Good morning.

I am the next door neighbor to the property on Hubbard st in southwest Detroit historic district of Hubbard farm.

I would like to share my support of the project to erect a carriage house at 1036 Hubbard st. as proposed to this esteemed council.

The design and scale of the construction does fit the neighborhood and it would be a great improvement to the current state of the back of the lot in question.

Please reach me for any clarification on this matter.

Cheers

Wissam Fawaz
