**To** Historic District Commission (Staff) <hdc@detroitmi.gov>

Hello HDC staff, my name is Mark Hall, I wanted to give public comment on on my opposition to a parking lot at 3116 park Ave. a parking lot in this historic district will really detract from the character. With some of the most important historical buildings in the city located here this property needs to be building to rebuild a walkable neighborhood it once was.

Thank you
