Dear Gene,

Detroit's legacy of innovation, art, and culture has left an indelible mark on the world. The Schaap Center has the potential to become a dynamic space for dialogue, inspiration, and education, contributing to the ongoing cultural narrative Detroit.

As Board Chair of Mosaic Youth Theatre of Detroit, I look forward to witnessing the growth and impact of this initiative to nurture and celebrate Detroit's artistic spirit. The possibilities it offers for collaboration and the development of Detroit youth and families are both exciting and promising. We are excited about the potential synergies and avenues for collaboration between youth, young adults and community leaders in the future.

Thank you for your dedication to illuminating and expanding the reach of Detroit's cultural heritage.

Warm regards,
