WHY REVIEW TOWING FEES NOW?

LAST REVIEW OF TOWING FEES

- ✓ Since its establishment, the TRC was last convened in 2012.
- ✓ The 2012 TRC recommended to City Council that a towing fee increase be implemented.
- ✓ The current towing, storage, and administrative fees were adopted by City Council Resolution on April 24, 2013.

COST AND OTHER IMPACTS TO THE TOWING INDUSTRY

- ✓ From 2013 to 2023, the consumer price index increased by 28%.
- ✓ From 2013 to 2022, the National Average Wage Index grew by 42%, or from \$44,888 to \$63,795.
- ✓ The cumulative inflation rate for the average price of motor vehicle insurance from 2013 to date, is estimated at nearly 97%.
- ✓ A gallon of diesel fuel (adjusted for inflation) was \$3.75 in 2013, rose to \$6.16 in 2022 and is now \$4.23 in 2023.
- ✓ Cost of other materials necessary for adequate clean-up of accident scenes is estimated to have risen by 150% (e.g., the cost of oil dry bags has risen from \$8 per bag to \$20 per bag.)

OUR APPROACH AND METHODOLOGY

- ✓ Conducted benchmark studies of towing fees nationwide and in Michigan cities.
- ✓ Analyzed trends and changes in consumer price indices.
- ✓ Reviewed data, proposed fees, and other input from police authorized towers.
- ✓ Reviewed DPD Towing and Impound Unit financials and operations.
- ✓ Reviewed towing industry guidelines.

POLICE AUTHORIZED TOWS

MCL - SECTION 257.252K CHAPTER 257 ACT 300 OF 1949 300-1949-II

CITY CHARTER DIVISION 5. TOWING SUBDIVISION A. SEC. 46-2-81.

✓ DETROIT POLICE DEPARTMENT (DPD)

- ✓ The City is responsible for maintaining clean, safe and functional streets.
- ✓ Residents and visitors are entitled to a safe and well-managed vehicle towing system for non-consensual tows that affords them a high level of customer service, convenience, courtesy, and professionalism.
- ✓ DPD is responsible for enforcing the towing ordinance.
- ✓ DPD's Towing and Impound Unit (PTIU) was established in 2018 and includes both towing and impound operations.
- ✓ In 2023 and 2024, PTIU performed approximately 20% of all "hooks" (i.e., tows) in the City.

POLICE AUTHORIZED TOWS

SUMMONED BY THE DETROIT POLICE DEPARTMENT

Detroit Police Authorized Towing Companies in the City of Detroit are dispatched by the Detroit Police Department to help remove or assist with the removal of:

- ☐ Vehicles involved in accidents.
- ☐ Vehicles interfering with emergency activities or impeding traffic from the traveled portion of a street, highway, or freeway.
- ☐ Stolen, flooded, and abandoned cars.
- ☐ Illegally parked vehicles.
- ☐ Vehicles take in conjunction with an arrest, forfeiture, stolen-recovery, or if needed for evidence are also police authorized tows.
- ☐ Debris, and hazardous materials from accidents and crime scenes.

POLICE AUTHORIZED TOWING FEE SCHEDULE

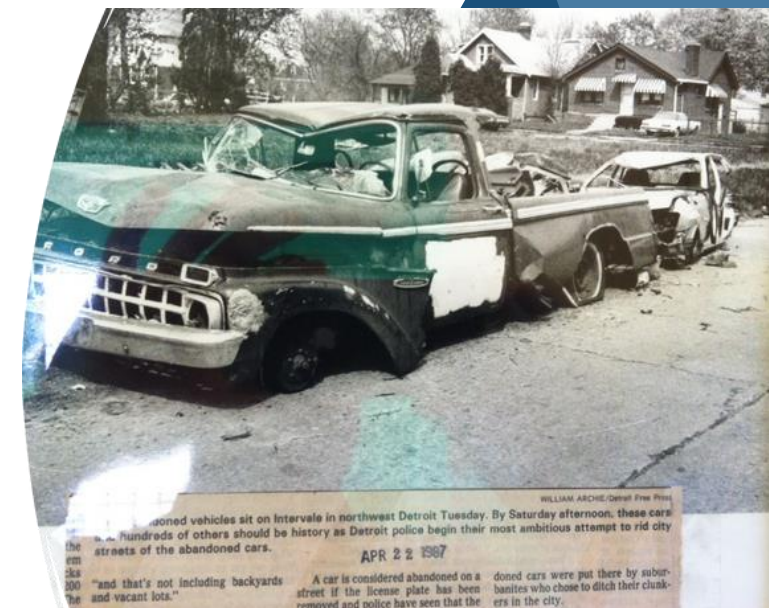

Pertains ONLY to police authorized tows and does not apply to other City contracted services or third-party private property impounds. Other City contacted services go through a public bidding process through the Office of Contracting and Procurement. An example of this type of contract would be for towing City of Detroit vehicles in need of repair or service.

POLICE AUTHORIZED TOWERS.

- ✓ PATs are experts in towing, and they are efficient, professional, and organized; they have capacity and are focused.
- ✓ PATs work side-by-side with Police on crime scenes and are trained to maintain the chain of custody needed for evidence.
- ✓ Approximately 80% of all DPD “hooks” in 2023 and 2024 were performed by PATs.
- ✓ Police authorized towing is 80% to 100% of each PAT’s business.
- ✓ In 2012 there were 27 PATs in Detroit; As of August 2024, there are 5 PATs operating under DPD contracts approved by City Council effective December 2022 through July 2027.

The photo from the Detroit Free Press shows the need for Police Authorized Towers dating back to 1987 due to an abundance of abandoned cars which create blight.

OTHER NON-CITY TOWING ACTIVITY

NON-CONSENSUAL TOWING

Private property owners often hire towing companies to remove vehicles not authorized to park on their property. An example is a fast-food chain might have signs in their parking spaces designating the space “for customers only.” If a person parks there and goes to the business next door, the private property owner may call the tow company they have hired to remove that vehicle. In Detroit, this is called PPI or Private Property Impounds.

CONSENSUAL TOWING

Consensual towing is towing often requested by the vehicle owner. The most common example is when a call is placed to a motor club because the vehicle will not start or breaks down while driving.

ADMINISTRATIVE FEE

Current Fee	2024 TRC Proposed Fee
\$75.00	\$75.00

- ✓ **2021 TOWING DIVISION ORDINANCE**
 - ✓ The first Administrative Fee was included in City Council's Resolution resulting from the previous 2012 TRC recommendations.
 - ✓ The 2012 TRC operated under the 1984 Towing Division Ordinance. The Administrative Fee was codified in the 2021 Towing Division Ordinance.
- ✓ **ORDINANCE LANGUAGE**

Under Section 46-2-114. Administrative fees:

 - ✓ An administrative fee shall be charged to, and paid by, the owner of each vehicle towed by a private tow company in a non-consensual tow, other than a Department authorized tower, from a location inside the City.
 - ✓ The Police Department shall establish the administrative fee for non-consensual tows in accordance with Section 9-507 of the Charter subject to approval by the City Council through adoption of a resolution.

ADMINISTRATIVE FEE

DETROIT POLICE DEPARTMENT ADMINISTRATIVE FEE

The Administrative Fee is a service fee supporting the following operational costs:

- ✓ GovTow (vehicle tow management and tracking solution.)
- ✓ Michigan's Law Enforcement Information Network (LEIN.)
- ✓ Staffing, including but not limited to:
 - Tow Desk Staffing (24 Hours a day, 7 days a week)
 - Auction and Abandoned Vehicle Officer(s)
 - Impounding Officer(s)
 - Supervisor(s)
 - Office Management Assistant(s)
- ✓ Other operational costs specifically associated with the PTIU not listed above.

OTHER RELEVANT ITEMS

TOWING DIVISION ORDINANCE HARDSHIP POLICY

- Per the Section 46-2-91 (c) of the Towing Ordinance:
Any tow contract initiated after calendar year 2021 shall be evaluated to determine whether an income-based rate structure or tow hardship policy is feasible. Such findings shall be submitted to the City Council via resolution for consideration.
- Through the current Police Authorized Towing contracts (with effective dates from 2022 to 2027,) DPD implemented a discretionary program which allow owners of vehicles stolen in the city of Detroit to apply for a poverty waiver for DPD authorized towing and storage fees.

DPD'S AUTHORITY TO WAIVE OR REDUCE FEES

- DPD is responsible for reviewing, approving, and if applicable waiving or reducing fees in accordance with the contracts.

OTHER RELEVANT ITEMS

DISPOSAL FEES

- ✓ The Police Authorized Towers (PATs) advised the TRC that currently there is no mechanism that allows them to recover the cost of disposing items not redeemed and left in their storage lots.
- ✓ Currently, through the City's competitive procurement practices, DPD outsources disposal of items not redeemed and on a City storage lot.
- ✓ The 2024 TRC determined that we have no authority to set disposal fees since it was not specifically listed as one of its duties in the 2021 Towing Division Ordinance.
- ✓ The 2024 TRC resolved that this is an operational concern between DPD and the PATs. Any resulting changes in contract terms would go through the City's procurement process for subsequent approval by City Council.

CITY COUNCIL RESOLUTION

- ✓ Resolution To Set The Administrative, Towing, Service, And Storage Fees In Accordance With The Recommendation Of The Tow Rate Commission.
- ✓ Drafted September 23, 2024.
