Rebate is not an instant price reduction on the advertised items at the point of original purchase. Rebate is a mail-in rebate issued as a Rebate Credit Check that is a discount on future in-store purchases only and not purchases on MENARDS.COM®. "Value After Rebate" is the price or sale price minus the future rebate discounts. Valid on merchandise; excludes purchase of gift cards, rentals, service plans, delivery charges and processing fees. See bottom of page for details.

\$81.59 / mo. payments (total \$979) with 12 equal monthly payments [Terms Apply](#)

Description & Documents

This Traditional Steel Panel garage door features a design that works for every home without sacrificing style for strength, durability, or comfort. This garage door features vinyl-backed insulation and a sturdy design. This door offers dependable construction with long-lasting operation, providing you with a great door to suit your home and lifestyle. Take it home today to transform the look of your home!

Features

- Traditional steel door with raised short panel and woodgrain texture compliments a wide range of home styles
- Solid - no windows
- GOOD 2-layer construction (steel + vinyl backed polystyrene insulation)
- Model M4SV, 1-5/16" polystyrene insulation, R-value 6.3
- Includes standard lift 12" radius track requiring 12" of headroom, with residential 2" bracket mount track
- Includes EZ-SET® torsion spring system for faster, safer and easier do-it-yourself installation
- Standard hinges and nylon rollers included
- One (1) reinforcement strut included, each with a depth of 1-1/2" x 2" and width equal to the door
- Use of an opener requires an opener reinforcement bracket (purchased separately)
- Rear track hanger kit and lock purchased separately, if needed
- A new garage door is a great investment and can transform the look of your home. Garage door replacement is one of the top home improvement projects with significant return-on-investment at resale.
