ADMINISTRATIVE SUMMARY

Please join the General Services Department for updates on the design and construction of the Joe Louis Greenway on Woodmere Street. This route was previously selected through a community-led process and will create a biking/walking connection between Fort Street and Vernor Highway.

The design for this 1-mile segment includes an off-street shared use path, road resurfacing, lighting improvements, and street safety interventions. Total costs will be \$10.2m and are fully grant funded. Construction is planned for 2027.

ONLINE FEEDBACK
