, that those numbers are included as they
24 are included with the department. Yes.

25 MS. GOSS: This is like my second or third meeting.

1 My name is Michelle Goss. I lived in Detroit all my life.
2 When I hear people ask questions about their complaints
3 as far as an officer being inappropriate or doing
4 something that they think is wrong, like you all didn't
5 address that. So, what is the process? So, I understand
6 that people, I'm sorry, that people are [unclear]. But
7 what is the process? Like, if I have a complaint about
8 somebody being racist towards me that's in this
9 particular authority, I would like to know what's the
10 process; like, what do you do? Do you do anything that
11 you can tell us, so that when people make a comment like
12 that, at least their mind can be at ease about, you know,
13 something is being done?

14 CHAIRPERSON WOODS: Well, that's a good question.
15 That's something that we have already investigated and
16 something that has been adjudicated through the proper
17 channels. And so, a lot of times there's not a comment
18 that we can make on it because it's something that has
19 already been done. This is our purview right here. These
20 cases that are inside this folder, and we get stacks of
21 folders on a weekly basis. And so, we investigate citizen
22 complaints and ---

23 MS. GOSS: Not the police, that the guy was asking.
24 So, let me just ask a clarifying question if I may.

25 CHAIRPERSON WOODS: Yes, ma'am.

1 MS. GOSS: So, is there a place, you said it's
2 already been adjudicated, so is there a place to say,
3 hey, Michelle, you can go check whatever website, and
4 this is the answer about what was the ---

5 CHAIRPERSON WOODS: The stuff that was mentioned
6 today was something over a year ago, that has been
7 already addressed and it's already been dealt with. So,
8 there is no reason for us to address something that we
9 have no power over and there is nothing that we can do
10 about it. You know, some things --- oh, are you asking
11 for you specifically? You're saying in general, right?

12 MS. GOSS: I'm just mean, period. So, if somebody, so
13 all the stuff they brought up, I had never heard those
14 things before, right, because I am new to this.

15 CHAIRPERSON WOODS: Well, if you go and view some of
16 our videos, you'll see a lot of stuff.

17 MS. GOSS: The board of police commissioners' site.

18 CHAIRPERSON WOODS: Absolutely.

19 MS. GOSS: Got you.

20 CHAIRPERSON WOODS: You know, so a lot of this stuff
21 is just muddy waters, and rest assured when there's a
22 citizen complaint that our office of the chief
23 investigator is going to make sure that those complaints
24 get handled in a manner in which they should be handled.
25 And if a person wants to lodge a complaint, even in this

1 room, they take that complaint here, and if they are
2 online; if they want to file a complaint then there are
3 ways to do that too, online, in here or going to the
4 office of the chief investigator. So, it's a process. So,
5 sometimes, and that's quite frankly, most of the people
6 who speak at the board of police commissioners, speak
7 every single week. And we meet every single week.

8 I think we meet too much; we meet just to meet, and
9 meet and meet and meet. And they are working and working
10 and working and working in the office of the chief
11 investigator. So, we have a number of investigators who
12 investigate cases 5 days a week, and they are diligent in
13 their investigations. They talk to the people who have
14 the complaint. Can you explain the process, Chief
15 Investigator, because I think that is a very good
16 question, and I appreciate the dialogue.

17 MS. GOSS: Yes.

18 CHAIRPERSON WOODS: Yeah, absolutely.

19 CI WARFIELD: Thank you. And through the Chair. As
20 Chair Woods said that we have supervising investigators
21 here and investigators here in the room at every meeting
22 to make sure that if a citizen has a complaint, we take
23 that information down immediately and we go back and
24 begin the investigative process. The investigative
25 process, typically in a normal fashion, when we are not

1 backed up, lasts somewhere between 60, maximum 90 days
2 that it takes us to investigate the cases. But for a
3 number of reasons, we'll do another presentation on this
4 very shortly. Right now, our office is backed up with
5 complaints, but it doesn't mean we're not actively
6 investigating complaints. We are, as a matter of fact,
7 just for the record, for the first quarter of this year,
8 we closed, not just investigated, but closed 614
9 complaints. That's from January through March.

10 And we received 473 new complaints from January
11 through March, meaning that for the first time in a
12 number of years, we have actually closed more complaints
13 than we received at that particular period of time. And
14 so, our investigators, all 21 investigators are working
15 extremely hard, very diligently, and we interview the
16 officers. So, we Garrity the officers, we gather all of
17 the evidence that we do. One of the things we're not
18 going to do is compromise the thoroughness of the
19 investigation. Unfortunately, some of the investigations
20 may take a little bit of time to get all of the evidence
21 we need to come to a correct finding. Now, one of the
22 things that you might also need to know is that we don't
23 get involved in the disciplinary process. So, we don't
24 recommend the discipline nor do we sanction the
25 discipline in any way.

1 Our job is to make sure we find the evidence and
2 find the facts and present that to this board and to the
3 department for them to carry it further. But our
4 investigators work sometimes 6, I work sometimes 7 days a
5 week to make sure that we are doing it the best we can.
6 We know that it is an issue with the public, which is why
7 we work so hard. And just so you know, the progress of
8 how we're getting those complaints in; about a year ago,
9 we were handing in about 15, maybe 20 complaints a week
10 to the board for them to sign. Now, we're doing 48 to 50
11 complaints every week for the board to sign off on,
12 because those investigations have been completed. This
13 board, under this leadership, has worked very diligently
14 to make sure that our office is fully staffed with
15 investigators. And we had gone years without that;
16 without our staff being fully staffed. So, we're doing
17 the very best we can. Certainly, I can go into more
18 detail at another meeting, but I just want you to know
19 that we are working very diligently to get the job done.

20 CHAIRPERSON WOODS: Yes. And also, we cannot
21 compromise the investigation by speaking about it
22 publicly on certain things too. The investigations are
23 addressed through this and through the process. And so,
24 when there is time for us to comment on something, we'll
25 comment on it. You know, just like if you were here

1 earlier, we asked about the video that was out there
2 surfacing because that was of public interest, and we
3 wanted to make sure that the public understood what was
4 going on with that process. And take a look at our
5 dashboard, take a look at our citizen complaint dashboard
6 and you'll see the trends there. Anything else? Before we
7 don't have a quorum.

8 DC WILLIAMS: Through the Chair.

9 CHAIRPERSON WOODS: Yes, sir.

10 DC WILLIAMS: If I could. So, first I wanted to
11 answer the question. I did get confirmation. So, it's the
12 Detroit Police Department's missing page, and that's on
13 Facebook. Year to date, we had 585, missings. 507 have
14 been recovered. 29 were runaways and 49 are missing. So
15 that's where we stand right now. And that's our year-to-
16 date number. And it's updated weekly on the department's
17 Facebook page for Detroit Police, missing. And then for
18 the Amber Alert, that was a confirmation. Local law
19 enforcement, we get all the information together and then
20 we submit it to Michigan State Police. If it fits the
21 criteria to release as an Amber alert, then Michigan
22 State Police will issue that alert.

23 CHAIRPERSON WOODS: Yes, ma'am. Excuse me,
24 Commissioner Banks, you'll go after her. Ladies first.

25 COMMISSIONER BANKS: Let her go.

1 CHAIRPERSON WOODS: All right.

2 COMMISSIONER DEWAELSCHÉ: Thank you. Through the
3 Chair. Just a quick question with regard to the numbers
4 that you just mentioned. Are they divided or separated by
5 demographics, age, et cetera?

6 DC WILLIAMS: So, we're actually working on that now.
7 Chief Bettison received a report, I believe it was about
8 two weeks ago, and he wanted to have a breakdown by age
9 and sex and by ethnicity as well.

10 CHAIRPERSON WOODS: Yeah,

11 COMMISSIONER DEWAELSCHÉ: Through the Chair. I would
12 think that it would be very important that we know how
13 many juveniles are missing. I mean, everybody has a
14 priority, but especially, you know, young children, I
15 would think. Thank you.

16 CHAIRPERSON WOODS: Thank you. Commissioner Banks.

17 COMMISSIONER BANKS: Thank you. Through the Chair.
18 Yes. There was a young man shot by the Detroit Police
19 Department on the westside of Detroit. Deputy Chief, I'm
20 requesting a video cam of that. If you could help me out,
21 please. Because I want to make sure that the Detroit
22 Police Department followed protocol, followed standard
23 procedure when this altercation went down. And then also,
24 I like to possibly, if I could relay this message to you
25 to reach out to the family, because I'm willing to be a

1 shoulder for the family to lean on.

2 DC WILLIAMS: Through the Chair. Commissioner, could
3 you give me the date of that incident?

4 COMMISSIONER BANKS: The date?

5 DC WILLIAMS: If you don't have it, I get it from you
6 at a later time.

7 COMMISSIONER BANKS: Deputy Chief, all I have is the
8 young man that was 16 years old. He was shot on the
9 westside of Detroit. I don't have a date.

10 DC WILLIAMS: I believe I am familiar with this. This
11 happened last year?

12 COMMISSIONER BANKS: Yes.

13 DC WILLIAMS: Okay. I'm familiar with this. I'll make
14 sure you get that information.

15 COMMISSIONER BANKS: I appreciate that.

16 CHAIRPERSON WOODS: Okay.

17 DC WILLIAMS: Through the Chair, if I may?

18 CHAIRPERSON WOODS: Yes, sir.

19 DC WILLIAMS: Chair, you did ask a question about an
20 incident that was seen on social media with two officers
21 who appeared to be wrestling suspects who got away. So,
22 the suspect did get away. He briefly got away. The
23 officers were investigating domestic violence. After the
24 scuffle, both officers appeared to possibly be suffering
25 from broken fingers. We're still waiting on the final

1 diagnosis of that. But the canine was ordered. The
2 suspect was taken into custody. And both officers are
3 fine. We are just seeing if they have possible broken
4 fingers from the tussle.

5 CHAIRPERSON WOODS: That's satisfying, Commissioner
