Subject: [EXTERNAL] Opposition to DTE curb replacements in Indian Village
Date: Wednesday, April 7, 2021 8:25:03 PM

Dear Commissioners,

I want to express my opposition to DTE's request to replace historic stone curbs in Indian Village with concrete. I am a resident of neighboring Historic West Village. When making improvements, homeowners in Detroit's historic districts are held, rightly so, accountable to uphold the historic elements of our properties. A corporation with no investment in our neighborhood standards and home values should not be granted permission to cheapen our neighborhoods with insufficient replacements that do not stand the test of time or uphold historic aesthetics.

Please deny their request for concrete replacement curbs and require them to restore the stone curbs disturbed by their utility work.

Thank you,
Kristen Keen
