The public hearing is being held to consider the request of Real Estate Interests, LLC to amend Article XVII, Section 50-17-6, District Map No. 5 of the 2019 Detroit City Code, Chapter 50, Zoning, to show a R2 (Two-Family Residential District) zoning classification where a R1 (Single Family Residential District) zoning classification is show on property located at 1764 Calumet Street.

The proposed rezoning is indicated as the shaded area on the accompanying map. The proposed map amendment is being requested to allow the construction of an eight-unit, two-story apartment building.

R1 SINGLE-FAMILY RESIDENTIAL DISTRICT

The R1 Single-Family Residential District is designed to protect and preserve quiet, low-density residential areas now primarily developed and those areas which will be developed with single-family detached dwellings and characterized by a high ratio of home ownership. The regulations for this district are designed to stabilize and protect the essential characteristics of the district and to promote and encourage a suitable environment for activities associated with family life.

R2 TWO-FAMILY RESIDENTIAL DISTRICT

The R2 Two-Family Residential District is designed to protect and enhance those areas developed or likely to develop with single- or two-family dwellings. The district regulations are designed to promote a suitable environment for homes and for activities connected with family life. The only principal uses permitted by right are single- and two-family dwellings. Additional uses are conditional.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.
