Subject: [EXTERNAL] Support for 2108 Burns Avenue

To whole it may concern:

As the current resident of 2152 burns adjacent to this property I would like to voice our support for the design put forward by Gary.

Not only do I feel that it adds value to our neighborhood but I believe that the design blends and does not in any way detract from our neighborhoods historic Charm.

Please fee free to contact me for any questions or concerns!

All the best,
Victoria Lucas -Perry
