NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, or COVID symptoms, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link found toward the end of this notice.

THURSDAY, SEPTEMBER 4, 2025, AT 6:00 PM

The public hearing is being held to consider the request of Matthew Walters on behalf of Goat Yard Marine, LLC (doing business as Detroit Boatworks) to amend Article XVII, Section 50-17-32, District Map No. 30 of the 2019 Detroit City Code, Chapter 50, Zoning, to show a B4 (General Business) zoning classification where a PD (Planned Development) or M4 (Intensive Industrial) zoning classification is currently shown at 2 St. Jean, 21 St. Jean, 95 St. Jean Street, and 140 Terminal Street, generally bounded by Nautical Way to the north, Sand Bar Lane and a canal of the Detroit River to the east, the Detroit River to the south, and St. Jean Street to the west. The location of the proposed rezoning is indicated as the hatched area on the accompanying map.

The proposed map amendment is being requested in order to permit a marina expansion, including boat yard, inside storage, new boat slips, restaurant and retail. The proposal would amend/remove a portion of the original PD created by Ordinance No. 23-05 in 2005...

PD – Planned Development

This district will permit planned developments throughout the City and will be particularly useful in urban renewal areas. Such planned developments shall be substantially in accord with the goals and objectives of the Master Plan, by having a major land use that corresponds to the most general category of land use, which are Residential, Public/Civic/Institutional, Retail/Service/Commercial, Manufacturing and Industrial, and Other, proposed in the Master Plan for the area involved. Such planned developments shall provide a desirable environment for the uses proposed and shall not be out of harmony with their general surroundings. The regulations of the district are designed to accomplish this by permitting flexibility in overall development while ensuring adequate safeguards and standards for public health, safety, convenience, and general welfare and, where applicable, encouraging historic preservation.

B4 – General Business

This district provides for business and commercial uses of a thoroughfare-oriented nature. In addition to these uses, other businesses, which may benefit by drawing part of their clientele from passing traffic are permitted by-right. Additional uses may be successfully blended with those uses permitted by-right, are conditional.

M4 – Intensive Industrial

This district permits uses which may be considered objectional and therefore is rarely located adjacent to residential districts. The district permits a broad range of uses. New residences are

prohibited in the district with the exceptions for loft conversions of existing buildings and those residential uses in structures with permitted commercial uses.

Zoning ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3, and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via U.S. Mail at the above address or e-mail at cpc@detroitmi.gov. Public comment/testimony may be given at the appropriate times when called for during the meeting.
