Project Scope: Remove aluminum cladding; repair rear porch**

Dear Applicant,

At the Regular Meeting that was held on July 10, 2024, the Detroit Historic District Commission (“DHDC”) reviewed the above-referenced application. Pursuant to Section 5(1) of the Michigan Local Historic District Act, as amended, being MCL 399.205 (1) and Sections 21-2-73/21-2-78 of the 2019 Detroit City Code; the DHDC hereby issues a Certificate of Appropriateness (“COA”) for the following work per the submitted materials, effective on July 17, as it meets the Secretary of Interior’s Standards for Rehabilitation and the district’s Elements of Design:

*Remove aluminum from dormers, rear facing gable end, rear enclosed porch, fascia, soffit, and window/door trim; repair rear porch*

Please retain this COA for your files and post it at the subject property until work is complete. It is important to note that approval by the DHDC does not waive the applicant's responsibility to comply with any other applicable ordinances or statutes. If you have any questions regarding the foregoing, please contact staff at 313-224-1762 or [hdc@detroitmi.gov](mailto:hdc@detroitmi.gov).

For the Commission:
