## Vinyl Windows and Patio Doors

JELD-WEN® vinyl windows and patio doors balance performance, beauty, ease, and affordability. They are crafted from high-quality extruded vinyl that resists fading and won't chip or peel. Their frames are designed to be strong and to deliver excellent thermal performance. We offer a variety of design options that make these windows and patio doors a great fit for many architectural styles. They are also available with options that meet or exceed ENERGY STAR® requirements for even greater energy efficiency. All of our vinyl windows and patio doors are backed with an industry-leading Limited Lifetime Warranty, for ultimate peace of mind.

ENERGY STAR® is a trademark of the US Environmental Protection Agency.

# V-2500™ Series

- Durable, affordable performance
- Narrow frame and sash profile for a streamlined look
- Innovative features for ease of operation
- Low-E glass that reflects outdoor heat in summer and retains indoor warmth in winter
- Backed by a Limited Lifetime Warranty\*
- Energy-efficient ENERGY STAR® certified options also available by region
