MEETING HELD ON JANUARY 15, 2026

A public hearing of the City of Detroit Board of Police Commissioners was called for 3:00 PM on Thursday, January 15, 2026, at the Detroit Public Safety Headquarters, 1301 Third Street, Detroit, Michigan 48226, in the Skylar Herbert Conference Room.

3 COMMISSIONER CAMILLE: Good afternoon,
4 everyone. My name is Victoria Camille, Police
5 Commissioner for District 7. Welcome to the Board of
6 Police Commissioners meeting. We are still waiting for
7 additional commissioners to arrive, including our chair
8 and vice chair. So, we can call the meeting to order and
9 start with the invocation.

10 CHAPLAIN DANTZLER: We want to take the time
11 out to pause and just pray for unity right now. I ask
12 that all hearts -- I ask that all hearts and all minds be
13 clear. Father God, we declare and decree that you are
14 not a spirit of confusion, that your word has never come
15 back void, that your word is spirit and truth. Father
16 God, we declare the proof that there is no big eye, there
17 is no little you in this room. We pray for a spirit of
18 love right now, Father God. We pray for a spirit of
19 understanding. For we know that, Father God, that with
20 love, Father God, we're able to conquer and move
21 mountains. So therefore, Father God, we want to just
22 take the time out to pray for a spirit of excellence.
23 Let you know that you are welcome in this room and we
24 hold you to your word, knowing that it is a spirit and
25 truth. It is in our Father's name that we touch and

1 agree and pray and say amen.

2 ALL IN ATTENDANCE: Amen.

3 COMMISSIONER CAMILLE: Thank you for the
4 invocation.

5 COMMISSIONER JONES: Madam Parliamentarian, I
6 know we just opened up the meeting.

7 PARLIAMENTARIAN JACKSON: I'm sorry, sir. I
8 can't hear you.

9 COMMISSIONER JONES: I'm sorry. Madam
10 Parliamentarian, I know we just opened up the meeting.
11 Is it okay if we move into the oral communications and
12 public comments?

13 PARLIAMENTARIAN JACKSON: That's what I just
14 told them.

15 COMMISSIONER CAMILLE: Thank you. Thank you,
16 Commissioner. Yes, absolutely. So, as we wait to gather
17 a quorum, we can move on to public comments. Jonya, who
18 do we have on?

19 MS. UNDERWOOD: Thank you, Madam Chair. Our
20 first speaker will be Lieutenant Mark Young.

21 LIEUTENANT YOUNG: Good evening. Commissioner
22 Miller, embarrassment, bias, bully, personal agenda, and
23 lack of due process. This is the very code, policy,
24 procedures, and laws you expect us to uphold. You hold
25 us accountable for them. Your actions incited domestic

1 terrorism, actions that violated the very policy that you
2 hold us to. Your actions that day violated something
3 that the very board approved, but in my wisdom and my
4 intellect tells me that officer safety is not important
5 and that's not on the agenda. Only to ridicule officers
6 and the persecute officers.

7 I have never been so damn angry in all my life.
8 We work hard to build a relationship with this community,
9 and it has not been easy. The very same people that we
10 risk and give and sacrifice our lives for don't always
11 appreciate us, but we show up anyway. To speak and
12 incite and encourage violence against anyone is criminal,
13 especially against a person that would give so much to
14 the city. This was not only an embarrassment to this
15 board, it was an act of biasness that's unspeakable.

16 I will be working to have the BOPC recuse from
17 any decision making that affects my members effective
18 immediately by way of injunction and possibly a court
19 order. When you call yourself oversight and you walk
20 into a room with judgment, without due process, that is
21 criminal. And you're not worthy to sit in oversight of
22 the men and women that give so much. Outside this very
23 wall is people that gave their very lives for people that
24 didn't appreciate them. Maybe you should look at the
25 wall when you walk in this room.

1 MS. UNDERWOOD: Thank you, sir.

2 CHAIRPERSON DEWAELSCHE: Thank you, ma'am. I
3 apologize for the delay in starting -- or in being here
4 to start the meeting on time. We do have a quorum, so
5 I'm going to ask for a -- to call the meeting to order
6 and to ask for our invocation, please.

7 Parliamentarian Jackson: We've had the
8 invocation.

9 CHAIRPERSON DEWAELSCHE: Oh, you've had it.
10 Okay. We've had the roll call then?

11 UNIDENTIFIED SPEAKER: No, ma'am.

12 CHAIRPERSON DEWAELSCHE: Okay, then I'd ask for
13 the roll call.

14 SECRETARY GARNIER: Commissioner Dewaelsche?

15 CHAIRPERSON DEWAELSCHE: Present.

16 SECRETARY GARNIER: Commissioner Woods?

17 VICE CHAIRPERSON WOODS: Present.

18 SECRETARY GARNIER: Commissioner Boman?

19 COMMISSIONER BOMAN: Present.

20 SECRETARY GARNIER: Commissioner Camille?

21 COMMISSIONER CAMILLE: Present.

22 SECRETARY GARNIER: Commissioner Carter is
23 running behind due to weather. Commissioner Ivey is also
24 en route. Commissioner Jones?

25 COMMISSIONER JONES: Present.

1 SECRETARY GARNIER: Commissioner Morris?

2 COMMISSIONER MORRIS: Present.

3 SECRETARY GARNIER: Commissioner Watts?

4 COMMISSIONER WATTS: Here.

5 SECRETARY GARNIER: Commissioner Williams?

6 COMMISSIONER WILLIAMS: Present.

7 SECRETARY GARNIER: Eight present, Madam Chair.

8 CHAIRPERSON DEWAEELSCHÉ: Thank you.

9 Next, I'd like to ask for approval of the
10 January 15th agenda- -- agenda. I'm sorry. Wait a
11 minute, just before we do that. Is this -- is there
12 where I need to ask for the -- no, not at this point?

13 SECRETARY GARNIER: Not yet, Madam Chair.

14 CHAIRPERSON DEWAEELSCHÉ: Okay. Approval of the
15 agenda, please.

16 VICE CHAIRPERSON WOODS: So moved.

17 COMMISSIONER JONES: Support.

18 CHAIRPERSON DEWAEELSCHÉ: It's been moved by
19 Commissioner Woods and --

20 SECRETARY GARNIER: I'm sorry.

21 CHAIRPERSON DEWAEELSCHÉ: Go ahead, Madam
22 Secretary.

23 SECRETARY GARNIER: I am so sorry. You are
24 correct, Madam Chair.

25 CHAIRPERSON DEWAEELSCHÉ: Yes. Okay, so I'm

1 going to skip that and go to approval of the minutes for
2 January 8th, 2026.

3 PARLIAMENTARIAN JACKSON: Madam Chair?

4 CHAIRPERSON DEWAELESCHE: Okay. Yes, Madam
5 Parliamentarian?

6 PARLIAMENTARIAN JACKSON: The Parl- --

7 VICE CHAIRPERSON WOODS: I got it. I got it.

8 CHAIRPERSON DEWAELESCHE: Okay.

9 VICE CHAIRPERSON WOODS: If I may, Madam Chair,
10 I would like to make a motion to amend the agenda. Is
11 that correct, Madam Parliamentarian? Maybe. Madam
12 Parliamentarian, Madam Parliamentarian?

13 PARLIAMENTARIAN JACKSON: No, sir. Maybe.
14 Madam Parliamentarian. Madam Chair is to indicate her
15 amendment without objection. And if there is no
16 objection, we'll move forward. Commissioner Woods,
17 you're not wrong.

18 VICE CHAIRPERSON WOODS: Okay.

19 PARLIAMENTARIAN JACKSON: It's just that it's
20 not necessary --

21 VICE CHAIRPERSON WOODS: Okay.

22 PARLIAMENTARIAN JACKSON: -- unless there's an
23 objection.

24 VICE CHAIRPERSON WOODS: All right, thank you.

25 PARLIAMENTARIAN JACKSON: But what the Chair

1 can do at this point is ask permission to amend the
2 agenda by adding what it is to be added. And if there's
3 no objection, then it's added automatically.

4 VICE CHAIRPERSON WOODS: Okay.

5 CHAIRPERSON DEWAELSCHE: Okay. So, then I can
6 ask, if there is no opposition, I would like to entertain
7 a motion to amend the agenda to move Item 8A, motion in
8 support of the reappointment of Chief of Police Todd A.
9 Bettison, prior to the Chief of Police report.

10 COMMISSIONER WATTS: So moved.

11 COMMISSIONER JONES: Support.

12 CHAIRPERSON DEWAELSCHE: Okay. So, it has been
13 moved by Commissioner Watts, supported by Commissioner
14 Jones. Is there any discussion? All in favor indicate
15 by saying aye.

16 ALL COMMISSIONERS: Aye.

17 CHAIRPERSON DEWAELSCHE: Opposed? Okay, motion
18 carries.

19 Next, approval of the minutes of January 8th,
20 2026.

21 PARLIAMENTARIAN JACKSON: Madam Chair?

22 CHAIRPERSON DEWAELSCHE: Yes.

23 PARLIAMENTARIAN JACKSON: You now need to
24 approve the agenda as amended.

25 CHAIRPERSON DEWAELSCHE: Okay. So, now I'll

1 need a second motion to approve the agenda for January
2 15th as amended.

3 VICE CHAIRPERSON WOODS: So moved.

4 CHAIRPERSON DEWAELSCHE: Okay. It's been moved
5 by Commissioner Woods.

6 COMMISSIONER WILLIAMS: Second.

7 CHAIRPERSON DEWAELSCHE: Seconded by
8 Commissioner Williams. Is there any discussion? All in
9 favor indicate by saying aye.

10 ALL COMMISSIONERS: Aye.

11 CHAIRPERSON DEWAELSCHE: Opposed? Motion
12 carries.

13 Now, I'd like to ask for approval of the
14 minutes of -- for January 8th meeting.

15 COMMISSIONER JONES: So moved, Madam Chair.

16 CHAIRPERSON DEWAELSCHE: Okay. It's been moved
17 by Commissioner Jones.

18 VICE CHAIRPERSON WOODS: Second.

19 CHAIRPERSON DEWAELSCHE: Seconded by
20 Commissioner Woods. Any discussion?

21 COMMISSIONER CAMILLE: Discussion, Madam Chair.

22 CHAIRPERSON DEWAELSCHE: Yes. Commissioner
23 Camille?

24 COMMISSIONER CAMILLE: Thank you, Madam Chair.
25 Has there been a change in how the outcomes of motions

1 are displayed on the minutes? It used to reflect which
2 commissioners voted yes and which voted no when the
3 outcome was not unanimous. I don't see that on these
4 minutes. Was there a change in process?

5 CHAIRPERSON DEWAELSCHE: I'm not aware of any
6 change. Madam Secretary?

7 SECRETARY GARNIER: No. If there is an error,
8 there should have been one action item where there were
9 two, I believe, last meeting, two nay votes. Are we
10 referring to that?

11 COMMISSIONER CAMILLE: Through the Chair, yes,
12 I believe that's item 12A. No, no, no, not 12A, I'm
13 sorry. 13A, where there was two nay votes and that's not
14 reflected here.

15 PARLIAMENTARIAN JACKSON: Madam Chair?

16 CHAIRPERSON DEWAELSCHE: Yes.

17 PARLIAMENTARIAN JACKSON: Were these roll call
18 votes?

19 CHAIRPERSON DEWAELSCHE: I'm sorry, we need a
20 roll call vote?

21 COMMISSIONER CAMILLE: No, they were not.

22 PARLIAMENTARIAN JACKSON: If these motions were
23 not roll call votes, --

24 CHAIRPERSON DEWAELSCHE: Okay.

25 PARLIAMENTARIAN JACKSON: -- then the names

1 would not be listed.

2 COMMISSIONER CAMILLE: Okay.

3 PARLIAMENTARIAN JACKSON: The names would only
4 be listed for roll call vote.

5 COMMISSIONER CAMILLE: Thank you.

6 CHAIRPERSON DEWAELSCHE: Any other question --
7 okay. Any other questions?

8 All right, I believe we were --

9 PARLIAMENTARIAN JACKSON: Approval of the
10 minutes.

11 CHAIRPERSON DEWAELSCHE: Approval of the
12 minutes for January 8th. All in favor indicate by saying
13 aye.

14 ALL COMMISSIONERS: Aye.

15 CHAIRPERSON DEWAELSCHE: Opposed? Motion
16 carries.

17 And now, approval of the closed session minutes
18 for December 18th regarding Eric Hollis. Is there a
19 motion?

20 VICE CHAIRPERSON WOODS: So moved.

21 COMMISSIONER JONES: Support.

22 CHAIRPERSON DEWAELSCHE: It's been moved by
23 Commissioner Wood, supported by Commissioner Jones. Is
24 there any discussion? All in favor indicate by saying
25 aye.

1 ALL COMMISSIONERS: Aye.

2 CHAIRPERSON DEWAELSCHE: Opposed? The motion
3 carries. Thank you.

4 Next, we have approval of closed session
5 minutes for December 18th, Colton Allen -- regarding
6 Colton Allen. Is there a motion to approve?

7 VICE CHAIRPERSON WOODS: So moved.

8 COMMISSIONER JONES: Support.

9 CHAIRPERSON DEWAELSCHE: It's been moved by
10 Commissioner Woods, supported by Commissioner Jones. Any
11 discussion? All in favor indicate by saying aye.

12 ALL COMMISSIONERS: Aye.

13 CHAIRPERSON DEWAELSCHE: Opposed? The motion
14 carries. At this time -- thank you for approving those
15 minutes.

16 At this time, we'll have the introduction of
17 text BOPC staff, police personnel, representatives, and
18 community leaders by the secretary.

19 SECRETARY GARNIER: Present -- present -- Madam
20 Chair, through the Chair, present at this time are
21 members of the BOPC admin staff, Drew Freeze, Felicia
22 Tyson, Mary Barber, Jonya Underwood, Armani Arnold,
23 Artemisia Joshua, are all present. Chief Warfield,
24 Corporate Counsel Conrad Mallett, also our
25 parliamentarian, Dr. Francis Jackson. Our interpreters

1 today are Stephanie Beatty and, is that Rick? I -- would
2 you pronounce the last name?

3 MR. AINSWORTH: Ainsworth.

4 SECRETARY GARNIER: Ainsworth. Also, our
5 audiovisual media services, Court Reporter Don Handyside.
6 Also, I believe, Fredia Butler from Second Precinct, and
7 also Ron Thomas of DPOA, Lieutenant Sergeants, president
8 as well -- present. I don't have any other registrations
9 at this time, Madam Chair.

10 CHAIRPERSON DEWAELSCHE: Okay, thank you.

11 And now, under my report, we've moved the item
12 8 under new business, which was the motion to support the
13 reappointment of Chief of Police, Todd A. Bettison, up to
14 my --

15 PARLIAMENTARIAN JACKSON: Madam Chair?

16 CHAIRPERSON DEWAELSCHE: Yes.

17 PARLIAMENTARIAN JACKSON: Your report comes
18 before that.

19 CHAIRPERSON DEWAELSCHE: I have no report.

20 PARLIAMENTARIAN JACKSON: It says resolution.

21 CHAIRPERSON DEWAELSCHE: Oh, okay, then we do
22 have a resolution, so that has to come first. I thought
23 the motion was before my report.

24 PARLIAMENTARIAN JACKSON: I thought it was
25 before the Chief of Police report. Am I in error?

1 CHAIRPERSON DEWAELSCHE: Madam Secretary, is it
2 before my --

3 SECRETARY GARNIER: Motion before the Chief of
4 Police report.

5 CHAIRPERSON DEWAELSCHE: Okay, you're right,
6 before the Chief of Police report. All right, so we do
7 have one item prior to the Chief of Police report, and
8 that is a resolution honoring police officer Tilman Bair
9 -- Blair, posthumously. And I'd like to ask Commissioner
10 Woods if he would read the resolution.

11 VICE CHAIRPERSON WOODS: Absolutely. If it's
12 okay, I'll read the first clause and the last clause.

13 CHAIRPERSON DEWAELSCHE: Yes.

14 VICE CHAIRPERSON WOODS: Whereas, from an early
15 age, Tilman Blair made a personal commitment to serving
16 the community and becoming a police officer. His
17 dedication led him to join the Detroit Metropolitan
18 Police Academy on August 14, 1967. Upon graduation,
19 Police Officer Blair was appointed to the Detroit Police
20 Department on October 21st, 1967, and assigned to the
21 13th Precinct.

22 Therefore, be it resolved, the Board of Police
23 Commissioners awards this resolution posthumously in
24 honor of Retired Police Officer Tilman Blair for his
25 lasting impact on Detroit and residents during 58 years

1 with the Detroit Police Department. His passionate
2 dedication to law enforcement and his many contributions
3 to public safety for Detroit residents merit our highest
4 regards. I move for approval.

5 COMMISSIONER JONES: Support.

6 CHAIRPERSON DEWAELSCHE: It's been moved by
7 Commissioner Woods, supported by Commissioner Jones. Any
8 discussion? All in favor, indicate by saying aye.

9 ALL COMMISSIONERS: Aye.

10 CHAIRPERSON DEWAELSCHE: Opposed? Motion
11 carries.

12 At this time, I'd like to, if there is no
13 objection, I'd like a motion in support of the
14 reappointment of Chief of Police Todd A. Bettison.

15 VICE CHAIRPERSON WOODS: I will make a motion
16 for the reappointment of Todd A. Bettison for the Chief
17 of Police.

18 COMMISSIONER BOMAN: Second.

19 CHAIRPERSON DEWAELSCHE: Go ahead. Did you
20 have -- I'm sorry. Okay, it's been moved by Commissioner
21 Woods, seconded by Commissioner Boman. Is there
22 discussion?

23 VICE CHAIRPERSON WOODS: I would like to say
24 that the Chief of Police has continued to be under
25 contract. That is, he's been doing a phenomenal job and

1 bringing crime down in the city of Detroit. He has been
2 community driven and he's considered in this community as
3 the people's chief. And so, I'm very, very happy to --
4 to see him continue in his contract and to be able to do
5 the work for the citizens of the city of Detroit.

6 COMMISSIONER JONES: Madam Chair?

7 CHAIRPERSON DEWAELSCHE: Thank you. Go ahead,
8 Commissioner Jones.

9 COMMISSIONER JONES: I just wanted to echo the
10 comments that have been made by -- I just wanted to echo
11 the comments that have been made by Vice President Darryl
12 Woods.

13 CHAIRPERSON DEWAELSCHE: Thank you. Any other
14 discussion?

15 COMMISSIONER WATTS: Madam Chair?

16 CHAIRPERSON DEWAELSCHE: Commissioner Williams
17 and then Commissioner Watts.

18 COMMISSIONER WILLIAMS: Yeah, I just want to
19 say the same about the chief. Even long before joining
20 the board, meeting the chief, he has accepted me for the
21 person that I am and never passed judgment on me. He's
22 been a great friend and, outside of being a great friend,
23 just the things that he has done in the community. And
24 as you see, he's always in front of the community,
25 talking with the community. So, I definitely want to see

1 the guy, the chief, be here because he's done just what
2 Darryl Woods said -- Commissioner -- a phenomenal job. I
3 support him.

4 CHAIRPERSON DEWAELSCHÉ: Thank you,
5 Commissioner. Commissioner Watts?

6 COMMISSIONER WATTS: Yes. I just want to echo
7 the same sentiments that was already stated. I want to
8 thank you, Chief. Having known you over the many years,
9 one thing about it, we may not always agree, but at least
10 you're honest, you're transparent, and you're fair. I
11 just want to say, continue doing a good job and always
12 keep the community engaged. It's a two-tier partnership,
13 along with the team that you have here, men and women,
14 phenomenal, on the force. So, thank you for your
15 service.

16 CHAIRPERSON DEWAELSCHÉ: Thank you. Any
17 further -- Commissioner Boman?

18 COMMISSIONER BOMAN: Yeah, I just wanted to
19 comment how I used to be a regular attendee of the 5th
20 Precinct Community Relations Council. And at those
21 meetings, now Chief Bettison at the time was really in
22 charge of community relations. And he did an excellent
23 job of bringing a friendly face forward to the community
24 and having -- giving people a positive experience
25 interacting with them, being very -- being a good

1 listener. And since becoming Chief in that short time, I
2 think he's actually shown that you can also have a firm
3 hand and hold officers accountable when necessary. And
4 so, overall, I think he's definitely carrying out some of
5 the best policies of his predecessors. So, I support
6 this return.

7 CHAIRPERSON DEWAELSCHE: Thank you,
8 Commissioner. Any other comments or questions? I would
9 just like to add, and I've known the chief for decades.
10 I remember back in, I don't know, 20-something years ago
11 when SER Metro, our workforce development organization,
12 worked with the chief on youth empowerment. We had some
13 youth programs. It was probably the Explorer programs
14 and others. And you were very involved with our
15 community back then. And throughout the years that I've
16 known you, you've kept community engagement as a
17 priority, and I think that's why we're so successful as a
18 department. So, thank you for that.

19 Any other comments? Hearing none, all in favor
20 indicate by saying aye.

21 ALL COMMISSIONERS: Aye.

22 CHAIRPERSON DEWAELSCHE: Opposed? Thank you.
23 The motion carries. Thank you so much.

24 And now, Chief, we're going to go to the
25 chief's report.

1 CHIEF BETTISON: First, I want to, through the
2 Chair, thank the Board for the opportunity to continue to
3 serve. It is very, very special. City of Detroit,
4 greatest city in the country, nation, and I would also
5 say the world. Motor City, we're definitely one to move.
6 We get it done, and we get it done together.

7 I'll start out with my report when it comes to
8 the overview of crime for the week. And so, this is as
9 of today compared to last year at the same period point
10 in time. So, criminal homicides, we've had four this
11 year thus far. And last year at the same period of time
12 we had four. So, it's a zero percentage when it comes to
13 changes. Sexual assaults, currently we're sitting at 16
14 compared to 13 last year. So, any change in numbers
15 right now make the percentage swing pretty wild. And so,
16 therefore, it's a 23 percent uptick or increase when it
17 comes to sexual assault. Aggravated assault, 4.5 percent
18 increase. And so, an aggravated assault is an assault
19 where someone uses a weapon or threat of a weapon. So, I
20 just wanted to break that down. It's been 349 year to
21 date compared to 334 last year. Robbery, 33 compared to
22 37, which is a 10 percent -- 10.8 percent reduction.
23 Burglary, we're sitting at a 34 percent reduction.
24 Larceny, which is where someone steals something from you
25 not by force. But larceny, we're at 17 percent

1 reduction. Motor vehicle theft, something that we all
2 want to continue to go down. We're down 101 compared to
3 last year, so that's at a 43 percent reduction. And non-
4 fatal shootings, a 23 percent reduction. And
5 carjackings, we're sitting at an 80 percent reduction.
6 What does that look like when we do it by stats? In 2025
7 last year at this time we had five carjackings. This
8 year, thus far, we've only had one carjacking.

9 So, that just gives you a breakdown of where we
10 are. As we go forth, we will continue to do everything
11 that we can to reduce. And to the victims of those
12 crimes, we'll be working relentlessly to solve those as
13 well.

14 Earlier this week, because the month of January
15 is Human Trafficking Awareness Month, I held a joint
16 press conference with the mayor and other community
17 partners. Councilmember Calloway, Angela Calloway-
18 Whitfield, was in front of the Crystal Motel right there
19 at Greenfield and Eight Mile. And so, an ordinance has
20 been passed where they have to have signage to make
21 individuals in the hotels alert that it is opportunity
22 and help for them. So, all the hotels have the placard
23 the City of Detroit Human Awareness sign in the motels,
24 hotels, and related type businesses. And so, we
25 placarded it there. And also our vice unit is working

1 diligently as well because big events tend to bring
2 individuals from outside of our community here, and
3 there's an uptick in sex trafficking during things like
4 the auto show and whether it be the NFL draft or any
5 large-scale events. And so, our vice unit is working to
6 identify activities that's taking place like that via
7 online, on street, et cetera.

8 Traffic enforcement is always a major concern.
9 And so, individuals speeding, accidents -- we have quite
10 a few accidents weekly in this city. So, I get an
11 accident report. And I'll make sure I start updating the
12 community regarding the number of accidents that we
13 actually have in the city. But roughly we have over
14 1,000 accidents. Not serious accidents, but accidents of
15 some sort. And so, thus the need for traffic
16 enforcement. So, last week we conducted a total of 330
17 traffic stops. A total of 776 tickets, moving violations
18 were written. 93 tickets for speeding. Enforcement took
19 place in the 7th, 8th, 10th, 12th precincts. Over the
20 last three weeks our narcotics unit executed several
21 search warrants. Officers made 3 felony arrests, 11
22 misdemeanor arrests, recovered amounts of cocaine,
23 fentanyl, marijuana, and pills off the street.

24 Commissioner Woods, you did ask last week how
25 many lives have been saved as a result of officers

1 administering Narcan. I'm going to work to see actually
2 on the back end, and I'm working through Dr. Dunn
3 (phonetic) with the fire department, where he's reaching
4 out to the hospital staff to see if the life was actually
5 saved. But I can tell you that over the year 2025 that
6 there were 143 incidents where Detroit police officers
7 administered Narcan prior to EMS arriving. So, can't say
8 that all of them survived, but I do have that data right
9 here, and we'll be able to continuously update the board
10 as well.

11 We continue with our critical conversations.
12 On Friday, January 23rd, the Detroit Police Department
13 will be hosting a fair for community members who are in
14 search of services related to special needs, mental
15 health, physical services, intellectual disabilities.
16 And the fair will be held right here in front of the
17 police headquarters, public safety headquarters, and
18 we'll have activities right here in this room as well,
19 and the parking lot area will be closed, and we'll have
20 all types of activities for individuals from the
21 community.

22 Another thing that I will make you aware of as
23 well is yesterday we did have an in-custody death at the
24 Detroit Detention Center. And so, a male gentleman in
25 our custody for a larceny during our rounds was

1 discovered unconscious, later determined to be deceased,
2 and thus far it appears through all indications that it
3 was a natural cause of death. But we have our
4 investigators there, and we'll have to res- -- await the
5 results of the autopsy. Because of HIPAA and other
6 medical-type-related issues, I don't want to speak as to
7 what his overall physical condition was at this time, but
8 I would be able to make the r- -- this board give you a
9 thorough briefing, but I just want to make sure I'm in
10 compliance with HIPAA.

11 And that concludes my report at this time.

12 CHAIRPERSON DEWAELSCHE: Thank you, Chief.

13 Before I go to questions, I just want the
14 record to reflect that Commissioner Ivey has joined us.

15 Are there any questions for the chief?

16 COMMISSIONER WILLIAMS: Yeah, through the
17 Chair, yes.

18 CHAIRPERSON DEWAELSCHE: Commissioner Williams?

19 COMMISSIONER WILLIAMS: I have a couple
20 questions for the chief, not related to this, so I hope
21 that this is the proper place for me to ask this
22 question. Tuesday, Brother Cunningham (phonetic), he's
23 an advocate for public transportation. He was assaulted
24 down at the transit center. I'm not sure if you're aware
25 of that or not. My question to you -- this is a two-part

1 question from two different citizens, but I'm trying to
2 combine them together because it all consists of Tuesday.
3 What is a typical response time, and are there officers
4 that are sitting at the transit center? I ask that
5 question because Mr. Cunningham called me after waiting
6 for a period of time, no police responded. He was lucky
7 enough to be in a vehicle where he found an officer. But
8 then another citizen, still Tuesday seeing that the
9 president was here and a lot of resources from the
10 citizens, they feel a lot of resources was targeted
11 towards the president. How do you compensate the
12 resources that you use for the president while still
13 serving the citizens, making sure that there's enough
14 manpower and police presence for them so they won't feel
15 as if they're pushed to the side?

16 CHIEF BETTISON: Through the Chair,
17 Commissioner Williams, that's an excellent question right
18 there. With the specifics with Brother Cunningham, I
19 don't know if I have Commander Fulgenzi in the audience,
20 but Commander Fulgenzi, who's over the 3rd Precinct, and
21 typically we do have a transit unit. And so, I would say
22 98 percent out of -- out of the time there is a DPD unit
23 sitting at Jason Hargrove Transit Center and then also at
24 the Rosa Parks Transit Center. So, I don't know exactly
25 where they were, but those units are dedicated to the

1 transit center and then also doing bus boardings, et
2 cetera, so we've dedicated resources there.

3 I'll have to look into the particulars to see
4 exactly where that asset was. I don't know if it was
5 shift change or exactly, but Commander Fulgenzi, maybe
6 you can shed some light on it.

7 COMMANDER FULGENZI: Yes, Chief, and through
8 the Chair, good afternoon. The Rosa Parks Transit
9 Station, we staff that 24-7-365. So, on each shift we
10 dedicate a resource to Rosa Parks. Now, this particular
11 incident, I don't have the information in front of me of
12 what exactly occurred, and I can give you a follow-up
13 report to the Board, but regardless of an event coming
14 into town, anything around the city, we staff Rosa Parks,
15 we staff the city appropriately, and we do staff at all
16 times at Rosa Parks. But I'll find out what happened
17 with this particular incident as well.

18 COMMISSIONER WILLIAMS: Okay, thanks. I just
19 -- you know, if one of the resident citizens approach me
20 with something, I do want to be able to give them an
21 answer in a timely manner, so that's why I brung that up
22 and asked that question.

23 CHIEF BETTISON: And through the Chair,
24 Commissioner Williams, one of the things that we -- when
25 the president comes to town, regardless of what president

1 it is, we're notified often at the last minute. And so,
2 we don't have a lot of lead time, but all cities have to
3 be able to provide various assets for the motorcade to
4 ensure the overall safety. We shut down the overpass for
5 the bridge so that as the motorcade is going over, nobody
6 can occupy that, and then that does take resources. But
7 in order to ensure that resources are still available for
8 a response within the neighborhoods and throughout the
9 city, if there's a shortage, then we hold individuals
10 over. And so, it can be forced overtime, et cetera.
11 When we have enough lead time, then we'll staff up and
12 we'll anticipate overtime so that we can have officers
13 come in on their off day, et cetera.

14 So, those are some of the things that we do.
15 And for large-scale events where we know it's coming, we
16 actually cancel leave days and things of that nature so
17 that all department members have to work. We do things
18 like that for the fireworks, and we do things like that
19 for Thanksgiving Day parade, et cetera, but there are
20 some events where we will cancel leave days, which we did
21 for the NFL draft. And then we also -- it's not just the
22 Detroit Police Department that provides resources for the
23 motorcade, so it's not just pulling on us, we also
24 partner with the Michigan State Police and also the Wayne
25 County Sheriff, so that is not so much of a drain on us.

1 CHAIRPERSON DEWAELSCHÉ: Thank you.

2 Any other questions? Commissioner Watts?

3 COMMISSIONER WATTS: Yes, Madam Chair. To the
4 chief, on that point, just a quick question. What's the
5 average response time, or does it vary?

6 CHIEF BETTISON: It -- it -- it does. It can
7 be, but I will show that to you. I will pull that up and
8 let you know exactly what that was for last week. So,
9 for a priority one, where it's life-threatening, an
10 imminent source of danger, for the prior week, our
11 response time was 10 minutes and 36 seconds. And so, you
12 would say, well, hmm, every department does not measure
13 response time the same. So, when you look for a national
14 standard, some departments will say, well, our response
15 time is like two or three minutes, and you would say,
16 well, wow. But the issue is they will measure what's
17 called travel time. We measure our response time from
18 the citizen's point of view. So, from the time you call
19 9-1-1 and you're on the phone to the time the actual
20 officer gets to you and you can see them, that is our
21 response time.

22 If we measure, like some departments do, travel
23 time or other different sections within the breakdown, or
24 when the actual call is dispatched from the 9-1-1 call
25 taker to the officer, and once the officer in the car

1 gets it and then they travel there, that's travel time,
2 that could be like two or three minutes. But the time
3 that is sitting in queue while the dispatcher is -- while
4 the call taker is looking for a unit to dispatch it to,
5 it could sit in queue for six minutes. And so, our whole
6 totality of our response time, on average, and it could
7 vary, but we're right there between 11, 10, 12 minutes.
8 And it could vary from day to day depending on what's
9 going on as well.

10 COMMISSIONER WATTS: Thank you. I appreciate
11 that because that gives an accurate picture, accurate
12 time.

13 CHIEF BETTISON: Yes.

14 CHAIRPERSON DEWAELSCHE: Thank you. And if I
15 may, just for the benefit of the new commissioners, the
16 chief provides us a report every week about 27 pages. I
17 try to go through every page, Chief, but there is a page
18 there that is called Daily Response Time Report. It's
19 the third page in the report, and it breaks it down by
20 precinct. So, it's very, very detailed. And I know the
21 new commissioners, it's going to take a while to get
22 through all the pages, but since you asked that question,
23 it is there for your benefit.

24 COMMISSIONER WATTS: Thank you for that, Madam
25 Chair. Just sometimes it's like when we have the chief

1 here because, again, it may be in the report, but then
2 you want to make sure, like he said, it gives an accurate
3 picture and it explains it, so that's very helpful.

4 CHAIRPERSON DEWAELSCHE: Absolutely. Thank
5 you.

6 Any other commissioners have questions or
7 comments?

8 COMMISSIONER BOMAN: Yeah.

9 CHAIRPERSON DEWAELSCHE: Commissioner Boman, go
10 ahead.

11 COMMISSIONER BOMAN: Yeah, I have a question
12 regarding -- well, effectively it's about us being
13 informed, but there is a -- the City Council, not this
14 week but last week, paid out a half million dollars in a
15 settlement with Manfred Brandenberger, and it didn't
16 specify, but it was regarding some interaction with
17 police. And it didn't specify what the circumstances
18 were, and I was wondering if the Board could get that
19 information.

20 MR. SMITH (FROM AUDIENCE): Hey, Conrad.

21 MR. WARFIELD: Well, through the Chair, that
22 question is directed at me. I'm going to turn it over to
23 corp counsel.

24 MR. MALLET: Through the Chair, yeah,
25 Commissioner, we'll be glad to get you that information.

1 COMMISSIONER BOMAN: Okay, thank you.

2 CHAIRPERSON DEWAELSCHE: Thank you.

3 Any other questions or comments?

4 COMMISSIONER CAMILLE: Madam Chair?

5 CHAIRPERSON DEWAELSCHE: Go ahead,

6 Commissioner.

7 COMMISSIONER CAMILLE: Thank you, Madam Chair.

8 I have several items for the chief. And, Chief,
9 congratulations on your continued appointment. I look
10 forward to continuing to work with you to make sure you
11 have accountability and transparency in the department.

12 So, the first item is more of an update on the
13 conversation that occurred this week, and I'd just like
14 -- I would like to summarize for the other commissioners,
15 as well as the staff and the public, the current
16 understanding between DPD and the Board of Police
17 Commissioners regarding OCI's access to body-worn camera
18 footage and related reports for their investigations,
19 Madam Chair.

20 CHAIRPERSON DEWAELSCHE: Yes.

21 COMMISSIONER CAMILLE: So at this time, OCI
22 staff, by default, has access to body-worn camera footage
23 and related reports to conduct their investigations. If
24 the Internal Affairs Department launches an investigation
25 that's considered sensitive, for example, if an officer-

1 involved shooting occurred or if the case involves a
2 high-profile individual, then the lieutenants in Internal
3 Affairs will lock that video and the related reports so
4 that they can only be viewed by the minimum necessary
5 Internal Affairs staff responsible for conducting that
6 investigation. And Commander McGinnis is made aware by
7 those lieutenants and has oversight of those decisions.

8 Normally, OCI is not investigating a case
9 concurrently with Internal Affairs and normally would not
10 need access to video and reports while Internal Affairs
11 is conducting their investigations. However, in the rare
12 exception that the BOPC is asking that OCI conduct a
13 policy review of an incident, one or more of the
14 commissioners that are championing the matter will
15 liaison with the chief to come to an arrangement to allow
16 OCI to conduct that policy review while ensuring the
17 strict confidentiality of the video and the report
18 content.

19 I would just like to thank the chief for his
20 trust in this body and willingness to keep that option
21 open for us. And if there was anything I missed from
22 that conversation, feel free to fill that in.

23 CHIEF BETTISON: Your observation of it is spot
24 on. And when there are those opportunities, we will
25 definitely ensure that concurrently we're working with

1 the board and have a conversation with any commissioner
2 and being able to ensure that you have access to what you
3 need to have access to when it comes to a body worn
4 camera so that you all and your investigators can
5 complete their portion of the investigation when it comes
6 to policy.

7 COMMISSIONER CAMILLE: Thank you.

8 CHAIRPERSON DEWAELSCHÉ: Go ahead. You have
9 more comments?

10 COMMISSIONER CAMILLE: Yes. Thank you, Madam
11 Chair. Just two questions for the chief as well. So, at
12 the November 5th policy committee meeting, Vice Chair
13 Woods actually requested a gas station audit to be
14 conducted. And I know D.C. Parish took that back and was
15 taking it to the Civil Rights Division to look into that,
16 to complete that audit and then have it reviewed by OCI.
17 Is it possible for us to get a status on that audit?

18 CHIEF BETTISON: Absolutely. So, Deputy Chief
19 Parish is here, and I would just ask him to come to the
20 microphone, the podium, and give an update.

21 DEPUTY CHIEF PARISH: Thank you, Chief. And
22 through the Chair to the rest of the board, yes, that
23 audit was completed. I'll summarize the results and
24 invite a meeting with the board and OCI if they'd like to
25 discuss methodology or any other aspects of the audit.

1 So, the audit was conducted and of the audit sampling,
2 93.21 percent were determined by the Civil Rights
3 Division as finding no issues within the stops. In the
4 remaining numbers, there were concerns regarding the in-
5 car video and/or the body-worn camera usage due to some
6 limitation or some issue. An appropriate review was not
7 able to be done. There was one verified case where an
8 officer did conduct a search based on the smell of burnt
9 marijuana, which, as this board likely knows, the
10 Michigan Supreme Court has said is no longer a lawful
11 basis to search a vehicle.

12 So, again, this is at a very high-level
13 summation. We're happy to meet with the board and
14 discuss any other aspects of the audit at the board's
15 pleasure.

16 CHAIRPERSON DEWAELESCHE: Thank you.

17 Commissioner Camille?

18 COMMISSIONER CAMILLE: Thank you, D.C. Parish,
19 for that update. I look forward to a meeting to discuss
20 the details of that further.

21 DEPUTY COMMISSIONER PARISH: Absolutely.

22 CHAIRPERSON DEWAELESCHE: And you had a second
23 question?

24 COMMISSIONER CAMILLE: I do. I do, Madam
25 Chair.

1 CHAIRPERSON DEWAELSCHE: Thank you, Com- --
2 D.C.

3 COMMISSIONER CAMILLE: Through the Chair, so,
4 Chief, you also received a memo from Councilmember
5 Gabriela Santiago Romero regarding ICE and some questions
6 and requests for data around that. Once you've completed
7 that and have her answers ready, can the board also
8 please receive a copy of those answers?

9 CHIEF BETTISON: Yeah, absolutely. So, at the
10 same time that I sent her the response, I have a date
11 where it'll come to me for review on January the 21st.
12 And after we pull everything together, I'll make sure
13 that she gets her written response. And as it's going to
14 her, it's going to be sent to the board as well. So, you
15 both will get it at the same time.

16 COMMISSIONER CAMILLE: Thank you. Madam Chair,
17 just related to that as well. And thank you, looking
18 forward to those responses, Chief.

19 So, related to that, I know you said multiple
20 times that DPD doesn't collaborate with ICE. That's been
21 a large concern in the communities. How can we take a
22 deeper look to make sure that DPD is not passively or
23 unknowingly assisting ICE through technology? So,
24 specifically, I'd like to explore some type of audit
25 across all the law enforcement and surveillance

1 technologies at any -- to identify any and all points of
2 entry that ICE may have to leverage DPD data to conduct
3 immigration enforcement. Is that possible?

4 CHIEF BETTISON: Yeah, I welcome that. We're
5 not sharing data. They're not using our facilities. And
6 so, our -- I've said it numerous times in the community
7 that I'm focused -- the department is focused on our
8 local ordinances and state laws. When it comes to
9 customs immigration type enforcement, we don't do that.
10 And so, our policies, our rules, our procedures are
11 clear. And the only way that we have any relationship at
12 all is when it comes to the aspect of all arrestees, when
13 you're arrested, taken to the DDC, your information is
14 entered into our Law Enforcement Information System
15 Network. And from there, if someone is wanted, it could
16 be an American citizen, someone could be wanted out of
17 Tennessee, et cetera, I'll just use that as an example.
18 We would become aware of it. And after we process -- I'm
19 using an American, a United States citizen right now as
20 an example. After we process them for the crimes that
21 they committed here, then we would turn them over to
22 another state. If it's a person that's undocumented and
23 there's a detainer in the system, we wouldn't notify ICE,
24 ICE would be able to see it on their own, and they would
25 notify us, and they would have to present a judicial

1 detrainer for us to possibly hold them up to no more than
2 72 hours. Because under no circumstances will we hold an
3 individual in a Detroit Detention Center more than 72
4 hours.

5 CHAIRPERSON DEWAELSCHE: Any other questions?

6 COMMISSIONER CAMILLE: That's it. Thank you,
7 Madam Chair.

8 CHAIRPERSON DEWAELSCHE: Thank you.

9 Commissioner Boman?

10 COMMISSIONER BOMAN: Yes, I wanted to go back
11 to the tragedy that happened where someone died. And I
12 understand, I'm not asking for medical information,
13 that's something I understand is confidential, and also
14 not necessarily known at this time. But what I am going
15 to ask about is procedure. How would a person at the
16 facility where this person passed, how well is it
17 monitored? In other words, how soon after someone would
18 pass or how soon after someone shows symptoms that shows
19 that the person may be mortally ill, would the staff be
20 able to respond?

21 CHIEF BETTISON: Through the Chair, that's an
22 excellent question as well. What I will say is, upon
23 arrest, the individual did present some health problems,
24 and as a result, our officers, in alignment with our
25 policies and procedures through medical screening, et

1 cetera, in doing what we're supposed to do, the
2 individual was taken to the hospital, evaluated, and
3 ultimately released back into the custody of the Detroit
4 Police Department.

5 And so, in regards to monitoring, the officers,
6 staff at the DDC, they do 30-minute checks. So, they go
7 on by the cells every 30 minutes to check on the overall
8 well-being. So, I do have a detailed report right here,
9 Commissioner Boman, that shows me all of the checks, and
10 it's just numerous checks while they were in our custody.
11 It looked like they were in our custody for approximately
12 like eight hours or something to that effect.

13 COMMISSIONER BOMAN: Thank you.

14 CHAIRPERSON DEWAELSCHE: Any other questions or
15 comments for the chief? All right. Hearing none, thank
16 you so much for your report, Chief.

17 CHIEF BETTISON: Yes.

18 CHAIRPERSON DEWAELSCHE: At this time, we'll go
19 back to oral communications. Could we have our first
20 speaker?

21 MS. UNDERWOOD: Thank you, Madam Chair. We
22 have 17 speakers. And our next speaker will be -- and
23 please, when you come to the mic, state your name for the
24 record -- Noelle Belanger.

25 MS. BELANGER: Hello, Commissioners. Hello,

1 everybody.

2 CHAIRPERSON DEWAELESCHE: Hello.

3 MS. BELANGER: My name is Noelle. I'm with the
4 Detroit People's Assembly. I'm also a resident of
5 District 6.

6 Yesterday morning, our ICE Watch volunteers, a
7 part of the People's Assembly, responded to concerns of
8 potential ICE presence from around Beechwood and
9 Maplewood Street, some miles west of Midtown. When a few
10 of us arrived on the scene, we saw that the road was
11 blocked off by law enforcement vehicles, including DPD
12 and the FBI. One Border Patrol agent was there,
13 identified only by his green vest and face mask. He
14 refused to identify himself or give a cell number. One
15 of the DPD officers also asked one of our responders if
16 they were okay, saying, "You don't see many white people
17 around here," and making them very uncomfortable. When
18 we asked about the situation, we were told that law
19 enforcement was there for a predator-sex-trafficking-
20 sting operation, so we hung back and just observed as to
21 not interfere. Yet we were wary, because if this were
22 true, why was Border Patrol there? Was this an ICE raid
23 in disguise?

24 As we further observed the scene, DPD and the
25 FBI later changed their story, saying that they were

1 responding to a narcotic situation. We understand that
2 law enforcement may have no obligation to tell us what
3 they were doing at a scene or why, but we're here now to
4 demand some transparency. Why was there such heavy law
5 enforcement presence in this neighborhood, and why did
6 the story switch up? And most of all, why was Border
7 Patrol present, especially if there is no collaboration
8 between DPD and ICE? So we, the People's Assembly of
9 Detroit, we demand that the Detroit Police Department
10 answer all of these questions that were submitted by
11 Councilmember Gabriela Santiago-Romero, regarding any and
12 all collaboration and cooperation with ICE. And
13 furthermore, I hope everyone here in this room will join
14 us in saying that we don't want ICE in Detroit. Thank
15 you very much.

16 CHAIRPERSON DEWAELSCHE: Thank you.

17 MS. UNDERWOOD: Our next three speakers will be
18 Jimmy McCarroll, Selesa, and Ms. Williams.

19 MR. MCCARROLL: Good afternoon. Good
20 afternoon. This happened about a year and a half ago.

21 CHAIRPERSON DEWAELSCHE: Please -- please say
22 your name for the record, please.

23 MR. MCCARROLL: Jimmy McCarroll.

24 CHAIRPERSON DEWAELSCHE: Okay. Thank you.

25 MR. MCCARROLL: My home was raided on the 13th

1 of February 2024. They pulled me out in my pajamas. It
2 was snowing outside. It was cold. They tore my house,
3 damaged it completely. When I went to the precinct to
4 file a complaint, because they didn't give me a warrant
5 or anything, I got served my warrant in the office doing
6 a complaint, and it's all on body count. I've been
7 requesting the FOIA to give me the footage from the
8 Detroit Police Department. The state police also came
9 in. They denied my request for the footage. I need
10 that. I'm trying to get forward past this. They took my
11 weapons. I've been trying to get them back. I've been
12 getting in runarounds from Ms. Capone (phonetic) an OSC
13 or OCI --

14 CHAIRPERSON DEWAELSCHE: OCI.

15 MR. MCCARROLL: -- investigator. I've been on
16 the phone with her several times. It's pushing the two-
17 year mark. I just want my weapons back and some solution
18 to the damage that they did. Because when I got served,
19 I should have got served at home, not at the precinct.
20 And it's on body cam. I've been waiting on it for almost
21 two years now. Can I get an end game to this?

22 MR. SMITH (FROM AUDIENCE): I've been there
23 before with you.

24 CHAIRPERSON DEWAELSCHE: Chief, did you -- did
25 you raise your hand?

1 CHIEF BETTISON: Yeah, through the Chair, I
2 need one of my staff members to get his information so
3 that we can follow up and look into it. This is the
4 first time that I'm becoming aware of it. But we will
5 get you some answers, sir. And we'll update the board as
6 far as what the resolution is.

7 MR. MCCARROLL: Okay, thank you.

8 CHAIRPERSON DEWAELSCHE: Thank you, Chief.

9 Commissioner Woods?

10 VICE CHAIRPERSON WOODS: Yeah, hold on, young
11 -- sir.

12 CHAIRPERSON DEWAELSCHE: Just one second.

13 VICE CHAIRPERSON WOODS: Do we have anything on
14 file for him?

15 MR. WARFIELD: Through the Chair, his case is
16 under investigation. It is assigned to an investigator
17 at this time and is currently under investigation.

18 VICE CHAIRPERSON WOODS: Okay. And can we get
19 someone from OCI to update him and when he can expect to
20 receive a response?

21 MR. WARFIELD: Through the Chair, we'll make
22 sure that happens.

23 VICE CHAIRPERSON WOODS: All right.

24 CHAIRPERSON DEWAELSCHE: Thank you.

25 Any other comments? Thank you, sir. Next

1 speaker.

2 MS. UNDERWOOD: Ms. Celeste?

3 MS. LIKINE: Selesa.

4 MS. UNDERWOOD: Selesa, I apologize.

5 MS. LIKINE: That's okay.

6 MS. UNDERWOOD: And please state your name at
7 the mic for the record.

8 MS. LIKINE: Good afternoon, everyone. My name
9 is Selesa, and I'm here today --

10 CHAIRPERSON DEWAELSCHE: Please -- please move
11 the speaker closer. Yes, thank you.

12 MS. LIKINE: Can you hear me now?

13 CHAIRPERSON DEWAELSCHE: Yes. Thank you.

14 MS. LIKINE: My name is Selesa, and I'm here
15 today as a Detroit resident. I am not a client of any
16 program, and I do not waive my rights or status as a
17 private citizen. I am placing on public record today
18 that I have experienced repeated procedural
19 irregularities involving authority and communications
20 from individuals acting under the color of policy. I
21 have requested written clarification, policy citations,
22 and documentations regarding mandatory meetings,
23 definition, and consequences. To date, none of those
24 requests have been answered. I am asking the board to
25 ensure that any directives issued to a resident is

1 supported by written policy, proper notice, and lawful
2 authority. Transparency is not an option. It's a
3 safeguard for both residents and institutions. So,
4 today, I am requesting that the BOPC and OCI and Internal
5 Affairs acknowledge and respond to my written
6 transparency request so that the record is complete,
7 accurate, and compliant with due process.

8 I am here today to observe, to document, and to
9 ensure that residents' rights are respected. Thank you.

10 CHAIRPERSON DEWAELSCHE: Thank you.

11 Next speaker, please.

12 MS. UNDERWOOD: Ms. Brown, Beth Powder, and Ms.
13 Butler. I'm sorry, Ms. Williams.

14 MS. WILLIAMS: Oh, I'm good.

15 MS. UNDERWOOD: Ms. Williams, and then Beth
16 Powder and Fredia Butler.

17 MS. WILLIAMS: Hello, everyone.

18 CHAIRPERSON DEWAELSCHE: Hello.

19 MS. WILLIAMS: This is not for you, Chief.
20 I've been coming here -- it'll be three years, but like I
21 said, I've been speaking about ex-offenders on the
22 Detroit Police Department. And I'm happy that the
23 commander is here from the 3rd Precinct. How many times
24 have I spoken about the Terrence Howard lookalike coming
25 to 3426 Mack Avenue, coming to get Cheryl Hall, LaShonda

1 Houston, James, all these people that's on the Detroit
2 Police Department stay there, and some of them are ex-
3 offenders. Like Cheryl Hall, her alias name is Michelle
4 Hall that she's using for fraud to receive housing
5 vouchers. But the problem is, like I said Tuesday at the
6 city council meeting, it's like lead by example. How you
7 gonna give -- excuse me -- an ex-offender a gun and a
8 badge, killers, rapers, murderers, sick, sadistic people?
9 And it's unbelievable because there are green lights
10 everywhere.

11 And the prior one -- Chief White said, "We see
12 everything." So, you all took over transit. They on the
13 bus. They parking and going in the cemetery. They
14 disrespecting dead people at the cemetery, Woodlawn
15 Cemetery. They going to the 12th. Both Meijers. Green
16 lights. I was at Durfee Elem- -- I mean junior high
17 school. Yes. And they got the green light. They cut it
18 off. They were like, oh, Ms. Williams here. Because
19 this is what they do.

20 How is it possible that they even got on the
21 force if you guys had complied by the law? Background
22 checks, fingerprints, medical history, psych evaluations,
23 credit reports, child -- child -- wait, friend of the
24 courts? Come on now. Shot records. Because when they
25 get released, they got to get tested to see what they

1 have when they come back out here in population. So, I
2 don't care what name they came up with, they still ex-
3 offenders under Detroit Police Department with fake
4 names. That's the bottom line.

5 CHAIRPERSON DEWAELSCHE: Thank you. Next
6 speaker.

7 MS. POWDER: Hi. Good afternoon. My name is
8 --

9 CHAIRPERSON DEWAELSCHE: Good afternoon.

10 MS. POWDER: My name is Beth Powder. And I'm
11 the white girl from the patrols yesterday. I have really
12 dumb luck because I just started a job this week that was
13 supposed to start last week. And I wasn't even supposed
14 to be available to be an observer yesterday. And also
15 what had happened was when the police officer drove up to
16 me and started telling me that we don't normally see
17 white people in this neighborhood, what are you doing
18 here, I didn't realize it, but my phone was recording.
19 So, if anybody would like it, I will email you a three-
20 minute and 30-second conversation where he said many,
21 many things to me that I do not believe are true.

22 And just a quick moment on my background. I am
23 a sexual assault and domestic abuse prevention and
24 intervention expert. And it is work that I do, and it
25 used to be my job. And one of the things I do is I work

1 with human trafficking victims. And this police officer
2 told me about the cars that we saw that we thought were
3 ICE vehicles, that they were FBI. And we later saw
4 people get out of these vehicles who were involved in
5 abductions of community members. And they were also on
6 the same streets today also conducting abductions of our
7 neighbors and community members. And I'm from D2, but
8 I'm going to come and do this advocacy work. So, when
9 this officer said to me, this is a human trafficking CSAM
10 FBI operation, there were many things that stood out to
11 me that did not track with that.

12 I'm sorry, look, I've ran out of time, but it
13 is clear to me that DPD is collaborating with ICE.
14 They're using human trafficking as a cover. I find it
15 deeply offensive. And if anybody would like me to email
16 you any more information or this audio, please let me
17 know and come find me. I'm happy to tell you more.
18 Thank you for listening and thank you for the extra 10
19 seconds.

20 CHAIRPERSON DEWAELSCHE: Thank you.

21 Chief, I thought I saw your hand go up.

22 CHIEF BETTISON: Through the Chair to Ms.
23 Powder. So, you say you have video, so I would love,
24 after the meeting, you stay here, I would love to
25 personally take a look at it. Our police officers are

1 required to wear a body camera. And so, I would love to
2 see it because I'm just not aware of anything like that.
3 We're not collaborating. But if you have proof, I would
4 love to see it. So, you're talking to the top cop right
5 here for the city of Detroit. So, I'll be right here
6 after this meeting and you can show me the video.

7 MS. POWDER: He had very recognizable tattoos.
8 I only have video of my feet because, again, I didn't
9 realize I was recording. And he was in a sedan. And I
10 can point him out. I can tell you exactly who he was.
11 But this police vehicle and the other police vehicle were
12 on the scene later that day. And they were on the scene
13 when people were being taken by Border Patrol.

14 CHIEF BETTISON: By policy of the city of
15 Detroit, the charter and the Board of Police
16 Commissioners are also required to have body-worn
17 cameras. We have in-car video. And so, we record that
18 as well.

19 MS. POWDER: Thank you so much.

20 CHAIRPERSON DEWAELSCHE: Thank you.

21 COMMISSIONER CAMILLE: Madam Chair?

22 CHAIRPERSON DEWAELSCHE: Yes. Do you wanna --

23 COMMISSIONER CAMILLE: Thank you so much. This
24 is the second now comment we've had in regards to this
25 incident. And this continues to come up. So, you know,

1 our Migra Watch and other southwest community members and
2 others have really done a phenomenal job to step up in a
3 time when they're afraid. Our communities are very much
4 afraid. And when our legal systems and our public safety
5 systems fail to keep our most vulnerable community
6 members safe, from now this reckless agency, ICE, that
7 has been coming into our communities, this is what we
8 get. And they're very organized. They have been
9 studying how ICE moves. They've been studying DPD.

10 And I know, Chief, you've repeatedly said that
11 DPD doesn't collaborate with ICE. But something is
12 happening out in the street. Like people are seeing DPD
13 with some type of unmarked vehicles, uniforms that don't
14 have clear identifiers, and this either is Border Patrol
15 or ICE, or they believe that it's Border Patrol or ICE,
16 and it's causing a lot of confusion. And I know DPD has
17 a lot of work to do because the residents of Detroit
18 expect you to address criminal matters in Detroit, and we
19 don't want to hamper that. At the same time, there's
20 just a -- it's a different -- there's a conflict between
21 what's being said and what people are seeing. So, we
22 need to come together. I've seen some video myself where
23 I'm looking like, what is this? You know, this doesn't
24 look right. So, we really need to, like, schedule some
25 type of sit-down to get some understanding of what's

1 happening because people are deathly afraid in these
2 times.

3 CHAIRPERSON DEWAEELSCHE: Thank you.

4 Commissioner Woods?

5 VICE CHAIRPERSON WOODS: Yeah, through the
6 Chair, I'll be interested in looking at the video with
7 you, Chief, as well. She said she has a video of a
8 Detroit police officer doing that, either she do or she
9 don't. And if it is, it is going to be what it is. You
10 know, if it's video, then it's video. If it's not, it's
11 not. So, I want to look at it, and then we can address
12 it accordingly, you know. I don't want us to be
13 maligning the Detroit Police Department on false
14 information, you know. Or it could -- if -- call 'em out
15 when it's right. If the information is the information,
16 but we can't go on speculations and things of that
17 nature. We have to have factual information to come
18 before this body for us to take a look at it.

19 And then I'm glad that you lifted up that we
20 have a lot of work to do to bring healing in the city of
21 Detroit among our citizens because there's so much work,
22 so much police work needs to be done, and so many people
23 have other complaints about other things too, you know.
24 So, there's a holistic approach. So, let's look at the
25 evidence and take a look at it and let the facts take us

1 where they may.

2 CHAIRPERSON DEWAELSCHE: Thank you. Any other
3 commissioners' comments? Okay, hearing none -- yes,
4 Commissioner Boman?

5 COMMISSIONER BOMAN: I had a question, and if I
6 could direct it back to the chief, just because he might
7 want to answer this. It was something I was curious
8 about, and I didn't bring it up, but now that we got on
9 this topic of kind of the blurred lines that may exist at
10 some point between the DPD and some federal
11 organizations, I saw a khaki, lightly armored vehicle. I
12 think it was maybe some type of Humvee, with several
13 individuals around it wearing khaki as well in the 5th
14 Precinct parking lot, but it -- and it said "Police" on
15 the side. I'm thinking, okay, it's a special force
16 police vehicle, but then it also had "DEA" on the side on
17 the same vehicle. And when I looked at the front, it had
18 where a vanity plate would be, it looked like it was an
19 actual plate, a federal government plate. So, I'm a
20 little confused by that. Is -- are there vehicles that
21 are jointly operated by federal and local agencies?

22 CHIEF BETTISON: Through the Chair,
23 Commissioner Boman, no, we don't operate the same
24 equipment. So, I would say no to that.

25 Also, Commissioner Woods, thank you for

1 agreeing to look at the video with me as well.

2 I just want to say that there are situations
3 where we do have people, folks, et cetera, that will
4 impersonate Detroit police officers. And so, by looking
5 at the video and then verifying also with our body-worn
6 camera, our in-car camera, and then other assets, you
7 have my commitment to do a deep-dive, a thorough
8 investigation to get to the actual facts. And so, to the
9 community that's out there, and I know there's fear, I've
10 been on the southwest side of the city of Detroit and in
11 other communities in the city that have an immigrant
12 population. I even walked in the Cinco de Mayo parade to
13 be able to symbolize that, no, we are here, we want you
14 to come out, that the Detroit Police Department is
15 completely different. If you're a victim of a crime
16 regardless of your citizenship status, I want you to be
17 able to feel free to come into a police precinct to let
18 us know so that we can investigate and hold anybody
19 accountable that's victimizing that community. So,
20 that's very important to me.

21 I don't have control over the federal
22 government agents and what they do, but I can control
23 what my officers do. So, I just wanted to say that to
24 the community and that I welcome all who have video or
25 any other thing, you know, because on social media, et

1 cetera, these phones are walking recorders and they're HD
2 now. They record very, very well. It's the best video
3 ever. About five, six, seven years ago it didn't record
4 so well. You couldn't tell if it was your mother being
5 recorded. But now you can see everything and hear
6 voices. So, this is what we need so that we can really
7 get to the facts of it. So, I encourage anybody that if
8 they're seeing what they believe is a Detroit police
9 officer -- I know what their uniforms look like very,
10 very well, et cetera, and we can verify who they are,
11 where they are. There's ways that we can tell if we were
12 there. Thank you.

13 CHAIRPERSON DEWAELSCHÉ: Thank you, Chief.
14 Commissioner Watts?

15 COMMISSIONER WATTS: Yeah, just a brief
16 comment. And on that point, I believe Commissioner
17 Boman, I agree with that. When you're looking at it, and
18 that's why it's so important the federal government -- I
19 know, Chief, you have no control over that. When they're
20 coming into these communities and you're not having any
21 coordination. You know, first of all, I believe you
22 shouldn't even be here, but then they should have
23 coordination with the state and global level because this
24 is what you're going to find. When you're having, like,
25 we're average citizens, when you're looking out there,

1 you don't know who is who. You know, you're looking at
2 some of the uniforms looking very -- you know, very the
3 same, very similar, and this is what you're going to get
4 when you have lack of coordination on the federal level
5 where they just barge into our communities and take
6 action and don't even coordinate with our local police
7 law enforcement. So, I just wanted to make that comment.

8 CHAIRPERSON DEWAELSCHÉ: Thank you.

9 Any others? Commissioner Woods, go ahead.

10 VICE CHAIRPERSON WOODS: Well, one more point
11 is that, you know, on yesterday, \$2 billion was taken
12 away from mental health and substance abuse on yesterday
13 unilaterally. It was going to impact DWIHN by \$50
14 million and a lot of groups by the millions. There was a
15 rapid response to legislatures in a bipartisan way, never
16 seen that happen before. The president reinstated those
17 dollars. You know, so we have some weighty issues. You
18 know, people do stuff unilaterally. This is a new day
19 that we're living in, and so we appreciate citizens come
20 sharing with us the information because we're hit on all
21 types of fronts right now. I'm telling you, \$2 billion
22 taken at the stroke of a pen, and it took a lot of heavy
23 lifting and thankful that a bipartisan group of
24 legislatures was able to talk to the president to be able
25 to get those dollars reinstated that same day, you know,

1 because it was the deep outcry, you know. So, I would
2 say that if there are some of these things happening too,
3 you know, on a federal level, which we have no authority
4 over, do like I did and many others. Reach out to your
5 congressional leaders to be able to address some of these
6 federal issues that we have no authority over.

7 CHAIRPERSON DEWAEELSCHE: Thank you.

8 Commissioner Ivey?

9 COMMISSIONER IVEY: I just want to back --
10 piggyback. I would also like to have access to these --
11 looking at that video as well just to get a third pair of
12 eyes and to know what to look for in my own community.
13 So, I would like to have that access as well. Thank you.

14 CHAIRPERSON DEWAEELSCHE: Thank you.

15 We'll go on to the next speaker. Ms. Butler?

16 MS. BUTLER: Good afternoon. Wake up, sleeping
17 giants. Do the people in Detroit matter? I have written
18 several letters regarding ICE because our leaders seem to
19 have ignored what is happening in cities with black
20 mayors with mostly black and brown people. I have asked
21 several officers whether they have been addressed
22 regarding ICE. The answer has always been no. They are
23 advertising for people to join ICE. Congress has given
24 billions of dollars allowing the president to create a
25 force larger than some country's military defense

1 departments. The pay is good and minimum training --
2 with minimum training. Who do you think will join masked
3 men free to kick in doors, kill, and be unaccountable?
4 No one will be safe. Highland Park has already rejected
5 the idea of ICE seeking a place to house detainees.
6 Hearing what is happening in other cities, should our
7 leaders wait for the beast to come and surprise the
8 unprepared people? I am telling you -- I am telling our
9 leaders, when I hear -- what I heard, I'm sorry. I'm
10 telling our leaders what I heard a mother tell her baby
11 who has been diagnosed with cancer. Be brave, be
12 courageous, and I am adding, be informed, lead, and speak
13 to us.

14 I write many letters, and Chief, I know who you
15 are. You have done wonderful work. I've known you for
16 years. I hope that you will have the support of the
17 leaders, the governors, and the senators. I don't hear
18 them say anything, and I'm sure our people don't hear
19 anything either. I read a lot, I listen a lot, I listen
20 to a lot of politicians. A lot of them are afraid, and a
21 lot of us aren't doing what we should be doing. So, --

22 CHAIRPERSON DEWAELSCHÉ: Thank you, ma'am.

23 MS. BUTLER: -- I could write more, but I know
24 I only have the two minutes to speak, so I have to write
25 you personally.

1 CHAIRPERSON DEWAELSCHÉ: Thank you.

2 Next speaker?

3 MS. UNDERWOOD: Our next speaker is Mr. Smith,
4 then Ms. Landfair, and Bonita Davis, then we'll go into
5 Zoom.

6 MR. SMITH: Jadonte Smith for the record. I've
7 got a little audio I want to play for somebody sitting in
8 the room. So, you're talking about having evidence and
9 things of that nature.

10 (At 4:12 PM, audio recording started playing)

11 UNIDENTIFIED SPEAKER #1 IN AUDIO RECORDING:

12 Good morning, Conrad, how are you?

13 UNIDENTIFIED SPEAKER #2 IN AUDIO RECORDING:

14 Doing pretty good, man. So, let me ask you two
15 questions. One, how old are you?

16 UNIDENTIFIED SPEAKER #1 IN AUDIO RECORDING:

17 Under 30.

18 UNIDENTIFIED SPEAKER #2 IN AUDIO RECORDING:

19 What is it, a secret? How old are you?

20 UNIDENTIFIED SPEAKER #1 IN AUDIO RECORDING:

21 I'm almost 30. I'll be 30 in a couple days.

22 UNIDENTIFIED SPEAKER #2 IN AUDIO RECORDING:

23 Okay, all right, so you're almost 30. And are you
24 gainfully employed?

25 (At 4:12 PM, audio recording stopped playing)

1 MR. SMITH: So, I've got a full conversation
2 with Conrad Mallett offering me a job with the city of
3 Detroit, any department that I would like to work in.
4 I'd like to work for any part -- any section of Detroit
5 where I could make \$80,000, with U.S. dollars, for 25
6 hours a week for a part-time job. I work about 80 hours,
7 I would say, in a week. Well, not necessarily in a week,
8 but I work full-time helping citizens, responding. I
9 literally drove somebody up here to get somebody out of
10 fucking jail because y'all arrested somebody for no
11 fucking reason. Slammed --

12 CHAIRPERSON DEWAELSCHE: Please -- please --
13 please --

14 MR. SMITH: I don't care. Slammed him on ice.
15 Slammed him on ice, and arrested him. Took him to the
16 precinct.

17 CHAIRPERSON DEWAELSCHE: Please do not curse.

18 MR. SMITH: I don't care. Arrested him,
19 slammed him on ice. I had to drive his fianc e down here
20 to get him out of jail. Couldn't get in touch with
21 nobody. I had to come down here and wait. This lady
22 make \$80,000 on a part-time job. It's her second job.
23 She makes \$72,000 on her other job because she's friends
24 with the chief, she's friends with Darryl Woods. Darryl
25 Woods is an article defending her. How much money do you

1 make on the boards that you on? Huh? How much money do
2 y'all make? And y'all passing out these salaries, trying
3 to get Conrad Mallett to give me a job, and it's
4 terrible, even with the mayor. I'm gonna make sure
5 everything that's done in the dark comes to the light.
6 I'm the right one to play with. Don't offer me no BS job
7 and try to get me to work with y'all. I'm always with
8 the residents. Especially when I got a \$400 water bill.
9 You know that, Conrad Mallett? And y'all refusing to
10 wipe away my water bill that's not my fault because you
11 think I'm gonna sue the city and I don't have to talk to
12 anybody. I've got -- you might have eight brains. I've
13 got about five. I'm always a couple steps ahead. You
14 cannot beat me. You cannot buy me. You cannot best me.
15 None of y'all.

16 UNIDENTIFIED SPEAKER: Thank you, Mr. Smith.

17 CHAIRPERSON DEWAELSCHE: Next speaker?

18 MR. SMITH (FROM AUDIENCE): Hope it's funny.
19 Hope it's funny. When your girl go to jail, it's gonna
20 be even more funny. You ain't gonna have no job.

21 CHAIRPERSON DEWAELSCHE: You're out of order.
22 Please -- please.

23 MR. SMITH (FROM AUDIENCE): I don't care.

24 MS. LANDFAIR: Okay.

25 CHAIRPERSON DEWAELSCHE: Go ahead, ma'am.

1 MS. LANDFAIR: My name is Rella Landfair. I
2 would be -- I would like to be announced as Michael's
3 mama. I've been here during this couple, almost two
4 years in total now. Last week, I was here. I explained
5 to everyone, kind of, who was there last week, what was
6 going on. So, a brief synopsis of what happened. Two
7 thous- -- February 24th, 2024, my son Michael went
8 missing. Myself, along with my family, assembled a team
9 and we canvassed the neighborhood. We actually found my
10 son dead, deceased in a garage.

11 So, I'm here now because we talked about that
12 last week, but I'd also like to talk about what is the
13 reprimand when policies aren't followed?

14 MR. SMITH (FROM AUDIENCE): Nothing.

15 MS. LANDFAIR: What happens?

16 UNIDENTIFIED SPEAKER: Nothing.

17 MS. LANDFAIR: What happens when the police
18 department isn't doing what they're supposed to do by way
19 of their protocol, procedures, and their policies? So,
20 I'd like to know that first off. I'd also like to know
21 then, and then now once I come to the Board of
22 Commissioners and the OCIs and the other departments that
23 I talk to and I make these complaints, what do you do
24 when you're shifted around to so many different
25 departments that you get caught up and lost in the sauce?

1 No one's returning your call. They're all telling you
2 that these things are being investigated, but they're
3 not. What happens when the FOIA requests that you
4 actually are allowed as a citizen to do, what happens
5 when the FOIA requests aren't even considered? What
6 happens when they don't respond to them within the time
7 that they're supposed to be? What then happens when, now
8 -- as well as -- sorry, is it the citizens' problem or is
9 it our job to make sure that you guys have adequate
10 staffing? And I mean the -- all of the elected officials
11 or appointed officials. Because in the missing persons
12 department, there was only three people working and two
13 people supervising it. That means, how was y'all going
14 to find my baby? How is anybody going to be found?

15 MR. SMITH (FROM AUDIENCE): There's only six
16 homicide detectives.

17 MS. LANDFAIR: I would just like to know some
18 of these answers as to, like, really, like, if we're
19 going to change some things, let's change some things.
20 And I don't mind, again, I got the backlash, right? I
21 got the butt end of it all, you know. But if we're going
22 to move forward and so that another bereaved family
23 member doesn't have to come up here and do this two years
24 later, what can we do to really stay on top of this?

25 MR. SMITH (FROM AUDIENCE): It's a club, y'all,

1 unfortunately.

2 CHAIRPERSON DEWAELSCHE: Thank you, ma'am.

3 Your time is up.

4 MS. LANDFAIR: No response --

5 CHAIRPERSON DEWAELSCHE: Thank you. Is there
6 -- go ahead, Commissioner Woods.

7 VICE CHAIRPERSON WOODS: If -- if -- if I may?
8 You know, did -- did you -- when you -- last week, the
9 last time you was here, did you connect with someone from
10 the department?

11 MS LANDFAIR: I spoke with Chief Bettison
12 himself. He was the only one who kind of -- well, you
13 know, a couple of the officers, they kind of gave me
14 their condolences and their sorries, but he was the only
15 one that kind of said, "Hey, I'll look into this," da-da-
16 da-da-da. But I still really have no direction because
17 these things have already -- I've already filed a
18 complaint. I've already had -- spoke with the
19 investigator. I've already spoke to OCI. I've already
20 wrote and certified letters to everybody who I could
21 think of, and nothing's been done. I have no clear
22 direction. Why, as a citizen, do I not have clear
23 direction as to what to do when I'm feeling like I'm not
24 getting the justice that is due to me?

25 VICE CHAIRPERSON WOODS: Yeah, I'm so sorry.

1 And I --

2 MR. SMITH (FROM AUDIENCE): No, you [sic] not.

3 VICE CHAIRPERSON WOODS: Is our -- is our
4 investigation concluded with OCI?

5 MR. WARFIELD: Through the Chair, the
6 investigation is not concluded yet. However, and again
7 through the Chair, this is a criminal matter.

8 VICE CHAIRPERSON WOODS: Right.

9 MR. WARFIELD: And as a result of it being a
10 criminal matter, we're doing -- we're still doing our
11 preliminary work on it. And again, it's going back over
12 to IA due to the criminal nature of it because our
13 investigators are not trained --

14 VICE CHAIRPERSON WOODS: Right.

15 MR. WARFIELD: -- in criminal matters, nor are
16 we trained in understanding if a criminal investigation
17 had followed certain steps or not.

18 VICE CHAIRPERSON WOODS: Have -- had that been
19 explained to Michael's mom?

20 MR. WARFIELD: I can check with the
21 investigator.

22 MS. LANFAIR: No.

23 MR. WARFIELD: That I do not know.

24 MS. LANFAIR: I can tell you no.

25 MR. WARFIELD: Okay. We will make sure that --

1 I will reach out to you. We'll have a discussion about
2 that.

3 MS. LANDFAIR: Thank you. I appreciate it.

4 CHIEF BETTISON: And through the Chair?

5 CHAIRPERSON DEWAELSCHE: Thank you. Chief, go
6 ahead.

7 CHIEF BETTISON: Yeah, I made the commitment,
8 and I did get a briefing from my command officers, but I
9 made the commitment that I'm going to personally go
10 through that file.

11 MS. LANDFAIR: Thank you.

12 CHIEF BETTISON: And I am.

13 MS. LANDFAIR: I appreciate it.

14 CHIEF BETTISON: I told you that it would, you
15 know. I couldn't promise you exactly as to when, and
16 it's been a lot this week.

17 MS. LANDFAIR: Absolutely. Mm-hmm.

18 CHIEF BETTISON: I am going to go through the
19 file. And so, you have my undivided attention. I looked
20 at you. I have your information. And we will sit down.
21 And I don't know what the results will be, but you've got
22 my commitment. And so, -- and I will keep you updated,
23 and I will bring you into my conference room, and we're
24 gonna go through everything.

25 MS. LANDFAIR: Great. So, again, I'm asking,

1 what happens when we find, again, -- if -- if you find in
2 your investigation that your officers didn't do what they
3 were supposed to do by policy, what do you do then? You
4 suspend them?

5 CHIEF BETTISON: It's progressive discipline,
6 and so the board and others can tell you as well. So,
7 it's a whole host of things. It could be retraining.
8 It's not always discipline, but sometimes it is
9 discipline, and sometimes it is termination. So, we hold
10 folks accountable. And so, nobody's above the law, et
11 cetera, including me. I have to be held accountable, and
12 when citizens break the law, they have to be held
13 accountable, and when community members -- I mean, when
14 officers do things to violate our policy, I hold them
15 accountable as well. So, I hope that answers your
16 question.

17 MS. LANDFAIR: Thank you, kind of.

18 CHAIRPERSON DEWAELSCHE: Thank you.

19 VICE CHAIRPERSON WOODS: Through the Chair?

20 CHAIRPERSON DEWAELSCHE: Thank you, ma'am. Go
21 ahead, Commissioner.

22 VICE CHAIRPERSON WOODS: Can -- I heard she'd
23 be responded to within 24 hours.

24 MR. WARFIELD: Yeah.

25 CHAIRPERSON DEWAELSCHE: Thank you. Within 24

1 hours, Madam.

2 MS. LANDFAIR: Thank you.

3 CHAIRPERSON DEWAELSCHÉ: Okay. Let the record
4 reflect that Commissioner Carter has joined us.

5 Next speaker, please?

6 MS. UNDERWOOD: Ms. Bonita Davis.

7 MS. DAVIS: Hello, everybody. I'm Bonita. I'm
8 from the east side of Detroit, born and raised. I'm here
9 to represent the Constitution and treaties, which all
10 adults, including the people, because it's our document
11 that we have to follow. There's an out of order on this
12 land, starting with these unlawful jurisdic- -- these
13 agencies. I want to talk about jurisdiction. Is there
14 an attorney in the house.

15 MR. SMITH (FROM AUDIENCE): A couple of them.
16 At least one.

17 MS. DAVIS: Can I get an attorney on the
18 record?

19 MR. SMITH (FROM AUDIENCE): D.C. Parish.

20 MS. DAVIS: Where?

21 MR. SMITH (FROM AUDIENCE): He's behind you.
22 Look to the right. He's in the back.

23 MS. DAVIS: Are you an attorney? Hi. I -- I
24 would like -- can I see your lawsence -- your license to
25 practice law?

1 CHAIRPERSON DEWAELESCHE: Okay. Madam, can you
2 speak through the Chair, please?

3 MS. DAVIS: I'm speaking to him.

4 CHAIRPERSON DEWAELESCHE: Well, this -- this --

5 MS. DAVIS: This is the problem. This is why
6 the Constitution is very important and the treaties.

7 CHAIRPERSON DEWAELESCHE: Madam, please, you
8 don't have to raise your voice.

9 MS. DAVIS: No, no, no. You don't -- it's we
10 the people.

11 CHAIRPERSON DEWAELESCHE: You don't have to
12 raise your voice. If you want it to be recorded --

13 MS. DAVIS: Listen, this is the problem.
14 Because I'm talking to him. He is a man. Like I had to
15 tell him last time. Men speak for themselves. Women
16 speak for themselves. He don't need you.

17 CHAIRPERSON DEWAELESCHE: Okay. You're not
18 speaking into the microphone.

19 MS. DAVIS: We're talking about law. You're
20 out of order. I am speaking.

21 CHAIRPERSON DEWAELESCHE: Not into the
22 microphone.

23 MS. DAVIS: Like I said, it's a constitutional
24 -- can I see your license to practice law?

25 MR. SMITH (FROM AUDIENCE): You can FOIA it.

1 DEPUTY CHIEF PARISH: It's okay.

2 CHAIRPERSON DEWAELESCHE: This is a board
3 meeting.

4 MS. DAVIS: I'm talking to him.

5 CHAIRPERSON DEWAELESCHE: Speak to the board.

6 No.

7 MS. DAVIS: Cease and desist.

8 CHAIRPERSON DEWAELESCHE: Speak to him outside
9 if you want to speak to him.

10 MS. DAVIS: Cease and desist. You out of
11 order.

12 CHAIRPERSON DEWAELESCHE: Speak to him outside.

13 MS. DAVIS: You don't -- it's we the people.
14 You work for a corporation.

15 CHAIRPERSON DEWAELESCHE: Absolutely. We all
16 want to hear what you have to say.

17 MS. DAVIS: This is why the Constitution is so
18 important because people like you, you out of order.

19 CHAIRPERSON DEWAELESCHE: We want to hear what
20 you have to say.

21 MS. DAVIS: I'm talking to this man. He don't
22 have a problem with me asking for his identification to
23 practice law. Because according to the treaties and the
24 Constitution, there's no license to govern equity.

25 CHAIRPERSON DEWAELESCHE: Most of what you said

1 is not going to be recorded.

2 MS. DAVIS: It's recorded here. That's all I

3 --

4 CHAIRPERSON DEWAELSCHE: Well, that's fine.

5 Speak to the board please.

6 MS. DAVIS: And the fact that you said that

7 it's not going to be recorded is --

8 CHAIRPERSON DEWAELSCHE: Because you're yelling

9 and you're not speaking in the microphone.

10 MS. DAVIS: Because you interrupted me when I

11 asked this man to see his license to practice law.

12 CHAIRPERSON DEWAELSCHE: I said just speak to

13 the board, please.

14 MS. DAVIS: And I was.

15 CHAIRPERSON DEWAELSCHE: No, you weren't.

16 MS. DAVIS: And you're getting offended because

17 I'm exposing you.

18 CHAIRPERSON DEWAELSCHE: No, I'm not.

19 MS. DAVIS: Yes, you are.

20 CHAIRPERSON DEWAELSCHE: No, I'm not.

21 MS. DAVIS: Again, may I please see your

22 license?

23 CHAIRPERSON DEWAELSCHE: Your time is up.

24 Thank you.

25 MS. DAVIS: That's unconstitutional. Because

1 it says nowhere in the Constitution I have two minutes to
2 readdress --

3 CHAIRPERSON DEWAELSCHE: Next speaker, please?

4 MS. UNDERWOOD: Thank you, Ms. Davis.

5 MS. DAVIS: So, you -- you -- you -- you -- I
6 need an attorney.

7 CHAIRPERSON DEWAELSCHE: Next speaker.

8 MS. DAVIS: We're talking about constitutional
9 law.

10 MS. UNDERWOOD: Thank you, Ms. Davis.

11 MS. DAVIS: We're talking about treaty rights.

12 MS. UNDERWOOD: Please have a seat.

13 MS. DAVIS: No, no, I'm not having -- listen,
14 I'm not being disrespectful.

15 CHAIRPERSON DEWAELSCHE: You are being
16 disrespectful.

17 MS. DAVIS: But we're adults in this room. And
18 if you want us to follow the law, you gotta follow the
19 law.

20 CHAIRPERSON DEWAELSCHE: You are being
21 disrespectful to the whole room.

22 MS. DAVIS: You know what? Thank you. I mean,
23 y'all went to school, right? The General Board of
24 Education, right? You want us to be educated.

25 CHAIRPERSON DEWAELSCHE: Next speaker, please.

1 MS. UNDERWOOD: We're going into Zoom.

2 MS. DAVIS (FROM AUDIENCE): You got people
3 going to (indiscernible) when they can't speak?

4 CHAIRPERSON DEWAELSCHE: Okay, Zoom.

5 MS. DAVIS (FROM AUDIENCE): Make that make
6 sense.

7 MS. UNDERWOOD: Our next speaker is the Zoom
8 User.

9 MS. DAVIS (FROM AUDIENCE): We're talking about
10 law and order on the land. We're talk- -- let's talk
11 about it. Let's talk about Article 3, Section 2.

12 CHAIRPERSON DEWAELSCHE: Go ahead, speaker.

13 MS. UNDERWOOD: Zoom User? Can you unmute?
14 We'll go to the next -- we'll go to the next speaker.
15 Former Commissioner William Davis.

16 FORMER COMMISSIONER DAVIS: Good afternoon.
17 Can I be heard?

18 CHAIRPERSON DEWAELSCHE: Yes, you may.

19 FORMER COMMISSIONER DAVIS: Okay, I'd like to
20 start off by saying that I think more needs to be done as
21 it relates to human trafficking in the city of Detroit be
22 it for whatever purposes. I know this is the season
23 where it really teams up and a lot more is going on. I
24 think more needs to be done as it relates to making sure
25 more of our people, more of our citizens walking around

1 are safer than what they have been and what they
2 currently are.

3 Also, I would love to see somebody beat my
4 record. I was on the Board of Police Commissioner four
5 years ago, and I never missed a meeting. That would be
6 good for someone to be able to do that. In fact, since
7 I've been off the board for four years, I've never missed
8 a meeting. You know, I think we need to strive to
9 improve and do better.

10 Also, I keep hearing reports about young black
11 men and young brown, you know, Hispanic people being bum-
12 rushed by police at party stores and at gas stations, you
13 know, running up on them, patting them down, asking if
14 they have any weapons and stuff, you know. And I think
15 they are stepping outside the scope of their authority
16 just to blatantly pat down and look at black and brown
17 people as if, you know, by being black or brown, you're a
18 criminal.

19 UNIDENTIFIED SPEAKER IN AUDIENCE: Absolutely.

20 FORMER COMMISSIONER DAVIS: Also, I think a
21 greater effort needs to be done to make sure it's easier
22 for more people to see what the Board of Police
23 Commissioner is doing, and I think also a greater effort
24 needs to be done to reduce the number of lawsuits,
25 because as a city of Detroit retiree, I'm a president of

1 a group, and, you know, there's too many lawsuits. We
2 are paying for too much that we shouldn't be paying for.
3 Have a good day.

4 CHAIRPERSON DEWAELSCHE: Thank you,
5 Commissioner.

6 MS. UNDERWOOD: Our next --

7 CHAIRPERSON DEWAELSCHE: Next speaker?

8 MS. UNDERWOOD: Our next speaker will be Avery
9 Bolt.

10 MS. BOLT: Good afternoon, Commissioners. Can
11 I be heard?

12 CHAIRPERSON DEWAELSCHE: Yes, you may.

13 MS. BOLT: All right. Thank you for allowing
14 me to speak. I wanted to thank Commissioner Camille for
15 making light of the memos that were presented by
16 Councilmember Santiago-Romero, and I want to urge the
17 fellow commissioners and also Chief of Police to take
18 these matters very seriously, to take the content of the
19 memos very seriously. And I urge the commissioners to
20 expect nothing less than full transparency from DPD in
21 regards to these questions and these lines of
22 investigation. I think it's very concerning that the
23 lack of transparency that has been going on between DPD's
24 potential interactions with ICE and their aiding and
25 abetting of ICE activities.

1 I myself have seen the video that was referred
2 to earlier by other public commenters, and while the
3 video does not show the face of the police officer, it
4 very clearly shows that the person that recorded the
5 video is standing next to a Detroit police vehicle. So,
6 I know the chief mentioned that some people are trying to
7 impersonate police officers. I find it hard to believe
8 that someone could also take a police vehicle without the
9 police knowing that, and I hope that there is a thorough
10 investigation of that video and the contents of it are
11 taken seriously. There are people on the ground every
12 single day in the Migra Watch, in the communities,
13 monitoring ICE activity, and they are collecting evidence
14 that the members of the police are aiding and abetting
15 ICE, and I would like to see that come to light. Thank
16 you for your time.

17 MS. UNDERWOOD: Howard Brown.

18 CHAIRPERSON DEWAELSCHÉ: Commissioner, go
19 ahead.

20 COMMISSIONER MORRIS: Yeah, I was still
21 reflecting on comments that were made by Former
22 Commissioner William Davis. I have been receiving a lot
23 of calls and a lot of feedback from a lot of youth on the
24 eastside of Detroit that have been experiencing those
25 shakedowns. You know, they're going into gas stations to

1 make purchases, they're going to the store about their
2 business, and, you know, we -- there is a problem that
3 exists. We have young men with dreads, tattoos, and
4 whatnot that are saying that they believe that they are
5 being profiled. I'm seeing that a lot. So, there's --
6 what we see, we see complaints, but there's a lot of
7 things that are happening that complaints aren't being
8 made. And it's very hard to get youth to come into a
9 police headquarters to make a complaint about a police
10 officer.

11 So, what I am working to do, which I'm paying
12 out of my own pocket, to make flyers about what we do,
13 because we need more awareness in these communities, make
14 flyers informing the youth what we do, put our contact
15 information on there. We need to have our advertisements
16 in the grocery stores, the liquor stores, the gas
17 stations. We need to do a better job putting our
18 material out here so that people know who we are, they
19 know who's representing them in their district, and so
20 that their voices can be heard. Everyone's not coming to
21 speak at this meeting, but people are experiencing
22 shakedowns from what I've been told, so their voices can
23 be heard. They need to be held accountable. We need to
24 call it out, and in order to build that trust between law
25 enforcement and the people of the community, we need

1 transparency.

2 UNIDENTIFIED SPEAKER FROM AUDIENCE:

3 Absolutely.

4 COMMISSIONER MORRIS: We have to be honest
5 about issues that are taking place, and not being so
6 quick to, you know, jazz things up. Call it for what it
7 is. This is a lot of injustices that are taking place
8 with the youth. I speak with them all the time. I
9 applaud the chief. That is why I'm in support of the
10 chief in his next term. I applaud the chief. He's doing
11 a phenomenal job. The higher-ups are doing a phenomenal
12 job. But there are things that are taking place in the
13 inner city with the officers that are on patrol. I am a
14 resident of the 9th Precinct, and I deal with a lot of
15 youth in the 9th Precinct because I mentor them, and I'm
16 telling you a problem that is existing. And these things
17 aren't always caught on camera because a lot of times
18 officers aren't turning their body cameras on, or they
19 have a delay in turning them on, or they're turning them
20 off too early. Accountability needs to be taken -- take
21 place. The people elected us --

22 UNIDENTIFIED SPEAKER FROM AUDIENCE: That's
23 right.

24 COMMISSIONER MORRIS: -- to represent them. We
25 do not represent the police department. We do not defend

1 the police department. That is why the officers have a
2 union representative. Which a union representative made
3 a comment against me because I'm doing my job, when
4 before he made this comment, I went up to him to shake
5 his hand to try to get some dialogue and discussion. A
6 commissioner here, he asked me about it. He said, "Why
7 did he disrespect you like that and give you the cold
8 shoulder?" See, and he's the union to represent these
9 people. He's not trying to build a bridge. And if this
10 is the union who represent them, and he's showing he's
11 not trying to build a bridge, how can we expect the
12 officers on the street to try to build a bridge?

13 UNIDENTIFIED SPEAKER FROM AUDIENCE:

14 Absolutely.

15 COMMISSIONER MORRIS: Accountability needs to
16 take place. Thank you.

17 CHAIRPERSON DEWAELESCHE: Thank you. Any other
18 comments? Hearing none, next speaker.

19 UNIDENTIFIED SPEAKER FROM AUDIENCE: That's my
20 dawg.

21 MS. UNDERWOOD: We're going to go back to Ms.
22 Taura Brown, and then we'll go to try that Zoom User.
23 Ms. Brown?

24 MS. BROWN: Good afternoon, Commission. I
25 totally agree with what was just said by the

1 commissioner, and I do apologize. I think it's Williams,
2 but if I didn't say his name correctly, --

3 COMMISSIONER MORRIS: Morris.

4 MS. BROWN: -- then I apologize. My concern is
5 I had come into some information, and surprisingly, two
6 of the people that I knew had it, and I asked them about
7 it, and they pretended that they had no idea. However, I
8 see from this paper, this newspaper article, they spoke
9 very freely with the Detroit News. Again, I am sure that
10 Ms. Peterson-Mayberry is a nice woman. I don't think
11 anybody deserves \$80,000 for 25 hours of work. I don't
12 care if she doesn't receive benefits. I don't care if it
13 equates to \$62,000 an hour -- or \$62,000 annually. When
14 there are police officers on the street not getting
15 raises, when there are people working 40 hours for the
16 city of Detroit and not getting raises, when Michael's
17 mom is standing up talking about the missing person staff
18 only had two people, --

19 MR. SMITH (FROM AUDIENCE): Three.

20 MS. BROWN: -- no reason to be paying anyone
21 \$80,000 for 25 hours of work. And I don't give a damn
22 how many people you all send up from off this commission
23 who have no credibility other than ass kissing to say
24 that they approve it and it's a good idea. It's
25 absolutely not a good idea, and this tells me the level

1 of respect that the people in charge have for the city
2 because you had to have known paying anybody --

3 MR. SMITH (FROM AUDIENCE): 80-K.

4 MS. BROWN: -- \$80,000 for 25 hours of work
5 would outrage the public. Particularly in a city that is
6 so money hungry people's water is getting turned off.
7 Their taxes are getting escalated, and they're losing
8 their house.

9 MR. SMITH (FROM AUDIENCE): Corporation counsel
10 trying to buy people off.

11 MS. BROWN: Homeless people are sitting in
12 front of the shelter. We are a mess regardless of how
13 things are being painted. Crime is down. Yeah, crime is
14 down, allegedly, but Los Angeles has twice as many people
15 as we have, and they're only a few numbers higher than we
16 are. Do better, y'all.

17 MR. SMITH (FROM AUDIENCE): Y'all be calling
18 murders suicides.

19 CHAIRPERSON DEWAELSCHE: Next speaker, please.

20 MS. UNDERWOOD: We're gonna go back to Zoom
21 User. Zoom User?

22 UNIDENTIFIED SPEAKER: Chair? Through the
23 Chair?

24 CHAIRPERSON DEWAELSCHE: Yes, Commiss- -- um --

25 MR. SMITH (FROM AUDIENCE): Parliamentarian.

1 CHAIRPERSON DEWAELSCHE: Madam Parliamentarian?

2 UNIDENTIFIED SPEAKER: Commissioner Boman.

3 MR. SMITH (FROM AUDIENCE): Sorry.

4 CHAIRPERSON DEWAELSCHE: Commissioner Boman?

5 COMMISSIONER BOMAN: Yeah, um --

6 CHAIRPERSON DEWAELSCHE: I thought she had a
7 question or comment?

8 COMMISSIONER BOMAN: Oh, I don't want to
9 interrupt.

10 PARLIAMENTARIAN JACKSON: No, I don't have a
11 question.

12 CHAIRPERSON DEWAELSCHE: No? Okay.

13 Commissioner Boman?

14 COMMISSIONER BOMAN: Yeah. I just -- this is
15 the second time I think I've heard during this meeting in
16 comments about this matter, and I had previously read
17 about it, and I've seen commissioners comment on it. I
18 don't know exactly who's -- I believe it'd probably be the
19 personnel people who hire people and --

20 MR. SMITH (FROM AUDIENCE): Katrina Patillo.

21 COMMISSIONER BOMAN: -- set the standards. But
22 I don't know what the standards are for that position,
23 and what is expected of the person working part-time 24
24 hour- -- five hours a week, earning 80,000, who I believe
25 also is a county commissioner. I don't know what they do

1 to vet that work to that -- to be considered of that
2 value.

3 MR. SMITH (FROM AUDIENCE): You just gotta be
4 friends.

5 COMMISSIONER BOMAN: And it would be
6 interesting to find out. I don't know what role the
7 Board of Police Commissioners really has, other than we
8 do pass a budget, and we should be aware of how the money
9 is spent that's going through that budget.

10 MR. SMITH (FROM AUDIENCE): Yeah, because they
11 pissing me off. They giving her 80 -- put me out.

12 CHAIRPERSON DEWAELSCHE: You're correct. We do
13 -- excuse me. Will you let me answer?

14 MR. SMITH (FROM AUDIENCE); Well, tell them not
15 to come talk to me. Control your staff. He's one of
16 your staff.

17 CHAIRPERSON DEWAELSCHE: Just please do not
18 talk --

19 MR. SMITH (FROM AUDIENCE): Control your staff.

20 CHAIRPERSON DEWAELSCHE: Do not talk for a
21 minute.

22 MR. SMITH (FROM AUDIENCE): Control your staff.

23 CHAIRPERSON DEWAELSCHE: We do approve the
24 budget. We do review categories of employees. Different
25 categories. We don't particularly look at individual

1 employees. There are thousands. Now, if the chief would
2 like to respond, he's already -- he did respond in the
3 news article if you read it today.

4 COMMISSIONER BOMAN: Oh, no, I didn't.

5 CHAIRPERSON DEWAELSCHE: Okay. So, I would
6 like to ask him if he could say even more, but in terms
7 of what the board is responsible for, yes, we approved
8 the budget, but not each individual employee. So, go
9 ahead, Chief.

10 CHIEF BETTISON: Through the Chair, I'm more
11 than happy to be able to respond because I made the
12 decision to hire Angelique Peterson-Mayberry. She comes
13 highly qualified. She sat on the Detroit School Board of
14 Education for over eight years. And she held the
15 position of president. She also held a position of vice
16 president. With the work that our Detroit police
17 officers do with schools, whether it's our City Camp
18 program, whether it's our Brotherhood and Sisterhood
19 program, and they're working very, very closely, that was
20 an opportunity for me to have an expert to be able to
21 help navigate that landscape. And with the programming
22 that we have to be able to overlook the curriculum as
23 well.

24 Our most precious assets are our youth. And I
25 want to make sure that I have somebody over there to make

1 sure that our youth program is excellent. If I could
2 have hired her full time, I would have hired her full
3 time. The issue was she accepted a position with -- what
4 is it? Wayne County Commissioner. She's an expert.
5 They wanted her, they sought after as well. But I did
6 not want to lose that opportunity. You can't work two
7 full-time jobs, but you can work two part-time jobs.

8 And so, I believe in paying people what they're
9 worth. I believe in seeking out the best talent. And I
10 don't think there's anybody that has her credentials.

11 And I don't know of any other individuals out there right
12 now that's been on the school board as long as she was in
13 that relationship between Detroit Public Schools and the
14 Detroit Police Department, especially with the uptick in
15 youth violence that I had over the summer. And the
16 programming that we're going to be putting forth, that's
17 going to help ensure that our children in the city of
18 Detroit have a safer summer. I have PAL programs that's
19 working with the schools as well. But I want to make
20 sure that I'm avoiding risk. And if I can save and
21 inspire anybody that's young to not fall victim to
22 violence this year, and if I can save one, we've already
23 looked at the various studies that one life loss cost
24 taxpayers over a million dollars. So, one save will pay
25 for her a whole lot -- time and time again. But I stand

1 by my decision to hire her. And I do believe in paying
2 people what they're worth. And I believe she's worth
3 every dime.

4 CHAIRPERSON DEWAELSCHÉ: Thank you.

5 Commissioner Boman?

6 COMMISSIONER BOMAN: Yeah, I wasn't questioning
7 the qualifications of this employee.

8 MR. SMITH (FROM AUDIENCE): You should be.

9 COMMISSIONER BOMAN: What I -- my question
10 really was directed toward process. Is there -- how --
11 you know, if you're working 25 hours and getting that
12 much money, what kind of deliverables are expected for
13 that? And is there a -- what the review process is for
14 that position in general regarding?

15 CHIEF BETTISON: Through the Chair,
16 Commissioner Boman, I definitely sat down with the HR
17 director, and I also sat down with Nevrus Nazarko before
18 we made that offer to ensure that it was in alignment.
19 And we can give you a copy of her written, you know, her
20 deliverables, et cetera. But I'll make that available to
21 you.

22 COMMISSIONER BOMAN: Thank you.

23 VICE CHAIRPERSON WOODS: And -- through the
24 Chair, and that information would be confidential because
25 it would be a personnel situation.

1 MR. SMITH (FROM AUDIENCE): We can FOIA.

2 CHAIRPERSON DEWAELSCHE: And it would have to
3 go into closed session if we discuss it.

4 VICE CHAIRPERSON WOODS: Yeah. Yes.

5 MR. SMITH (FROM AUDIENCE): I'll get it.

6 CHAIRPERSON DEWAELSCHE: Commissioner Camille?

7 COMMISSIONER CAMILLE: Yes, thank you, Madam
8 Chair.

9 MR. SMITH (FROM AUDIENCE): I can pull you up
10 the Chief of Police --

11 COMMISSIONER CAMILLE: So, since we're on this
12 topic, one of the things I just want to share with our --
13 with the other commissioners is we're in the budget
14 review process right now. So, this is a great
15 opportunity to take a look at the different categories of
16 positions in DPD. And even though we don't have names,
17 we have each line item of each position. And we can take
18 that and see if there are any anomalies in positions and
19 ask those questions about those salaries. In addition, I
20 asked and I sent over to the fiscal manager asking for
21 details for the TASS workers because those are very
22 generic titles in the --

23 CHAIRPERSON DEWAELSCHE: Could you explain TASS
24 just for the public?

25 COMMISSIONER CAMILLE: Temporary administrative

1 special service staff.

2 CHAIRPERSON DEWAELSCHE: Yes.

3 MR. SMITH (FROM AUDIENCE): Supplemental
4 specialists or something.

5 COMMISSIONER CAMILLE: And so, and there's a
6 few different categories of those, but I also asked for a
7 description for each of the ones that are in DPD so that
8 we can understand what they do and do any type of
9 comparison when it comes to the salary as well.

10 Also on this topic, through the Chair, if I
11 could just ask counsel. Counsel Mallett, thank you so
12 much for responding that the Law Department is starting
13 the request for the legal opinion about the
14 appropriateness of the hire. Do you have an idea of the
15 timeline for when we'll get a response and will -- even
16 if the whole opinion can't be shared with the public, can
17 we provide a response to the public to just settle this
18 once we know?

19 MR. MALLETT: Through the Chair, Commissioner
20 Camille, we expect to have the opinion back to you next
21 week.

22 COMMISSIONER CAMILLE: Thank you. Thank you,
23 Madam Chair.

24 CHAIRPERSON DEWAELSCHE: Any -- Commissioner
25 Ivey?

1 COMMISSIONER IVEY: And through the Chair, Mr.
2 Mallett, can we all get that information?

3 MR. MALLETT: Oh, absolutely.

4 COMMISSIONER IVEY: I appreciate it.

5 MR. MALLETT: Yes, ma'am.

6 COMMISSIONER IVEY: Thank you.

7 CHAIRPERSON DEWAELSCHE: Yeah, it will come to
8 the board.

9 Commissioner Watts?

10 COMMISSIONER WATTS: Yeah, Madam Chair, I just
11 want to put on the record, I had received an email from
12 one of my constituents in my district yesterday on my
13 personal email. Not sure how that was obtained regarding
14 this matter. What I did request the board secretary to
15 do is to follow up with the sender and request that any
16 BOPC matters be forward to that email for the inquiry.
17 And I sent everyone an email as well. Once I receive
18 that, then I'll forward it over to corporation counsel
19 and HR. It's important that people really use the
20 correct method for me to reach me. I'll answer and I'll
21 respond the best that I can, but make sure you're sending
22 it to the appropriate email, BOPC. You don't have to
23 sneak around and get my private one, but I will not
24 answer on my personal email.

25 CHAIRPERSON DEWAELSCHE: Thank you. Any other

1 comments? Questions? Okay. Next speaker, please.

2 MS. UNDERWOOD: We're gonna go to Migra Watch
3 Patroller.

4 MS. DAVIS (FROM AUDIENCE): Well, can I say
5 something on the mic? Says we've got two minutes. My
6 two minutes was interrupted.

7 UNIDENTIFIED SPEAKER: No. No.

8 MS. UNDERWOOD: Migra Watch Patroller.

9 MS. DAVIS (FROM AUDIENCE): That's the problem.
10 We need the Constitution to be effective because we've
11 got wrong men and women in here who don't respect law.

12 CHAIRPERSON DEWAELSCHE: Next speaker?

13 MS. RODRIGUEZ: Hello. Can you hear me?

14 CHAIRPERSON DEWAELSCHE: Yes.

15 MR. SMITH (FROM AUDIENCE): And, Darryl, stop
16 looking at my personal Facebook.

17 MS. RODRIGUEZ: Okay. My name is Veronica
18 Rodriguez, and I am a District 6 community member. I'm
19 also a volunteer and I collaborate with Migra Watch and
20 People's Assembly, along with other organizations, non-
21 profit to support our community. For the last year,
22 we've been documenting and we record to protect our
23 community and we encourage accountability for ourselves
24 and for the safety of our community. And we are not
25 confused about what we witnessed yesterday. We do have

1 evidence. There's several pictures, videos. The video
2 that our comrade (phonetic) has is audio in a video, but
3 there's many, many more. There's a lot of evidence of
4 the vehicles that were there that belong to DPD.

5 I want for my child to be able to enjoy -- as a
6 homeowner in our city, I want him to be able to enjoy our
7 community and that's not happening right now. So, I just
8 encourage for there to be an investigation why DPD was
9 there for four hours. We ended up being there eight
10 hours. We personally, as a team, had to call the school
11 in the area that has children there that they were going
12 to school that morning when they get there at 7:30 in the
13 morning. And the school was not aware that -- if there
14 was a warrant to be served, they were not aware if there
15 was an operation going on, you know, about half a mile
16 from their school.

17 So, I just want us to continue to be safe. And
18 I want for DPD to do their job, which is to serve and
19 protect our community. And these men are not federal
20 officers because they're not properly trained. And I
21 think that's offensive to not only our local police, but
22 real federal agents that take proper training when it
23 comes to weapons that can kill people.

24 CHAIRPERSON DEWAELSCHE: Thank you. Our next
25 speaker, please?

1 MS. UNDERWOOD: I'm going to go back to Migra
2 Watch Patroller. Can you unmute?

3 ADAM: Hello?

4 CHAIRPERSON DEWAELSCHE: Yes.

5 ADAM: You can hear me now?

6 CHAIRPERSON DEWAELSCHE: Yes, we can hear you.
7 Please identify yourself.

8 ADAM: My name is Adam. I live in Southwest.
9 And I support the effort coming from our city
10 councilwoman and from Commissioner Camille in seeking to
11 investigate and/or limit the cooperation between DPD and
12 ICE. Because of ICE's goon squad tactics, which are
13 obviously on full display in Minnesota, we're now out
14 here patrolling neighborhoods and getting called to
15 investigate suspicious vehicles by scared residents. And
16 we're so, you know, paranoid of anything with tinted
17 windows that we often bump into undercover DPD
18 operations, like people have been talking about. More
19 than once now, we've interrupted DPD operations thinking
20 they were ICE. Sometimes maybe they are, maybe they
21 aren't. Regardless, that should be a concern to the
22 department, if nothing else, right? If ICE knew how to
23 behave as a professional agency, we wouldn't be bumping
24 into each other like this. And I think that departmental
25 leadership needs to take that into serious consideration,

1 you know, before Trump moves his clown show into Detroit,
2 which we know is coming. So, whether we actually --
3 whether you all, you know, actually cooperate with ICE or
4 not, it's an issue that DPD needs to start doing
5 something about administratively.

6 On a separate matter, I kind of shy away from
7 this tendency of that, you know, many are now looking at
8 this recently trumpeted statistical plunge in crime that
9 Duggan's been talking about, you know, being the lowest
10 crime rate in 60 years. I don't pretend to follow
11 Detroit crime reporting or stat calculation in any real
12 sense, but I also feel like I kind of know hocus-pocus
13 when I see it, especially when it's so perfectly timed to
14 coincide with his run for governor. Mainly, I can't help
15 but be reminded of the one and only time in history that
16 Detroit's crime rate changed this precipitously.
17 Coincidentally, it was 60 years ago. That was when DPD
18 changed to the FBI's new uniform crime report system in
19 19 --

20 MS. UNDERWOOD: Our next speaker will be
21 Audrey. I can't pronounce your last name, so please
22 state your name for the record. Can you unmute?

23 CHAIRPERSON DEWAELSCHÉ: Hello, speaker, are
24 you there?

25 MS. BOURRIAUD: Can you hear me?

1 CHAIRPERSON DEWAELSCHE: Yes, we can hear you.

2 MS. BOURRIAUD: Oh, wonderful. Thank you.

3 Good afternoon. Thank you very much for having me speak
4 today.

5 MS. UNDERWOOD: Please state your name. Please
6 state your name.

7 MS. BOURRIAUD: My name is Audrey Bourriaud. I
8 am representing an indivisible chapter here in Detroit,
9 which is called We the People Dissent. Today, I would
10 like to urge the commissioners to take very seriously
11 Gabrie- --Councilwoman Gabriela Santiago-Romero's memo.
12 Thank you very much, Commissioner Camille, for bringing
13 it up today. There is a culture of violence that ICE has
14 brought to the US that is spreading like wildfire. And
15 this is not the culture of DPD. I mean, not to the
16 extent that we see. I mean, DPD is a law enforcement,
17 obviously, but it has principles. It follows guidelines.
18 It's professional. Nothing that ICE is given the current
19 nature of what ICE has become, its lawlessness, its lack
20 of training, its lack of accountability. I do not see
21 how DPD can continue its collaboration, or even if the
22 collaboration is too strong of a word, even at the very
23 least, the lack of transparency. Whether or not there is
24 collaboration between DPD and ICE. I do not see how DPD
25 can continue compromising itself, having no transparency,

1 no certainty that it is distancing itself from the
2 practices of ICE. Again, I urge the commissioners to
3 take very seriously Councilwoman Santiago-Romero's memo.

4 CHAIRPERSON DEWAELSCHE: Thank you. Next
5 speaker.

6 MS. UNDERWOOD: Jenny Marck. Can you unmute
7 yourself?

8 MS. MARCK: Good afternoon.

9 CHAIRPERSON DEWAELSCHE: Good afternoon.

10 MS. MARCK: Can you hear me?

11 CHAIRPERSON DEWAELSCHE: Yes.

12 MS. MARCK: Oh, great. Hi, my name is Jennifer
13 Marck, and I wanted to thank you for repeatedly
14 reiterating that DPD does not collaborate with ICE,
15 either officially or unofficially. Detroit needs to be a
16 safe space for everyone who lives or visits the city.
17 Detroit police has worked so hard over the last many
18 decades to create trust from the public. Shout out to
19 Coleman Young. Please protect everyone in your
20 jurisdiction. So many vulnerable residents as well as
21 visitors are depending on you to keep Detroit safe from
22 the terrible actions of ICE and Border Patrol.

23 And individuals need to also be held
24 accountable too, not just the police force as a whole. I
25 have absolutely zero idea who it was or if they were

1 actually a police officer, but just as an example of
2 folks who probably would be terrible police officers, I
3 saw an SUV on 75 in downtown last week that had a Blue
4 Lives Matter bumper sticker as well as unbelievably a
5 bumper sticker that said, Bring Back Stress. I have no
6 idea who that person was, but it's a reminder that there
7 are people out there who would love to see DPD help the
8 racist Feds. Detroit has worked too hard and it's too
9 awesome of a city to cave to ICE. Thank you very, very
10 much for keeping your integrity. Appreciate you.

11 CHAIRPERSON DEWAELSCHE: Thank you. Next
12 speaker, please.

13 MS. UNDERWOOD: Next speaker is Jawana Oliver.

14 MS. OLIVER: Hi, my name is Jawana. Block Club
15 President of Littlefield Street. I want to start off by
16 saying I would appreciate if the second precinct would do
17 more. I started this president, I mean, the Block Club
18 president, maybe a little bit over a year ago, one or two
19 years. I have not had no police -- we have not. I want
20 to say I. I have not had any police report. I mean,
21 police support over in the neighborhood start going to
22 what Chief said, what Chief said about protecting the
23 kids and that's important. And that's very important.

24 I have an eight-year-old now. Thank God he's
25 here to make it. Someone around the corner got into a

1 dispute and they pulled out their guns instead of
2 fighting or walking away or what have you. They shot
3 through -- they shot, and it came through the back of my
4 house, through my son's bedroom window, through the
5 hallway to the kitchen, and it stopped at the metal door.
6 Thankfully, that door was open and it stopped. No one
7 got in contact with me. I ended up investigating it
8 myself and finding out who did it. I tried to give
9 information to the 2nd Precinct. They don't be wanting
10 no type of help from the community whatsoever. I do want
11 to acknowledge Officer Eags (phonetic) though, Community
12 Relations. He helps me from the beginning to now. He's
13 been very helpful, but he's only one officer. He can
14 only do so much.

15 We have no patrolling. I'm out here shoveling
16 snow, vacant houses. I'm raking the leaves, me and my
17 husband and my son on our own. I need some help with the
18 police officers to show that we are safe to come out,
19 it's okay. Just help me out a little bit to get the
20 people out, and it will help out a lot more for me and
21 the --

22 MS. UNDERWOOD: Our next speaker will be
23 Gwendolyn Gibson.

24 COMMISSIONER CAMILLE: I'm sorry, Madam Chair.
25 Would -- Littlefield, Block Club, 2nd Precinct, that is

1 quite possibly my district. Is there -- is it possible
2 for the secretary to track down Ms. Oliver's contact
3 information? I would like to have a conversation with
4 her.

5 SECRETARY GARNIER: Acknowledged.

6 COMMISSIONER CAMILLE: Thank you.

7 CHAIRPERSON DEWAELSCHE: Thank you.

8 COMMISSIONER IVEY: Through the Chair?

9 CHAIRPERSON DEWAELSCHE: Commissioner Ivey?

10 COMMISSIONER IVEY: Also, I want to hover over,
11 Commissioner, I think there's part of my precinct as
12 well. So, --

13 COMMISSIONER CAMILLE: Well, we'll figure it
14 out and --

15 COMMISSIONER IVEY: Yeah.

16 CHAIRPERSON DEWAELSCHE: Yes. Thank you both.
17 Next speaker, please.

18 MS. UNDERWOOD: Ms. Gibson, can you unmute
19 yourself? We'll try the next caller. Minister Eric
20 Blount. Oh, he's here now.

21 MINISTER BLOUNT: Yes. Can you hear me, Board?

22 CHAIRPERSON DEWAELSCHE: Yes, we can.

23 MINISTER BLOUNT: Yes, this is Minister Eric
24 Blount from Sacred Heart Catholic Church right here in
25 Detroit. If any of you are surprised that DPD's outright

1 support, or if not, a blind eye looking the other way on
2 ICE's recklessness, I'm surprised if you're surprised.
3 All you have to do is look at last week's community
4 meeting in which the Chief Bettison had one of the
5 greatest noncommittal stances against ICE I think I have
6 ever heard. Even after having examples of the mayor of
7 Chicago and the mayor of Minneapolis.

8 If Mark Young is still in the room, this is but
9 one of two instances in which I agree with you. I agree
10 that there should be great concerns about a commissioner
11 who physically threatened a DPD officer, along with
12 another commissioner that changed their name as an adult,
13 only a few years before running as a commissioner. But
14 Mark Young fails to acknowledge the fact that he is a
15 major contributor to DPD police officers not being
16 accountable. The 2022 union contract does not hold any
17 officer accountable for virtually anything. That
18 contract specifically says that an officer's misconduct
19 cannot be used in determining their promotion. There is
20 no other profession I think in the world that would allow
21 that.

22 The death at the Detroit Detention Center was
23 easily estimatable [sic]. My physical and actual
24 personal tour of that facility gave me grave concerns.
25 One is that they do not allow someone to be physically

1 looking at the bullpen in which --

2 MS. UNDERWOOD: Ms. Gibson, can you unmute?
3 Ms. Gibson? We'll go on to PSL Detroit.

4 MR. BRANCH: Good afternoon, can I be heard?

5 CHAIRPERSON DEWAELSCHE: Yes, you may.

6 MR. BRANCH: Thank you. My name is Loren
7 Branch and I'm an organizer with the Party for Socialism
8 and Liberation and the Detroit People's Assembly. I'm a
9 resident in District 7. I'm also here to speak on ICE
10 and DPD. And so, we've heard about yesterday's incident,
11 and we said we want to talk about facts, right? So,
12 let's jump back to June 30th of last year when Marcos
13 Fabian Arita Bautista was detained by ICE and Border
14 Patrol on Joy Road and Livernois. I was there that day
15 on the ground and when I arrived on the scene, it was DPD
16 vehicles that had his street blocked off. And this was a
17 part of hours of his house being surrounded with children
18 inside by Border Patrol and ICE. It was DPD that
19 arrested multiple of our people, including a minor, when
20 we were just there as concerned neighbors. It was DPD
21 that assaulted our people and pepper sprayed several of
22 us. And there is viral video of this on several social
23 media pages and Detroit news outlets.

24 And so, I ask if none of this is collaboration,
25 what does non-collaboration really mean? And that is a

1 really -- that is very real question for Chief Bettison
2 or anyone else because, at the very least, this is aiding
3 and abetting. And so, we demand answers to the questions
4 raised here today. We demand answers to the questions
5 raised by Councilperson Santiago-Romero's memo. And last
6 but not least, we've acknowledged that there's other
7 issues going on in the city, right? We know that ICE's
8 racist terror campaign is never restricted to the
9 immigrant community wherever they are. And so, this is
10 another issue facing our city.

11 We pay your salary. You're supposed to protect
12 us. Do everything in your power to get ICE out of our
13 city. Thank you.

14 CHAIRPERSON DEWAELSCHE: Thank you. Next
15 speaker.

16 MS. UNDERWOOD: Gwendolyn Gibson, are you able
17 to speak now?

18 MS. GIBSON: Can you -- can you hear me?

19 CHAIRPERSON DEWAELSCHE: Yes, we can.

20 MS. GIBSON: Can you all hear me?

21 CHAIRPERSON DEWAELSCHE: Yes, we can.

22 MS. GIBSON: Okay. Thank you very much. I
23 thank all of you. I am here. I have issued a complaint.
24 I am a resident of the 7th District. And I am calling to
25 complain on the 6th Precinct Officer Kevin Bryant

1 (phonetic), badge number 673, I believe. I believe right
2 now he is suspended with, like, no pay, but, like, health
3 insurance -- medical insurance. But anyway, so yeah,
4 Officer Kevin Bryant, Officer Tim Nassar (phonetic), and
5 Lieutenant Tim Barr (phonetic), they kicked in my door
6 last year. This was April 25th of 2025. It was really
7 under a -- a false arrest. They falsely arrested my son
8 and I. We had to go through court and fight a CCW case.
9 We beat the case. This was October 29th. The officers
10 completely lied. I've called and spoken with several
11 different detectives and officers, but, I mean, I've
12 gotten nowhere with it.

13 But yeah, so that's pretty much what happened.
14 They kicked in my door. They found a weapon, which I've
15 purchased several firearms over the years. I've lived in
16 that same house for -- on and off for 15 years. 2010, my
17 late ex-husband and I, we bought the home. And my son
18 and I, we've been living there on and off for 15 years.
19 But yeah, this is what they did. They kicked in my door.
20 No warrant. I still haven't seen a warrant. And then
21 they just pretty much put a gun on my son. They said
22 they were going to charge me with it, but they ended up
23 just charging my son with it. And I do have the audio of
24 that.

25 But yeah, that's what I'm kind of coming to

1 complain about because they are corrupt. They were
2 totally wrong. I have PTSD from this situation. I had
3 to move from that home because they were harassing us
4 after that. And during the trial and everything, once
5 Kevin Bryant -- Officer Bryant, was charged or let go
6 with pay, this is what they've been doing. I know I only
7 have a few seconds, but I'll be back at the next board
8 too because I'm not done.

9 CHAIRPERSON DEWAELSCHE: Thank you. Do we have
10 her complaint, O.C.? May I have the complaint, please?

11 MR. WARFIELD: We do have the complaint.

12 CHAIRPERSON DEWAELSCHE: Okay. And it's in
13 process?

14 MR. WARFIELD: Yeah, we'll get back with her
15 tomorrow.

16 CHAIRPERSON DEWAELSCHE: All right. Thank you.
17 Next speaker, please.

18 MS. UNDERWOOD: Our next speaker is Mickey.
19 Please state your name for the record.

20 MS. DONAHUE: Hello. Good afternoon. My name
21 is Monique Donahue. Thank you for allowing me to speak
22 today. I'll start by saying I'm terrified of public
23 speaking. I'm concerned about the increasing violence
24 and aggression we are seeing around our nation at the
25 hands of ICE agents. It is strikingly clear these agents

1 are inadequately trained. Instead of the normal six
2 months, they are getting 47 days. And that's 47 in honor
3 of our 47th president. Hiring practices? No background
4 checks. Criminal backgrounds? No problem. January
5 Sixers are being hired. And we also have people
6 impersonating ICE agents. They are nothing but violent
7 bullies. They are putting all of us at risk. How do DPD
8 officers feel standing next to armed, inadequately
9 trained ICE agents? I'm terrified because we are all
10 just government-sanctioned collateral damage. Who will
11 be Detroit's next Keith Taylor or Renee Good?

12 On top of that, I fear how quickly and
13 vindictively our government is changing immigration
14 rules. A snap of Trump's fingers and anyone can suddenly
15 find their citizenship revoked. I ask that ICE agents be
16 kept off city property, schools -- in general, and that
17 DPD not collaborate with ICE. We the people dissent.
18 Power to the people. Peace.

19 CHAIRPERSON DEWAELSCHE: Thank you.

20 MS. UNDERWOOD: Our next speaker will be Molly.
21 Please state your name for the record.

22 CHAIRPERSON DEWAELSCHE: I'm sorry, before the
23 next speaker, we do have one commissioner that wants to
24 comment. Commissioner Boman.

25 COMMISSIONER BOMAN: Well, I heard some of the

1 comments from this speaker, I've heard from other
2 speakers, and I've heard before the meeting from other
3 people. And I'm just wondering if the chief is aware of
4 circumstances where DPD officers have, I know you've
5 already said that they don't co-op -- work with ICE or
6 collaborate with ICE, where they are next to ICE agents
7 and walking with ICE agents while the ICE agents are
8 carrying out their activities?

9 CHIEF BETTISON: No, I'm not. I'm just not.
10 So, that's why I'm asking for video, other things of that
11 nature, because we're not. We're focused on local laws
12 and ordinances. I will tell you that there have been
13 times with my mental health code response officers,
14 because they wear green and their uniforms are somewhat
15 different, people have confused them as being border
16 patrol. And if you're familiar with mental health code
17 response, ensuring that the blue uniform didn't trigger
18 persons who are in mental crisis, we decided to go with
19 the uniform with tan pants and a green shirt. And even
20 the strobe lights, when they show up at the scene, we can
21 switch it so that it's not the red and blue that will
22 trigger and cause somebody to go into a mental crisis.
23 And so, we have green strobe lights. And so, that could
24 be causing the situation as well, where I have got
25 reports that ICE is at a recreation center and that

1 they're swooping up people. But it was the staff who had
2 someone in mental crisis and called DPD, and we sent our
3 mental health code response officers there. And
4 everybody in the rec center thought that it was ICE to
5 take him away. But in that situation, it was our mental
6 health code response.

7 So, you know, as far as being able to educate
8 the community as to what the DPD uniform looks like, and
9 even also confusing as well, is many security officers.
10 I mean, civilian security guards who want to look like
11 DPD and will have their security uniform looking almost
12 like it's our special operations officers, et cetera.
13 So, we've got a lot of work to do. But I encourage
14 anybody that if you have -- if you have proof, we all got
15 cell phones, provide that to us. We got body cameras.
16 We got in-car video. It's green light. It's footage
17 everywhere. So, when you get that to us, you have my
18 pledge that we will investigate it. And if anybody
19 violates our policies, procedures, et cetera, we will
20 hold them accountable.

21 COMMISSIONER BOMAN: May I follow up?

22 CHAIRPERSON DEWAELSCHE: Thank you. Go ahead.

23 COMMISSIONER BOMAN: Yes. The other matter
24 that came up in the same context here is I've heard
25 people say that they want to be protected from ICE. Do

1 we -- and I've looked at the policy manual. I haven't --
2 you know, maybe I missed something here. I don't
3 remember all of it. But is there anything and anyone,
4 I'm open in hearing from anybody, aware of anything
5 currently in our policy that would oblige officers to
6 take specific action if they saw someone from another
7 jurisdiction, such as the federal government, violating a
8 person's constitutional rights?

9 MS. DAVIS (FROM AUDIENCE): Sure, all policies
10 are formed.

11 CHAIRPERSON DEWAELSCHE: Corporation counsel?
12 Corporation Counsel Mallett?

13 MS. DAVIS (FROM AUDIENCE): All policies are
14 formed. You gotta --

15 CHAIRPERSON DEWAELSCHE: Will you allow us to
16 conduct our meeting, please?

17 Corporation Counsel?

18 MR. MALLET: Through the Chair, Commissioner
19 Boman, the City of Detroit police officers do not have
20 jurisdiction over federal government law enforcement
21 officers. They -- they -- if ICE is doing their job
22 according to whatever policy and procedures they have in
23 place, the Detroit Police Department has no ability,
24 quote, to interfere with ICE carrying out its lawful
25 activities. So, this is really, in terms of offering

1 protection to the community from ICE, the Detroit Police
2 Department is powerless other than to be sure that if
3 they see a wrong being done in conjunction with the ICE
4 activity, we may be called, in fact, for crowd control,
5 as we were when President Trump was here. But we are not
6 allowed to or authorized to interfere with the federal
7 government's execution of their duties and
8 responsibilities. There's just no way for us to, quote,
9 to protect someone from the lawful activity that ICE is
10 engaged in. And if it turns out that the activity of ICE
11 was unlawful, then there's going to be civil remedies.
12 But it's not possible for the City of Detroit to
13 interfere with the execution of ICE's responsibility as
14 pursuant to federal law.

15 COMMISSIONER CAMILLE: Through the Chair?

16 CHAIRPERSON DEWAELSCHE: Go ahead, Commissioner
17 -- wait. Commissioner Boman, were you done?

18 COMMISSIONER BOMAN: I said thank you, but I
19 also noticed Henrietta Ivey had one.

20 CHAIRPERSON DEWAELSCHE: Okay. Commissioner
21 Ivey and then Commissioner Camille.

22 COMMISSIONER IVEY: Through the Chair, counsel,
23 is there a way that we can get a breakdown of the federal
24 laws that ICE have just so we can have a visual of what
25 they're actually doing? I know we can't interfere with

1 their actions when they have been given, I guess, a
2 warrant to go get people. But is there some type of
3 policy that we can put in place to say, well, before you
4 come to this city, we need to see what you're coming here
5 to do? We won't interfere, but we need some type of
6 evidence that you are lawfully here on a lawful matter,
7 not just entering in and just grabbing folks off the
8 street. Because I think it would be more safer if we had
9 something written, although it's a separate entity, that
10 says, okay, you're coming to get X, Y, Z. If we can see
11 those warrants, you can proceed. But to just say we
12 going to leave it alone, it opens up the floodgate for
13 these people to come in just snatching people. And then
14 it's also put in place that that federal office, you
15 can't interfere with us because we're here to do what we
16 want to do. So, I think that maybe we need to redo some
17 policies and then ask for some evidence that they
18 actually come and get the people they're supposed to come
19 and get and not just snatching up people out of the
20 communities. I think that would be helpful.

21 MR. MALLETT: Commissioner, through the Chair,
22 you really, really do exactly explain the confusion that
23 exists in the community. Let me give an example. Right
24 there on the corner of Woodward and West Grand Boulevard,
25 where the old Lelli's used to be, you see that veterans

1 house that got built there? I must have written five
2 letters to the federal government asking them not to
3 build on that site. And the federal government
4 responded, you, the city of Detroit, have no jurisdiction
5 over where we make a decision to place this facility. We
6 bought the land. We're the federal government. We will
7 make the decision.

8 In this particular circumstance, it relates to
9 the enforcement of immigration policy, that is
10 exclusively a federal responsibility. There is no
11 ability for the Detroit Police Department. If you think
12 about it, federal, state, local. We are at the bottom of
13 the pyramid.

14 MR. SMITH (FROM AUDIENCE): That's not how that
15 works.

16 MR. MALLETT: And so, the -- we have no ability
17 to say to the federal government, before you enter this
18 mutually held jurisdiction, you have to show us your
19 valid warrant before you can exercise your federal
20 authority. So, Commissioner, that's just not possible.

21 Now, I can provide you some evidence legally
22 that talks about the hierarchy of enforcement. If -- if
23 that's what you're asking me for, and I'll be glad to do
24 that.

25 COMMISSIONER IVEY: I understand the hierarchy.

1 I'm just trying to understand, how do we make it safer
2 for our communities through some type of policy.
3 Although I understand federal supersedes local, but in a
4 sense where they just walking in doing this. Now,
5 they're coming in doing on federal business and drug
6 charges, and they have warrants. They have legal
7 warrants. That's -- I understand that. But we're
8 talking about an agency that's being hired by an
9 administration that's really just coming in to take
10 people and to do all this crazy stuff. And I personally
11 do not want to see this happen. I personally want to see
12 some changes happen somewhere, somehow, maybe talk to
13 some people, get somebody's ears open and say, listen, I
14 get it, y'all got -- y'all have this authority, but this
15 is my city. And there are certain things we're just not
16 going to allow, even on a federal level. Because we're
17 talking about people's lives being snatched up and we're
18 just standing by watching. That's -- that's bothersome
19 to me.

20 So, I just -- I get it and I understand that,
21 but I just -- can we somehow put something in place for
22 protection of the citizens?

23 MR. MALLETT: No.

24 COMMISSIONER IVEY: Wow. Okay.

25 CHAIRPERSON DEWAELSCHE: Commissioner Camille

1 and then Commissioner Boman.

2 COMMISSIONER CAMILLE: Thank you, Madam Chair.
3 And appreciate the questions from my colleagues,
4 Commissioner Boman and Commissioner Ivey, and for pushing
5 these questions. And also appreciate you, Counsel
6 Mallett, for your responses.

7 MR. SMITH (FROM AUDIENCE): He shouldn't even
8 be here.

9 COMMISSIONER CAMILLE: Respectfully, we need to
10 continue to push because we're trying to be responsive to
11 our constituents, so please understand that. So, if DPD
12 is unable to interfere, can DPD monitor? So, what I'm
13 referring to is the extensive network of surveillance
14 that we have throughout the city at this point. Can DPD
15 at least monitor what federal agents -- ICE is doing so
16 that at least there's a good understanding of what's
17 happening that we can have conversations about, even if
18 -- if DPD cannot hinder their activity?

19 MR. MALLETT: So, through the Chair,
20 Commissioner Camille, that's a very, very interesting
21 suggestion. I would say that that's a decision of the
22 political authority in the city of Detroit, starting with
23 the mayor, including the Detroit City Council, perhaps as
24 advised by the Board of Police Commissioners. The police
25 department by itself cannot institute a program of

1 surveillance on the federal government. They are having
2 a very specific set of duties and responsibilities, and
3 the surveillance of the federal government is nowhere
4 listed as an appropriate set of activities that they
5 should be engaged in.

6 I understand, Commissioner, where you're coming
7 from. There's a resolution I think that you're putting
8 forward today that voices some of your concerns. But I
9 really do think that the police department responds, yes,
10 indeed, to the oversight authority of the Board of Police
11 Commissioners, but it is also under the direct command
12 and control of the mayor of the city of Detroit, who --
13 she is responsible for the direct enforcement by charter
14 of the laws of the state of Michigan and the Detroit City
15 Ordinance. That would require a profound political
16 judgment and authority exercise, first by the mayor, in
17 consultation with City Council and the Board of Police
18 Commissioners.

19 CHAIRPERSON DEWAELSCHÉ: Thank you.
20 Commissioner Boman?

21 COMMISSIONER BOMAN: Something remarkable in at
22 least one interpretation of what the corporation counsel
23 has put before us, and I just want to make sure I can
24 distinguish this clearly, because I am clear on that --
25 and even beforehand I'd be clear on that, if a federal

1 officer is carrying out lawful duties under federal law,
2 that it would be wrong to -- legally wrong, for the other
3 jurisdictions to interfere with that lawful carrying out
4 of duties. It seems to me though, there are some areas
5 of concern as far as how far this hands-off approach
6 goes. For instance, if we don't know that the person's
7 authentically a federal officer, it seems that we would
8 have the right to at least verify that this person is a
9 federal officer. If the person -- I don't see -- it
10 sounds almost as if there's no other restriction. I
11 mean, a civil penalty -- or a civil response to unlawful
12 activity by a federal officer could come too late. And I
13 know extreme cases make for bad law. But hypothetically
14 speaking, if a federal person who appears to be an ICE
15 agent on duty suddenly decides to become an active
16 shooter, is it unlawful for the local law enforcement to
17 stop the active shooter?

18 MR. MALLETT: No, it's not.

19 COMMISSIONER BOMAN: So, if the person is then
20 violating other laws less severe than that, while --

21 MR. MALLETT: No -- yeah, I'm sorry,
22 Commissioner, I didn't mean to interrupt. Please go
23 ahead.

24 COMMISSIONER BOMAN: Would it also then
25 possibly be appropriate to intervene?

1 MR. MALLETT: Through the Chair, Commissioner
2 Boman, let me say to you this way. Let's use the example
3 of a person impersonating a federal ICE officer.

4 Impersonating a police officer of any kind --

5 COMMISSIONER BOMAN: I wasn't saying
6 impersonating.

7 MR. MALLETT: I thought you said --

8 COMMISSIONER BOMAN: No, if a person -- all
9 right, there's actually two. Okay, that's right. The
10 first point was about impersonations; the second one was
11 not. Sorry, I apologize.

12 MR. MALLETT: Right. So -- so, it's against
13 state law to impersonate an officer of the law. Were the
14 Detroit Police Department to have reasonable belief that
15 a person was, in fact, impersonating a law enforcement
16 officer, they would be subject to arrest.

17 COMMISSIONER BOMAN: And so, that would then
18 entitle them to verify that this person was indeed not a
19 --

20 MR. MALLETT: They would have to have
21 reasonable cause, Commissioner, to believe that a crime
22 was being committed. The same standard applies. And so,
23 the -- if -- if -- if the Detroit police officer sees
24 this person get out of a federal vehicle with all of the
25 various appearances, and there is no reason and no

1 reasonable standard or no reasonable indication that a
2 crime is being committed -- now, remember what the
3 standard is. Police officers cannot act in the absence
4 of reasonable probable cause. So, the police officer is
5 going to use her judgment to make a decision based on
6 what is reasonable at the time. So, again, if it's
7 reasonable for her to conclude that a law is being broken
8 and that this person is not a federal officer but is, in
9 fact, illegally impersonating, then that officer is
10 entitled by law to react. If her reasonable belief is
11 that this person is, in fact, who they say they are, then
12 by constitutional law, she should, in fact, just go about
13 her regular local Detroit police business.

14 COMMISSIONER BOMAN: And then the second
15 example was of -- through the Chair, a second example was
16 of a person who was not impersonating but was committing
17 a crime that was an imminent threat to people and needed
18 to be stopped. And I gave an extreme example.

19 MR. MALLETT: Of an active shooter, and I said
20 yes.

21 COMMISSIONER BOMAN: Okay.

22 CHAIRPERSON DEWAELSCHE: Any other comments or
23 questions? Oh, next speaker.

24 MS. UNDERWOOD: We have two more speakers --
25 three more speakers. Molly.

1 MS. MENNING: Good afternoon, commissioners.
2 My name is Molly Menning from Wayne Law. I'm just --
3 really interesting discussion. But I wanted to just
4 quickly echo some of the calls for transparency by other
5 commenters. First, to urge the department to respond to
6 the request for information in the memo by Councilperson
7 Santiago-Romero and to provide greater transparency
8 related to the concerns raised by her and other
9 commenters. And then second, to encourage the gathering
10 and compiling of information about lawsuits against the
11 city and settlements due to officer misconduct. Thank
12 you.

13 CHAIRPERSON DEWAELSCHE: Thank you. Next
14 speaker?

15 MS. UNDERWOOD: The next speaker was Motorola
16 Razr 2025. Can you unmute?

17 CHAIRPERSON DEWAELSCHE: Hello? Speaker?

18 MS. HANDY: Thank you. Can you hear me?

19 CHAIRPERSON DEWAELSCHE: Yes, we can.

20 MS. HANDY: Thank you. My name is Sandra
21 Turner-Handy. I'm the president of the 9th Precinct
22 Community Relations Council. And I am calling because we
23 recently met with Commissioner Morris on Tuesday night,
24 the executive committee along with residents of District
25 3 concerning what we felt was harassment of our 9th

1 Precinct. And I just wanted to go on record that we did
2 meet with him and we spoke with him. We have worked very
3 hard over here in the 9th Precinct to change our
4 narrative from 4-8-2-0 die to 4-8-2-0 live. We have been
5 able through our residents organizing and becoming
6 committed and invested in the quality of life over here
7 in number 9, aligning with our 9th Precinct leadership
8 officers and MPOs to bring down crime in our community.
9 The gentleman said it's hocus-pocus, come to number 9.
10 It's not hocus-pocus. Our residents are able now to go
11 out on the streets. They're not afraid. They're working
12 alongside our police officers so that we can raise our
13 quality of life and create a clean safe and healthy
14 community over here.

15 When I get a flyer -- because I am not a
16 Facebook person. When I get a flyer that says to get rid
17 of our commander, I am appalled because nobody spoke to
18 our residents. As a police commissioner, your job is to
19 carry our voices of concerns with DPD, not create your
20 own. And nobody came to us and asked us what's going on.
21 And the chief will tell you, I am a strong advocate for
22 residents. When the DPD does something wrong, I am on
23 top of it. When they're right, I support them. And I
24 support our --

25 MS. UNDERWOOD: Our last speaker is Ms. C. Gina

1 Brown-Anderson. Can you unmute Ms. Anderson?

2 MS. ANDERSON: Good evening. Can I be heard?

3 UNIDENTIFIED SPEAKER: Yes.

4 MS. ANDERSON: I just have a few questions.

5 Can you guys hear me?

6 CHAIRPERSON DEWAELSCHE: Yes, we can.

7 MS. ANDERSON: Okay. I am calling for a
8 variety of issues, but it seems like you need a whole
9 meeting just for ICE issues. I wanted to know if we are
10 contacted. Maybe Conrad Mallett can answer this
11 question. Is any part of our local government, governor,
12 mayor, chief, anybody contacted prior to ICE's invading?

13 MR. MALLETT: Through the Chair?

14 CHAIRPERSON DEWAELSCHE: Go ahead.

15 MR. MALLETT: Chief Bettison can speak to this
16 better than me. I know that there is constant
17 communication between the Detroit Police Department and
18 our state and federal partners. Again, the Detroit
19 Police Department is not made aware of ICE activity as
20 it's being conducted on a day-to-day basis.

21 Generally, and, Chief, I know I'm stepping all
22 over your conversation, but generally when the task force
23 or when the joint groups come together, conversations are
24 had about how cooperation can be better fostered. I am
25 positive that during these joint meetings, citizen

1 concerns from the city of Detroit, particularly from
2 District 6, are conveyed to our federal and state
3 partners, but there is no requirement. And there is
4 frankly, on behalf of the municipal government, I'm not
5 speaking for the police department, no expectation that
6 there would be prior notice provided of whatever federal
7 law enforcement activity was going to be engaged in
8 unless, and this is on the criminal enforcement side,
9 unless DPD was going to be a part in chief of the
10 operation. And let me step back as I'm sliding very
11 close to an area that I'm not an expert in.

12 CHAIRPERSON DEWAELSCHE: Chief, go ahead.

13 CHIEF BETTISON: Through the Chair, in response
14 to that question, I do have full confidence that if a
15 surge were coming, I believe that they would reach out to
16 me and let me know. And when I say of a surge, which we
17 have not seen in the city of Detroit, we have not seen in
18 the state of Michigan, where they're sending ICE agents
19 and other agents from out of state to the state of
20 Michigan to the city of Detroit to surge and do increased
21 enforcement like we've seen in some other cities. So --
22 but I do believe I would be notified of that, and as of
23 this point, I have not received any notification of any
24 such plans.

25 MS. ANDERSON: Can I continue?

1 CHAIRPERSON DEWAELSCHE: Thank you. Is there
2 another speaker?

3 VICE CHAIRPERSON WOODS: Yeah, she gotta
4 continue.

5 CHAIRPERSON DEWAELSCHE: Oh. Oh, yes.

6 MS. ANDERSON: No, I didn't finish though.

7 CHAIRPERSON DEWAELSCHE: Go ahead.

8 MS. ANDERSON: Conrad, you said that no matter
9 what, these federal agencies are going to do what they
10 want because ISIS has their own policies. I hear
11 everyone saying no to ISIS. If we have no control, we
12 have no authority, which is clear, they can come in and
13 do what they want to. I think we need to change the
14 narrative then because it is a good resolution to make
15 sure, instead of like last week, Bettison, that you said
16 you don't get involved in it, that in order to keep our
17 own citizens safe, that you come up with some type of
18 policies to work with these guys so that we don't feel
19 like we're being invaded. It feels like it's a war and
20 they're coming in and taking over. We are in Ukraine and
21 Russia. So, it's -- something needs to be done because
22 the people that they're looking for are not the only ones
23 affected. I am concerned that I have things going on in
24 my community, but don't want to call because don't want
25 to have anybody bring harm against because you don't know

1 how they're going to approach these people. We have
2 people changing license plates, putting them on different
3 vans. If we take a picture, they think we're looking for
4 them. They change the plates. We're noticing all of
5 this and we don't even know if it's human trafficking
6 going on because so many other concerns are on the table
7 that we can't even police our own neighborhoods properly
8 because of this issue. We really need some type of --

9 MS. UNDERWOOD: That is our last caller.

10 CHAIRPERSON DEWAELSCHE: Okay, thank you. I
11 guess the theme of today's meeting is very, very apparent
12 and a lot of the public is asking for, I don't know, some
13 action, some policy, or at least to look at how we can
14 deal with it. And I really admire that they're asking in
15 advance before something terrible happens. So, Chief, I
16 think we need to continue talking about these issues that
17 were brought up today.

18 CHIEF BETTISON: Yep. And through the Chair, I
19 just really commend our Detroit community for, you know,
20 being so involved. That's what makes us special as a
21 city. So, I commend each and every caller and everybody
22 who spoke on the topic. And as requested, City
23 Councilmember Santiago-Romero, I will ensure that I get
24 her questions answered. And like I stated in the
25 beginning with Commissioner Camille, this board will get

1 a copy -- the same copy that she gets as well, so that
2 your constituents, the folks that are watching will, you
3 know, be updated.

4 CHAIRPERSON DEWAELSCHE: Thank you, Chief.
5 Commissioner Woods?

6 MR. MALLETT: Through the Chair, if I could?

7 CHAIRPERSON DEWAELSCHE: Oh, hold one second.

8 MR. MALLETT: I'm sorry.

9 CHAIRPERSON DEWAELSCHE: Go ahead, corporation
10 counsel.

11 MR. ALLETT: The -- the oftentimes in the last
12 couple of weeks, Chief Bettison has also pointed out that
13 it is the professionalism of the Detroit Police
14 Department and the crime statistics that that
15 organization has been able to produce that has largely
16 kept us away from having the kind of confusion and
17 entanglement with the federal government that other
18 communities are experiencing. And so, Madam Chair, I
19 would just point out that it is not accidental that for
20 all of the angst that is real associated with ICE
21 activity in the city of Detroit, we are not Chicago, we
22 are not New York, we are not Los Angeles, we are not
23 Minneapolis. And that really has to do with the
24 leadership provided by Todd Bettison and the other men
25 and women that he works with on his executive team and

1 the overall professionalism of the Detroit Police
2 Department as it translates into the crime statistics
3 that we have celebrated over these last couple of weeks.
4 So, I just point that out, that for all of the
5 community's concern, which the chief believes is a
6 thousand percent legitimate, I know that the
7 administration of Mayor Sheffield sympathizes and
8 absolutely shares the concern, as does the Law
9 Department. But at the same time, there are limitations.
10 But the chief reason that we have not been a point of
11 focus of the federal government has been the work done by
12 DPD.

13 CHAIRPERSON DEWAELSCHÉ: Thank you.

14 We had Commissioner Watts?

15 COMMISSIONER WATTS: Yes.

16 CHAIRPERSON DEWAELSCHÉ: Okay, go ahead.

17 COMMISSIONER WATTS: Yes, I just want to, you
18 know, echo the same, you know, sentiment there. I want
19 to also remind us that we still should push on our
20 federal lawmakers, you know, who govern. We know that
21 this current administration in Washington is really not
22 listening to a lot, but pressure our local lawmakers, our
23 federal partners to send our sentiment that we want the
24 same type of communication and coordination for our
25 residents as the same as when the president comes to town

1 and he wants to safely be driven down I-94. He does
2 advance notice for that. So, I urge all of our
3 commissioners and our citizens too, to keep pressuring
4 our congressional and our senate to put the pressure on
5 the president who's giving these illegal orders where
6 there's no communication with law enforcement, local law
7 enforcement, you know. So, you know, we want the same.
8 This week, I'm sure he sent his people here. He wanted
9 to safely come down 94. He wanted to safely have
10 coordination. He's no better than any citizen here in
11 the state of Michigan and across this country. And we
12 need to not just say we know Chief Bettison and the laws
13 here, he's limited, but that doesn't stop us from still
14 raising our voice collectively to our congresspeople in
15 Michigan and our senators who we elect all the time too.
16 Thank you, Madam Chair.

17 CHAIRPERSON DEWAELSCHE: Thank you,
18 Commissioner. Any others? Commissioner Woods, go ahead.

19 VICE CHAIRPERSON WOODS: Yeah, I'd like to make
20 a motion to --

21 CHAIRPERSON DEWAELSCHE: Before you make the
22 motion, was that our last speaker?

23 MS. UNDERWOOD: Yes, Madam Chair.

24 CHAIRPERSON DEWAELSCHE: Okay. Go ahead.

25 VICE CHAIRPERSON WOODS: I'd like to make a

1 motion to move the DPD budget report and the human
2 resource report to next week.

3 PARLIAMENTARIAN JACKSON: Motion to postpone,
4 Commissioner?

5 VICE CHAIRPERSON WOODS: Motion to postpone.

6 PARLIAMENTARIAN JACKSON: Thank you, sir.

7 VICE CHAIRPERSON WOODS: Yes.

8 CHAIRPERSON DEWAELSCHE: Is there a second? A
9 motion has been made. Is there a second?

10 COMMISSIONER CARTER: I'll second it.

11 CHAIRPERSON DEWAELSCHE: Second? Okay.

12 Commissioner Carter, second the motion that Commissioner
13 Woods made to postpone both the DPD budget report
14 presentation and the Human Resources Bureau presentation
15 to next week. Is there any discussion? Hearing none,
16 all those in favor indicate by saying aye.

17 ALL COMMISSIONERS: Aye.

18 CHAIRPERSON DEWAELSCHE: Opposed? Motion
19 carries.

20 And now we'll have a report from our board
21 secretary.

22 SECRETARY GARNIER: Madam Chair, through the
23 Chair, board members, if you will note under tab six, the
24 weekly reports, Facial Recognition and Shot Spotter,
25 weekly reports are placed there.

1 The announcements of upcoming meetings are as
2 follows: On Thursday, January 22nd, next Thursday at
3 3:00 PM here at Public Safety Headquarters will be the
4 next full board meeting. In February, the community
5 meeting will be held Thursday, February 12th at 6:30 PM.
6 The location will be in the 11th Precinct. The specific
7 location has not been finalized, but will be posted as
8 soon as we get a final confirmation. We hope by close of
9 tomorrow. Also, we have a committee meeting upcoming,
10 which is Tuesday, January 20th at 3:00 PM. Personnel and
11 Training Committee meeting in the Woodward Room here at
12 Public Safety Headquarters. And also, just to remind
13 everyone that Monday is a city holiday. And the BOPC
14 offices will be not physically staffed in person.

15 I think that concludes the announcements.
16 There are a couple of items in your for information
17 packet, which are found in your binders on the left side
18 for your review. Also, you would have received a before
19 Item 8B that has been reviewed as the assignment was to
20 Commissioner Camille, Corporation Counselor Mallett, and
21 the administrative team for that specific statement to be
22 presented that you were given copies moments ago. And
23 that is the report, Madam Chair.

24 CHAIRPERSON DEWAELSCHE: Just to reiterate
25 about the committee meetings, if you haven't submitted

1 your requests for which committees you want to sit on by
2 next week, I'm going to start making appointments. So,
3 there aren't -- we have a few of the members who have
4 submitted. Please submit it -- submit them to the
5 secretary so that we can keep track. We only need three
6 members. No more than three members on each committee.
7 Am I correct, Secretary?

8 SECRETARY GARNIER: Yes, Madam Chair, which
9 will be the Chair and two other commissioners.

10 CHAIRPERSON DEWAELSCHE: So, you know, please
11 submit what you are interested in, and we'll do our very
12 best to place you on those committees.

13 Commissioner Ivey?

14 COMMISSIONER IVEY: Thank you, Chair -- Chair.
15 I submitted. Was there a form I have to submit?

16 CHAIRPERSON DEWAELSCHE: No. Just an email to
17 the --

18 COMMISSIONER IVEY: Okay.

19 CHAIRPERSON DEWAELSCHE: -- Madam Secretary.

20 COMMISSIONER IVEY: I submitted.

21 CHAIRPERSON DEWAELSCHE: That's it. You'll be
22 fine.

23 Commissioner Boman?

24 COMMISSIONER BOMAN: Yeah, I just wanted to ask
25 the secretary quickly. In our emails -- because I know

1 where to find it in the binder. In the emails, which
2 folder would I find the Facial Recognition and Shot
3 Spotter stats? Because I've been looking at these PDFs,
4 and I haven't been able to find that one.

5 SECRETARY GARNIER: Commissioner Boman, last
6 week, the office from DPD, there were technical issues.
7 So, this week as well, they were delayed. They came in
8 literally moments before. But we have a very
9 cooperative, collaborative relationship with DPD, of
10 course. And so, they are in your binders. Normally,
11 they would have been in Tuesday's electronic packet and
12 the updated packet that went out after 12:00 noon today,
13 as we were awaiting them. But the commander sent them to
14 us, and they are now physically in your binder and should
15 be in the electronic packet after this meeting.

16 CHAIRPERSON DEWAELSCHE: And they're under tab
17 nine, Commissioner?

18 SECRETARY GARNIER: Under tab -- they should be
19 under -- are they under nine?

20 CHAIRPERSON DEWAELSCHE: I have 'em --

21 UNIDENTIFIED SPEAKER: They should be six.

22 SECRETARY GARNIER: They should be under six.

23 CHAIRPERSON DEWAELSCHE: Oh, I'm sorry.

24 SECRETARY GARNIER: The Shot Spotter and Facial
25 Recognition.

1 CHAIRPERSON DEWAELSCHE: Yes, I'm sorry, six.

2 I was looking a bit upside down. Yes, six.

3 Okay. Anything else, Secretary? Any other
4 comments or questions? Hearing none, then under
5 unfinished business, we --

6 SECRETARY GARNIER: Corporate counsel?

7 MR. MALLETT: No, I'll wait for it. I'm sorry.

8 CHAIRPERSON DEWAELSCHE: Okay. Anything else?

9 Okay. Under unfinished business, we were going
10 to have a discussion on the reports for the lawsuits
11 filed, if you could give us just a very brief overview.
12 Were you going to do that?

13 COMMISSIONER CAMILLE: I can do that now, Madam
14 Chair.

15 CHAIRPERSON DEWAELSCHE: Okay. Just --

16 MR. MALLETT: Yeah, so Madam Chair, the -- the
17 --

18 CHAIRPERSON DEWAELSCHE: Oh, was it counsel
19 that was going to do it? Okay, I'm sorry.

20 MR. MALLETT: I have given the form to
21 Commissioner Camille, but we do have it. And in fact, I
22 have it for all of the members of the Board of Police
23 Commissioners. This probably, Madam Chair, requires a
24 more substantial conversation, --

25 CHAIRPERSON DEWAELSCHE: Okay.

1 MR. MALLETT: -- which we might continue next
2 week, recognizing the hour. But I'll pass out the form.
3 Commissioner Camille runs a tight ship, and I want to
4 make sure that I'm responding appropriately to her
5 requests.

6 CHAIRPERSON DEWAELSCHE: Okay.

7 MR. MALLETT: And in this case, we've done so.

8 CHAIRPERSON DEWAELSCHE: All right, so that'll
9 conclude that report -- that item. Thank you.

10 And then under new business, we have a
11 statement for the DP -- the Detroit Board of Police
12 Commissioners in response to the killing of Renee Good of
13 Minneapolis, Minnesota, by U.S. Immigration and Customs
14 Enforcement. This is something that we spoke about last
15 meeting. We said that you would be working with the
16 secretary to put together a resolution. So, will you be
17 giving just an overview of that? Or -- thank you so
18 much.

19 VICE CHAIRPERSON WOODS: Thank you.

20 COMMISSIONER CAMILLE: Thank you, Madam Chair.
21 So, there was a motion last week for the board to issue a
22 statement regarding the killing of Renee Good. And so, I
23 did work along with the secretary, and I understand some
24 drafts went by corporation counsel as well as yourself.

25 CHAIRPERSON DEWAELSCHE: To be honest, I just

1 saw this just before the meeting.

2 COMMISSIONER CAMILLE: Okay.

3 CHAIRPERSON DEWAELSCHE: And I don't know if
4 corporation counsel had a chance. Did you, corporation
5 counsel, have a chance to look at the resolution?

6 MR. MALLETT: I just saw it this afternoon,
7 Madam Chairperson.

8 CHAIRPERSON DEWAELSCHE: Same here.

9 MR. MALLETT: I'm not -- I think that based on
10 my review during the course of this meeting here, that it
11 would be more than appropriate for the board to take it
12 up if you were satisfied with the context.

13 CHAIRPERSON DEWAELSCHE: Okay. I'm -- I'm fine
14 with it. I just wanted to make sure corporation counsel
15 was as well.

16 COMMISSIONER CAMILLE: Absolutely. Thank you
17 for getting that clarification, Madam Chair. And so, if
18 -- Madam Chair, would you like me to read it? And then
19 -- and then we're making a motion to -- and just to be
20 clear, this is not a resolution, it's a statement, just a
21 public statement from the board in regards to this
22 killing. Should I proceed with reading it then?

23 CHAIRPERSON DEWAELSCHE: Yes, please.

24 COMMISSIONER CAMILLE: Okay, thank you. So,
25 this is the Detroit Board of Police Commissioner's

1 response to the killing of Renee Good of Minneapolis by
2 ICE.

3 "Detroiters have a long and proud tradition of
4 civic engagement. Through rallies, marches, sit-ins,
5 legal observation, protests, public comment, art,
6 education, and leafletting, residents have long
7 participated in shaping our shared civic life. While we
8 may not always agree with one another, we affirm that
9 everyone is guaranteed constitutional rights to religion,
10 speech, press, peaceful assembly, and petitioning their
11 government. These freedoms are central to the values we
12 hold as Americans.

13 When actions by law enforcement threaten the
14 protection of these fundamental liberties, it can be
15 deeply unsettling for individuals and communities alike.
16 Those engaged in advocacy at many levels are reminded
17 that such threats put the safety of all of us at risk.
18 Incidents that call these protections into question can
19 have far-reaching impacts, including physical and
20 emotional harm, fear, and distress, not only by those
21 directly involved but also for their families,
22 communities, and others who are affected by learning of
23 such events.

24 We acknowledge that practices and approaches
25 within the greater law enforcement community are often

1 shared across agencies. While the Detroit Board of
2 Police Commissioner's charter-mandated authority is
3 limited to oversight of the Detroit Police Department,
4 our broader concern is the safety and well-being of
5 Detroit residents in all interactions with law
6 enforcement, regardless of agency." Which I think we've
7 demonstrated with all the discussion today.

8 "We strongly denounce the use of law
9 enforcement to undermine dissent or to limit First
10 Amendment activity. Accordingly, we remain committed to
11 ongoing review of policies, departmental conduct, and
12 community complaints to address concerns promptly and
13 responsibly when they arise. We will continue to explore
14 all lawful and constructive avenues available to us to
15 help ensure that residents are protected and that
16 constitutional rights are upheld within the city of
17 Detroit.

18 We respectfully urge Mayor Mary Sheffield and
19 the Detroit City Council to affirm that federal law
20 enforcement agencies engaging with Detroit residents do
21 so in a manner consistent with the policies and
22 procedures that govern local law enforcement. Finally,
23 we respectfully urge city, county, and state prosecutors
24 to establish clear processes of accountability when any
25 individual employed by or contracted with the federal

1 government violates the rights or safety of Detroit
2 residents."

3 Madam Chair, I move for adoption.

4 CHAIRPERSON DEWAELSCHE: The motion has been
5 made by Commissioner Camille, and who was seconded?

6 COMMISSIONER BOMAN: I was.

7 CHAIRPERSON DEWAELSCHE: Commissioner Boman
8 seconded the motion. Is there any discussion?

9 COMMISSIONER WATTS: I just got it.

10 CHAIRPERSON DEWAELSCHE: I'm sorry?

11 COMMISSIONER WATTS: No, I'm saying I just got
12 it.

13 CHAIRPERSON DEWAELSCHE: Okay.

14 VICE CHAIRPERSON WOODS: Yeah, I'll just say in
15 the future, --

16 CHAIRPERSON DEWAELSCHE: Go ahead, Commissioner
17 Woods.

18 VICE CHAIRPERSON WOODS: -- I want to make sure
19 that when we make an adoption of a statement that we get
20 it a little bit more earlier than just at the meeting
21 because we didn't get a chance to peruse this. We didn't
22 get a chance to look at it or even offer any insights of
23 our own, being that this is a statement from the Board of
24 Police Commission. It is not an individual statement,
25 and so it behooves folks to make sure that we have an

1 opportunity to review it at a much more, you know,
2 earlier time.

3 PARLIAMENTARIAN JACKSON: Madam Chair?

4 CHAIRPERSON DEWAELSCHE: Yes, Madam
5 Parliamentarian?

6 PARLIAMENTARIAN JACKSON: The commissioner can
7 certainly make the motion to postpone this matter to next
8 week if the commissioner feels that more time might be
9 needed. Of course, if it's a motion, it'd have to be
10 adopted, but I wouldn't -- the Parliamentarian would not
11 want the commissioner to feel that there are no other
12 options except to...

13 VICE CHAIRPERSON WOODS: Well, I appreciate
14 that, but I don't see no impediment for approval, --

15 PARLIAMENTARIAN JACKSON: Okay.

16 VICE CHAIRPERSON WOODS: -- you know, for my
17 support, and I don't want to make that motion. But I'm
18 just saying that in the future, make sure that this stuff
19 is before us much earlier.

20 CHAIRPERSON DEWAELSCHE: And thank you for
21 that, so that we know that we have that option.

22 PARLIAMENTARIAN JACKSON: Yes.

23 CHAIRPERSON DEWAELSCHE: That's important for
24 the commissioners. Thank you.

25 Hearing any other discussion? All those in

1 favor indicate by saying aye.

2 ALL COMMISSIONERS: Aye.

3 CHAIRPERSON DEWAELSCHÉ: Opposed? The motion
4 carries.

5 I'll entertain a motion to adjourn the meeting.

6 COMMISSIONER JONES: So moved.

7 COMMISSIONER WILLIAMS: Second.

8 CHAIRPERSON DEWAELSCHÉ: It's been moved and
9 seconded. All those in favor indicate by saying aye.

10 ALL COMMISSIONERES: Aye.

11 CHAIRPERSON DEWAELSCHÉ: Opposed? Thank you,
12 everyone. Thank you for your attendance.
