

**REPORT TO THE HONORABLE MAYOR DUGGAN
AND
DETROIT CITY COUNCIL**

**REGARDING THE PROPOSED PROJECT WITHIN THE WATER
BOARD BUILDING HISTORIC DISTRICT AND ADJACENT TO THE
BAGLEY FOUNTAIN AND DETROIT FINANCIAL HISTORIC
DISTRICTS**

APRIL 10, 2024

Pursuant to Detroit City Code, Sec. 21-2-5, *Effects of Projects on Districts*, the Detroit Historic District Commission finds that the proposed project at 836 Bates (on Randolph Steet and the sidewalk to the east of 836 Bates) and at Cadillac Square Park, between Woodward and Randolph, will not have a demonstrable effect on the Water Board Historic District, Detroit Financial Historic District, or the John J. Bagley Fountain Historic District.
