To Whom It May Concern:

Hello, I am Hiram E. Jackson, Publisher, and CEO of Real Times Media.

I am writing this letter today in support of the exterior building signage application submitted for 1465 Centre, Detroit, Michigan.

This building represents an important part of the redevelopment of the historic Paradise Valley district. The owners of the property have made a significant investment into the property. So too have the tenants that have leased space in the building.

Exterior signage is important to the tenants of this building, and we urge you to please grant approval for this application.

Sincerely,

A handwritten signature in black ink, appearing to read "H. E. Jackson". The signature is stylized and cursive, with a large, sweeping flourish at the end.
