Good afternoon,

Attached is our HDC Project Review Request for The Anchor at Mariners Inn located at 445 Ledyard St. We are seeking approval for the addition of building signage for this new project.

Scope of Work:

We have received a Certificate of Appropriateness from HDC for The Anchor at Mariners Inn and kindly request signage approval. Please note that the submitted drawings reflect the location of the signage, but the final signage details are currently being finalized. We are hoping this is something that can be approved as a HDC staff review.

Please let us know if there are any questions.

Thank you,
Lily
