ClassicWood™ Architectural Wood Columns and Column Covers

Old World craftsmanship is still available with our full line of handcrafted ClassicWood Architectural Wood Columns. Built for exterior or interior applications from your choice of the finest clear woods and glued with state of the art Type 1 waterproof adhesives, our ClassicWood columns are turned by our woodworking artisans in your choice of an essentially limitless selection designs. For exterior applications, we recommend our FJ All Heart Cedar 10 Year Warranty Columns in combination with our durable fiberglass capitals and bases. We offer authentic entasis tapered classical designs in addition to contemporary designs, or your own custom design. For application of stain finishes, we offer a limitless array of fine clear wood columns crafted in an AWI Custom Grade for quality and beauty.
