NOTICE OF PUBLIC HEARING

A public hearing will be held by the Detroit City Planning Commission in the Committee of the Whole Room, 13th Floor, Coleman A. Young Municipal Center, 2 Woodward Avenue, Detroit, Michigan 48226 at the date and time listed below. Both in-person and virtual attendance are options to participate. Pursuant to public health guidelines and limited room capacity, if anyone has cold, flu, COVID symptoms or other contagious condition, virtual attendance is strongly encouraged. To attend the meeting virtually, please use the link toward the end of this notice.

THURSDAY, JULY 30, 2026, AT 5:15 PM

This hearing is to consider the request of Cezanne Charles to amend Article XVII, Section 50-17-31, District Map No. 29 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an SD1 (Special Development District, Small-Scale, Mixed-Use) zoning classification where a PD (Planned Development District) zoning classification is shown at the properties commonly known as 716 & 724 Townsend Street. Also to modify PD ordinances 588-H and 28-87 and other effected ordinances to reconcile the amended legal description and other necessary changes to accommodate this request.

The proposed rezoning is indicated as the shaded area on the accompanying map. The proposed map amendment is being requested to allow the former transformer substation to be adaptively reused as an office and art studio.

SD1 SPECIAL DEVELOPMENT DISTRICT, SMALL-SCALE, MIXED-USE

The SD1 Special Development District is designed to encourage a complementary mixture of small-scale pedestrian and transit-oriented uses that are compatible in a neighborhood setting. It is intended to ensure a neighborhood character and place a proper balance of activities within walking distance of one another while serving the day-to-day needs of residents. Parking requirements are reduced in certain circumstances to promote use of transit and non-motorized transportation; shared parking and a district approach to parking are encouraged to lessen demand for off-street parking spaces. Certain establishments that serve alcohol for consumption on the premises are permitted without a spacing requirement in order to attract increased pedestrian traffic to the area.

PD PLANNED DEVELOPMENT DISTRICT

The PD Planned Development District will permit planned developments throughout the City and will be particularly useful in district areas established in accordance with Section 74 of the Michigan Blighted Area Rehabilitation Act, being MCL 125.74, for urban renewal. Such planned developments shall be substantially in accordance with the goals and objectives of the Master Plan, by having a major land use that corresponds to the most general category of land use, which are residential, retail and local services, industrial, mixed use, parks and open space and other, proposed in the Master Plan for the area involved.

Zoning Ordinance amendments require approval by the City Council following a separate public hearing conducted by the Council. The Council considers the matter upon receipt of a report and recommendation from the City Planning Commission. This Zoning Ordinance map amendment request is being considered

consistent with the provisions of Article III, Divisions 2, 3 and 4 of Chapter 50 of the 2019 Detroit City Code, the Detroit Zoning Ordinance.

All interested persons are invited to be present and be heard as to their views. Persons making oral presentations are encouraged to submit written copies, for the record, to the City Planning Commission via U.S. Mail at the above address or e-mail at cpc@detroitmi.gov.
