Please be advised per the **2015** Michigan Building Code: Each permit issued by the code official under the provisions of the code shall expire by limitation and become null and void if the work authorized by the permit has not begun within 180 days from the issued date of the permit or if not inspected, after the work has begun for a period of 180 days. Before the work may be restarted, the permit shall be reinstated if the code has not changed. If the code has changed and the work was not started, a new permit is required based on the current requirements.
