

Parcel Viewer

Welcome to the new Parcel Viewer

You can use this application to look up information about parcels in the City of Detroit.

You can find information about parcels in two ways:

- **Search** for an address or parcel ID using the search box above
- Click a parcel on the **map**

You can see the latest **Street View** imagery for the parcel you selected:

- Switch between different imagery **capture dates** using the date picker

You can also switch the map baselayer to **satellite imagery**

Do you have questions or comments about this tool? Tell us using our [feedback form](#) or please open a [GitHub issue](#).
