[EXTERNAL] 8002 Kercheval Detroit

From Dameon Gabriel <dameongabe@gmail.com>

Date Wed 11/12/2025 1:25 PM

To Jennifer Ross <rossj@detroitmi.gov>

Hello,

Below is the proposed exterior scope of work for 8002 Kercheval.

East Van Dyke side: restore current siding and keep historic sign. Use repurposed siding from west elevation for the missing areas.

West side: repurpose siding to the missing areas of Van Dyke side and remove the rest from the west elevation. Install 5/16" hardiplank per install guidance. Board height of 5.5" providing 4" exposure reveal.

North Kercheval side: restore siding that is under insul brick at gable end

Thank you,

Dameon Gabriel
