yes of course

an after installing them they will be painted white that was the original color

and im thinking maybe getting it done by October if everything goes as planned

Good afternoon Ms. Patino,

Thank you for this application. We do require a few more pieces of information before we can complete the review.

1. Can you send photographs of the location where the railing is to be installed?
2. Will the railing be stained or painted after installation? If so, can you provide a color or finish?

Thanks in advance, and have a great weekend.

Best,

Benjamin Buckley
