RE: Personnel & Training Committee Memorandum

On behalf of the Board of Police Commissioners' Personnel & Training Committee, please see the key updates from the committee meeting held on January 20, 2026.

Board Attendees: Committee Chairperson Darryl Woods, Commissioner Lisa Carter, and Commissioner Eva Garza Dewaelsche (BOPC Chairperson).

Meeting Attendees: Commissioner Victoria Camille, Commissioner Scott Boman, Commissioner Lavish T. Williams, Board Secretary Lydia Garnier, Chief Investigator Jerome Warfield, Administrative Specialist Jonya Underwood, Assistant Chief Eric Ewing, Police Personnel Director Katrina Patillo, Morris Provost.

The Board referred Chief of Police Bettison recommendation for a pay increase for Director Katrina Patillo to the Personnel & Training Committee. The Personnel & Training Committee reviewed the performance evaluation for two years and the investigation report concerning the MCOLES Certification.

The Personnel & Training Committee noted Director Patillo as it relates to the MCOLES Certification was completely exonerated from any responsibility based upon the Internal Affairs Report and systems have been put in place to prevent this from happening again. Also discussed was the possibility of the Full Board going into Closed Session to review the same materials prior to moving forward on the recommendation.

The Personnel & Training Committee moved and approved the following three motions to be presented before the full Board.

- Recommend the Board accept the Classification and Compensation Team from CAYMC, proposed new salary range for the Director of Police Personnel within DPD to be between \$112,628 to \$171,906.
- Recommend the Board accept the Chief of Police Bettison recommendation for pay increase for Director Katrina Patillo from the range of \$149,815 to \$163,000.
