NOTIFICATION

This application is subject to review by the Historic District Commission during one of its regularly scheduled public meetings. You will receive an email notification once a meeting date has been scheduled, and a staff member will be assigned as your primary point of contact for this application.

Applicants and/or property owners are strongly encouraged to attend the meeting—either in person or virtually—to provide supporting information for their proposal and address any questions from the Commissioners.

Should you have any questions prior to being notified, please email hdc@detroitmi.gov.

Thank you!

REASON FOR DOCKETING

The work proposed in your application is beyond the scope of work staff can approve administratively on behalf of the commission.

Please note that your front entry door, storm door, and your back door were not included in the Certificate of Appropriateness you received in 2024, so staff would recommend uploading the specs or photos of each of those items and adding it to the scope of work currently being proposed. Otherwise, those violations will remain with the property. Thank you for your application and please let us know if you have any questions going forward.

Thank you.
