

Extrudeck® series

The gold-standard of extruded aluminum canopies

Extrudeck's® unique "J channel" water capture system makes this a functional yet attractive choice for any building. Its lightweight design provides protection from the elements and its easy hanger capability makes installation a snap. Extrudeck® is available pre-engineered in a wide variety of widths and lengths, a choice of finishing options will highlight your buildings facade.

Features and Benefits:

- Unique built-in drainage system
- Superior durability and lightweight design
- A variety of mounting options:
 - hanger rod, cantilever, post mount
- Pre-engineered
- Wide selection of fascia profiles, compliments any design
- Modular design and construction
- Weather protection
- Adjustable pitch
- Floating internal structure
- Surprisingly affordable

***MASA Architectural Canopies Ecoshade® and Extrudeck® systems can help you achieve LEED Credits.**

Innovative environmental control through creative design

Extrudeck® series

The gold-standard of extruded aluminum canopies
