|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| <b>1. DESCRIPTION OF EXISTING CONDITION</b><br><i>Please tell us about the current appearance and conditions of the areas you want to change. You may use a few sentences or attach a separate prepared document on the right. (For example, "existing roof on my garage is covered in gray asphalt shingles in poor condition.")</i> |                                                                                     |
| We want to build a garage in our backyard. There is currently no garage.                                                                                                                                                                                                                                                              |                                                                                     |
| <b>2. PHOTOGRAPHS</b><br><i>Help us understand your project. Please attach photographs of all areas where work is proposed.</i>                                                                                                                                                                                                       |  |
| <b>3. DESCRIPTION OF PROJECT</b><br><i>In this box, tell us about what you want to do at the areas described above in box #1. (For example, Install new asphalt shingle roofing at garage.)</i>                                                                                                                                       |                                                                                     |
|                                                                                                                                                                                                                                                                                                                                       |                                                                                     |
| <b>4. DETAILED SCOPE OF WORK</b><br><i>In this box, please describe all steps necessary to complete the work described in box #3. (For example, "remove existing shingles, replace wood deck as necessary, replace wood eaves, install roof vents, replace rotted fascia boards, paint, clean worksite.")</i>                         |                                                                                     |
| We will lay cement and then build the garage. The backyard is already partially cemented.                                                                                                                                                                                                                                             |                                                                                     |
| <b>5. BROCHURES/CUT SHEETS</b><br><i>Please provide information on the products or materials you are proposing to install. For example, a brochure on the brand and color of the shingles proposed.</i>                                                                                                                               |                                                                                     |
