Hi Tim,

60% of the brick reused and we were able to match the original brick. Using the same pillars. No other other changes.

Hello,

I am working on reviewing your application and presenting it to the Historic District Commission and I have one question. The application scope of work says "remove existing brick walls" and "rebuild brick support walls with original matching bricks." Does this mean that the rebuilt porch will match the appearance of the previous porch? Or there any changes being proposed?

Thanks,  
Tim
