Staff does not have authority to approve the installation of the sliding doors. This application will likely need to be reviewed by the Commission at the next available meeting. However, the following information must be submitted before this project can be docketed:

1. Include the dimensioned drawings for the proposed trash enclosure, as this will also need to be reviewed by the Commission.

To be included in the March Meeting, please submit the requested information by end of day, today (February 17, 2026)

APPLICANT RESPONSE

Response Date: 02/17/2026

1. Sheet/Drawing ST-4 outlines the trash enclosure details requested above.
2. Sheet/Drawing A-2 was left out of the application (previously) and further outlines the residential units on the interior of the church building, adjacent to the west facing exterior wall where the glass sliding doors are proposed to be constructed.
