

DR. OSSIAN SWEET MEMORIAL PARK

Something about the park here?

This neighborhood was a mostly white neighborhood. The Sweets knew people who had faced and suffered violence for crossing the "race line" in other Detroit neighborhoods earlier that year.

Something about the trees here

They notified the police to help maintain order, but knew law enforcement alone would not prevent mob violence. They had not yet brought all of their belongings

Something about the foundations here

They notified the police to help maintain order, but knew law enforcement alone would not prevent mob violence. They had not yet brought all of their belongings.
