NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, COVID symptoms or other contagious condition, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

THURSDAY, JUNE 5, 2025, AT 5:15 PM

The public hearing will consider the request of Wallick Development, LLC, to amend Article XVII, Section 50-17-49, District Map No. 47 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an SD1 (Special Development District, Small-Scale, Mixed-Use) zoning classification where an R2 (Two-Family Residential District) zoning classification is shown at 4094 Duane Street. The proposed rezoning area is the block bounded by Richton Street on the north side, Petoskey Avenue on the west side, Duane Street on the south side, and Holmur Street on the east side. The location of the proposed rezoning is indicated on the map at the end of this notice.

The proposed map amendment is being requested to permit the development of a three-story, 53-unit senior apartment building (age 55 and up), and 52 general occupancy (apartment) units in 11 separate buildings, each containing no more than eight units. A community building/clubhouse, including a leasing office, and accessory commercial are also proposed along the Holmur Street frontage. The proposed development is in response to a City of Detroit Request for Proposals for development from the Housing and Revitalization Department. The existing R2 zoning classification does not allow for the proposed uses and development.

R2 – Two-Family Residential District

The R2 Two-Family Residential District is designed to protect and enhance those areas developed or likely to develop with single- or two-family dwellings. The district regulations are designed to promote a suitable environment for homes and for activities connected with family life. The only principal uses permitted by right are single- and two-family dwellings. Additional uses are conditional.

SD1 – Special Development District, Small-Scale, Mixed-Use

The SD1 Special Development District is designed to encourage a complementary mixture of small-scale pedestrian and transit-oriented uses that are compatible in a neighborhood setting. It is intended to ensure a neighborhood character and place a proper balance of activities within walking distance of one another while serving the day-to-day needs of residents. Parking requirements are reduced in certain circumstances to promote use of transit and non-motorized transportation; shared parking and a district approach to parking are encouraged to lessen demand for off-street parking spaces. Certain establishments that service alcohol for consumption on the premises are permitted without a spacing requirement in order to attract increased pedestrian traffic to the area.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent

with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via U.S. Mail at the above address or e-mail at cpc@detroitmi.gov. Public comment/testimony may be given at the appropriate times when called for during the meeting.
